The Anarchists of Newark, N. J. where Anarchist Mowbray has located, don't like him, and are talking of raising money to ship him back to England. As the fare is only \$10 now they could stand it, if they could persuade him to take steerage passage.

The St. Louis Republican, speaking of the growing of tropical fruits in this country, calls attention to the fact that Florida now sends more to market than was consumed in the whole country twenty years ago. Twenty years ago Florida's capacity as a fruit grower wasn't known, and isn't fully known yet.

According to information sent to the Bureau of the American Republics, the Argentine Republic shipped in the first six months of this year 1,029,546 tons, of wheat 29,000 tons more than for the same period of 1893. The stock on hand tor shipment is 330,000 tons. The acreage sown for the next season is 28 per cent, greater than that of last year. These figures indicate that Argentina is coming to the front as a wheat-grower and shipper.

The Politicians Return.

The delegates of New Hanover, Columbus, Pender and Brunswick counties returned from Lumberton on the Corolina Central's fast flyer yesterday. The "visiting statesmen" were quite numerous also, and altogether there were about 150 passengers on board. The Columbus delegates and some of those from Brunswick got off at stations convenient to their homes, while the Pender representatives came on to the city. On reaching the brige over the Carolina Central, on Fourth street, about fifty of the delegates left the train, boarded one of the electric cars and moved on the the city in enormous shape. These were all Bellamy men; and as they had not "slept a wink" during the preceding night (the convention having been in continuous session from 8 p. m. to 7 a. m..) and had on exhibition no trophies of the fight at Lumberton to speak of, they were pretty well shocked with "that tired feeling," of which we hear so much. Yet they seemed to be having lots of fun as they passed down Front street, and, among other features of the entertainment, they gave three rousing cheers-but what for, has not yet been clearly established. The Kommittee on Kranks, however, is now investigating the matter and will report

Law for Protection of Game.

promptly.

The following extract from the Laws of North Carolina regarding game in New Hanover county is published at the request of Mr. H. McL. Green, president of the Eastern Dog and Game Protective Association. The hunting season is drawing near and the Association is determined that all game laws shall be enforced:

It shall be unlawful for any one to kill, shoot or trap or net marsh-hens, curlews or any other seashore birds between the 1st day of April and the 1st day of September.

It shall be unlawful for any one to kill, shoot, trap or net any partridges, quail, doves, robbins, larks, mocking birds or wild turkeys between the 15th day of March and the 1st day of November.

The Kongressional Klipper,

Well, that Karolina Sentral Kongressional Klipper was a "dandy," sure enough. It was considerably delayed by hot boxes and necessary stoppages; but its running time, as taken on several stretches of five miles each, by a STAR representative who was on it yesterday, was easily 45 to 48 miles an hour; and if it could have come through from Lumbsrton without more than the necessary stops for wood and water, it could have easily and safely made the run (67 miles) in an hour and a-half. It was a real treat to the tired delegates to be brought home with such speed and comfort.

A Gallant Fight.

Though deleated at Lumberton by a combination of several of the delegations from counties in the upper partien of the District, Mr. Bellamy has every reason to feel proud of his canvass for the nomination which was so nearly within his grasp at one time that fifteen votes more would have made him the standard-bearer of the Democracy of this Congressional District. He made a splendid fight against odds, and for three hundred ballots proved himself very much stronger before the convention than either of his competitors.

Colored Excursionists from Charlotte,

An excursion train of seven cars with four hundred people on board arrived yesterday afternoon at 4.30 o'clock from Charlotte. The excursion was run by Matt. Taylor, of Charlotte. SIXTH CONG. DISTRICT.

All Night Session of Democratic Convenvention at Lumberton-Second Days' Session-Lockhart, of Anson, Nominated on 340th Ballot-Adjournment.

The session was a long one, and the fight for the nomination a closely contested one, as could be easily seen from the special STAR telegrams of vesterday.

The balloting commenced about five o'clock Wednesday evening, and lasted almost continuously until about eleven yesterday morning, when, on the 340th ballot, James A. Lockhart received the nomination for Congress.

The nomination was hotly contested by Mr. John D. Bellamy, Jr., of this county, who led all the candidates on almost every ballot from the very begin-

Although the supporters of each candidate were ardent and zealous, still there was not a jar between any of the contending parties throughout the whole session of the convention. In fact, the utmost good feeling prevailed between the delegates and much merriment was made during the night, and especially during the dead-lock between Bellamy and Lockhart. Towards day yesterday morning all hands became impatient, and anxious to break the "lock," and repeatedly attempted to adjourn the Convention in order to get conferences, but it was strenuously opposed by the solid Bellamy delegation and others until breakfast time.

At about 7 o'clock an adjournment was made until 8.30, when the Convention re-convened and the balloting continued to nomination.

When the 300th ballot was reached excitement ran high, and many efforts were made to break the Bellamy front, but failed to do so, and after the 389th ballot was announced, it was plain to intelligent observers that the Union and Richmond delegates were formulating a plan to tumble into the Lockhart ranks, and each delegation seemed anxious to be the first to get in, and with the larger number of votes.

The 340th and deciding ballot in detail was as follows:

For Lockhart-Anson, 31; Columbus, 16 5-17; Mecklenburg, 49 4-10; Pender 7 5-10; Richmond, 33 5-19; Robeson, 31; Union, 261/2. For Bellamy-Brunswick, 15; Colum-

bus, 15 2-7; Mecklenburg, 24 6-10; New Hanover, 49; Pender, 135-10; Richmond, 3 24-29; Robeson, 14; Union, 101/4, When the last ballot was read and the nomination of James A. Lockhart de-

clared, he was lead forward on the stage and presented by W. G. Burkhead, chairman, to the Convention. Mr. Lockhart thanked the Convention for the nomination and made some very fitting remarks for the occasion. LeGrand, Bellamy, McNeill and

Adams, were all then called upon, and responded in their order amid almost deafening applause. After Mr. Bellamy's speech, which was a striking one, "three cheers" were proposed and given for him. Chairman Burkhead was then called

upon and made a speech of about twenty minutes, to the great pleasure of all, after their long and weary battle.

Col. R. T. Bennett was then called, who simply thanked the Convention for the call and retired. The Convention was then declared

adjourned by the chairman.

ANNIVERSARY CELEBRATION Of the Independent Light Infantry of

Faretteville. The Fayetteville Independent Light Infantry, of Fayetteville, celebrated their 101st anniversary yesterday, the 23d of

August, by an excursion to Wilmington, the Hammocks and Ocean View. The excursion train, with about 450 people on board, arrived here at 10,30 a. m., and boarding the electric cars went out to the Princess street station of the Seacoast road, where they took a train which was in waiting for Ocean View. The Independent Company mustered thirty-five men. As they

the Seacoast railroad station they attracted a great deal of attention. The excursionists, including the military, spent the day pleasantly on the beach and bathing in the surf. There was no target practice, the time at the company's disposal being insufficient The party left on their return to Fay-
