A reasonable amount of interest in politics by an American citizen is commendable, but the 70-year old citizen of New Jersey who committed suicide because Theodore Roosevelt was elected Governor of New York took a little too much.

The anti-Hanna Republicans of Ohio are talking of nominating John Sherman for Governor. There are several runs in John yet, but he will buck up against tough cuss when he runs into Marcus.

Talk about solidity, but the Legislature of Florida is a sample. Every one of the 68 members of the House of Representatives and every one of the 32 Senators is a Democrat.

BEAUTIFUL CHURCH WEDDING.

Miss Camille Pennington Wedded to Mr. J. H. Hinton—A Large Audience—Beautiful Decorations.

Grace Methodist Episcopal Church was thronged with a pleased assemblage of friends and relatives of Mr. Joseph H. Hinton and Miss Camille Pennington at 6:30 o'clock yesterday evening to witness the sacred and beautiful service which united in marriage these two popular and highly esteemed young people.

The altar, pulpit, rostrum and organ alcove were profusely and tastefully decorated; luxuriant well developed palms, rare ferns and other plants blending with various evergreens in perfecting a lovely marriage decoration design.

Mrs. Mattie Chaston was organist and rendered several selections of wedding music while the audience was assembling and the marches for the entrance and exit of the bridal party. The bride entered leaning on the arm of her father, Mr. L. B. Pennington, with Miss Daisy Shepard; Captain Edgar Hart, with Miss Carolina Pennington; of Tarboro, and Mr. Frank Newson, with Miss Snider, of Rocky Mount. These were ushers and bridesmaids and Miss Snider was followed down the left aisle by the maid of honor, Miss Fountain, of Rocky Mount. The bride entered leaning on the arm of her father, Mr. L. B. Pennington. They were met at the altar by the groom and his brother and best man, Capt. Edgar L. Hinton.

Rev. R. C. Baaman, Presiding Elder, performed the marriage ceremony in a highly impressive manner. The bride was prettily attired in a blue broadcloth travelling dress with a handsomely trimmed toque to match. She carried a lovely bouquet of bride's roses and maiden hair ferns.

Miss Fountain, the maid of honor, was handsomely costumed in pearl gray lady's cloth with white satin, "V" front, and black trimmings, with hat to match. Her flowers were white chrysanthemums.

The bridesmaids all carried bouquets of carnations and ferns. Miss Shepard was attired in a green cloth suit with white trimmings and wore a hat trimmed in black velvet and ostrich tips.

After the ceremony the bridal party drove to the A. C. L. depot and Mr. and Mrs. Hinton left on the 7:15 train for New York, Washington, Baltimore and other places of interest North.

Hinton is a most excellent young man and fills with credit the responsible position of caterer at the Orton Hotel. His bride is the charming and accomplished daughter of Mr. and Mrs. L. B. Pennington, of this city. At the home of the bride's parents on Market street last night there was a beautiful array of costly presents, which fully attested the popularity of bride and groom. They will be at home at The Orton Hotel December 17th.

Among those who were here from a distance to attend the marriage were Miss Lizzie Snider, of Rocky Mount, Mr. J. A. Fountain, of Richmond, and Mr. William Pennington, of Richmond.

HARDIN-BROOKS NUPTIALS. A Quiet Home Wedding in Portsmouth Yesterday at 7 A. M.—At Home After December 20th.

In Portsmouth, Va., yesterday at 7 A. M., a quiet home wedding occurred in which many Wilmington people were interested. Mr. Jno. H. Hardin, a popular and highly esteemed druggist of this city, was united in marriage to Miss Mary Benthall Brooks, the ceremony being performed at the residence of the bride's parents, Mr. and Mrs. E. K. Brooks, No. 300 Middle street. Miss Belle Brooks, sister of the bride, was maid of honor.

Mr. Hardin left this city for Portsmouth last Sunday morning and was accompanied by his two daughters, Misses Jennie and Lurris, who are the guests of Mrs. J. H. Bontwright while in that city.

Mr. and Mrs. Hardin are now making a bridal tour of places of interest North and will be at home in this city after December 20th.

The City's Docket. The Mayor's docket was very short at yesterday morning's session of his court. Eugene James, the negro who was arrested several days ago for the larceny of a cart saddle was sent to jail in default of \$100 justified bond for his appearance at the Criminal Court, the man to whom the saddle belongs having identified it and produced evidence of the negro's guilt.

Adrian Barlow, colored, was the next case on the docket. He was charged with being a common nuisance and was fined \$5 and costs.

THE PLAY-TOMORROW NIGHT. A Large Audience Will Doubtless Greet Miss Marie Wainwright.

Theatre-goers are anticipating a theatrical entertainment of unusual merit on to-morrow night, when Marie Wainwright comes to the Opera House in "Shall We Forgive Her," a new English play that is highly commended. The play comes from the Fourteenth Street Theatre, New York, where it was given for four weeks and attracted large audiences. It is new to this country, although produced two years ago in London, where it made an emphatic hit. The chief scenes are laid in England, although the opening scene is in Australia. The story is said to be well put together and cleverly written. Marie Wainwright is one of the cleverest actresses in America, and has made a great success in the leading role. Seats can now be obtained at Gerken's.

