WEATHER CONDITIONS.

A disturbance or storm is central over the coast of the Carolinas and it is causing brisk to high easterly winds under it as far north as Virginia. Moderate showers have occurred during the day in the Atlantic coast States from the District of Columbia south to Floridas and in the Ohio valley, with continued rain and cloudy weather in the same sections to night. In all other sections fair weather prevails, with a general rise in temperature. It is much warmer in Eastern North Carolina, while over South Carolina, Georgia and Alabama it is some cooler since last evening. The Northwest storm area has moved due south to Oklahoma, where it is central to night. No rain has occurred under this storm as yet. The pressure is highest in the North Atlantic States, but is falling sharply throughout the

He Tells of the Splendid Prospects for the New N. C. Baptist University for Women.

Rev. O. L. Stringfield, the able representative of the North Carolina Baptist University for Women, now being established in Raleigh, spent several hours in Wilmington yesterday. He was en route for Whiteville, where he goes to attend the sessions of the Columbus Baptist Association, now in session there. field said that the main buildings of the University will be completed in about a month. The school could be opened on the new year but the trustees don't think it would be advisable to do so and will wait until September of 1899 when Rev. A BEAUTIFUL SERVICE

Miss Rhea Daggett Auspiciously Married to Mr. Joseph

E. Norwood.

CHRYSANTHEMUM WEDDING.

James Church Elaborately Decora ted-Attendants Attired in Full Dress-Will be at Home in Newberry, S. C.

In St. James Episcopal church yesterday evening at 6 o'clock a beautiful and fashionable marriage was celebrated. Miss Rhea Daggett, one of Wilmington's most fascinating and cultured young ladies, was united in the holy bonds of matrimony to Mr. Joseph E. Norwood, a rising young business man, formerly of this city but now of Newberry, S. C. The impressive service as prescribed by the Episcopal church, was admirably performed by the rector, Rev, Robert Strange, D. D., in the presence of a large audience of friends and relatives.

It was a white chrysanthemum wed ding. The chancel of the church was carpeted in white and the floral decorations were especially beautiful and unique. White chrysanthemums were the predominating flower. The chancel railing, the altar and super altar were laden with rare chrysanthemums tastefully arranged upon a background of green. There was an improvised gate woven of the same flower. There were several well proportioned palms, and the whole, brightened by the glimmer of a number of lighted candelabra and soft electric lights. made truly a lovely scene.

Seats for relatives and intimate friends of bride and groom were reserved on either side of the centre aisle and Masters George Norwood, Jr. Jr., and Merrill Blair were the ribbon boys. They made an especially handsome appearance in suits that the old fellow will remain at of pure white, one of cassimere and the other of corduroy.

While the audience was assembling, Mr. Ed H. Munson, who presided at the pipe organ, rendered several appropriate operatic selections.

At 6 o'clock the ribbon boys retired to the church entrance and led the approach of the bridal party to the altar. The music was the wedding march from Lohengrin. The bridal attendants in the order of their entrance were: Mr. Walter Daggett, brother of the bride, with Mr. Harry Croswell (ushers); Miss Betsy Fountle-Roy, of King and Queen county, Virginia, (bridesmaid); Mr. Charles Taylor, with Mr. Joe Cotten, of Tarboro (ushers); Miss Norwood, of South Carolina with Miss Abbie Chadbourn (bridesmaids); Mr. Frank H. Stedman with Mr. Lacy Hunt (ushers); Miss Sophia Busbee, of Raleigh, with Miss Anna Peck (bridesmaids); Mr. John D. Bellamy, Jr. 3rd, with Mr. William Croswell, (ushers); Miss Leslie Worthington, of Caldwell, N. J., with Miss Sue McQueen (bridesmaids); Mr. Hiram Worth, of Raleigh, with Mr.

George Taylor. The next in the procession was Miss Julia W. Daggett, sister of the bride, who was maid of honor. She preceded the bride who advanced leaning on the arm of her brother, Mr. William

W. Daggett, now of Pulaski City, Va. The bride was attired in a beautiful costume of white brocade satin. She wore the conventionale tule veil, and carried a bouquet of bride's roses and maiden hair fern.

