DR. SWALLOW, THE PROHIBITION CANDIDATE FOR GOVERNOR OF PENNSYLVANIA HAS FOUND A ROSE-PROPAGATING HOUSE, THE ACTUAL COST OF WHICH COULD NOT HAVE EXCEEDED \$700, FOR WHICH THE STATE HAS BEEN CHARGED \$8,720.01, FROM WHICH WE INFER THAT REPUBLICAN ROSES COME HIGH.

The rough riders held their own and some more at Santiago, but one of them, somewhat under the influence of booze, came to grief in New York the other day. He came into collision with a policeman's club and had to be sent to the hospital for repairs. Some crank or malicious person in Chicago, who wants to wear the life out of the President's secretaries, clerks, etc., has started an endless chain of letters to the President, urging him to hold on to the Philippines. Senator Hanna rises to remark that "we are at the beginning of the greatest era of prosperity the world has ever seen." Mark began running his predicting mill that way in 1896, and he keeps it up. Politics are getting hot in Colorado. In a row between the Teller and Wolcott factions of Free Silver Republicans at Colorado Springs, the other day, pistols popped lively and one man was killed. A good many of the rural denizens of Spain have not yet learned that there was a war with this country. They therefore feel perfectly easy about Spain's "honor." There wasn't enough of the Populist party left at the late election in Arkansas to furnish pull-bearers for the candidate corpses. A reputed New York millionaire died recently, and his estate panned out \$16,000. But it is all the same to him.

DR. BLACKWELL WILL ACCEPT Resigned His Present Work to Take Wilmington Pastorate When Officially Notified of the Call.

It can be announced authoritatively that Rev. Calvin S. Blackwell, D. D., will assume the pastorate of the First Baptist Church, of this city, October 1st. The formal acceptance of the call recently extended to him by the church has not been received here, neither in fact had Dr. Blackwell, up to yesterday morning, received the official notice of the call from Clerk Clark Frank L. Huggins. However he had been notified of the call by private telegram by several of his friends among the Baptist congregation, and yesterday forenoon Mr. C. S. Lathrop received the following telegram from Dr. Blackwell: "I have resigned to accept when official letter reaches me."

This means that Dr. Blackwell, having received private telegraphic notice of his call to the pastorate of the church here, has forwarded his resignation as corresponding secretary of the Baptist Young People's Union of the Southern Baptist Convention, so that there may be nothing to prevent his prompt acceptance of the call and entrance upon the duties of the pastorate at the time specified by the church, October 1st. The congregation here is elated over their good fortune in securing this able and eloquent minister as their pastor. He is reputed, and rightly, to be one among the most eloquent preachers in the Southern Baptist Convention. And what he is one of the most thoroughly up in matters of church organization and work. It is confidently expected that under his leadership the work of the Baptist congregation will be materially quickened. Dr. Blackwell is now in Texas, where he has been pushing the B. Y. P. U. work since he was here and so a few Sabbaths ago. The STAR has it from one of the Doctor's closest friends in Wilmington that he will bring his family to this city within the next month. He has a wife and two sons. Only the youngest (about 17 years old) will reside with him here. The other one is a medical student at the University of Virginia.

George B. Elliott, Esq., of Richmond, is in the city for a few days. Mr. Elliott is a former citizen of this city and is a son of Mr. Warren G. Elliott of the A. O. L. He has a host of friends in Wilmington who gladly welcome him. Rev. G. L. Leyburn, D. D., of Newbern, and Rev. Jno. Stanley Thomas, of Burgaw, were registered at the Orton yesterday. They have just closed quite a successful meeting with the congregation at Pike Presbyterian Church in Pender county. First Precinct, Fourth Ward. The White Government Union of the first division of the Fifth Ward held its weekly meeting last night. The nominations made at the County Convention were unanimously endorsed. Resolutions of great importance to white men were passed.

RACERS WERE DISSATISFIED.

Races For Yesterday Were Called Off—Only Club Members Can Compete For Medals.

The races which were to have been run on Wrightsville beach yesterday afternoon under the auspices of the Carolina Cycle Club did not materialize. Mr. M. P. Taylor, Jr., manager of the races, as a result of a number of races went down to the beach on the 2.30 P. M. train fully expecting that the races would be run, as the weather appeared thoroughly favorable. However, they found high tides and by the time these had receded sufficiently to admit of the races it was almost time for the 6 o'clock train to leave for the city, and Mr. Taylor declined to allow them to be run. The affair led to some unpleasantness between some of the racers and the manager, as a result of which notice is given by authority of the secretary of the club that in future none but members of the Carolina Cycle Club will be allowed to enter the races to compete for the championship medals. Several who were not members were entered for the races yesterday. Those of the C. C. C. who compete hereafter must be in good standing, according to the orders issued last evening. Several of the riders who were entered for the race yesterday contended that the reason the races were not allowed to be run yesterday was because the club medals were sure to have been won by riders outside the C. C. C. No new date is announced for the championship races.

