THE "JIM-CROW" CAR BILL

Details and Enforcement of the Law Let to Railroad Commission-Directors for Hospitals for Insane Nominated by the Governor.

[Special Star Telegram.] RALEIGH, N. C., February 22 .- The House spent most of the morning ses

sion in consideration of the Revenue act. It was adopted down to section 34. The tax on public ferries, bridges and toll gates is reduced to one per cent. Each horse and mule kept for hire is taxed fifty cents for each six months with an annual State tax of \$25 on persons selling mules and horses. Every slot machine, in which return is not certain, is taxed \$100; gift enterprises, \$20; lotteries, \$1,000; itinerant dealers in any kind of prizes, \$100 in each county. Billiard or pool tables or bowling alleys, \$50 each, if liquor is sold on the premises, and if not, \$20. Liquor license of one per cent. on purchases must also be paid by a dispensary. Section 23 imposes a graduated license on merchants (doing away with the obnoxious purchase tax) beginning with \$1 on \$500 capital and so on upward, so that \$10,000 capital pays \$6; \$20,000 pays \$13; \$30,000 pays \$29, etc. This was arranged at the instance of merchants and was perfectly agreeable to them - the merchants' purchase tax yielding \$47,000 and this license tax it was estimated will yield \$50,000. The license tax on liquor dealers is \$100 annually, and county commissioners may issue license. Winston offered an amendment, saying they shall

issue license. He also offered an amendment to tax dispensaries on a graduated scale-\$500 on each county dispensary; \$100 on each dispensary tants; \$200 in a town of between 500 and 2,000, and \$800 for towns between 2,000 and 4,000; on township dispensary, \$300, and on dispensaries in cities or towns having over four thousand people, \$1,000. The special decorations were quite pretty and highly appropriate, the work of Rehder, the florist. The altar and pulpit rostrum were banked with palms and other appropriate decorative plants, and the alcove and organ loft were draped with smilax.

The bridal party entered the church by the right aisle. The four ushere, Mr. R. C. Sloan, Mr. W.R. Taylor, Mr. Jno. McIntyre and Mr. B. H. Marshall led the approach to the altar. FORTY-THIRD ANNIVERSARY

Howard Relief Company at Adrian Hall.

The forty-third anniversary ball given by the Howard Relief Fire Engine Company last night in Adrian Hall was a splendid financial and social success. Dancing was one of the principal pastimes and excellent music was discoursed by the Boston String Band. There was also a large company of dancers. A sumptuous supper was served about 12.30 o'clock under the direction of Mr. and Mrs. P. N. Fick, assisted by Mr. William Sheehan. Mr. Martin Rathjen, as president of the company, was master of

ceremonies and welcomed the guests in an appropriate speech at the conclusion of the supper. He referred with justifiable pride to the splendid record of the Howard Relief in past yoars as a volunteer fire company and to their present mutual benefit work. and wished that all present may live to celebrate yet many more anniversaries. There were responses by Capt. W. P. Monroe and others. The anni versary ball was a most enjoyable occasion, much credit for which is due to the committee: Mr. W. H. Coleman, Mr. P. N. Fick, Mr. Geo. Tienken, Mr. H. T. Duls and Mr. H. Mohr. The officers of the Howard Relief Co., are Mr. Martin Rathjen. president; Mr. J. W. Duls, vice presi dent; Mr. J. G. L. Gieschen, secretary and treasurer; Mr. H. F. Haar, foreman; Mr. Martin Schnibben, first assistant foreman and Mr. H. D. Olden-

buttel, second assistant foreman.

The Rentfrow Co.'s Big Success. "The Old Inventor," interpreted by the Rentfrow Company at the Opera House last night, proved quite an enjoyable play and was witnessed with much enthusiasm by a large audience. Mr. Frederick Seward appeared in the leading role and was accorded especial praise. He is an actor of considerable merit and received excellent support at the hands of the other members of the company. The play abounds in thrilling situations, catching and holding with unabated interest the attention of the audience throughout the five acts. The Rentfrow Company is to be congratulated upon the success which is attending their engagement in this city. To-night they will play 'Below Zero."

Supreme Chancellor's Visit. The local Pythians are making elabo rate preparations for the reception and entertainment of Supreme Chancellor Thomas G. Sample, who, as it has been announced, is expected here Sunday morning from Charlotte, and will spend a couple of days with the lodges in this city. Mr. Sample is Supreme Chancellor of the Knights of othias of the world and his visitation to the lodges of Wilmington will be an event of more than passing interest in the history of the local fraternity. Mr. Sample's home is at Pittsburg. Pa.

The International Secretary Will Here Next Tuesday-Encouraging Outlook.

Arrangements are being made for a grand rally for men at the Y. M. C. A. on Tuesday night of next week. The international secretary, Mr. C. L. Gales, of New York, will be in attendance and address the meeting, as will Mr. Lewis, the State secretary. Insistance is made that the men of Wilmington attend this meeting and avail themselves of the opportunity to hear the international secretary.

In speaking of the work of the Association yesterday Secretary Caldwell said that it was much more encouraging than for a long while. New members are being added rapidly. The gymnasium work is in a very flourishing condition. The week-night prayer services referred to in the STAR a few day's ago as being in contemplation were inaugurated Tuesday night quite. auspiciously. Mr. B. A. Jones was the leader. There is much enthusiasm among the young element of the Association, especially for the boy's camp to be established on the beach during the coming Summer. The Ladies' Auxiliary will probably take an active part in the work of assuring the success of the encampment movement.

It is probable that eight or ten delegates will represent the Wilmington Association at the State convention to be held in Durham March 9th to 12th. NORTH STATE IMPROVEMENT CO.

New Hanover Democratic Club.

The Executive committee of the New Hanover Democratic Club held a meeting in their rooms in the Smith building last night. It was understood from a reliable source that the club will use its efforts to induce the Legislature to stand by its recent action making the Police Commissioners appointive by the incoming Board of Aldermen, despite any pressure that may be brought to bear upon it to the contrary.
