Since the close of the war with Spain there has been a large increase in Spanish immigration. They know more about this country now than they did before.

Admiral Dewey shows his gumption when he declines to let politicians put him up as a Presidential puppet. He is one of the gentlemen who knows when he has a good thing.

As a result of a racket over some rails that had blown from a line fence on adjoining property, in West Virginia, Rev. J. C. Rexroad is dead and two wealthy farmers are in jail charged with his murder.

President McKinley is "honoring" his peace commissioners. He has appointed Judge Day and Senator Gray to circuit judgeships, nice snags for life. This is in return for getting this country into a pretty considerable snap.

That Chicago sausage-maker, who yearned for a young wife, has confessed that he killed his other wife and threw her body in the Lake. This relieves the Chicagoese of the horrid suspicion that she might have been ground up into sausage, and eaten by them.

Some time ago Admiral Dewey and General Merritt said 5,000 troops would be enough in the Philippines. They have 20,000 now and 7,000 more are on the way. But the expansion policy had not been decided upon when they expressed that opinion.

It is said that Secretary Alger's private secretary reads the papers before he sees them, and chuckles aside all that rap him, and lets him see only those which say nice things about him. But Alger isn't deaf and hears a good deal that he doesn't read.

A Pittsburg, Pa., restaurant man wreaked two dollars' worth of vengeance out of the fellow who cornered the egg market. He boasted about it in the restaurant and then ordered for his breakfast two eggs on toast. His bill was \$2.10, \$2 for eggs and 10 cents for toast. He kicked but he had to shell out.

GENERAL ASSEMBLY.

The Session at Its Close and Members Anxious to Return Home.

MUCH WORK YET TO BE DONE

None of the Appropriation Bills Have Passed the House and the Senate Has Not Yet Considered the Revenue Act.

[Special Star Telegram.]
Raleigh, N. C., March 4.—The Election law for towns and cities was passed to-day by the Senate, and the bill to extend the time for dredging for oysters was killed.

Other bills passed were: To appoint three commissioners to represent North Carolina at the Paris Exposition in 1900. To permit citizens of Morganton to vote on the dispensary. To appropriate \$16,000 for the support and maintenance of the State Guard. To incorporate Roxboro Cotton Mill. To incorporate the Wilson Savings Bank. To change the courts of Lenoir county and appoint additional magistrates for Lenoir county. To provide for a dispensary for Bethel, with an amendment that it be submitted to a vote of the people. To incorporate the United Benefit Association of Wilmington. To provide for highways through public lands in Duplin.

The bill to provide \$10,000 as an appropriation for a sewerage system and water-works at the State University came up as the special order, consumed much time and aroused so much opposition that it was finally withdrawn.

Bill appropriating \$5,000 to the Normal School at Greensboro for alimony and gymnasium passed.

The following trustees of the A. and M. College were nominated and confirmed: Frank Wood, Edenton, First district; J. B. Stokes, Windsor, Second district; W. J. Peel, Raleigh, Fourth district; D. A. Tompkins, Charlotte, Sixth district; E. Y. Webb, Shelby, Seventh district; W. C. Fields, Sparta, Eighth district; J. Frank Ray, Macon county, Ninth district. At large, W. S. Primrose, Raleigh; W. H. Hagan, High Point; David Clark, Charlotte; T. B. Twitty, Rutherfordton; A. Leazer, Mooreville; H. E. Bonitz, Wilmington; R. S. Smith, Albemarle; H. E. Fries, Salem, and P. J. Sinclair, Marion.

The following are members of the Board of Agriculture: J. B. Grimes, First district; S. L. Hart, W. A. Smith, R. H. Jones, Jno. S. Cunningham, A. M. McCullum, W. N. Graham, L. J. Vaughn, W. N. Dill. At large, J. B. Coffield, W. R. Capehart, J. A. Stevens, J. C. Bunch, G. F. Weston. These were confirmed.

Penitentiary bond bill passed.

Frank McNeill, of Wilmington, and S. L. Rogers, of Macon, were elected Railroad Commissioners. The reason for this is that there will be litigation by Dr. Abbott over the abolition of his office, and to be on the safe side these two commissioners were elected, so that if the act creating the commission on corporations is declared unconstitutional, there will still be a full railroad commission. Monday the board of corporation commissioners will be elected. This board will consist of McNeill, Rogers and Beddingfield.

At the afternoon session S. L. Patterson, of Caldwell, was elected commissioner of agriculture; R. B. Lacy, of Wake, labor commissioner; C. C. Cherry, keeper of the Capitol; Henry B. Stevens, judge of Western District Criminal Court. These officers were to-night elected by the House.

The House has been in session all day. It met at 10 o'clock. At 3 P. M. it took an hour's recess. At 7 o'clock another recess of an hour was taken, and at 11:10 it adjourned, to meet again Monday morning at 9 o'clock.

