As an indication that the times are  
improving sugar boss Havemeyer is  
going to spend the Summer abroad.

The rule of the road is to take the  
right side. But that is the side you  
ought to take whether you are on  
the road or not.

Senator Allen says the lobbyists  
crowd the corridors of the Senate  
"like crows in the trees." They all  
have the same laws.

Mark Hanna has a Chinese way of  
keeping harmony in his wigwam.  
He jumps on the other fellows and  
chops their heads off.

A contemporary is kind enough to  
tell its readers how they may "know  
good times." With a little instruction  
and some experience, there is reason  
to believe the average man could  
tell when they were around.

Hanna may have surprised that  
Ohio convention with his "outburst  
of oratory," but perhaps it is the  
way he slashed up the King's Eng-  
lish that surprised those who knew  
anything about the build of our  
language.

The incidentals and sundries for  
the members of the Pennsylvania  
Legislature who attended the dedica-  
tion of Grant's Mausoleum came  
high. They were headed and had  
no grandstand expenses, but the  
bill footed up \$13,000.

The reported decrease of Barney  
Barnato's fortune reminds Hon.  
Chauncey M. Depew that he knew  
Daniel Drew when he was worth  
\$19,000,000, and he died in debt.

Perhaps his friends drew on him too  
freely. He knows others who were  
worth \$3,000,000 who are now work-  
ing for \$1,200 a year, and others who  
when he came to New York were  
rich now borrow from him occasion-  
ally sums ranging from 50 cents to \$5.

We know editors who a few years  
ago were worth as much as \$10 who  
couldn't now buy (and pay for) a  
half of dirt if land was selling at  
\$3.75 an acre. And they didn't put on  
much style, nor live very extrava-  
gantly, either.

A Kansas editor who has been  
figuring on it has discovered that it  
costs the people of the United States  
\$35,000,000 a year to be born, \$300,  
000,000 a year to be married and  
\$75,000,000 a year to be buried.

Judging from this if we could get  
along without being born, getting  
married or being buried, we might  
materially reduce expenses.

The Republican high tariffs be-  
lieve in the saying "God helps  
those who help themselves." They  
always help themselves when they  
get half a chance or can make it.

Accident at the Carolina Coopage Works.  
John Hollada, a colored youth em-  
ployed at the factory of the Carolina  
Coopage Company, was seriously,  
though not fatally, injured yesterday  
morning while at work.

Hollada, about 11 o'clock, was feeding  
the stove-planing machine, and instead  
of standing on the side of the machine,  
in accordance with orders, was standing  
in front. Suddenly, one of the slaves  
was thrown from the machine, striking  
Hollada in the mouth and knocking him  
down. The unfortunate boy's mouth  
was badly lacerated, and several of his  
upper teeth were knocked out. Dr. J. H.  
Alston, colored, dressed the wounds,  
after which Hollada was removed to his  
home on Swan street, between Fifth and  
Sixth, where last night he was resting  
easy.

The accident was the outcome of Hol-  
lada's forgetfulness, as the operators of  
the stove-planing machine had been  
ordered and repeatedly cautioned not  
to stand in front of the machine while  
working.

Memorial Courts.  
In Justice Fowler's Court, the follow-  
ing cases were disposed of yesterday:

Criminal Court.

Agnes Hurst, colored, indicted in two  
cases for assault with a deadly weapon,  
was bound over to the Criminal Court  
under bond of \$50 in each case, which  
she gave. The Hurst woman is charged  
with assaulting Cherry Hamilton, col-  
ored, last Saturday night, and also Mon-  
day night.

Before Justice Bunting Florence  
Smith was arraigned, charged with disor-  
derly conduct. Judgment was sus-  
pended upon payment of costs.

Beware of the Shaver.  
County Commissioners are cautioned  
to beware of a fellow who is travelling  
over the State trying to sell to the coun-  
ties charts for the public schools. The  
Rockingham Index terms him a "slick  
swindler," and says he "done up" Rich-  
mond county to the tune of eleven hun-  
dred dollars. Just imagine that fellow  
trying to sell bogus charts to your Uncle  
Fay. Foster, and then picture him to  
yourself hiding his "diminished head"  
after O. A. P.

I. O. O. F.

Tuesday night by Past Grand J. T.  
Kings, District Deputy Grand Master.

A Mad Dog Bays.  
A dog supposed to be mad treated  
some little excitement in the vicinity of  
the Fourth street market yesterday. He  
had all the symptoms of madness except  
foaming at the mouth, and gave some  
leaky markers quite a scare. He  
escaped down Fourth street, however,  
before doing any damage or being taken  
up.

