71 deg.; maximum, 75 deg.; minimum,  
66 deg.; mean, 70 deg.

### FORECAST FOR TO-DAY.

For North Carolina—Fair; much  
cooler; brisk west to northwest winds;  
high on the coast.

The hens of this country shelled  
out last year 850,000,000 dozen  
eggs, and they didn't work over-  
time either.

Real estate in San Francisco is  
going down. The city is reported to  
be sinking and will soon be below  
the sea level.

The new Governor of Georgia is a  
moderate man. He has reduced his  
predecessor's staff of Colonels  
from 104 to 36.

It is said that the Trusts in this  
country represent an aggregate capital  
of \$3,500,000,000, but there is a  
good deal of water in it.

Part of the bill of fare of the denizens  
of the city of Paris last year  
was composed of 14,840 horses, 357  
donkeys and forty mules.

It may be incidentally remarked  
that the white people of this State  
are in a pretty good frame of mind  
to observe Thanksgiving day.

St. Louis, Mo., has a Ziegenhein-  
Wurzburger-Flousheim ring, which  
from appearances we should take  
to be a pretty formidable combine.

Senator Hale, of Maine, has not  
very taking ways. He says he would  
not take the Philippines as a free  
gift with \$40,000,000 thrown in for  
good measure.

There are 10,000 children of  
schoolage in the city of Philadel-  
phia who cannot go to school be-  
cause there is no room for them in  
the school houses.

If Kaiser William is anxious to  
possess some interests in the Eastern  
Pacific he might invest in the  
Ladrones which would sell cheap  
since we have picked out Guam.

A Louisville judge recently ex-  
pressed the opinion from the bench  
that ham's life is about the cheap-  
est thing in that city and on an  
average worth less than \$20.00. A  
good male is worth four times that.

St. Louis is following the example  
of some younger and smaller cities  
and has passed a curfew ordinance  
which requires children under fif-  
teen years of age to be in doors af-  
ter 9 o'clock p. m. in the Winter and  
9 in the Summer.

The recent gas explosion in the  
Capitol at Washington did damage  
to the amount of about \$200,000.  
The principal damage was done in  
the Supreme Court room, which  
was wrecked and many valuable  
books and records destroyed.

The French Admiral who said at  
the beginning of the war with Spain  
that the Spanish navy was about  
three times as formidable as our  
navy, and the discipline and per-  
sonnel of the Spanish navy at least  
ten times as strong as ours has prob-  
ably revised his opinion.

Mr. LeGrand, a large Alabama  
land owner and oiljumper, who has  
been fired of furnishing mules to his  
tenants to ride around the country,  
has substituted oxen, which he says  
will show as much as the average  
negro will cultivate and not be so  
handy for frolicking.

Last Tuesday night the joint stock  
company composed of Cy. Thomp-  
son, Marion Butler, Hal. Ayer, Dan  
Russell, Jeter Pritchard, Ab.  
Holton, George White, Ike Smith,  
Dictator Abe Middleton and others,  
known by the company name of  
Fusion, was dissolved by mutual dis-  
tast. Assets nil.

Emperor Francis Joseph was so  
prostrated with grief at the death  
of the Empress Isabella who was  
assassinated in Switzerland not long  
ago, that it was feared he would put  
an end to his own life, but he has  
so far recovered that it is said he is  
going to take unto himself another  
wife, as soon as the regulation court  
term for mourning expires.

## AN EXPLANATION.

The Star owes an apology, or ex-  
planation, to many of its friends  
who telegraphed it yesterday for  
news of the situation here. The  
editor and many of his employes  
had duties to perform outside the  
STAR office, and it was absolutely  
impossible to reply to all the tele-  
grams received. We did the very  
best we could, however, under the  
circumstances, and regret that we  
could not do more.

We wish to say, too, that if we  
only get out half a paper this morn-  
ing our readers must not complain.

## NEW ADVERTISEMENTS.

men as Chief of Police are Geo.  
Rountree, Esq., Mr. Oscar Pearsall  
and Mr. Martin Newman.

office to Col. Waddell as Mayor and  
also to the 400 special police.

