I was very feeble when I arrived there, suffering from Dyspepsia, and was not able to go from the hotel to the Spring, but after two weeks at the Springs I received beneficial effects from the curative power of its waters, and verily believe that these waters, springing out of the deep sand section of Moore County saved my life, or believe that these waters, springing out of the deep that the Jackson Springs Watar is a specific for I have no hesitation in saying that I believe that the Jackson Springs Watar is a specific for Dyspepsia, and the best water on earth for this one universal complaint of mankind.
