Several funny papers have recently appeared in New York. Runners of these papers isn't a funny business because people think.

The Atlanta board of education has decided to make the Spanish language one of the studies in the public schools of that city.

As far as we know Governor Russell has not yet appointed to ex-Pen. Sgt. Smith, although that report has been in his hands about a week.

Auditor Ayer is quoted as saying that he can see no difference between a Republican and a Populist. About the only difference between a Republican and a Populist of the Ayer stripe is that the Republican performs in his own tongue, and the Ayer Pop masquerades in Populist disguise.

It is said that the Spaniards in Porto Rico accept the situation with a better grace than the natives, who are disposed to be somewhat gay, and rickety with the Spaniards. Perhaps they don't exactly know what the thing means yet, and have somewhat as vague ideas of U. S. control, as the emancipated darkeys in this country did when they thought freedom meant forty acres and a mule.

POLITICS IN ROBESON

The General Outlook is Full of Hope for Democratic Success This Fall.

THE MEETING AT NEW HOPE.

A Large Number of Croats Present—Speeches by Jas. D. Bellamy, Esq., and Others—Brimley Made Fine Impression.

[Special Star Telegram.]
MAXTON, N. C., August 26.—The meeting at New Hope today was attended by more than seven hundred people, of whom more than three-fourths were Croats, the remainder being white Democrats and Populists. It was a picturesque picnic with all the attractions of the peculiar people whose origin has given rise to so much speculation.

The meeting was opened by Rev. J. A. Blanks, an educated Croat, who speaks with remarkable fluency and vigor. S. A. Edmond, clerk of the Superior Court of Robeson county, and bellwether of the Fusion gang, was the first speaker. His speech was an appeal to class prejudice and was full of reckless assertion. He was followed by Col. N. A. McLean, better known as "Neil Archie." In an exceedingly strong effort, he paid special attention to the demagogue Edmond, and gave him a most merciless exhortation, which the audience received with evident satisfaction. Dr. Norman, the Independent Republican candidate for Congress, followed in a speech of an hour. It was straight Republican stuff, with many loving references to the negro and numerous well-timed thrusts at Office Hunter Dockery, who of course was not present, although invited.

Next came Jas. D. Bellamy, Esq., who is already a prime favorite with the Croats, and who spoke for an hour and a half. He piled argument upon argument in favor of white rule in North Carolina. His speech was strong and compact, and that portion addressed specially to the Croats was persuasive and convincing. He ridiculed Office Hunter Dockery with his rapid-fire guns, quoting his record on him with telling effect.

George B. McLeod made a short but very effective speech, which was well received. George is a fine campaigner, and will be the next sheriff of Robeson county.

Aaron Locklear, a young Croat of good education, made a speech that attracted much attention. His appeals to his people to stand by the Democratic party, which has always stood by them, were vigorous and striking. Rev. Cary Wilkins, one of the oldest and most influential of the Croats, was speaking when I left about train time. I have made a very careful and conservative estimate of the present political status of the Croats, based on diligent inquiry, and conversation with at least twenty of their leading men. At a low estimate they poll 600 votes in Robeson county. Of these not more than fifty have heretofore been Democratic. If the election were held to-day I feel assured that 275 to 300 of the Croats would vote the whole Democratic ticket, and the defection from the Republican party is still going on. Bellamy is very strong with them and some of them call the present movement the "Bellamy Rising."

The general outlook in Robeson county is full of hope for Democratic success. The accessions from the Populist ranks have not been exaggerated, and there is no check to the movement.

FOURTH WARD DEMOCRATS.

First and Second Divisions Held Good Meetings Last Night.

The White Governments Union of the first and second divisions of the Fourth Ward held good meetings last night; the first division in the office of W. B. McKoy in the Smith building and the second division in the old National Bank building on Front street.

A set of by-laws was adopted in both Unions, and both adopted measures looking to some systematic and aggressive work in the campaign. In the meeting of the first division White Government Union buttons were distributed to all the members.