Mr. Brown, of Bon Air, Va., is said  
to be negotiating for the purchase of the  
Park Hotel, but it is not considered  
probable that the deal will be consum-  
mated. It may cover the hotel, but  
Auditor A. V. Verter yesterday advised  
that the Caucasian anticipated a deal  
with Barnes Bros., who have been  
awarded the 10th printing of the State,  
by which the former will rent the press,  
gas engine, &c. from Barnes, and thus  
decrease the expenses of the Caucasian.

The Board made a strong plea for Jackson  
on account of the factiousness and abili-  
ty. The salary is \$600.

Miss Estelle Timberlake was elected  
music teacher in a session of the  
Board. Mrs. N. C. Parker was re-elected  
matron; salary \$300 per year.

Miss Eliza Moore was re-elected  
teacher of physical culture and elocution,  
at \$800.

Ashton Henderson, white, was re-  
elected leader of orchestra at the col-  
lege, at \$800 per year.

It is reported here that if Mr. S. L. John  
resigns as Vice President of the S. A. L.,  
his successor will be Mr. L. T. Myers,  
of Wilmington, now superintendent of rail-  
way postal service, and formerly chief  
superintendent of the S. A. L.

The executive committee of the Board  
of Education in a session of Monday  
morning, July 1st, at 10 o'clock, met at  
J. C. L. Harris, Waller, Prof. Butler,  
Chamberlain and President Holladay  
constituted the committee. They will  
probably be in session all day since sev-  
eral salaries are to be fixed, some minor  
vacancies to be filled, some assistants to  
be elected and duties assigned some of  
the professors in a session.

The suit against Stewart's bondsmen is  
for the whole penalty of the bonds and  
for the cost of the suit. It will be for  
about \$100,000. The suit is now in the  
hands of the court. Stewart will fight  
the matter out.

City Treasurer Brown sold to the  
Penn Mutual Insurance Company ten-  
thousand dollar bonds, issued to pay  
six per cent. interest bonds which mat-  
ure in July. The price paid is \$1,000,000,  
meaning a market value of about 110  
cents for each dollar.

J. L. Brown, of Elizabeth City, is ne-  
gotiating for the purchase of the Park  
Hotel. The bargain is not concluded.

BASE BALL AT WILSON.  
Two Hard Fought Games Between the  
Local Team and Tarboro—Miraculous  
Escape of Four Young Ladies in a  
Runaway Accident.

WILSON, N. C., June 29.—Yesterday  
and to-day the base ball cranks have  
been in full possession of the town. Tar-  
boro, with an almost unbroken record,  
came to Wilson with their victorious  
team to meet tonight with the home  
team. Monday's game was a beautiful  
and highly exciting game from start  
to finish, except a little wild work on the  
part of Tarboro in the first inning. After  
this the game was nip-and-tuck until the  
end of the game, when the score stood 5  
to 9 in favor of Wilson.

Tuesday's game was one of the most  
hard fought and exciting amateur games  
ever played in North Carolina. The  
game lasted for twelve complete in-  
nings; at the sixth stood tied at four  
points. At the end of the twelfth inning  
the score stood 5 to 6 in favor of Wil-  
son. The batteries were: Tarboro—Taylor  
and Hill; Wilson—Oldham, Mangum  
and Hines.

A miraculous escape of four young  
ladies from instant death occurred here  
this afternoon. Miss Katherine and  
Margaret Clarke, accompanied by Miss  
Bertie Barras, of Frederickburg, Va.,  
and Miss Mary Brandoo, of New Or-  
leans, were driving home from the base  
ball park in a surrey. They had reached  
a point about three blocks from the  
center of the town when they were  
overtaken by a pair of runaway horses,  
dragging a light hack. The driver of  
the runaway team had been thrown out  
and the horses, wild with fright, dashed  
into the vehicle occupied by the young  
ladies, driving the carriage pole through  
the backs of both saddles of that  
vehicle and passing in its course  
immediately between the two young  
ladies occupying either seat but  
touching neither. In a second's time  
the two teams were a mass of broken  
wood and struggling horses. Fortunately,  
a crowd of men were upon the scene  
and the horses of both turnouts were  
seized from every side and the young  
ladies assisted in their escape from  
their perilous position. One of the  
ladies, Miss Hill, was thrown to the  
ground and the horse, wild with fright,  
dashed into the vehicle occupied by the  
young ladies, driving the carriage pole  
through the backs of both saddles of that  
vehicle and passing in its course  
immediately between the two young  
ladies occupying either seat but

a crowd of men were upon the scene  
and the horses of both turnouts were  
seized from every side and the young  
ladies assisted in their escape from  
their perilous position. One of the

young ladies, driving the carriage pole  
through the backs of both saddles of that  
vehicle and passing in its course  
immediately between the two young  
ladies occupying either seat but  
touching neither. In a second's time
