THE LAST SURVIVOR.

Gen. Thos. F. Drayton's Funeral at Char lotte Yesterday.

Special Star Telegram. CHARLOTTE, N. C., Feb. 20.-Gen. Thomas F. Drayton, the last survivor of ex-President Jefferson Davis' West Point class, was buried at Charlotte this afternoon. His remains were followed to the grave by a large concourse of citizens, and the Confederate Veterans the memory of one of the purest Christian gentlemen of any age. He was a native of Charleston, S. C., but had resided at Charlotte ever since the close of the war. Very recently, Supt. Whisnant, of the C. C. R. R., at his request, sent him with friends in his private car to Florence, S. C., to visit his married daughter, Mrs. Pope. He was very feeble when he left Charlotte, and his death within so short a period was no surprise to those who saw him on his journey. He had reached quite an advanced age. He had been a gallant Confederate soldier, and was a devout Christian and upright citizen.

THE ROBBERS.

All the Persons Arrested Held For Trial -The Stolen Goods, Etc.

There were no important developments at the preliminary hearing of George Nash, the colored man found in possession of stolen goods, as told in the STAR yesterday, The investigation took place before Mayor Fowler, and at its close Nash was committed to jail on the charge of larceny and default of bail in the sum of \$200. Josephine Howe and Mary Jane Gavin, the colored women found living in the house with Nash, and charged with receiving stolen goods, were also held for the Criminal Court in default of \$100 bail each. Nash's brother, Andrew Laspeyre, the other inmate of the house, left town the day after the robbery. The miscellaneous collection of clothing, dry goods, hats, boots and shoes, blankets, guns, pistols, knives, etc., found at Nash's house and carted to the City Hall, have been inspected and the greater part identified as stolen from the stores of Messrs. Chesnutt & Barrentine, Polygot & Rehder, Alderman & Flanner, Mr. Geo. A. Peck, Capt. Jno.

J. Hedrick and the "Racket Store." The robbers by the way were very partial to the "Racket." They entered this store on three different occasion-twice by forcing a window at the rear of the building, and the third and last time through the front door, which they unlocked. The proprietors had a new lock put on the door; and looked for the next appearance of the robbers through the roof or the floor of the building. They will feel a little more secure, now, perhaps, for the key used to unlock their store-door was

found in one of Nash's pockets. One of the articles in a trunk at the thieves' den was a box about 12x8 inches in size, marked "A. L. L," on one end. It is now at the City Hall, and its contents are: one double-faced gold and chain, one open-face watch, two pistols, thirpocket knives, two small purses; a small gold locket, enclosing a portrait of an elderly lady, and a light gold chain attached; three packages of silver coin (\$25), marked "C. B."; one package of silver coin (\$8); a lot of Confederate money; postage stamps; pistol cartridges, etc.

CITIZENS' MEETING.

Capt. W. P. Oldham Endorsed for Railroad Commissioner.

There was a large crowd at the court house last night to endorse a candidate for Railroad Commissioner, this being an adjourned meeting from the Produce Exchange on Monday. The meeting was called to order by Mr. M. Cronly, and Mr. J. C. Stevenson acted as secretary. After the calling of the meeting Capt. W. R. Kenan arose and said that he had never been a candidate for the position of Railroad Commissioner, and while he thanked his friends for the turned out in full force to do honor to kind mention of his name, he would ask that his name be not presented to the meeting, as he could not accept the position even if he were to receive the endorsement of the citizens and was

elected by the Legislature. Mr. Walker Taylor introduced the following resolution which was carried. WHEREAS, There are several candidates for the position of Railroad Commissioner; and whereas, several petitions signed by numerous citizens have been presented to our representatives in the Legislature; and whereas, our representatives have been unable to make a choice therefrom and have recommended a unity of action in behalf of some one candidate by the citizens of Wilmington; and whereas, this adjourned mass meeting is held to carry out their recommendation, be it therefore

Resolved, That the action of this meetng in the choice of a candidate shall be binding, and that all rival candidates shall withdraw in favor of the choice of this meeting.

The Chairman then declared nominations in order, whereupon Messrs. W. P. Oldham, O. A. Wiggins and A. D. Cazaux were put in nomination.

After numerous speeches were made a ballot was taken which resulted in the election of Capt. W. P. Oldham and the result was afterwards made unanimous.

Loud cries were now heard for Captain Oldham who addressed the meeting for about ten minutes and was frequently interrupted by loud and coninued cheers.

After this the meeting adjourned.

The New Orleans Times-Democrat ofThursday contains the following statement in regard to rice: "The demand continues sluggish, but little transactions in rice being notiecable except a slight movement in common sorts, and that from local grocers. Outside buyers are taking very sparingly. A reputable firm here say that they have advices from their correspondents throughout the North, West, and eyen from sections of the South, stating that the demand is confined almost entirely to foreign sorts. Information from the North reports large engagements of cleaned and uncleaned foreign stock afloat and for later shipments, the amount of which is estimated at from 300,000 to 500,000 bags. Local stocks are not unduly large, but accumulating. Both clean and rough rice continue quiet, with fittle

Capt. Oldham For Railroad Commissioner.

The selection and endorsement of Capt. W. P. Oldham for railroad commissioner by the meeting of citizens held last night at the County Court House, is a fitting endorsement of a most worthy gentleman, who has ever had the confidence and esteem of the community. He is a representative business man of the city, and is besides a farmer, and so, is identified with the varied interests of all the people. He is a staunch Democrat, is chairman of the County Executive Committee, and has given years of unrequited service to the party. His appointment would be a good one and would greatly gratify the great mass of the people.
