OUTLINES.

Sanitary expedition to Santiago...
The Carolina islands, which are beginning to attract some attention now, extend over an area of 2,000 miles, many of them being nothing more than exposed reefs, the largest in the group being only eight miles in diameter. Nominally they belong to Spain, but there are few, if any, Spaniards living on them.

Wilmington Boys Enjoy a Visit from Savannah Friends—Target Practice.

A private letter dated June 8th, brings the following interesting news from the Nantucket:

We leave to-morrow morning for target practice and will probably return here Saturday. As to our performance, I don't know, but anyone who knows the *Pacific* in tow of the *Hercules* left this afternoon shortly after 6 o'clock. She will be viewed as far as Key West where she will coal and then probably proceed under her own steam to New Orleans.

We had quite a pleasant visit this afternoon from some Savannah girls and among the crowd were Miss Lucy Wooten and also Tom Holt, son of the late W. N. Holt, of Wilmington and Savannah. "Tom" is a great favorite in Wilmington, consequently was a most welcome visitor to us.

DELIGHTFUL ENTERTAINMENT ACCORDED CAROLINA CLUB TEAMS AND OTHERS IN HONOR OF THE RELAY RACE.

Last night a merry company of young men was assembled in the L. A. W. Club apartments on Second street. The occasion was a "free and easy banquet" given to the racing team of the Carolina Cycle Club and judges of yesterday's relay race by the L. A. W. Club, who were the victors in that exciting contest.

An abundance of well frozen cream, delicious cake and excellent cigars had been provided and more than two hours were merrily passed by the boys partaking of the refreshments and talking of the most interesting incidents of the relay race. There were frequent and hearty laughs at the expense of different racers. Altogether the evening was a most delightful one for every one who was fortunate to have attended. A number of the boys were called upon for speeches—there were no toasts.

It may well be inferred from the remarks of several of the leading spirits in cycling circles, that races will be of frequent recurrence during the remainder of this season. Many compliments were paid the management of yesterday's race, especially Mr. Claud Fisher, by whom much of the most arduous work was done.

The following young men participated in the banquet: A. P. Yopp, W. F. Morris, J. K. Forshoe, Geo. Honnet, R. G. Rankin, Jr., John McEachern, A. H. Yopp, C. H. O'Berry, Claud Fisher, M. P. Taylor, C. Heinberger, F. P. Turrentine, Hardy LeGwyn, Joe Hill, Louis Keen, J. W. Plummer, Jr., Robt. Platt, Bellamy Harris, Henry McMillan, W. S. Morris, Sam Springer, W. L. Williford, Geo. Murphy and W. G. Morris.

New Ensigns.

Purser J. T. Munda, of the Carolina Yacht Club, sent down to the club yesterday afternoon the new yacht *Ensign*. It is a very large ensign, measuring 54x104 feet—almost three times as large as the one used last year. It will be an ornament to the club.

Excursion to Lake Waccamaw.

One of the most delightful events of every summer is the annual excursion of St. Andrew's Presbyterian Sunday school to Lake Waccamaw. It will be given this year on next Wednesday. The train will leave the Front street depot at 9 A. M., and returning will leave the lake at 5 P. M. See advertisement for cost of tickets and places where they can be bought.

No mineral waters in the world is superior to that of Jackson Springs for Dyspepsia, Indigestion, Insomnia, Nervous Prostration or Kidney, Bladder and Stomach troubles. Read advertisement in the STAR.
