

Castoria

For Infants and Children.
Castoria promotes Digestion, and overcomes Flatulency, Constipation, Sour Stomach, Diarrhoea, and Feverishness. This child is rendered healthy and its sleep natural. Castoria contains no Morphine or other narcotic property.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."
H. A. ARCADE, M. D.,
111 South Oxford St., Brooklyn, N. Y.

"I use Castoria in my practice, and find it especially adapted to affections of children."
ALEX. ROBERTSON, M. D.,
107 3d Ave., New York.

"From personal knowledge and observation I can say that Castoria is an excellent medicine for children, acting as a laxative and relieving the bowels and general system very much. Many mothers have told me of the excellent effect upon their children."
Dr. G. C. OSOON,
Lowell, Mass.

OTTERBURN

LITHIA and MAGNESIA

WATER!

ONLY CURES "BRIGHT'S DISEASE" BUT ALSO DIABETES.

MASSACHUSETTS, April 7, 1888.
I have been suffering with a form of Kidney disease which my physician (Dr. J. A. Hillman) has diagnosed as Lithia and Magnesia Water. The quantity of water I have taken is very small, but I feel very much better, and I have been able to do my usual work.

The use of the Otterburn Water corrected my condition entirely in six weeks, and I am now as well as ever.

Many medicines without avail, and I attribute my recovery to this trouble and dangerous disease in the use of the Otterburn Water.

W. H. BLANTON,
Otterburn, N. H.

MISSISSIPPI, WILL IT KEEP
AMERICA, Va., Feb. 24, 1888.
I hereby certify that two years ago I obtained some of the Water of the Otterburn Lithia and Magnesia Water for my wife, in a despondent and recently moved to another home. I found that this Water had been left in the medicine, and I found that she drank some of it, and found it to be as pure as when first taken by her.

The Morning Star.

SPIRITS TURPENTINE.

—Germantown Times: Mr. Jesse F. Moore, one of Mr. Atry's most esteemed and honored citizens, died suddenly last Saturday in Buffalo, N. Y.

—Rocky Mount Phoenix: The tobacco crop is ripening in all quarters exceedingly rapidly and farmers are busily engaged in curing it. Laborers are in great demand.

—Monroe Register: One old farmer tells us that corn is not "shooting" well and consequently the crop will not be as large as expected. This is the case where there was too much rain and the crop was not well worked.

—Columbus News: Mr. Joseph Brown, one of the oldest and most highly respected citizens of this county, died at his home in Welches Creek township last Thursday night after suffering for about a year with a cancer.

—Raleigh Chronicle: Governor Holt will move into the Executive Mansion on the first of September. For the 800 acres of Cameron property, just west of Raleigh, \$20,000 in cash was offered at one time, but the offer was declined. Now the property is by terms of Mr. Cameron's will completely tied up and there appears to be no prospect for its development.

—Asheville Mountain Home Journal: Capt. Nat Atkinson has received samples of a rich specimen of nickel ore which was found on the McKinley property on Ivy along the line of the proposed new railroad. W. C. H. Allen, who tells us the biggest nickel story of the season. Thomas Earwood and Charles Reed killed 27 rattlesnakes a few days since, all in one cluster. They were one and a half to three feet long and all had rattles.

—Hickory Press and Carolinian: John Peterson, of this township, died about 5 o'clock Wednesday morning, after a lingering illness of some months duration, aged about 70 years. Mr. Abner Miller, long years a deputy sheriff and township constable, and a highly respected citizen of this county died on the 11th inst., aged 81 years, 9 months and 5 days. He ate a hearty breakfast and died soon after.

—Goldsboro Argus: Our entire community was startled and pained by the expression yesterday at noon upon learning of the distressing news telegraphed to this city from Greenville, S. C., that our townsman Mr. Thomas B. Hill, son of the druggist, Mr. John H. Hill, and travelling for the wholesale drug house of W. H. Schiefelbin & Co., of New York, had died at the Madison House, in that town, of heart failure, at 8 o'clock yesterday morning.

—Fayetteville Observer: Prof. A. L. Sumner, who has been Principal of the High School at Fayetteville, Johnston county, has recently been elected Principal of the Baptist Academy, Bastrop, Texas, at a salary of \$1,400 per annum. We tender the condolence and hearty sympathy of a friend to Mr. P. H. Emmitt, formerly of this county, in the death of his wife at her residence at Stillmore, Ga., on the 8th inst., aged 84 years four months and twenty-six days. She was a daughter of John G. and Clara Deaver, of this county.

—Wadesboro Messenger-Intelligencer: The army worm has made its appearance in Maj. Ingram's lot in town. The first bale of new crop North Carolina cotton sold in the State was in Morven, Anson county, yesterday, 19th inst. The cotton was raised on the plantation of Mr. C. C. Moore and was bought by Mr. G. W. Martin at 9.01. While hands were cutting out of a new road near Mr. David Huntley's in Gulgules township, yesterday, Mr. Tom Phillips was accidentally cut on the thigh with an axe in the hands of a colored man. Our informant says the wound is considered dangerous.