The leading Republicans here got news yesterday that the Republican State Executive Committee has been called to meet at Raleigh on Thursday, September 1, at 5 P. M.

John C. Daney, the colored Collector of Customs, is the Wilmington member of the committee. The supporters of Lockey, the Republican candidate for judge in the Sixth judicial district, await with interest the result of the meeting, as the committee will probably decide who is to come down, Lockey or Loptin.

Bought the Nixie.

The Nixie, a handsome little half-brother, was purchased yesterday by Mr. George Harris, Jr., from Lieut. J. O. Moore, of the United States revenue cutter *Forward*. The Nixie is one of the swiftest boat of the kind in these waters. In her and the *Bertha*, which was purchased a few months ago, Mr. Harris has two fine little boats.

Lumberton Fair.

The annual Fair of the Robeson County Fair Association will be held at Lumberton, November 2nd, 3rd and 4th. All spaces for exhibits free.

FRANK GOUGH, Secy. and Treas.

May Not be a Game.

The uncertainty as to when the *Nantuxet* crew will get here makes it probable that there will be no game of baseball this afternoon at Hilton Park. If the team comes, dodgers will be printed, and the game will also be advertised on the street cars. It is intended, in case the boys consent, to let the public know in this way that the game is to be played.

WHO WON THE LAURELS?

The Judges in The Juvenile Relay Race Yesterday Could Not Decide—Another Race Arranged.

THE MEETING AT NEW HOPE.

The bicycle relay race yesterday afternoon in which expert juvenile riders of the League of American Wheelmen and the Carolina Cycle Club were the contestants, resulted in a victory for neither team, in that a misunderstanding as to the rules which were not understood alike by the contending racers, caused the judges to rule that the races must be run over again. This did not prevent the races from being highly interesting, and in fact being in every other way successful.

The first rider to reach the tape on the home run was Joe Hill for the L. A. W.; that team having carried the message over the seven and a half mile course in 28 minutes and 13 seconds. Walter Morris for the Carolina Cycle Club came in about four minutes later. The judges were Messrs. A. P. Yopp, Ed. Heinsberger and D. E. Murphy. Mr. Heinsberger served as starter, and Mr. Mat Taylor was timekeeper. The trouble which prevented the judges from ruling that either team was victorious was that at the three-mile point when the racers started on the home run the L. A. W. racer waiting to take the message went up the track about one hundred yards to receive the package and start on the home run. This gave them about 200 yards advantage. Then there was a contention as to the rule governing the adjustment of delays occasioned by falls. The latter could however have been settled satisfactorily, as there were three falls on each side.

The race will be run over again Friday, September 3rd. The same team will be on the track and a detailed agreement will be drawn up before the contest is entered upon. The racers and their order in the relay were as follows:

L. A. W., Capt. Fisher—Bill Irvin, Cantwell, Prempert and Jewett.
C. C. C., Capt. Morris—W. Morris, Honnet, C. Price, Rowell and J. Price.

On Friday of next week the L. A. W. riders will have a test race to select the first and second racing teams. They will at once challenge the Carolina Cycle Club for a race as soon as practicable. The second team is also open for a challenge.

DR. BROUGHTON CAN'T COME.

His Lecture Advertised for Monday Night Called Off—Dr. Blackwell Will Preach To-morrow.

Yesterday evening about 6 o'clock a telegram was received from Dr. L. G. Broughton, of Atlanta, saying that it will be impossible for him to be here either Sunday or Monday. His engagement, therefore, to preach at the First Baptist church on Sunday and deliver his famous lecture, "A Living Museum of Human Curiosities" at the Opera House on Monday night will not be filled, much to the regret of a host of Wilmingtonians. A rare treat was in store for them and it is hoped that Dr. Broughton may be able to visit the city on some future date and fill a similar engagement.