LOCAL DOTS.

Several families moved up from Carolina Beach yesterday.

The receipts of rosin on the market yesterday were unusually heavy, amounting to 1,414 barrels. The STAR is authorized to pay 25 cents each for 50 copies of the Wilmington Daily Record of Thursday, August 18th. Spirits turpentine went up again yesterday and was quoted at close of market at 28 1/2 cents per gallon for machines. The regular, bona fide circulation of THE MORNING STAR is much larger than that of any other daily newspaper published in Wilmington. George Davis, a colored boy, convicted of disorderly conduct in the Mayor's Court recently, was put in the city lock-up yesterday in default of the costs in the case. The communication from Pender county signed "Democrat" must be declined under our rules. We charge for all communications recommending candidates for office. The county finance committee, composed of Col. Roger Moore, Capt. Bowright and Capt. Cowan, met last night and examined and approved the report of County Treasurer Jas. H. Chadbourne, Jr., for the month of August. The British steamship Frank-hurst, Captain Watson, which was the first vessel to take out a cargo of cotton last season, arrived in port yesterday and took a berth at the Champion Press. She has the same jolly captain as last year. The receipts of cotton as yet are far smaller than during the corresponding time of last year. The crop is later, and the bad weather has interfered with harvesting. Receipts yesterday 233 bales, against 1,146 bales same day last year. Rev. W. L. Cunningham, after a week's sickness, is out again and expects to preach in Fifth Street Methodist Church to-morrow morning. Rev. R. C. Bennett will preach at 8 o'clock P. M. Mr. Cunningham desires earnestly that there shall be a good attendance of the members at both services. From all quarters of the State comes the gratifying news that White Government Union are being organized. The righteous indignation of an outraged people is sweeping over the State, and the white men are rushing to the rescue of their imperiled liberties. Russellism, Butlerism and Negroism are doomed. The British schooner Bianca was cleared yesterday by Jas. T. Riley & Co. for St. Croix, one of the Danish West Indies, with a cargo of lumber from the Chadbourne Lumber Company. Captain Lambert and his wife made many friends here, who regret to see them leave. Mrs. Lambert went by rail to Brooklyn, N. Y.

COMPLIMENTARY PRESS NOTICES.

Lynchburg News on the Charles Vaught Co.—Opens Here With Buckeye. The press, wherever the Charles Vaught Company filled an engagement last year was lavish in compliments and pronounced their performance thoroughly pleasing. The Lynchburg (Va.) News of January 15th, says: "A larger, finer or more appreciative audience never assembled in the opera house than one that greeted the Charles C. Vaught Company last night. The company won the admiration of our people from the start. The play 'La Belle Marie' was strongly seasoned with the French ideas of retribution for a wrong committed, and was full of pathetic as well as humorous incidents. The scenes were alternated so smoothly and were spiced with such pleasing comedy, that it carried the feelings of the large audience with a sweep. Miss Tucker as a vivacious, charming and captivating actress. Her emotional parts came to her with naturality, and in no way inferior to any actress we have seen in our city. Her portrayal of her heroine, she won admiration from the start. Her support is admirable. It is one of the best repertoires the city has witnessed. Lynchburg and our people are fortunate in having such bright and clever acting. The specialties between two acts are of the best order and talent." The "Buckeye" will be the company's opening play here Monday night. Aside from the play there will be a number of high class vaudeville acts by artists engaged expressly for this line of work. The performance will be continuous. Ladies are to be admitted free Monday night. Tickets are on sale to-day at Gerken's.

A BICYCLE STOLEN.

The bicycle operator has been getting in some of his work again. Henry Springer, a white man who has been here for about two weeks, is the man upon whom the suspicion rests. Thursday afternoon he went to the Carolina Bicycle Company, on Market street between Water and Front, and rented a wheel of Mr. R. J. Sellers for use from 4.45 to 5.45 P. M. Mr. Sellers was on the street looking for Springer before the end of half the time for which the wheel was rented. From the haste with which Springer left the shop Mr. Sellers was led to think that something was up. He searched all over town and found out that other people had also lost by the man who got the wheel. He had "jumped" his board, although he had been paid up on Thursday morning by Mr. S. L. Smith with whom he worked. Yesterday Mr. Sellers went up to Burgaw to look for Springer, but failed to hear anything of him. The wheel is of the "Clipper" make with green frame and up curved bars.

WERE HAPPILY MARRIED.

Miss Minna Doek and Mr. Louis H. Keen returned yesterday from Weldon, where they went to attend the marriage of Miss Maggie Oatis, formerly of this city, to Mr. J. V. Stephenson, of Halifax. The wedding was happily celebrated Thursday night, the service having been performed by Rev. J. E. Chambers. Mr. and Mrs. Stephenson are at home in Weldon. To City Subscribers. City subscribers are earnestly requested to report promptly at the STAR office every failure of the carriers to deliver their papers. In all such cases steps will be taken to insure prompt and regular delivery. Beginning with to-day and continuing until the quarantine is lifted, all passengers ticketed through Memphis, Tenn., will need health certificates on account of reported fever cases there. T. J. Anderson, G. P. A. Seaboard Air Line.

