PERSONAL PARAGRAPHS

Pertinent Paragraphs Pertaining Principally to People and Pointedly Printed.

— Dr. J. L. Nicholson, of Richlands, is in town.

— Dr. Bullock is reported as very sick and confined to his room.

— Mr. Irvin Walker, Manager of the "Theatre Hammocks," was in the city yesterday.

— Rev. F. D. Swindell, Presiding Elder of the M. E. Church for this district, is very sick.

— Mr. Thos. C. McIlhenny, Jr., has accepted a position as conductor on the Seacoast railroad.

— Mr. A. S. Williams left for the University yesterday, where he will complete his law course.

— Lieut DuVal French was thought to be somewhat improved yesterday, though still very sick.

— Mr. Jas. H. Chadbourn, Jr., General Manager of the Wilmington, Chadbourn and Conway Railroad, is in the city.

— Worth Bagley, of Raleigh, a cadet at the Naval Academy at Annapolis, is in the city, visiting the family of Mr. D. G. Worth.

— Mr. Jas. Robeson, of Tar Heel, who was at the STAR office yesterday, says crops thereabouts have improved very much, especially cotton.

— Mr. W. P. Rodman, of the firm of Rodman & Heath, Waxhaw, N. C., and Mrs. Rodman, are enjoying the breezes of our seaside resorts.

— Mr. John M. Fairley, of Monroe, was among the visitors here yesterday. John has many friends in Wilmington who were glad to meet him here.

— Hon. E. W. Kerr, of Clinton, was on the streets yesterday. He says the Sampson Light Infantry are looking forward with much pleasure to the Encampment.

— The STAR had the pleasure of a visit yesterday from Dr. W. D. McMillan, of Magnolia, who added his name to our list of Daily subscribers at that postoffice. He speaks favorably of the crop prospect.

— The following were among the arrivals in our city yesterday: L. L. Mallard, Wallace; G. C. Wiswell, Southport; T. H. Murray, Raleigh; James Lesense, D. C. Cremerer, R. B. Hunter, S. M. King, Jr., G. W. Westbrock, N. C.; J. Robeson, Bladen county; J. M. Fairly, Monroe; W. D. McMillan, Magnolia; Geo. Sloane, R. M. Senn, Miss Lillian Senn, E. D. Senn, Columbia; G. M. Brockman, Norfolk; J. T. Rowland, Raleigh; G. Jacobson, Charleston.

CONFEDERATE VETERANS.

Excursion Rates on the A. C. L. for the Bountiful at Wrightsville.

Excursion rates for the Confederate veterans' encampment and reunion to be held at Wrightsville after the encampment of the State Guard will be as follows on the Atlantic Coast Line, viz: Magnolia, \$3; Clinton, \$2.45; Faison, \$2.30; Mount Olive, \$2.45; Goldsboro, \$2.85; Rocky Mount, \$3.85; Wilson, \$3.50; Greenville, \$5.40; Scotland Neck, Halifax, \$4.40; Weldon, \$4.60; Raleigh, Durham, Greensboro, \$4.75; Tarboro, \$4.25. Rates from intermediate points in proportion. Tickets will be sold July 28th, 29th and 30th, good to return until August 8th, 1891, inclusive.

Hot and Cold.

The Atlanta folk are hot because they can't keep cool without paying the ice companies \$1.00 per hundred pounds for frozen water. Atlanta has many rivals, but this is enough to melt the hearts of her coldest enemies.

The Atlanteers should come up and spend their summers in Wilmington, where they can buy ice for fifty cents per hundred pounds, or \$4.00 per thousand pounds. We will also throw in the mint, and can promise all visitors from the windy city an ice time generally.

Weather Forecasts.

The following are the weather forecasts for to-day: For Virginia, fair Wednesday, stationary temperature, except slightly cooler in West portion and winds becoming westerly.

For North Carolina, fair Wednesday, slightly warmer, southerly winds. For South Carolina, fair, continued high temperature.

Moonlight Excursion and Ball.

There is every probability of fine weather for the moonlight excursion and ball at Carolina Beach this evening. The passport will leave at 5 p. m., and the Wilmington at 7 p. m. The last train will leave the Beach on the return at 10 o'clock. The Messrs. Hinton will have a splendid supper spread for the excursionists.

LOCAL DOTS.

Items of Interest Gathered Here and There and Briefly Noted.

— The schooner Roger Moore arrived in below yesterday.

— The maximum temperature at Southport yesterday was 79 degrees and the minimum 73.

— The street hands are clearing streets in the business part of the city of weeds and grass.

— Family excursion to-morrow to Carolina Beach for the benefit of the King's Daughters.

— The weather was cloudy yesterday at Southport; wind southwest, and the sea-very light.

— The dark cloud which came up from the direction of Columbia, Monday, disappeared last night.

— The Criminal Court meets next Monday and the Superior Court on the Monday following, July 27th.