THE MAGISTRATE'S COURTS.

Constable Sheehan Executed Papers Yesterday That Old Deputies Carried for Months.

Mag Jones, the colored servant of Mr. R. B. Bellamy, who was arrested for the theft of a number of household articles several days ago, d-tails of which have been given in the STAR, pleaded guilty yesterday in Justice Fowler's court to the charges introduced; Constable Sheehan searched another house on Masonboro Sound, to which a number of the articles were reported to have been concealed, but nothing further was found.

The woman was committed to jail in default of \$300 justified bond for her appearance at the January term of Criminal Court.

Constable Sheehan, on yesterday also, landed two other culprits in the county jail. They are Bud Johnson and Son McKenzie, both colored, and are charged with having broken into the residence of Mr. Henry Savage, on Masonboro Sound, about two months ago. Warrants were issued for them at the time and turned over to one of the deputies of the old regime for execution, but they were soon returned with the information that the parties were "out of town."

Constable Sheehan experienced no trouble yesterday in finding them "in town," and forthwith locked them up for trial by Justice Fowler to-day.

Tilly Smith, colored, submitted to the charge of disorderly conduct before Justice Fowler's court yesterday and was dismissed with the costs.

FROM PENDER COUNTY. The STAR cheerfully yields to a request to publish the following from some of the colored citizens of Pender county:

WHEREAS, we, colored citizens of ROCKEE TOWNSHIP, appreciate the importance of good government; and whereas, our interest is identified with our white citizens who have ever been ready to aid us in building up our churches, maintaining schools for the education of our children, encouraging us to secure homes of our own and otherwise promoting our material welfare; and whereas, we acknowledge and value as is taught in God's Word to be the only hope and sure foundation for the prosperity and safety of our nation or people, be it Resolved, That we are proud of our white friends in Pender county and feel indebted to their wise leadership for the peace and safety we enjoyed during the recent trouble in other parts of our State; we praise and thank God for His kind providence in placing us among such people; and we pledge our loyal support to the result of the late election and acknowledge our faith in the wisdom and justice of the white men and of their action ability to legislate and rule for the benefit of the whole people.

Resolved, That the best interests of ourselves, and our posterity, and our faithful attention to skill, economy, education and Christian character, encouraging our people and especially our women, to lead moral, honest lives, and give more time to the attaining of virtue and to training their children to follow such lives; attending to our own private business and letting others alone.

CARE OF THE FEET. What Mrs. Jenness Miller Has Done for Her Suffering Sisters.

The wave of common-sense "dress reform," and especially "shoe reform," is gathering force as it winds its way from the Atlantic to the Pacific. When asked what led to the manufacture of the celebrated "Jenness Miller" shoe this apostle of comfort and beauty replied: "I'm trying to demand from women all over the country. From every audience I have addressed, and they have numbered thousands in every city of note on the continent, has come the question in tones of distress, 'What shall we wear upon our feet to be comfortable and look well? I have answered that question in the shoe which to-day bears my name. It is my own idea of a strictly hygienic, anatomical shoe, and gives the greatest possible amount of the comfort, style and durability ever secured from a shoe. I do not think that I shall ever know greater satisfaction in life than the thought that it has been my privilege to solve the problem of foot comfort for my sisters throughout the length and breadth of the land."

The Jenness Miller hygienic shoes are confined to MERCEUR & EVANS, 115 Princess street, of this city.

PREPARATIONS FOR APPOINTMENTS.

Physical Build of Policemen Ascertained to Facilitate Selection of Force.

Last night Chief Parmelee and Capt. Furlong were busy for some time taking the heights and weights of the day officers. This step is taken in compliance with a suggestion from the Board of Aldermen, who recommended such a course to aid the police committee in its selection of officers for the regular force. Besides this it is understood that applicants for the permanent force will undergo a rigid physical examination and this will be taken into consideration in the selection.

The measures and weights of the night policemen will probably be taken to-day.

It is also very probable that selections for the permanent force will be made in the early part of next week, as the expiration of the thirty days, which the emergency force was appointed to serve, has about expired. So far as the STAR can learn, the number of men which will be required for the regular force has not yet been decided upon.

BELLAMY'S OFFICIAL VOTE. Differs Very Little From the Star's Figures Given Friday After Election.

The Raleigh Post of yesterday published the official Congressional vote of this district as follows:

Bellamy 1,872 Doekery 1,889

Beun 1,149 1,173 Columbus 1,122 1,517 Meeklenberg 5,163 3,437 New Hanover 2,817 2,533

Total 23,168 17,329

Dr. R. M. Norment, 6 votes. Bellamy's majority, 5,833.

On Friday, November 11th, the STAR gave a complete vote of the district, showing Bellamy's majority 5,833. It will be seen by a comparison of these figures with those given by the Post that the STAR at that time varied from the official count only 69 votes.
