THE BOND ISSUE.

Prospectus Issued for the New Four Per Cent. Loan-Over Twenfy Million Doltars Paid to the U.S. Tressury. By Telegraph to the Morning Star.

NEW YORK, February 19 .- The Belmont-Morgan syndicate issued the prospectus for the new 4 per cent. loan this afternoon. The bonds are offered at 1191 with accrued interest from February 1st. Of the purchase price 1814 will be payable on allotment and the remainder 100 per cent. on or before March 1st or upon delivery of the bonds as provided, with interest at 4 per cent. per annum from March 1st. The subscription list will be opened at 10 a, m. to-morrow and will be closed without

WASHINGTON, Feb. 19 .- The United States Treasurer reports that up to, and including February 18th the Treasury had received in gold coin on account of the recent sale of bonds to the Belmont-Morgan syndicate \$20 484 500, and had given in exchange for the same certificates entitling the holders to \$19.603,402 in the bonds when ready for delivery. The amout of gold paid in represents the principal and accrued interest. The bonds will bear date of February 1st. 1895, and interest on them will be paid by the Treasury from that time. As the gold is paid in by the syndicate accrued interest from February 1st, 1895, ceases.

SPOTS AND FUTURES

York Sun's Beview of 10

Cotton Market. By Telegraph to the Morning Star.

NEW YORK. Feb. 19 .- The Sum says Cotton advanced two to four points, but weakened at one time. The close was one to two poins higher for the day and quiet, with sales of \$3,100 bales. Feb. ruary notices are due on Thursday. Not many are expected, Bolton, England, manufacturers will reduce wages 5 per cent. if 80 per cent. of the manufacturers will agree to do so. A short time ago the consolidated port stock was 100 000 bales less than at the same time last year. Now it is \$4,000 bales more than then. There is a rumor of possible short time in New England. The Texas State report, dated February 14, says that the ground is in a favorble condition for ploughing and planting crops of all kinds. Liverpool advanced one point to-day but lost it and closed steady. Spot sales 80,000 at firm and unchanged prices. Manchester was quiet. Exports from the ports to day 11.813. to the Continent. New Orleans declined in view of the expected contest over the one point for May and then recovered Free Silver Coinage bill, and the galle-ries were also well filled with interested it. The receipts at the ports to-day were 14 606. against 84 496 this day last spectators. The routine morning busi week and 17 659 last year; thus far this siness, however, consumed the first half week 35.558, against 75,911 for the same hour with matters of little public contime last week. The total for the week

"Let that resolution lie over till to-

By Telegraph to the Morning Star. SENATE.

WASHINGTON, Feb. 19 .- Senator VI

as made a long, able and eloquent speech in the Senate to-day in defence of the President of the United States, Affairs over amendments offered by the and his Secretary of the Treasury in the former to reduce the amounts carried in matter of the sale of \$62,000.000 of four the bill. Only in two of these was the percent. bonds for gold. The speech Texas member successful, and then the was made on the bill before the Senate amounts were insignificant. At the be-ginning of the consideration of the bill Chairman O'Neill (Democrat, Massafor free comage of silver, but had no reference whatever to that bill. Mr. Vilas showed that the President had endeavchusetts) overruled the poiat of order made yesterday by Mr. Sayers against ored to get Congress to act upon the fithe proposed increase of the force of ennancial difficulties in which the Treaslisted men in the Navy, holding that it ury had found itself by the drainage of was in order, notwithstanding existing gold and that as Congress had declined statutes limiting the number to 9,000 to act, he had to avail himself of the men. From this ruling Mr. Savers appower which the existing laws gave pealed, but the Committee of the Whole sustained the Chair-148 to 87. And him and to buy gold by the issue of bonds. The price obtained for the

bonds, Mr. Vilas contended, was the highest that could be obtained under est protest. the circumstances; or, in other words, 8% per cent, was the lowest rate of interest at which the bonds would be taken by the great banking houses which had been applied to. Three and five eighths per cent. had been offered in all the great money centres and had been refused, and all because the bonds zone of Mexico, was passed. did not provide specifically repayment

in gold coin. After Mr. Vilas' speech Mr. Platt made a speech against the free silver bill tself

