OTTERBURN

LITHIA AND MAGNESIA WATER!

ONLY CURES "BRIGHT'S DISEASE" BUT ALSO DIABETES.

MANASSAS, VA., April 7, 1888.
I have been suffering with a form of Kidney trouble which my physician (Dr. J. A. Hillman) has diagnosed as Diabetes, and advised the use of Otterburn Lithia and Magnesia Water. The quantity of urine was greatly in excess of the natural amount. I had forty pounds of flesh in a few weeks. The use of the Otterburn Water relieved the disease entirely in six weeks, and I am now well again.

Many medicines without avail, and I attribute the cure to the use of the Otterburn Water.

SPRITES TURPENTINE.

Charlotte Chronicle: Jim Garrison, the negro on Water Pharris' place, who was struck on the head by another negro last week, with a rock and skull fractured, is dead. His murderer fed and has never been captured.

Laurinburg Exchange: After slowly declining in health for a year or more, Mr. Joseph Graham died at the residence of his nephew and niece, Mr. and Mrs. J. H. Sanford, last Monday. He was more than 70 years old.

Durham Star: On Sunday afternoon, Henry, a little son of Mr. Louis Blount, was very severely bitten by a horse. He was in the yard with the horse. His screams attracted attention and it was found that the animal had taken the little fellow's left arm, nearly up to the elbow, into its mouth and inflicted a painful flesh wound.

Lenoir Topic: A daily mail route has been established between Linville City and Blowing Rock. Mr. S. W. Hamilton is now busily engaged canning peaches, tomatoes, etc. Mr. Hamilton's canned fruits compare favorably both in price and quality with the Northern goods and we are glad to state that he is meeting with success.

Winston Sentinel: Parties from Davie to day inform us that a terrific hail storm passed through that county two miles east of Mocksville Saturday afternoon. Corn, tobacco and other crops were completely demolished along its line of march. Messrs. A. A. Miller, Elijah Martin and a number of other farmers are heavy losers by the storm.

Raleigh Visitor: Capt. Kirkland who was shot at Hamlet last Friday is getting on very well and hopes are entertained that he will soon be able to resume his route. The rush for the direct tax, although not quite as large at the beginning, still continues. There is every prospect that the entire appropriation will be called for within the prescribed time. The oyster troubles in the eastern section of the State are still unsettled. It is now desired to dredge up on lands that have been laid before the Governor. It will no doubt be a matter for the courts.

Raleigh News and Observer: The Supreme Court meets on Monday, the 28th of September, 1891, and applicants for license will be examined on Friday and Saturday, the 25th and 26th.

Some years ago it was proposed to raise, as a memorial to the Rt. Rev. Thomas Atkinson, late Bishop of the Diocese of North Carolina, an endowment fund of \$2,500 to support a child's cot in St. John's Hospital, Raleigh. This work has been carried on chiefly by the Messengers of Hope, a volunteer organization of children, who have raised \$3,100 by their faithful efforts.

Elizabeth City Economist and Falcon: Joshua Bowe, a colored preacher and local Republican politician, who once "only wanted a chance to reply to Senator Ransom to let him know who he was," was arrested on Thursday for cursing and creating a disturbance on the street and made to pay \$9 for fine and costs. A passenger on the steamer Neuse, Wednesday evening, while settling his fare, had several bills of money blown out of his hand by a sudden gust of wind, and one of them, a \$20 dollar bill, was blown overboard. Capt. Davis stopped the steamer and endeavored to recover the money, but was unable to do so.

Carthage Blade: The jail was pretty well filled by the opening of court yesterday morning, there being twelve prisoners behind the bars. Gilbert Dunlap, colored, was landed in jail here Friday night, to await the result of a wound inflicted on the head of Bob Hoover, white, while road working between here and Curriesville on that day. It seems that Hoover was drinking and provoked a difficulty with Dunlap, who struck him over the head with an axe. Hoover's head was split open and the brain exposed. The doctors say he will certainly die. Last night at about 10.30 o'clock Mr. T. W. Ritter retired as usual, and was fast asleep in a few minutes. In about 20 or 25 minutes Mrs. Ritter noticed a faint breathing was labored and attempted to wake him. Heart trouble is thought to be the cause of his death. Mr. Ritter was 63 years of age.

Asheville Mountain Journal: An attempt at highway robbery was made on the person of Julius C. Martin about 11 o'clock Saturday night, on Haywood street, while on his way home. He had just started to cross the street when suddenly he was accosted by two men, one of whom had a false mustache. The other man pointed a pistol at his breast and exclaimed, "Your money or your life; if you don't turn over your cash I will blow your brains out." Mr. Martin called for help and at the same time ran into Squire Summey's house, although the would-be robbers fired two or three shots after him, none, however, hitting him. The men were alarmed by the noise of firing took to their heels and made good their escape. Mr. Martin says that on account of the darkness he was unable to see the faces of his assailants, but thinks they are white men. Ernest Chunn and Robert Owen, Jr. were arrested by policemen Palmer and Leonard. They confessed that they had assailed Lawyer Martin, but stated they were drunk at the time.

POLITICAL POINTS.

Arthur J. Biggs, the colored Republican candidate for the Legislature in Hamilton county, Ohio, says that the colored vote will decide things in Ohio and that the Republican ticket will be elected with several thousand votes to spare. Maj. McKinley isn't allowing these assurances to betray him into restful inertia, however. Wash. Star, Ind.

The enemies of Cleveland are anxious to run him for Governor in this State, as a test of his capacity to make another Presidential race. Well, if David B. Hill can be elected Governor again in this State, he can secure a fair preliminary score. N. Y. Advertiser.

D. B. Hill is a shrewd politician, and a man of many excellent traits. His great mistake has been in putting in for the next Presidential nomination. Had he been as smart as he should have been, he would have waited for the nomination of 1896. His policy has made it almost impossible for him ever to reach the White House. But if Gov. Hill can stand it, we reckon the country can. Richmond State, Dem.