## Street Car Collision.

Yesterday while the "Brooklyn"  
street car was in progress, street car  
No. 4 with the front platform somewhat  
demolished created some interest at  
the corner of Front and Princess streets  
and many questions were asked as to  
the cause of its dilapidated appearance.  
It afterwards developed that the  
negroes were not responsible for the  
accident, but that in some way during  
the excitement, it made a collision with  
another car on Front street near Mul-  
berry. The motorman, Mr. Jeff Bald-  
win, stuck to his post and ran a narrow  
risk of being injured, but fortunately  
escaped. Conductor Shaw was in  
charge of the car but beyond being  
shaken up right sharply, was un-  
hurt.

## Were Given a Safe Escort.

Several negroes employed at the  
North Carolina Cotton Oil Mill, which  
is near Hilton Park, expressed their  
fear to return home after work hours  
yesterday afternoon and said they  
would remain at the mill during the  
night rather than return to their sev-  
eral homes in the city. Mr. Mason,  
general manager of the mill, notified  
our new Chief of Police, E. G.  
Parmelee, and he sent a special squad  
of officers to guarantee them a safe  
escort to their several homes and  
places of lodging. This incident  
speaks in highest terms of Wilming-  
ton's new city government and the  
action of Chief Parmelee will meet  
with universal approval.

## Arrests Made Yesterday.

Eleven arrests were made yesterday  
by a number of special officers, the  
charge being that they were partici-  
pating in the instigation of riot. Ten  
of these are negroes and one is a  
white man, James Locklin. The  
negroes are Henry Nicholson, Wil-  
son Edwards, James Hill, S. T.  
Knight, William Tate, Tom Love, R.  
B. Pickens, I. J. Bell, Ariah Bryant  
and Thos. C. Miller. The first six were  
committed by a squad of officers and  
are the negroes who fired on a detach-  
ment of the Naval Reserves from a  
negro house in "Brooklyn." The  
others were picked up singly at inter-  
vals during the day.

## Send to the Army.

Col. Walker Taylor requests the  
STAR to send the ladies of Wilmington  
to send supplies to the W. L. I.  
armory to-day, to furnish breakfast  
and dinner for the brave men who  
arrived here last night for their de-  
fense. Cooked provisions sufficient  
for 180 men will be needed.

To City Subscribers.  
City subscribers are earnestly re-  
quested to report promptly at the STAR  
office every failure of the carriers to  
deliver their papers. In all such cases  
steps will be taken to insure prompt  
and regular delivery.

## BLOODY CONFLICT WITH NEGROES.

### White Men Forced to Take Up Arms for the Preservation of Law and Order.

### BLACKS PROVOKE TROUBLE.

### Negro Newspaper Plant Destroyed—The Whites Fired Upon by Negroes—The Firing Returned—The Killed and Wounded—State Guard Out—Many Exciting Incidents.

Yesterday was an eventful day in  
the history of Wilmington. The day  
was made notable by the complete  
destruction of the plant and building  
of the daily Record by indignant citi-  
zens to avenge a vile slander upon  
"womanhood." Then, "too," there was  
the unfortunate clash of arms between  
a mob of negroes and citizens on guard  
duty in the First Ward, attended by  
many sad and exciting incidents.

During the day the incompetent ad-  
ministration of the Fusion negro  
regime of city government resigned  
and the Citizens Committee directed  
the selection of new Mayor, Chief of  
Police and Board of Aldermen, so that  
Col. A. M. Waddell is now Mayor and  
Edgar Parmelee Chief of Police. Then,  
too, about 400 good and true men  
assumed the duties of special police for  
the establishment and maintenance  
of law and order.

### Avenge Slandered Womanhood.

The committee of twenty-five, rep-  
resenting the mass meeting of white  
citizens in the execution of the pro-  
visions of the resolutions adopted Wed-  
nesday demanding the departure of the  
negro editor Manly from the city and  
the removal of the Record plant, was  
to have received a definite answer to  
their demands from representative  
negroes at 7:30 o'clock. And Chair-  
man A. M. Waddell was to report the  
same to the white citizens in front of  
the Wilmington Light Infantry  
armory at 8 o'clock.

