LADIES' BENEVOLENT SOCIETY.

The Ladies' Benevolent Society have received through the president the offer from Col. J. S. Carr, of Durham, of 100 pounds of Blackwell's Durham Tobacco to be sold, the proceeds to go towards the purchase of the Sprunt property. This contribution (worth \$50,00) being entirely voluntary is appreciated all the more for that reason, and is another instance of Col. Carr's generosity. Tobacco users are cordially invited to patronize us as long as it lasts.

There will be a meeting of the Benevolent Society this (Saturday) afternoon at the residence of Col. Roger Moore, at 480 o'clock. All the ladies who are assisting in the work of soliciting contributions and

The Improvement in Price Is Based on the Belief That the Acreage Will Be

Cotton producers should consider carefully the warning contained in the following from the New Orleans During the past week there has been

the price of cotton compared with the extreme low prices previously ruling. The cause of the improvement has been a growing belief that cotton is cheap at the prevalent prices, and that the consumption has been stimulated to a much greater extent than commonly believed, by the cheap cost. The demand has improved materially, not only in the United States, but foreign markets, with the general result that a more confident tone prevails in cotton circles than has been the case for some time past. While there has been an improve-

ment, the farmers of the South must not commit the mistake of believing that a permanent advance has set in Much of the betterment which has occurred has been predicated on the general expectation of a reduced acreage. Should the farmers decide not to reduce acreage, under the delusive hope that prices must improve in any event, they are likely, to find that the recent advance will be shortlived, and that prices will soon drop to a lower level han they have yet witnessed.

A general and radical reduction of acreage is the only sure means of bringng about a permanent improvement hence it is to be hoped that the farmers will not be deceived by temporary upward flurries, which, however welcome are based entirely upon the belief that acreage will be reduced, and, consequently, cannot be relied upon until the expectations upon which they are based are fully realized.

The Southport Leader says the U. S Government "is building a trestle from the wharf at Oak Island to the top of Fort Caswell, where the new torpedo station is to be built. The trestle is wide enough for two tracks, and cars will be run from the wharf to the Fort to carry the materials to be used in the construction of the station, and afterwards to convey all necessary war munitions which may be wanted at the station. The trestle will be about eleven hundred

Carr a Good Democrat. Through all this mess Governor Carr has shown himself a good Democrat and a man of courage. No Legislature ever got better advice than he gave this one at the beginning. His special message on penitentiary affairs, a few days ago, was dignified and becoming. He has stood all along upon what he conceived to be his rights, and in his conception of these he nominated Messrs. Jones and Meares, Wednesday night, for Judges of the western and eastern Criminal Circuits, respectively. It may be taken for granted that he did this under legal advice, and that he is fortified for a contest in the Courts. To these the cases will of course go for determination.

The News and Observer says: Senator Starbuck, Republican, of Guilford. in a speech in opposition to a section of

"With Fred. Douglass for sentiment, and the business men down on increase of taxation, it will be hard for another co-operation Legislature to get back here two years hence." Mr. Starbuck may have spoken wiser than he knew. His prophecy is one which nearly everybody who looks upon the record of the late session of the Legislature can but believe will come to pass.

BURGLARS CAUGHT. A Gang of Thieves Who Have Been Terrorising Citizens of Beaufort,

[Special Star Telegram.] BEAUFORT, N. C., March 15 .- For the past six months an organized gang of thieves have been terrorizing our town to such an extent that no one felt safe. All the principal stores and many dwellings have been robbed. The authorities employed a detective who planned and joined them in breaking into Jones & Forlaw's store last night. Four of the gang were captured and are now in jail.

Gov. Carr's Appointments. In the Charlotte News of Thursday it was stated that, Mr. Armistead Burwell, ex-Judge of the Supreme Court, had expressed the opinion that Gov. Carr's action in appointing Criminal Court Judges was based on law and would stand. Last night the STAR received a telegram from Judge Burwell saying: "The statement in yesterday's News is erroneous. I have expressed no opinion on the subject."

In reply to a telegram to ex-Judge R. H. Battle, of Raleigh, asking his opinion on the subject, he telegraphed the STAR last night as follows: "Other engagements have prevented my investigating the question sufficiently to comply with your request."

SEABOARD AND SOUTHERN.

Both Seem Satisfied-Trains Over the Seaboard Said to Be Packed,

The state of affairs on the two railroads that Charlotte is interested in, says the Observer, the Southern and Seaboard, is after this fashion. "A is happy and so is B." One is thriving on the cut rate and the other on the boycott. The Southern, as mentioned yesterday reports its travel heavier than ever before, while the Seaboard says the same is true of its road. The trains, say those who travel over the road, are packed, New sleepers are being made, and as soon as out of the shop will be pressed into service. With this state of affairs in existence the Seaboard eating house at Monroe is getting as much as it can do. Messrs. Gresham and Jamison turnished suppers for 52 passengers Tuesday night.