The maid of honor wore pink organdie over pink silk, and carried a bunch of rare pink chrysanthemums. The bridesmaids were dressed in beautiful costumes of white organdie over white silk, and carried white chrysanthemums. The chrysanthemums were decidedly the most beautiful speci mens of this popular flower seen in

Wilmington this season. The bridal party assembled within the chancel, and the groom, with his best man, Mr. Frank L. Bynum, of Newberry, met the bride at the altar. The bride was given away by her eldest brother, Mr. Wm. W. Daggett, of Pulaski City. The wedding scene with the assembled bridal party, the elaborate decorations, and sacred and brilliant environments was one of especial

beauty and impressiveness. Just as soon as the marriage service was concluded the bell in the St. James steeple rang out in happy wedding peals and the bridal party retired from the church in time to Mendelsohn's wedding march. They drove to the residence of the bride's mother, Mrs. Eliza R. Daggett, on Front street, and from thence to the A. C. L. depot. And Mr. and Mrs. Norwood left on the 7.15 north-bound train for a bridal tour of Northern cities. Mr. Bynum, Mr. Cotten and Mr. Worth accom-

panied them as far as Wilson. At the Daggett home on Front street varied and valuable that ever attested the popularity of a bride and groom in Wilmington.

After a tour of about two weeks Mr. and Mrs. Norwood will be at home in Newberry, S. C. The STAR joins their numerous friends in most hearty congratulations

and best wishes for their happiness and prosperity. St. James Guild. To-night in the parish house the St. James Guild will hold their first meet-

BOARD OF ALDERMEN

WILMINGTON, N. C., THURSDAY, NOVEMBER 17, 1898.

Met Again Yesterday and Made Selections of Whites to Fill Places of Negro Firemen-Other Matters.

> Another special session of the Board of Aldermen was held yesterday afternoon at 3 o'clock, with Mayor Waddell presiding and Aldermen MacRae, Worth, King, West, Ganzer, Bridgers, Taylor, Kramer, Sprunt and Skelding

The Committee on Fire Department. which is composed of Mayor Waddell, chairman, Aldermen Skelding, West and Taylor, made report, to the effect that quite a large number of applications were on file with the committee for positions in the department,

As has been previously stated in the STAR, it is not the purpose of the board to make any changes in the department, other than to supplant the colored firemen at the different companies by competent white men. To this end, the following were elected to the respective positions which are now held by negroes:

Foreman Engine Company No. 2-Louis Friemuth. Foreman Hose Reel Company No. -M. F. Dowling.

Engineer Engine Company No. 2-J. Bell. Instead of having a foreman and assistant foreman of Engine Company No. 2, as is now the case, it is proposed by the Fire Committee to have a foreman and engineer, each to be paid \$45 per month instead of \$50 and \$40 respectively, as heretofore.

The following were selected from the large number of applications and will take their places in the department under the direction of Chief Schnibben: Theodore Swann, Jos. Roderick, E. O. Allen, Zack T. Lumley, James T. Jordan, Melvin E. Godwin, Gus Clayton, W. E. Watson, J. S. Bryan, Robert Otto, R. S. Carter, Chas. E. Smith, W. M. Godwin, J. I. Bland, Benj. Bowden, John Barnes, C. T. Green.

Under this arrangement Charles Schnibben and Assistant Chief W. P. Monroe, together with the foremen and white firemen of the other companies, are retained.

Hose Reel Company No. 3 and Engine Company No. 2, located respectively at Fourth street bridge and Sixth and Castle, have been hitherto composed entirely of negroes These, with the negroes employed, of the other companies, will be supplanted by white men, as above named.

Other Matters.

These matters with reference to the Fire Department being arranged, Mr. Mr. Geo, Irving was elected city catweigher, at the compensation

allowed as heretofore. Upon motion of Alderman MacRae the chief of police was authorized to mount two policemen on horses forpermanent duty at night, their duties being to patrol the whole city. This necessitated the purchase of two norses by the city, and the Mayor named Chief Parmele and Alderman MacRae a committee to purchase the horses and other things necessary for the equipment of the mounted police. Upon motion, all officers who had not hitherto handed in their resignations and whose successors had been

elected, were discharged. The Board adjourned after a session of more than an hour, subject to call

It is understood, that if possible, Mr. M. F. Dowling and Mr. Louis Friemuth will exchange places as Foremen of Hose Reel Company No. 3 and Engine Company No. 2, respec-