THE POP CONVENTION

Sheriff Jenkins of Chatham Nominated for Congress in the Fourth District.

OTHER NEWS FROM RALEIGH. A Penitentiary Convict Whipped to Death. The Murderer Allowed to Escape—A Warrant Has Since Been Issued for His Arrest. [Special Star Correspondence.] RALEIGH, N. C., September 9. The Populist convention of the Fourth Congressional District did not complete its labors until 3 o'clock this morning when Sheriff J. J. Jenkins, of Chatham was nominated on the eighteenth ballot. This is the first time in North Carolina for years that a county has furnished two consecutive congressional candidates. Collectors Milliken and Duncan were on the scene from the start and worked actively in the convention. Stroud got 25 votes on the first ballot and 100 were necessary, but he was finally snatched under by Democrats work. Duncan was for Jenkins while Milliken preferred Tomlinson or English, both of Randolph. The convention came near being stamped to English at one time. Gov. Russell was deeply interested in the convention and received returns regularly. Garrett was the real choice of the officeholders, but he stood no show. Jenkins' nomination was finally secured by Garrett throwing Vance county to him. A special from Washington states that Lieut. A. D. Cowles will be appointed Major in the First regiment when the Second is mustered out. Five officers in the First will soon resign. The War Department announces that both the First and Third North Carolina regiments cannot remain in the service, one or the other must go, and the department has left this to the Governor. It remains to be seen whether he will keep Jim Young's regiment in the First in the service. One or the other will be mustered out by October 10th. The following are officers of the Woman's Home Mission Society, three vacancies having been filled by the Executive Committee yesterday: President, Mrs. F. A. Woodard, of Wilson; Vice President, Miss N. Hutchings, of Raleigh; Second Vice President, Mrs. B. F. Duke, of Durham; Corresponding Secretary, Mrs. M. J. Simpson, of Newbern; Treasurer, Mrs. S. H. Scott, of Newbern; Recording Secretary, Mrs. W. S. Black, of Littleton. The Populist Judicial Convention endorsed Oliver Dockery, Jr., for solicitor. [Special Star Telegram.] A convict named Lowe, on the Northampton farm, whipped by an employer four times in one day, died five days later. The employer was dismissed. Russell has now had a warrant issued for the employer who is in unknown parts.

NORMENT COMES DOWN.

He Will Try for the Legislature in Robeson County. [Charlotte Observer.] LUMBERTON, September 8.—The Populist county convention met here to-day and nominated S. A. Edmund for clerk of the court; J. D. James, for register of deeds; W. K. Culbreth, for treasurer; Atlas Atkinson, for county commissioner. The also endorsed in convention the nominations made to-day by the Republican executive committee, of Dr. R. M. Normant for the Legislature, and E. L. McCormac and Seth Smith, for county commissioners, and J. W. Hall, for sheriff. The Populists at the convention, were very few and were mainly office-seekers. It is stated that the Republican committee named their part of the ticket rather than risk the demands of the negroes, in a convention. Dr. Normant, as usual, takes anything the bosses give him, and will now be out of the race for Congress. The Populists and Republicans are to each have one Senator from this district. BELLAMY AT PIREWAY. Made a Strong Speech of Two Hours Length—Large Crowd Present. [Whiteville News, 8th.] Mr. J. H. Maxwell attended the speaking at Pireway yesterday. There was a large crowd present, and Mr. Bellamy made a very strong speech of two hours length. The White Government Union for this township has nearly two hundred members, forty-five of whom are Populists, who say they can't stand any more fusion. All the Populists in Williams township but eleven have joined the White Government Union, and it is expected that these will yet come.

RECEPTION AND TROLLEY PARTY.

Miss Johnson Entertained a Large Company of Friends Last Night. Miss Johnson delightfully entertained a large company of her friends at the home of her parents, Major and Mrs. William A. Johnson, 716 Market street, last night. The occasion was a reception and trolley party, the guests having gathered at the home and a little later boarded two cars chartered for the purpose and made a circuit of the street railway system. Exquisite music was dispensed the while by a string band. Soon after 11 o'clock the party re-assembled at the Johnson home and some time was spent in merry social intercourse. These were delicious refreshments, admirably served. There were more than a half hundred guests and all are enthusiastic in extolling the occasion as one of the most thoroughly enjoyable that has occurred in Wilmington social circles in many a day. Bornemann showing that they had submitted before him and that judgment had been suspended on the payment of costs. Robertson's case was postponed on account of the absence of witnesses for the defence. Lumberton Fair.