At the appointed hour more than  
five hundred determined white citi-  
zens with guns and revolvers gath-  
ered at the armory and Col. Waddell  
reported that he had received no an-  
swer from the negroes. They waited  
until almost nine o'clock, hoping that  
an answer complying with the de-  
mands would be received, but none  
came.

### "On to the Record Office."

The men formed in line four abreast  
and started on the march to the Record  
office, in a thickly populated negro  
settlement. As the long column of  
armed men approached the vicinity,  
great crowds of negroes, men, women  
and children, could be seen flitting  
this way and that in a perfect frenzy.  
And very soon scarcely a negro could  
be seen anywhere.

When the column reached the  
building, a two-story frame structure,  
the men were halted and several ad-  
vanced to the door. It was locked.  
Several blows by stalwart men forced  
it open and about twenty citizens en-  
tered and within a few minutes the  
plant was wrecked and the broken  
pieces pitched into the street. The  
windows of the house were broken  
out. As the numerous fragments  
were tossed into the street and as the  
parts were recognized, exultant shouts  
rent the air. Yet with it all there  
was a remarkable demonstration of  
coolness and determination. It was  
when a long sign—"The Record Pub-  
Co."—was cast into the street that  
the greatest outburst of cheers went  
up. A beaver hat was thrown out  
and quickly torn into pieces as was  
a life size best crayon likeness of Ed-  
itor Manly.

### Building Caught on Fire.

When the wrecking was about com-  
plete it became evident that the build-  
ing was on fire. Smoke was rising  
out of the open windows. There were  
shouts of indignation and commands  
to extinguish the flames. But the fire  
spread quickly so that the Fire De-  
partment had to be called out. As the  
engines and horse reels dashed upon  
the scene several rounds were fired by  
the men who were lined up more  
than two squares either way.

The department quickly had the  
fire under control, but not before the  
building was a total wreck. They pre-  
vented the spread of the flames to ad-  
jacent buildings. Conservative men  
very much regret the fire, not only  
because it was entirely unnecessary,  
but endangered a great deal of other  
property as well. Close on one side  
of the building is St. Luke's, the  
largest and most handsome negro  
church in the city. On the other side,  
with only three or four small cottages  
joined close together, between it and  
the burning building, is Ruth Hall.  
The old members of the Board rep-  
resenting the Third Ward, B. F. Keith  
and C. D. Morrill, were not present at  
the meeting, and still remain on the  
Board. Mr. Keith's absence from the  
meeting was due to the fact that he  
was not in the city and Mr. Morrill  
was too unwell to attend.

Chief of Police Jno. R. Melton  
tendered his resignation to the Board  
and Mr. E. G. Parmelee was elected  
unanimously in his stead.

Mayor Wright Resigns.  
Mayor S. P. Wright then stated that  
at the suggestion of the business men,  
he would tender his resignation, which  
was received, and Col. A. M. Waddell,  
upon the nomination of Alderman  
King, without a dissenting vote was  
elected to fill the vacancy. The oath  
of office was administered by Martin  
Newman, J. P., and he took the chair

## amid applause. He took occasion to say, upon assuming the office that he was very thankful to the Board of Aldermen for the honor conferred and that he took the reins of the city gov- ernment not from desire, but from duty. He referred to the extraordinary circumstances through which the city is passing and stated that he would bend all his energies towards main- taining good order and peace.

Upon motion of Alderman Worth,  
a vote of thanks was tendered to the  
retiring board and Mayor for the  
courtesy, in yielding to the wishes of  
the people and withdrawing.

Special Policemen.  
Alderman King made a motion au-  
thorizing and instructing the Mayor  
to swear in 200 special policemen for  
duty last night in view of the existing  
circumstances. The motion was unani-  
mously carried.

### Trouble in the First Ward.

About the time the trouble at the  
compress was gotten under control  
news came from the First Ward, over  
the railroad, that riot was in pro-  
gress there. Large numbers of armed  
men boarded the streets cars or ran on  
foot to the scene, corner Fourth and  
Harnett streets.

