DEMOCRATS CONCEDE THAT RUSSELL IS ELECTED GOVERNOR.

Bryan Carries the State by Fifteen Thousand Mejority-Corfi eting Claims Concerning the Legislature-Kitchin Elected to Congress. [Special Star Telegram.]

RALEIGH, November 5. Noon,-The Democratic State Chairman says Bryan's majority will be something like seventeen thousand. He insists as to the gubernatorial vote that the official count which is in progress to-day is required to settle the question.

The Republican State Chairman at noon says reports from seventy-five counties show Bryan leads McKinley five thousand, and that it will require an official count to determine the result. Some Republicans say Bryan merely carried the State, and some Democrats admit that Russell is elected Governor by several thousand, Republicans say, without doubt, Russell gets over fifteen thousand majority if the returns hold out. Strowd, fusion nominee for Congress in this district, it is claimed, defeats Pou, Democrat, by 8,948, with one county to hear from.

RALEIGH, Nov. 5, 11 25 P. M -The Democrats have made several gains in the Legis'ature. Their majority will be much larger than in 1894. Chairman Holton says the complexion of the next Legislature, based on final returns received, will be as follows: House of Representatives-Democrats, 55; Populists, 27; Republicans, 18. Senate-Democrats, 5; Populists, 25; Republicans. 18. Two Senatorial districts to hear from will be Damocratic.

Holton says the twenty Representatives to hear from will be equally divided between all three parties. Chairman Ayer says he has few re-

y anti-Democratic. Chairman Holton said Senator Pritchard will be re-elected, as enough Populists are committed to eturn him to the Senate. Holton concedes Settle's defeat.

At one time it was thought that Mason would possibly carry the State but this is despaired of. This opinion obtained because of failure of Populists who used Russell stickers to vote for Reynolds. Chairman Man'y said to-night at ten

clock: "Indications point to Watson's defeat by about five thousand majority. fully expected his election."

Official returns at Democratic headquarters, from nearly all the counties, give Bryaa 18,928 majority. Linney's and Pearson's election is conceded. Kitchin will be the only Democratic Congressman. Rollins, Smothers and Anderson are elected to the Senate from the Ninth district. Nine Republican Representatives are also elected.

The most remarkable incident of the election is the vote in Jackson county, Republican and Democratic candidates for the Legislature receiving a tie vote, The Governor will have to call another Small majorities predominate and in

all instances Democrats were worsted. A Republican and a Democrat were elected to the Legislature from Guilford. Each received a majority of one vote over his opponent. Bailey, of North Carolina, who com-

piled Russell's figures, says his majority will be 14,000. Mitchell county gives McKinley and Russell 1,987 majority. Russell carries Edgecombe by 900. Chairman Man'y says it is impossible

to tell about State officers. Douglas