— Three or four cases of disorderly conduct were tried in the City Court yesterday, the fines aggregating thirty dollars.

— It is said that a great many visitors from Fayetteville will attend the Encampment of the N. C. S. G. at Wrightsville.

— The Norwegian barque Knuds-vik cleared yesterday for Hull, Eng., with 1,998 casks spirits turpentine, valued at \$35,687, and shipped by Messrs. Williams & Murchison.

— In regard to the Norfolk, Wilmington & Charleston Railroad, it is said that Mr. F. L. Pittman, civil engineer, has been ordered to go ahead and push the work as rapidly as possible.

— Jane Outlaw, colored, was arraigned before Justice R. H. Bunting yesterday on the charge of disorderly conduct. The Court suspended judgment on the payment of costs, but being unable to pay them she was committed to jail.

— The "younger set" will give a full-dress "german" in the new ball-room of the Island Beach Hotel to-night. A late train will be run for the accommodation of both the "older" and the "younger set." The STAR wishes the y. s. a royal time.

— The funeral of little Eddie Gause took place yesterday morning, the remains being interred in Bellevue Cemetery. The pall-bearers were Masters Arthur Belden, Henry Bowden, Henry Peschau, John C. Bowden, Albert Peschau and Harry Stokley.

COUNTY MATTERS.

The New Court House and the Tax Levy. The architect who is to prepare plans and specifications for the new County Court House has not yet submitted these to the Board of Commissioners. As soon as received the Board of Magistrates will be called together and if the plans are approved by this board advertisement will at once be made for contractors to do the work.

At the same meeting the Board of Magistrates will consider the recommendation of the Board of Commissioners for a reduction of the tax levy. It is thought that the Board of Magistrates will be called together to consider the above matters before the 1st of August next.

Colored Firemen and Excursionists.

Cape Fear Steam Fire Engine Company paraded yesterday with the Vigilant Fire Engine Company, of Columbia, S. C., in full uniform and made a very pretty display. The Cape Fear steamer and reel were in the procession with a band of music.

The Columbia Company and the excursionists from that place left for home last night, very much pleased with their trip.

It was an orderly, well behaved crowd, and the police say that they gave them no trouble whatever.

Encampment Schedule on the Seacoast R. R.

The Encampment schedule on the Seacoast railroad has been arranged and will go into effect to-day. Trains will leave Wilmington (every day, Sunday included) at 6:00 and 10:00 a. m., 2:00, 3:00, 5:00, 6:00, 7:15, 9:15, and 10:30 p. m., and leave Ocean View at 7:30 and 8:50 a. m., 12:40, 3:05, 5:00, 6:00, 8:00, 9:00 and 10:30 p. m.

Encouraging Crop Reports.

The Robesonian of the 15th inst., says that from every section of the county there comes encouraging information in regard to the crops: corn, especially, being reported as in fine condition. Cotton is improving in a marked degree, while the other crops are fully up to, if not above the average.

Yesterday's Weather.

The records of the Weather Bureau give the following report of the range of temperature, etc., yesterday: At 8 a. m., 75°; 8 p. m., 75°; maximum temperature, 79°; minimum, 73°; average 76°; prevailing wind, south. Total rainfall, .01.

THE ENCAMPMENT.

Everything in Readiness—The Tents all Up—The Battery and Rifle Range—An Army Officer Detailed for Duty at the Camp.

Everything is now in order for the Encampment. The last tent was staked last evening, and the other minor details were all arranged.

COL. OLDS A "HUSTLER." It was worth a trip over to the grounds to see Col. Olds working his men, and stirring himself. He has quite a happy company of workers, and so impressed and improved his men that his "mallet-man" is so attached to his mallet he never leaves it, even in bed or at his meals.

Inspector General Smith arrived yesterday, and will make his inspection to-day. He expressed himself as very well satisfied with the improvements made this year.

THE BATTERY

is in fine condition. There are six guns and mortars, all mounted and ready for use; two ten-inch Rodman guns and four ten-inch seacoast mortars.

THE RIFLE RANGE

is equipped with four Laidley mid-range targets. There is a 500-yard range, and other improvements have been made. The residents can sleep in peaceful security, and need have no fear from foreign invasion.

THE TENTS

are the same as used last year. There are 453 of them, and all are well put up on good plank floors, and well staked. The boys are going to find it very comfortable in camp in both rain and sunshine.

MILITARY INSTRUCTOR.

A Press dispatch to the STAR last night says that the acting Secretary of War has ordered Second Lieutenant Chas. Del Hine, Sixth U. S. Infantry, to proceed to Wrightsville, N. C., the scene of the annual encampments of the North Carolina State Guard, for the purpose of giving instruction to the First Regiment of Virginia Volunteers. This regiment will camp with the North Carolina troops this year, as the State of Virginia has not made sufficient appropriation for individual encampment of the State Guard in Virginia. Lieut. Hine has laid out a plan that will embrace rifle instruction during the day and points in guard mounting during the night. He is from Fairfax county, Virginia, and has just graduated from West Point.