This was about 11:30 o'clock. When  
they reached the scene four negroes  
had already been killed and a num-  
ber wounded. One highly esteemed  
young white man, Mr. William Mayo,  
was seriously wounded and two  
others, George Pinner and Mr. Chad-  
wick, were slightly wounded. The fol-  
lowing affidavit is a clear and concise  
statement of the origin of the trouble  
to wit:

WILMINGTON, N. C., Nov. 9th, 1898.  
I, William McAllister, being duly  
sworn make the following affidavit:  
1st. That I am yard master for the  
Atlantic Coast Line. My duty is to  
make up trains on the yard of the said  
company in the city of Wilmington.  
2nd. That at about eleven o'clock  
this morning I started to go to bed,  
and my wife called me to the window  
to live to North Fourth street, near  
St. Mark's Lutheran Church. My wife  
said "Billy there is going to be trouble."  
I jumped up and went to the window  
and saw a white man re-  
monstrating with a negro with ges-  
ticulations. I heard the white man  
say, "go on, go on." The negro went  
down the street and then I saw the  
negro shoot. He pointed a pistol  
towards the white man and then fired.  
I immediately ran to the window and  
saw the white man's right arm. Then  
there was another shot fired from the  
negro assemblage, and then there was  
a shot fired from a white man, with  
the result that three negroes fell. The  
negroes then dispersed. Then the  
white men proceeded towards Moore's  
drug store to telegraph for assistance.

WILLIAM McALLISTER.  
Sworn to before me, this 10th day of  
November, A. D. 1898.  
This is a certified copy of the  
original.  
J. H. BOATWRIGHT,  
Notary Public.

### Military Called Out.

The negroes were quickly scattered,  
but gathered again in large numbers  
in the vicinity of Ninth and Harnett  
streets. The Wilmington Light In-  
fantry and the Naval Reserves were  
telephoned for and marched to the  
scene heavily armed and accompanied  
by the Colts rapid-fire gun and the  
new Hotchkiss one-pounder. As they  
passed through the streets en route  
they were lustily cheered on every  
side by a large force of citizens with  
Winchesters joined the procession.

When they reached Harnett street,  
they turned up toward Ninth where  
the negroes were assembled. When  
the latter found that the military was  
approaching there was a general scat-  
tering of the clans.

### Shot From Ambush.

As the military was marching  
past 411 Harnett street, the Naval  
Reserves were fired into from the  
house. The company fired a volley  
into the house and killed a negro  
out. As the numerous fragments  
of the negroes, was wounded seriously  
in the back. Six others were captured  
and committed to jail.

This incident was the last clash  
of an especially serious character which  
occurred.

On Patrol Duty.  
The military company, as soon as it  
was evident that the negroes were ef-  
fectively scattered, began to do patrol  
duty in exposed sections of the city  
and have kept it up ever since, re-  
serving of companies from neighboring  
cities. Col. Walker Taylor is in charge  
of the military operations, assisted by  
Lieut. Col. Geo. L. Morton. Military  
headquarters is at Lieut. Morton's resi-  
dence, on Second street, near Bed  
Cross.

### The New Board of Aldermen.

Pursuant to the call of Mayor  
Wright a special meeting of the Board  
of Aldermen was held at the City Hall  
yesterday afternoon about 5 o'clock.  
The following were present: Alder-  
men Gore, Hewlett, Twining, Green,  
Norwood and Benson. The reading  
of the minutes of the preceding meet-  
ing was dispensed with, and the mayor  
stated that the board was ready for  
the transaction of any business.

As each member of the Board of  
Aldermen present tendered his resig-  
nation, his successor was elected, as  
follows: First Ward, C. H. Ganzer,  
J. W. Kramer; Second Ward, H. P.  
West, W. H. Sprunt; Fourth Ward,  
C. W. Worth, P. L. Bridges; Fifth  
Ward, B. E. King, A. B. Skellding.  
The old members of the Board rep-  
resenting the Third Ward, B. F. Keith  
and C. D. Morrill, were not present at  
the meeting, and still remain on the  
Board. Mr. Keith's absence from the  
meeting was due to the fact that he  
was not in the city and Mr. Morrill  
was too unwell to attend.