So far as the services at the First Baptist Church are concerned, Dr. Broughton will have an able substitute, not unknown to the Wilmington congregation, in Rev. Dr. Blackwell, than whom there are few as able and eloquent preachers in the Southern Baptist Convention. He is corresponding secretary for the Baptist Young People's Union of the Southern Baptist Convention and visited this city in that capacity last Spring. Few addresses so eloquent and logical have been delivered in Wilmington, as that by Dr. Blackwell on that occasion. He will preach to-morrow morning and night.

Drug Store Changes.

Mr. John S. Bryan, brother of E. K. Bryan, Esq., of this city, has accepted a position with Wm. H. Green & Co., as manager of their drug store at the corner of Fifth and Market streets. Mr. Bryan is from Georgia and is an expert pharmacist, registered in both Georgia and North Carolina, and withal he is a clever and popular gentleman. The STAR welcomes him to Wilmington. As has been previously announced in the STAR, Messrs. Green & Co.'s central drug store, now at 119 Market street, will be moved September 1st to the northeast corner of Front and Market streets.

Signal Crew All Home Now.

Mr. J. R. Caudle returned yesterday from Cape Henry, via Norfolk. He is the last of the signal crew to return home. After the abandonment of the Cape Fear signal station, he was transferred to Cape Henry as quartermaster second class and operator. This station was abandoned, also, on August 15th. Since then Mr. Caudle has been in Norfolk. He was before the war with the Sun Life Insurance Company, and will probably resume work in the same business.

Sailing Contest and Hop.

As has been previously announced in the STAR the last hop of the season by the Seashore Hotel will be given to-night and everybody is invited. The hotel will close for the season September 1st. Another attraction on the beach to-day, provided the wind and tide are favorable, will be the regular monthly canoe races by the Carolina Club. All boats must be entered by 3:30 o'clock and the race will start a half hour later.

LOCAL NOTES.

Mrs. Eliza McDuffie, one of the nurses at the City Hospital, who has been quite sick, was much better yesterday.

The STAR is authorized to pay 25 cents each for 50 copies of the *Wilmington Daily Record* of Thursday, August 18th.

Mr. James Dickson Poisson has returned to the city after a visit of several weeks duration at White Lake, Bladen county.

The hour for Sunday School and evening service at Fifth Street M. E. Church has been changed to 3:30 and 8 P. M. respectively.

The regular, bona fide mail circulation of THE MORNING STAR is larger than the mail circulation of all other Wilmington Dailies combined.

The torpedo boat *Opin*, which put in at Southport Thursday night on account of stress of weather, will proceed to Hampton Roads this morning.

It is represented that the postmasters at Ham and Houtpostoffices, in Bladen county, this State, cannot read, and hence parties fail to get their mail very often.

See ad. of Palace Bakery this morning. It is announced that the bakery will have a big opening on the occasion of its removal to a new stand at 119 Market street.

The stork alighted at the dwelling of Joseph and Georgia Williams, colored, on Third street near Kidder's Alley yesterday and left three babies, two boys and one girl.

Quite a number of Wilmington society folk went down to Ocean View beach last night to attend the weekly hop by the Atlantic Yacht Club. The event was as usual a thorough success.

Eight bales of new cotton were received here yesterday, six by Capt. J. H. Sloan via the W. C. & A. R. R. and two by Messrs. Alex. Sprunt & Son, via the Carolina Central.

Rev. A. P. Tyler, the pastor, being absent from the city there will be no services at Grace Methodist E. Church to-morrow except the Sunday School which will hold its regular session at 4:30 P. M.

The fountain basin in the Court House lawn has been repaired and Mr. Branch, the efficient janitor, yesterday turned on the water and replaced the gold fish. There are about 40 of them, all in excellent condition.

The Liberty excursionists left for home at 5 o'clock yesterday afternoon. They seemed to have enjoyed their trip. They spent less time in the city than excursionists usually do. Most of their time was spent at the beaches.