RICE CROP PROSPECTS.

Some Late Advices from the Field! Prospects of a Fine Yield. The rice planters are well satisfied with the present prospects for the rice crop.

The reports of the condition of the crop are very favorable, indeed, and the prospects are said to be all that could be desired. The acreage is not as large as that of last year, but if the present prospects are realized the yield will more than make up for the deficiency in acreage.

The rice has entirely recovered from the effects of the cold, which caused it to appear very small and backward in the spring, and it is now well advanced for the season. The effects of the late planting have been about overcome by the favorable weather for growing, and the prospect is that the late crop will be very fine. Some planters report grass in their fields, but not in sufficient quantity to cause damage. The present rainy weather is favorable to a good harvest season, as a heavy rainfall in July and August is likely to insure a dry September.

It is too early yet to tell how the rice is heading out, but the indications are good. The harvest water is now upon some of the fields and other fields are about ready for it. There is not as much early rice as in former years, but the late crop is considered very fine.

INDUSTRIAL MANUFACTURING CO.

Annual Meeting—A New Board of Directors Elected. The annual meeting of the Industrial Manufacturing Company was held yesterday evening in the Mayor's office at the City Hall.

The meeting was called to order by Mr. Jno. D. Bellamy, President, and on motion, Mr. M. Cronly, Jr., was called to the chair and Mr. Trabue Barksdale was made Secretary.

A committee, consisting of Dr. F. W. Potter, Mr. W. R. Shaw and Dr. S. P. Wright, was appointed to verify proxies and report the number of shares represented. It was ascertained that 749 shares out of 1,129 were represented.

The Auditing Committee read their annual report, which, on motion, was adopted.

On motion of Walker Taylor, Esq., the Board of Directors was reduced from fifteen to nine.

Upon motion, the following were unanimously nominated and elected directors for the ensuing year, viz: Messrs. M. Cronly, Jr., W. J. H. Bellamy, W. R. Barksdale, J. D. Bellamy, Jr., S. W. Nobles, W. H. Howell, R. R. Bellamy, W. L. Smith, H. P. West.

On motion the meeting adjourned. A meeting of the new Board of Directors will be held Tuesday next to elect officers of the company.

RAILROAD NOTES.

Western Passenger Association—Important Purchase near Norfolk. — The Tennessee, Asheville and Cross River railroad, between Asheville and Anniston, Ala., will be completed from Anniston to Cullman by Jan. 1. It is proposed to connect at that point with the steamboats.

— The Savannah, Florida and Western railway is bringing in large quantities of Florida phosphates daily now for the two British steamships, the Indian Prince and the Kate Fawcett, now loading phosphate at Savannah.

— It is announced that the following officers of the Richmond and Danville Railroad Company will be removed to Atlanta: W. H. Green, general manager; John W. Hall, treasurer; Sol. Haas, traffic manager; J. T. Minette, purchasing agent; R. D. Wade, superintendent of motor power; Carey Figg, auditor, and James L. Taylor, general passenger agent.

— The Western Passenger Association is in a bad way, says the Courier Journal, and it will take skillful engineering, it is said, to prevent its dissolution. W. W. Finley, the chairman, receives \$10,000 a year, and probably is as good a man for the position as can be found, notwithstanding the abuse heaped upon him. There are elements in the organization which cannot be harmonized, seemingly.

— The Norfolk and Atlantic Terminal Company has purchased the water front bounded by Tanner's creek, Hampton Roads, Willoughby bay and Mason's creek, known as Sewell's point, and probably the greatest water front on the Atlantic seaboard. The property is just opposite Newport News, and comprises several thousand acres. The company will erect coal piers, shipyards, manufacturing plants, steam and electric car lines, etc. The bridges for crossing Tanner's creek have all been located and costs estimated, and the first work will be an electric communication with Norfolk.

TRIBUTE OF RESPECT.

ARMORY OF THE W. L. I., WILMINGTON, N. C., June 26th, 1891. To the members of W. L. I.: Your committee appointed to prepare suitable resolutions appropriate to the death of our late member and comrade, P. E. Kiley, respectfully submit the following:

Soldier in the W. L. I. called upon to mourn the sudden loss of one of our esteemed members—one whose interests were allied with ours—a tendency to always advance our mutual interest. Beloved by all as a good citizen, honest, upright and steady. A man to be relied upon. A good man and a faithful soldier. While living in submission to the will that permits such inextinguishable dispensation; it is resolved, That in the untimely death of P. E. Kiley the community at large and our Company have lost a most honored and valued man and soldier, one whose place will be hard to fill.

Resolved further, That our heartfelt sympathies are with the sorrowing friends of the deceased, particularly his bereaved wife and infant. And that a copy of these resolutions be forwarded to the wife. Respectfully,

CAPT. W. R. KENAN, Sec'y. E. W. MOORE, PHILIP HEINSBARGER.