The sixty days for which members receive pay were exhausted to-day, and members are anxious to get home. Several have gone already. There is still much important work to be done. None of the appropriation bills have been passed by the House, and the Senate has not even considered the revenue or machinery act.

A resolution was introduced to-day providing for taking a recess next Wednesday noon until next April 4th, but it has not yet been acted on.

A great number of the bills passed to-day were local measures, but several important measures were disposed of. Among them was an appropriation of \$5,000 for building and repairs at the Soldier's Home. In addition to this, \$10,000 will be given for maintenance.

The School bill passed its final reading to-day. It went through almost as it came from the Senate. The Congressional district bill was passed. It repeals Chapter 307, Acts of 1897, and transfers Cleveland, Gaston and Mitchell to the Eighth district, and Davis and Yadin to the Seventh district.

Other bills passed: To allow judges to appoint stenographers in special cases. To amend the law as to the geological survey. To protect oysters in New Hanover. To incorporate Monrovia. Regarding February term of Craven court. To amend charter of Cameron. To incorporate Kinston and Jacksonville Railway. To allow twenty-five State convicts to build the Pungo road in Washington county. To amend the Code as to drainage of lowlands. To encourage the use of wide-trail vehicles on roads in a number of counties, by remitting to owners half of the road tax or half the required labor on roads; it applies to Mecklenburg, Alamance, Orange-Chapel Hill township only—Buncombe, Edgecombe,

Gaston, Forsyth, Lincoln, Moore, New Hanover, Rowan, Wilson and Durham. To allow the State's prison to hire to counties of Buncombe, Jackson and Rowan, upon application, such able-bodied convicts as may be disposable, the counties named to pay all expenses; Alamance, Catawba, Graham, Forsyth, Haywood, Pender, Davidson, Lincoln and Granville were added.

Tried For Burglary.

Ed Haywood, the negro arrested Friday night by Constable Sheehan and Policeman Winner, for burglarizing the store and sleeping apartments of the old negro, Robert Jones, was tried in the Police Court yesterday afternoon and committed to jail in default of \$500 bond for his appearance at the coming term of the Circuit Criminal Court. The only witness for the prosecution, Pat Willis, swore that he saw the defendant coming out of the shop in question and acting in a very suspicious manner. The defendant introduced a number of witnesses tending to prove an alibi, but the Mayor decided there was probable cause and he was sent over.

Other cases before the court were Leroy Perry and Alex Fuller. They were charged with being drunk and were fined \$5 each.

Mrs. Connor Writes Washington Post of British Ship Diligence Incident. [Washington Post, March 2nd.]

Editor Post:—Please permit me through your columns to thank Dora Harvey Munyon for her reply to Mrs. Fowler, of Massachusetts, who asserted in a speech to the Daughters of the American Revolution, that but for Massachusetts there would have been no revolution, &c. In addition to what Mrs. Munyon says of North Carolina's part in that war, I wish to call attention to the fact that when, on the 28th of November, 1776, the Captain of the British ship *Diligence* attempted to land at Wilmington, N. C., with stamps, he was met by an armed body of men, and was informed that they would resist the landing of the stamps, and would fire on any one attempting it. He did not attempt it. This daring act was done by well-known men in open day, not disguised as Indians, and occurred ten years before the Declaration of Independence and eight years before the "Boston Tea Party."

WILL THE FAMOUS BRITISH BAND PLAY HERE?

Tuesday and Wednesday of This Week Will Decide the Matter—Subscription Lists at Gerken's.

It seems now that the engagement of the British Guards' Band, England's greatest military band, which commences a tour of the United States to-morrow, to give a grand concert at the Wilmington Opera House on the 16th inst., now not positively assured.

It is true that Manager Schloss, of the Opera House, has contracted with the band for the engagement and has made them a heavy guarantee, but a clause in the contract allows cancellation by either party if one week's notice is given. The guarantee is the largest ever made by a Wilmington Opera House manager, and Mr. Schloss has decided that it is not safe for him to risk this guarantee unless the people of Wilmington will give him some assurance of a liberal patronage.

Mr. Schloss has therefore decided that during two days this week, Tuesday and Wednesday, a list will be at Gerken's, to receive the names, with number of seats desired, of those who will positively purchase tickets. If the subscription becomes large enough lovers of high class music will positively have the opportunity of hearing this celebrated musical organization. The price will be \$1.50 and \$1.

This tour of the band will be the second in America. When they were here before a well known critic in the New York Weekly Musical Age said:

"There was no question of the band's success; certainly such music has not been heard here for many years. The individual players were more proficient than the individual artists of even Sousa's organization. In unity of action and in instantaneous response to the behest of the leader the band surpassed any military musical organization we have ever heard, and in this we speak with authority, as we have listened to ninety different bands in Her Majesty's service, and can not recall any that was superior or that was equal to Lieut. Godfrey's band."