Mr. J. S. Sneeden, one of the produce commission dealers at the new market, showed a STAR reporter yesterday something peculiar in an ear of corn. The stalk was of a rich purple color and Mr. Charles Watters, on whose farm at Middle Sound it was grown, said that the whole stalk and all of the blades were of the same unusual color.

WHEN ARE THEY COMING?

Much Curiosity as to When the Naval Reserves Will Get Here.

There is still considerable uncertainty as to when the Naval Reserves will get here. Some thought they would come yesterday and there was quite a crowd of ladies and children at the Carolina Central depot on the arrival of the train from Hamlet, expecting to see the boys come in.

Capt. J. C. Morrison, chairman of the committee appointed to find out when the *Nantuxet's* crew would get here, sent numbers of telegrams making inquiry into the matter, but has not received a single satisfactory response. Are the boys going to take us by surprise?

Barricaded at Wrightsville Sound.

The funeral of Miss Nora McClammy, who died Wednesday night, took place yesterday morning at 9 o'clock near her father's residence, No. 619 South Seventh street. The services were conducted by Rev. W. L. Cunningham, pastor of Fifth Street Methodist Church.

The remains were taken to the family burying ground at Wrightsville Sound for interment. The following gentlemen acted as pallbearers: Messrs. Henry Hewitt, Frank Jarman, Daniel Bender and Willie Costin.

Two Committed and One Released.

The trial of the three negroes implicated in the thefts from the warehouse and freight cars of Messrs. McNair & Pearshall was concluded yesterday afternoon, and two of them committed to jail in default of a \$100 bond for trial at the October term of the Circuit Criminal Court. The other one was discharged, the prosecution having failed to make out a case against him. Those jailed were J. D. Hooper and William Murphy. Louis Jarman was released. Bob Nixon, colored, who is believed to be the most guilty of all the gang, is still at large.

THE COLORED ORGAN.

Reads Mr. Lockey and the Members of the Republican Executive Committee. Negro Paper in Negro Home.

The *Daily Record*, the negro organ, came out from its new quarters, on Seventh, between Church and Nun streets, yesterday afternoon. It claims now that it is a negro paper, edited in a building owned by negroes.

The only article of interest is one which takes all the point out of the resolutions adopted by the Republican Executive Committee, so far, at least, as these went to show that the sentiments of the negro editor were not those of the colored people generally. The resolutions are printed in full and there are angry refutations of the charges made.

The editor inquires, if he was a "mischievous meddling sinner," how was it that he was sent to Washington with Lockey not long since on a mission that was not essentially that of a simpleton. He also wants to know where Lockey got the authority for saying that the *Record* would suspend. Then he says some sharp things about Lockey's candidacy for judicial honors, and says that his course in assembling the committee and dictating the action to be taken was for a hankering for Populist votes, upon which he will depend in his race for the judgeship.

The whole animus of the article in fact is directed against the Republican candidate for Judge. And the impression that the reader gains from it is that the action of the Republican Executive Committee is considered by the *Record* a big sort of a farce and in no way indicative of the feeling of the majority of the colored voters. Certainly, in view of this article, in view of the action of the colored ministers in upholding the record and in view of the threatening demonstration Wednesday night when it was thought the colored editor was in danger, the high sounding resolutions of the Republican Executive Committee shrink into very faulty insignificance indeed.

There was no excitement about the *Record* office last night or yesterday afternoon. However, it was learned that there is a liberal supply of firearms about the building.

REHEARSALS BEGIN MONDAY.

Mrs. Lillian Tucker Vaught and Mr. Vaught arrived Last Night—A Strong Company.

The STAR announced last Sunday morning that the Lillian Tucker Opera Company would begin in this city August 29th, two week's series of rehearsals before starting out on their tour for this season. Last night Lillian Tucker, Mrs. Lillian Tucker Vaught as she is known in private life, and her husband, Mr. C. C. Vaught, arrived here from Chicago and are registered at the Orton. Others of the twenty-two members of the troupe will arrive during the week to-morrow and Monday and rehearsals will begin Monday or Tuesday in the Opera House.