An effort was made by Mr, Jones to have a time fixed for taking the final vote on the bill, but as its antagonist refus d to fix any time the debate went on, and Mr. Platt is at this hour, 7 p. m., engaged in arguing against the bill. Another proposition to have the vote taken to-morrow was made by Mr. Jones and objected to by Mr. Air ch who said when the bill wes first introduced by Mr; lones it contained nine sections, including one for the issue of \$500 000,000 in tax law deduction might be made for bonds and one for the retirement of necessary repairs, but not for better-ments. This provision remains and is greenbacks, and he thought that the Senate was entitled to an explanation as not enlarged by the amendments agreed as to why those eight sections had been abandoned. As all attempts to have an "The effect of the second amendment hour fixed for taking the vote met with objection, Mr. Platt went on with his is to require corporations to return the tax list of corporate property and relieve speech. He gave it as his belief, in which he knew many of his Republican associates would not agree with him, that the vice of the whole financial situation in the country lay in the paper currucy issued by the Government. There was an unusually large attendance of Senators this morning, probably

last week and 82,627 last year. New Orleans receipts to-morrow are estimated at 5 000 to 7,000 bales, against 14,569 last Wednesday and 6,975 last vear. To-day's features: The light receipts

at the ports and the unexpectedly firm Liverpool advices pushed up the prices a little in spite of some weakness in Liverpool later on and selling here by New Orleans. New Orleans was voluble in bull talk, but sent selling orders just the same, and the market down there was not so firm as in New York by any means. The receipts there tomorrow are expected to be comparatively light, however, and the total for all ports this week is now expected to be 50,000 bales less than that of last week. United States. So prices advanced, though many dropped March and took later positions, and there were larger offerings of spot cotton by the South, to say nothing of the expectation of larger bership to 87.

receipts at the ports and the interior towns when the roads improves. Still phere are those who believe in the old maxim: "They laugh best, who laugh last." They belive that the evils of the present system will bring their own remedy. And this remedy will be. they think, a reduced consumption of fleeces and a diminished acreage. In fact the prevalent idea is that a rise just now must be from the very nature of the case temporary, inasmuch as it is believed that there is a large quantity of cotton to come forward which cold weather and bad roads cannot destroy, though they retard the work of transportation. There are some plucky bulls however, who are full of fight and are only biding their hat could be accomplished. time. They seem to be acting on the maxim that "patience is bitter, but its fruit is sweet.

GRAIN AND PORVISIONS.

Wheat Closed Lower-Corn Higher-Pork Products Somewhat Lower.

By Telegraph to the Mcraing Star. CHICAGO, February 18 .- Bradstreet's reported a decrease in the world's visible supply of 2.880.000 bushels, without practically moving prices. The weakness at the opening was owing to the heavy receipts in the Northwest-550 cars. May wheat opened from 631/c to 531%@525%c, sold 58c and 521%c, closing at the latter-%@%c under yesterday. Cash wheat was duli, without change in quotations.

Corn-Bradstreet's reported a decrease in the available stocks of 822 000 bushels. May corn opened from 44%c to 44%@41%c. sold between 44%@ 44%c and 44%@44%c, closing at the inside-14@%c under yesterday. Cash corn was firm and 10%c higher, closing nominally easy.

Oats clung tenaciously to the one price, 29 cents for the day, only advancng a fraction above and declining a fraction lower in a few instances, but finally closing at 28%c-%c under yesterday. The absence of trade explained the narrowness of the range, the tone being derived from wheat and corn. Bradstreet's reported a reduction tn stocks of 235,000 bushels. Fresh oats were kc per bushel higher, closing

Provisions-The notable feature in the product was the buying which was said to be for Pardridge. If the high-roller was attempting to bull this market he met with poor success, the offerings at all times being quite large enough to accommodate buyers with a little over. The hog market was firm early and served to steady provisions, but a later report from the yards was less favorable

"London. Feb 19-The prospectus for the new bonds was issued at 6 p. m. here. It is for \$63 000 000, one-balf to ba placed in America and the other half in London. The issue price here is 115%, or 227 pounds per \$1 000, Ten per cent. of the price is payable on application. Payments are to be completed in four installments, ending July 23d. The lists will open Wednesday and close Thursday or sooner.

[Signed] DOW JONES & CO." Mr. Vitas concluded his argument with the declaration that "The people of the United States love their honor as they prize their liberty, and their sober judgment never has tolerated and never will tolerate the National reproach of the least equivocation in dealing with its creditors. That gentleman never lived, however high bred, honorable and chiv-

alrous, whose sense of honor was keener, higher or more sensitive than the public opinion of the free men of America." Mr. Vilas spoke for nearly four hours

and commanded close attention all through his speech. When he took his seat Mr. Squire (Rep., Wash) went to the clerk's drsk and had read the Act of June 25th, 1878, expressly declaring that all U. S. bonds payable in coin should be paid in gold or silver coin at the option of the Government. That act, he said,

was a full and complete answer to the entire argument of the Senator from Wisconsin. A conference report on the bill, as to

the time when income tax returns are to be made was presented and explainen by Mr. Vest and agreed to.

Mr. Platt then took the floor to speak agairst the bill and has held it until this writing, with occasional interruptions by and caused an easier feeling. At the members who sought to terminate the close may pork was 5c. lower than yes-terday; May lard a shade lower, and May an adjournment,