Chief of Police Jno. R. Melton  
tendered his resignation to the Board  
and Mr. E. G. Parmelee was elected  
unanimously in his stead.

Mayor Wright Resigns.  
Mayor S. P. Wright then stated that  
at the suggestion of the business men,  
he would tender his resignation, which  
was received, and Col. A. M. Waddell,  
upon the nomination of Alderman  
King, without a dissenting vote was  
elected to fill the vacancy. The oath  
of office was administered by Martin  
Newman, J. P., and he took the chair

## RALEIGH'S NEWS BUDGET.

Election Echoes—Democratic Jubilee Next  
Tuesday—Compliments for Chairman  
Simmons—The State Guard.

(Special Star Correspondence.)  
RALEIGH, N. C., Nov. 10.  
Your correspondent called at Demo-  
cratic headquarters early this morn-  
ing. Secretary Thompson said that  
the Democrats had certainly been suc-  
cessful in every congressional dis-  
trict except the Second and Eighth.  
White would have been defeated had  
it not been for Halifax county, which  
gave 2,900 majority for White.

The Fusionists have the sickest  
faces you ever saw now. Many white  
Republicans in Raleigh who never  
cast a Democratic ballot before voted  
for white supremacy Tuesday. Raleigh  
is preparing for a grand jubilee here  
next Tuesday night. Bon-fires will  
be built on the streets and many  
fine speakers will deliver addresses in  
the hall. This will be the grandest  
jubilee Raleigh has ever seen.

Chairman Simmons is being highly  
complimented by all. He has con-  
cluded the finest campaign in the his-  
tory of the State. Hundreds of con-  
gratulatory messages have been re-  
ceived. Many are already declaring  
for Simmons to succeed Butler, two  
years hence; for Aycock for Governor,  
and Hon. Lee S. Overman for Speaker  
of the House.

At the jubilee next Tuesday three  
bands will furnish music. One from  
Durham, Goldsboro and Raleigh each.  
The order for the reorganization of  
the State Guard has been issued.  
The Wilmington company, now Co.  
C of the Second regiment, will be  
Co. C of the First, under reorganiza-  
tion.

The election of field officers and  
officers of corresponding grade in the  
Naval battalion will be held Decem-  
ber 1st, as follows: First regiment,  
at Goldsboro; Second regiment, at  
Asheville; Third regiment, at Oxford;  
Naval battalion, Wilmington. The  
Naval battalion will continue as at  
present organized.

### MAYOR'S PROCLAMATION.

To Preserve Order and Peace in the City  
Laws Will Be Rigidly Enforced and  
Impartially Administered.

To the Good white People of Wil-  
mington:  
The undersigned, upon whom has  
been placed a great responsibility by  
the action of his fellow citizens, takes  
this method of assuring the good  
people of this city that all the power  
with which he is invested will be ex-  
erted to preserve order and peace in  
this community, and that power is  
amply sufficient for the purpose. All  
well disposed persons are earnestly  
requested to cooperate with the mu-  
nicipal authorities in every way pos-  
sible to secure the permanent estab-  
lishment of good government. The

### RUSSELL WILL NOT TALK.

State Guard Companies Ordered to Wil-  
mington—Thanksgiving Proclama-  
tion—Ninth District in Doubt.

[Special Star Telegram.]  
RALEIGH, N. C., Nov. 10.—Governor  
Russell will not talk about Wilming-  
ton affairs. The Maxton, Clinton and  
Kinston companies are ordered to Wil-  
mington. The Franklinton company  
is held in readiness.  
Governor Russell's Thanksgiving  
proclamation was issued to-day. It  
is short and general in expression of  
thanks.  
Both sides still claim the Ninth Con-  
gressional district. It may take the  
official count to decide, but chances  
are all in Crawford's favor.

### Colored Ministerial Union.

A telegram was received here yester-  
day afternoon, addressed to the  
Colored Ministerial Union, of this  
city. It was from Fayetteville and  
reads: "Guard your colored ladies";  
and of course could not be delivered  
as a member of that organization could  
not be found.
