ONE MARE'S WORK.

The American Trotting Dam Beautiful Bell and Her Descendants.

So far as the average production of speed goes and the transmission of power to impart the same from generation to generation, it is doubtful if the equal of Beautiful Bells has been seen up to the present day in the ranks of American trotting broods. There are other famous matrons whose get have done wonders in one field or another, but the Beautiful Bells family achieves triumph in so many directions and is yet in so formative a state that it really outranks all others when considered in the light of its present achievements and great possibilities. It should be remembered that the first foal of Beautiful Bells came in 1850, and that she has never missed producing every season since that time. A list of her foals will be of interest and is as follows:

Year	Name	Sex	Color	Age
1850	Hinda Rose	Female	Bay	2
1851	Alta Belle	Female	Bay	2
1852	St. Bel	Female	Bay	2
1853	Rosemont	Female	Bay	2
1854	Chimes	Female	Bay	2
1855	Bel Boy	Male	Bay	2
1856	Palo Alto Belle	Female	Bay	2
1857	Low Bell	Female	Bay	2
1858	Electro Belle	Female	Bay	2
1859	Belleflower	Female	Bay	2
1860	Low Bell	Female	Bay	2
1861	Delora	Female	Bay	2

SPIRITS TURPENTINE.

—Raleigh Visitor: There are now 88 cases on the criminal docket to be tried at the September term of court. Two are capital cases, those of George Mills and Ransom Brodie. There is one other serious charge, attempted assault, and Dave Brown, colored, stands charged with this crime.

—Asheville Citizen: F. P. Love, a well-known Ashevillean, and a married man, is charged with having left the city, accompanied by Miss Kelly Ramsey, daughter of William Ramsey. A warrant was sworn out and placed in the sheriff's hands and search has been made for the pair, but so far without result.

—Greenview Reflector: One day last week Mr. Joseph Moyer killed a deer with a brick. Dogs were running the deer and to escape them it jumped in a ditch close to Mr. Moyer's house. There was so much water in the ditch the deer could not get out, and Mr. Moyer struck it on the head with a brick and captured it. The deer was about half grown.

—Raleigh Press: Governor Carr has offered a reward of \$800 for the capture and delivery of Bud Harris, Will Douns and Plato Brummet wanted in Haywood county for rape. Charles Bridges the fourth party to the crime has been captured. These men are thought to be in Tennessee, and are guilty of one of the most diabolical crimes ever committed in this State. Their victim has lost her mind and doubt is expressed of her ever recovering.

WICKS BUNTING, Y. M. C. A. Building, 107 St. Paul St., N. Y.

Had Beautiful Bells done nothing more than give to the world the eight trotters that are comprised in the present list, all but one of them having a record better than 3:30, and the exception being notable among her kind, but when it is considered that her sons and daughters have accomplished marvels in the way of speed production which the number of their foals taken into account it will be seen that Beautiful Bells has more than one claim to greatness. Among her produce there are two yearling record breakers in Hinda Rose and Bell Bird, and the first named was also a 3-year-old champion in her day, being the first trotter of that age to beat 3:30. Her son, Bell Boy, that was foaled in 1855 and died a couple of years ago, has five in the 2:30 list. St. Bel, foal of 1858, has 15 in the list, and Chimes, who was foaled 1864, is by long odds the greatest sire of his age in the world, as in addition to the champion 3-year-old trotter Fantasy, 3:05 3/4, he has eight other trotters and pacers in the 2:30 list and a total of 15 that are standard by performance at the trot or pace. Hinda Rose, the oldest foal of Beautiful Bells, has never produced, but two other daughters of the old mare—Alta Belle and Rosemont—foaled respectively in 1851 and 1858, have already shown their quality. Alta Belle had speed enough to beat 3:30, but for one reason and another was never put in the list. She was bred to Stambon, one of the fastest stallions of his day, and the produce, a colt called Daghestan, made a record of 2:35 as a 2-year-old. Rosemont produced Mont Rose, 3-year-old record 3:15, and Sweet Rose, that as a yearling trotted in 2:35 1/4, although the performance was rejected by the American Trotting Register association and does not appear in the records of that organization. It is gratifying to those who believe in the superior ability of trotters and pacers that have publicly exhibited their speed when they are relegated to the breeding ranks to know that Beautiful Bells has not only herself a record better than 3:30, but that she was by The Moor, a trotter to the mark of 2:37 and that had shown the ability to trot close to 3:30, her dam being Minnehaha, a very fast trotter that was ruined by injudicious handling while young.
