"CONTEMPTIBLE PIE HUNTERS."
MORE NEGRO

This is What Butler Called Those Who Favored Co-Operation in 1897.
Here is what Marion Butler said in his paper, the *Caucasian*, in February, 1897:

"The co-operation of the Populists and Republicans in this State has been a dismal and disastrous failure. Only the contemptible pie-hunters see any good in it."

If you do not believe Marion Butler's paper said this, ask him whether it did or not. He dare not deny it. If "co-operation" had no "good in it" in 1897, is there "any good in it" in 1898, when Negro Domination is starting us in the face?

What Marion Butler said in the *Caucasian* in 1897, is exactly what every decent white man in North Carolina believes now.

A HORRID SLANDER.

The Most Infamous That Ever Appeared in Print in This State.

The Alarmed Politicians are Trying to Break the Force of it by Resorting to Various Dodges, But They are Too Thin.

The infamous assault on the white women of this State which appeared on the 18th of August in the *Daily Record*, the negro paper published in this city, has aroused a storm of indignation from one end of the State to the other. We have received so many requests for copies of the STAR containing this article that we herewith reproduce it in full, the accuracy of which is certified to by Col. John D. Taylor, Clerk of the Superior Court of New Hanover county, and by a number of ar well-known business men. The article is headed:

Mrs. Felton's Speech.
"A Mrs. Felton, from Georgia, makes a speech before the Agricultural Society at Tybee, Ga., in which she advocates lynching as an extreme measure. This woman makes a strong plea for womanhood, and if the alleged crimes or rape were half so frequent as its oft-times reported, her plea would be worthy of consideration."
"Mrs. Felton, like many other so-called Christians, loses sight of the basic principle of the religion of Christ in her plea for one class of people as against another. If a missionary spirit is essential for the uplifting of the poor white girls, why is it? The morals of the poor white people are on a par with their colored neighbors of like conditions, and if any one doubts this statement, let him visit among them. The whole luff needs to be leavened by those who profess so much religion, and showing them that the preservation of virtue is an essential for the life of any people."

"Mrs. Felton begins well for she admits that education will better protect the girls on the farm from the assaulter. This we admit and it should not be confined to the white any more than to the colored girls. The papers are filled often with reports of rapes of white women, and the subsequent lynching of the alleged rapists. The editors pour forth volleys of aspersions against all negroes because of the few who may be guilty. If the papers and speakers of the other race would condemn the commission of crime because it is crime and not try to make it appear that the negroes were the only criminals, they would do us a service. The strongest allies in the intelligent negroes themselves, and together the whites and blacks would root the evil out of both races."

"We suggest that the whites guard their women more closely, as Mrs. Felton says, thus giving no opportunity for the hoodlums of the other race to bite. You leave your goods out doors and then complain because they are taken away. Poor white men are careless in the matter of protecting their women, especially on farms. They are careless of their conduct toward them and our experience among poor white people in the county teaches us that the women of that race are not any more particular in the matter of clandestine meetings with colored men, than are the white men with colored women. Meetings of this kind go on for some time until the woman's infatuation or the man's boldness, bring attention to them and the man is lynched for rape. Every negro lynched is called a 'big, burly, black brute,' when in fact many of those who have thus been dealt with had white men for their fathers, and were not only 'black' and 'burly' but were sufficiently attractive for white girls of culture and refinement to fall in love with them as is well known to all."

"Mrs. Felton must begin at the fountain head if she wishes to purify the stream."
"Teach your men purity. Let virtue be something more than an excuse for them to intimidate and terrify a helpless people. Tell your men that it is no worse for a black man to be intimate with a white woman, than for a white man to be intimate with a colored woman."
You set yourselves down as a lot of carping hypocrites; in fact you cry aloud for the virtue of your women, while you seek to destroy the morality of ours. Don't think ever that your women will remain pure while you are debauching ours. You sow the seed—the harvest will come in due time."

Signed, "JOSEPH GORE."
Signed and sworn to before me this 19th day of September, A. D. 1898.

White men of Brunswick county, can you stand that? Is there one left in the borders of your county who will not now vote against every candidate who consorts with negroes, and who is dependent on them for election?

Has it come to this, that your daughters cannot attend church or Sunday school without having a body-guard to protect them from the lustful black brutes who roam through your county?
Rise in your might, white men of Brunswick. Assert your manhood. Go to the polls and help stamp out the last vestige of Republican-Populist-Negro Fusion.
In ITS ADVANCED and chronic form a cold in the head is known as Nasal Catarrh and is the recognized source of other diseases. Having stood the test of continued successful use, Ely's Cream Balm is recognized as a specific for membranous diseases in the nasal passages, and you make a great mistake in not resorting to this treatment in your own case. To test it a trial size for 10 cents or the large for 50 cents is mailed by Ely Brothers, 56 Warren Street, New York. Drugists keep it.

For over Fifty Years.
Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. Sold by Druggists in every part of the world. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other.

Springer & Co., each being duly sworn says that he has read the foregoing paper, and that the said is an accurate and true copy of an editorial in the *Daily Record* of the date August 18th, 1898; that said paper, the *Daily Record*, has been published in the city of Wilmington at least eight months prior to this date, and Alex. L. Manly, the editor thereof, is a negro, well known as a Republican and has held the position of Deputy Register of Deeds in New Hanover county under the Republicans.
Affiants further say that John N. Goins, business manager, L. D. Manly, foreman, John T. Howe, general traveling agent, and P. G. Manly, general manager, are all negroes, and that the said John N. Goins, L. D. Manly, and John T. Howe was a Republican Representative from New Hanover county in the Legislature of 1897.