Lillian Tucker is an actress of considerable reputation and she has gathered about her a support, the personnel of which gives abundant promise of an unusually strong company. STAR readers will remember that the company will open a week's public engagement here September 12th.

NEW TRAVELLING AGENT.

Mr. Will H. Harrison, who has so acceptably filled the position of Travelling Agent and Correspondent of THE MORNING STAR for nearly a year past, has resigned that position to engage in other business, and is succeeded by Mr. James Pearshall, of Dunn. Mr. Pearshall has travelled extensively in the territory in which the STAR circulates so largely, and is in every way thoroughly qualified for the work he has undertaken. We commend him to our friends, and will appreciate any courtesies he may receive at their hands.

In Squire Fowler's Court.

In Justice Fowler's court yesterday William Freeman, colored, was convicted of wilful trespass upon the premises of James Smith, colored, and fined a penny and costs, in default of which he was sent to jail. Justice Fowler had one other case in which a negro woman was arraigned for cruelty to animals. She lives in Cape Fear township and the charge was that she whipped a cow unmercifully with a fence rail and also threw a hatchet at her. Squire Fowler ruled that the charge was not sustained by the evidence introduced and dismissed the case. Herbert McClammy, Esq., was counsel for the defence.

"Brothers Perry" Can't Come.

Secretary Diggs of the Y. M. C. A. received notice yesterday that the Star Course attraction for October, as selected by the committee, could not fill the engagement, and it will be necessary for the Entertainment Committee to meet and select a substitute. The attraction was "Brothers Perry," a musical carnival company in which playing a variety of glass vessels is a specialty. While this is a very desirable attraction there are others equally as good which are available.

New Telephone Directory.

Manager F. L. Woodruff of the Bell Telephone Company, yesterday supplied the subscribers with a revised directory. It is in new shape and much handsomer than the old list. Clever Ed. Burkholder, who is Mr. Woodruff's right hand man, was not only kind enough to bring the new directory around, but even inserted a bright brass hook on the phone for the book to be hung up by.

N. C. VOLUNTEERS.

Ready to Don their Uniforms and Return to the Quiet But More Lucrative Walks of Civil Life.

[Savannah Morning News.]
Even the North Carolina Volunteers at Tybee, with all the advantages of a first-class seaside resort, are desirous of quitting the military service, donning their uniforms and returning to the quiet but more lucrative walks of civil life.

There are two companies of volunteers from the old "Tar Heel State" down on the island, Company A, of Fayetteville, commanded by Capt. Huske, and Company E, of Greenville, commanded by Capt. Smith. There are 212 men, exclusive of officers, and out of this number it is doubtful if over twelve want to do police duty for the next eighteen months at Santiago or San Juan.

A number of the North Carolinians have been in the city the past two days. Yesterday several of them were asked what was the desire of the private as talked of among themselves. All said that the chief desire of the men now is to get back home, into their regular occupations, and make up for lost time. Company A, it is said, either has gotten up a petition to be mustered out, or will start one to-morrow.

"We have had all the soldiering we want unless there is an absolute necessity for our staying in the business," said one of the men. "We do not want to become professional soldiers and follow the business for the balance of our days. Some of the officers, I guess, wouldn't object to doing up for some time. Company A, if it is mustered out, will start one to-morrow." "We do not want to be kept in because some men perhaps did not make as much sacrifice as I did to get here for some time. I think they have got pretty good jobs and are patriots enough to want to stick. You can put it down that we don't want eighteen months of garrison work."

APPOINTMENTS FOR BELLAMY.

He is Now Making a Preliminary Canvass of the Sixth District.

John D. Bellamy, Democratic candidate for Congress, is making a preliminary canvass of the Sixth District, and has accepted invitations to speak as follows:

At Lockwood's Folly, Brunswick county, at the Democratic mass convention to be held Thursday, September 1st.

At Burgaw, Pender county (Court week), Monday, September 12th.