—Raleigh Visitor: We are sorry to learn that our grape growers have realized very low prices on their fruit this year, and from what we can gather will not make expenses on their crop. This is caused by being two weeks late in shipment, owing to the long season of cool and rainy weather, and when ready for the market it was overstocked with peaches, pears, etc. We notice by a trade circular that there arrived in New York in one day last week eighty-four car loads of peaches, to say nothing of the large quantities of other fruits. A great deal of the grapes shipped from here this season barely paid the expense of packing, shipping and commissions, and leaves nothing for collection.

—Rockingham Rocket: The people of Anson county have been making a strong fight against whiskey and they conquered last Friday when the Commissioners refused to grant license. —Dockery and will McNeill, both colored, were committed to jail here yesterday by Esq. G. W. Wright of Lynch, on the charge of burning a barn belonging to Mr. Jas. C. Mason, at Conclave, last Sunday night. Last Saturday night about 11 o'clock fire broke out in the building formerly occupied by J. A. Broach as a saloon, and spreading, took down in its course the beef market of that town. We will send the photograph gallery of J. F. Caudle. The only building insured was that occupied by Broach and owned by M. T. Hinson on which there was insurance for two hundred dollars. The origin of the fire is unknown but supposed to have been incendiary.

POLITICAL POINTS.
—Senator Sherman says that the present campaign in Ohio is like the one between Hayes and Allen in 1875, thus seemingly likening McKinley to Hayes. This is the most undignified cut of all.—N. Y. Advertiser, Ind.
—The worst blow which the Speakership aspirations of Hon. R. Q. Mills, of Texas, has received, is that Ex-Czar Reed has expressed himself in his favor. The Democratic House will be likely to look with grave suspicion upon any suggestion from the ex-autocrat. They are apt to feel some fear of the Radical tree, bringing gifts.—Richmond Times, Dem.

—And so Minister Douglas's successor is not to be named until after the Ohio election, this fall? Perhaps the republican colored brother will not see through that very diaphanous scheme to hold the negro vote solid. The administration has decided not to send a colored minister to Hayti and to that point of a white man to that point just now might cause an insurrection among Ohio's 80,000 colored voters. Hence the delay.—Chicago Mail, Dem.

—"Are you engaged to Jack Hall?"
"Yes. Are you?"—Life.

TWINKLINGS.

—Why could not the thermometer be listed at the Stock Exchange? They would then have something that has gone up this summer.—Boston Commercial Bulletin.

—Brown—Do you believe in signs?
Fogg—I did once, but I haven't since I saw a sign announcing that goods were selling at half cost.—Boston Transcript.

—Examiner—What do you understand by *Tempo di minuetto*?
Examinee—Strict time; up to the minute. Fact!—London Musical Times.

—Gayman—This is a great day with us at home. My daughter "comes out" to-night.
Dumley—Don't say! So does my brother. He's been in for seven years. Yonkers Gazette.

—City Editor—The street is all excitement. An electric light wire has blocked traffic, and no one knows whether it is a live wire or not.
Editor—Detail two reporters to go to the wire immediately—one to feel of it and the other to write up the result.—N. Y. World.

—At the club—Great Scott, Punsley, did you hear that dull and sickening thud? What do you think it was?
A. W. nothing, dear boy. Just dropped a member for non-payment of dues, I suppose.—Washington Post.

—Somebody is endeavoring to arouse alarm over the fact that the White House is not properly provided with exits. Heretofore agitation has been confined to the possibility of ingress.—Evening Wisconsin.

—They were making lemonade, and the prettiest girl of the party asked: "Where is Jack I—? I want him to help us."
"Why do you want him?" asked her friend.
"Because," was the artless answer, "he's such a good squeezer!"—Detroit Free Press.

—Tom—Was the surprise party at your house the other evening a surprise to you?
Jack—Yes.
Tom—A genuine one?
Jack—Yes.
Tom—How surprised the surprisers must have been!—Puck.

BABY CURED OF ECZEMA.
Mother's and Minister's Testimony.
Head Mass of Putrefaction. Doctor Falls. Cured in Quick Time by Cuticura.
I deem it my duty to inform you of the wonderful cure of eczema which CUTICURA REMEDIES brought upon our little baby, three months old. When about two and one-half months old, the whole of his little back became a mass of putrefaction, over which we became very much alarmed, and we were advised to send for a physician who seemed to aggravate and increase the intense pain the little thing seemed to be in. We were unable to do anything for him, and the physician seemed to have exhausted all efforts to give relief. But through the recommendation of Rev. J. G. Ahern, pastor of Brooks Circuit M. E. Church Society, we were induced to try the CUTICURA REMEDIES, and after a few days application, we were astonished as well as delighted over the result. We continued the use of the medicines according to directions, and after a few weeks, the little fellow was entirely cured with no traces of the disease left. Many thanks for the recommendation of Rev. J. G. Ahern, Pastor M. E. Church Society, Quinman, Ga.
