Are the wide awake Racket Store people of the city by the sea. We have in the last month received a goodly sum of hard cash from the damage we received by fire in Winston, N. C., 1892. With that money and other cash we had on hand the senior member of the firm is now in New York in the interest of the one price cash house of Wilmington, where he intends to buy by far the largest and nicest stock of goods it has ever been our fortune to show to our many friends and customers. We can save you money on all of your purchases and Millinery. There is no one can truthfully say we do not carry what the people want. The generous public say we do and prove it by their liberal patronage. It is the common cry of all advertisers to say our stock is the lowest in price. I say this, we have not the place in this paper to quote prices on hardly any portion of our stock, but say this-bring from any house, after jewing them all you please samples and we guarantee our first price to be as low or ower than theirs. If you are not already a customer of our store we respectfully invite you to call and see us. Our add is not very large in this grand old paper. but our store has more shelf room than any store in the city by 40 per cent, and every shelf and every place is completely filled from floor to cealing with new, destrable and stylish goods. When you need Dress Goods and Trimmings remember the Racket. When in need of Shoes come to the Racket. When in need of Clothing and Underwear for Men and Boys the Racket have them. Carpets, Matting and Oil Cloths they are on the third floor of the Racket Store. We ask you to come to us for bargains at the Racket Store, on Front street, opposite the Market House. BRADDY & GEO. Smith's Island. The Raleigh Visitor publishes the following:

"Dr. Ulrich, a wealthy citizen of Chicago, was here on his return trip to Chicago from Smith's island, at the mouth of the Cape Fear river, near Wilmington. Dr. Ulrich is now the owner of the island, having recently purchased it. His object in making the investment is to start on the island a new and handsome Summer hotel and his visit there was to look over the place. He expressed himself as greatly pleased with the advantages of the island for the purposes for which he tought it and says he will organize a company to start work at once on his project. Smith's island is a beautiful place, beautifully situated in the river and in close proximity to Wilmington and old ocean. As a site for a resort it could not be surpassed."

The gentlemen are said to have raised \$3,000 and the ladies \$1,000. The popular divine received other valuable gifts. Dr. Hoge has stood the strain upon him during the week remarkably well. He was out driving to day and looked unusually well and strong. He is younger to-day at 78 than most men are at 70."

Mighty Hunters. Senator Carver, of Cumberland, who as killed eighty-eight deer and 1,274 foxes, is not by any means the champion hunter of Cumberland county, says the Raleigh News and Observer, Mr. William Love, who lives in western Cumberland, possibly enjoys that distinction. in reply to a question as to how many deer he has killed, Mr. Love says he has in his day and time, killed 475 deer, 850 turkeys and fitty eagles. He was born in 1822, being now 78 years old, and killed eleven deer before he was 12 years of age, Of fourteen deer, he killed two at one time. The largest number of turkeys he ever killed at one shot was ten. Mr. Love lives in a section of country in which, until recently, deer were plentiful, sometimes going in herds as sheep are accuste med to go.
