Madrid financiers estimate that their late diversion with this country cost Spain \$600,000,000, and she didn't have much fun either.

Some Ohio men hold themselves pretty high, if it be true, as alleged, that the Attorney General has refused a \$400,000 bribe from the Standard Oil Company.

It is said that there is plenty of mica in Florida, but the people are so busy down there with strawberries and other truck that they haven't time to project much with it.

The Chinese have murdered a Belgian missionary. This will give Belgium a chance to emphasize her demand for a chunk of Chinese territory, with some water privileges.

Some of the newspapers are poking fun at Senator Hanna about his short speeches. Speech-making isn't Hanna's forte, but he doesn't have to make speeches to get what he wants. He has a pull.

It is said that Great Britain extends annually, exclusive of private charities, \$90,000,000, on the support of the poor. She expends a good deal more on the support of royal and titled paupers.

When the \$3,000,000 advanced by this Government to pay the Cuban soldiers is distributed among them they will have about \$64 a piece, and that is more money than most of them ever had at one time.

The so-called Cuban army seems to have been pretty numerously offered. It seems that about one-half of the 48,000 soldiers on the alleged muster rolls claim to have been officers, and now want officers' salary.

Hon. Tom Reed is losing caste with a good many Republicans on account of his "sardonic coldness for Republican policies." The fact is Tom thinks himself a good deal bigger man than the originators of those policies.

A New York woman is trying to abolish the custom of kissing among women when they meet. She is right. We never could understand why women kiss each other, and run the risk of taking on a cargo of microbes or paint.

Relations are becoming strained between the Americans and those British cousins on the Alaska border, where the Canadians have encroached six miles on American territory, are gouging for gold and denying the Americans the right to do ditto. The Americans do not like that kind of gouging, and threaten to reciprocate with buckshot unless the Canadians get out or behave themselves.

Executive Committee in Session.
The City Executive Committee met at 8 o'clock last night for the purpose of receiving and declaring the vote from the wards, and were in continuous session up to an early hour this morning. In the vote of the Second and Third wards there was some difference in opinion as to who had received a majority for aldermen, but this was at length settled by declaring Messrs. Hugh MacRae and J. Allen Taylor, and Messrs. W. E. Springer and H. P. West nominees from the Third and Second wards, respectively.

In the Fifth Ward, the committee has called a second primary for tomorrow to determine the nominees for aldermen from that ward. In the Second Ward, another primary is also necessary for the selection of two members of the Executive Committee.

T. C. JAMES RESIGNS

AS CAPTAIN OF W. L. I.
Resolutions Adopted at a Meeting of the Company Last Night—His Successor Not Yet Chosen.

At a meeting of the Wilmington Light Infantry, held last night, the resignation of Capt. T. C. James, as Captain of the company, was received and respectfully accepted, the resignation being necessitated by Captain James' recent appointment as Traveling Freight Agent for the Associated Railways of Virginia and North Carolina, the duties of which office necessitates the change of his residence to Raleigh. The Light Infantry adopted the following resolutions, to-wit:

WHEREAS, Capt. Thos. C. James has lately accepted a position which in fulfilling its duties requires his absence from the city, thus necessitating his resignation as our commanding officer; and whereas, this company, appreciating his efficiency, honesty and faithful service, and regretting that we lose so valuable a commander in it:

Resolved, First, That we tender to him our sincere and heartfelt regrets; second, that we forward a copy of this resolution to Capt. James and to the daily papers, and cause a copy to be spread on the minutes of the Company. Done this the 13th day of March.

Signed, C. McD. Davis, W. A. Whitney and John H. Gore, Jr., committee.

The meeting last night was well attended. President R. A. Parsley presided, and Secretary Thos. H. Wright was in attendance in his official capacity.

No time has been fixed for the election of a successor to Captain James. The election will be ordered by Col. Walker Taylor, of the First North Carolina Regiment. In the meantime, the company will be subject to the orders of First Lieutenant C. H. White and Second Lieutenant C. H. Granger.

DEATH OF A WELL KNOWN CITIZEN.

Mr. Samuel H. Penny Passed Away Sunday Morning—Funeral Held Yesterday.

Mr. Samuel H. Penny, a well known and highly respected citizen of Wilmington, died at his home on MacRae street Sunday morning after a very short illness, which finally culminated in hemorrhage of the lungs and caused his death.

Mr. Penny came to this city from Brunswick county when only a boy, and has been employed at various iron foundries and machine shops in the city, being a machinist and blacksmith of rare proficiency. The last position he held was that of foreman of the iron working department of Mr. C. M. Whitlock's machine shop, No. 109 South Water street. He was a consistent member of the Market Street M. E. Mission, and a valued member of Live Oak Camp No. 6, Woodmen of the World.

A bereaved wife and six children survived him, three sons—Messrs. R. W., Walter and Samuel Penny, Jr.—and three daughters, Messrs. W. J., George and Frank Penny, all of whom are prominently identified with Wilmington's business interests.

The funeral was held yesterday morning at 10 o'clock by Rev. Mr. Barnes, and the interment was at Oakdale cemetery.

LARGE SHIPMENTS OF CLAMS.

Nearly Three Thousand Bushels Brought Up Sunday and Shipped Yesterday.

The market yesterday was well supplied with clams and commission men and buyers were doing a rushing business.

The little river schooners *Argyle*, *Samuel Spray*, *Zitta* and the sharpies *Mystery*, *Annie*, *Col. Bogus* and *Robert E. Lee* arrived Sunday from Shalotte, Lockwood's Folly and other points down the river, all laden with clams, most of which were sacked and shipped yesterday to New York via the A. C. L. and Carolina Central Railways.

The cargoes of these small vessels in their entirety will make about six freight car loads of 500 bushels each and will net to the shipper from \$1.00 to \$1.25 per sack of one and a half bushels. Hitherto, the market has been considerably better than this and large sales have been made this season at from \$2.00 to \$2.25 per sack, but with the advent of Spring the clam gatherers North have resumed work and their shipments are nearly equal to the demand.

The principal shippers yesterday were Messrs. Brooks & Taylor, Tripp & Piggott, C. M. Britton, E. E. Ewing and J. T. Canady.

Found Dead in Her Room.
A wide circle of relatives and friends in this city regret exceedingly the death of Miss Josephine Bishop, which occurred early yesterday morning, she having been found dead in her room at the residence of her sister, Mrs. H. D. Gilbert, on South Fifth street. She was in the 78th year of her age, and her death is thought to have been due to heart disease. Her nearest relatives in this city are her nieces, Messdames E. M. Bowden, H. M. Foad and W. J. Kirkham, and a nephew, Mr. R. McR. Gilbert.

The funeral will be conducted by Rev. A. P. Tyler from the residence this afternoon at 4 o'clock. The interment will be in Oakdale cemetery.

LARGE AUDIENCE WILL GREET BRITISH BAND.

High Commendation by People and Press. "Finnigan's Ball" Will Afford Lots of Fun Friday Night.

Desirable seats for the grand musical festival by the British Grand Band at the Opera House Thursday night are being rapidly taken, and there is no doubt that the largest audience of the season will be in attendance. The Band's tour of the United States, upon which they recently entered, is proving singularly successful, the press and public according the highest praise. The *New York Weekly Musical Age* says:

"There was no question of the band's success, certainly such music has not been heard here for many years. The individual players were more proficient than the individual artists of even Sousa's organization. In unity of action and in instantaneous response to the baton of the leader, the band surpassed any military musical organization we have ever heard, and in this we speak with authority, as we have listened to ninety different bands in Her Majesty's service, and cannot recall any that was superior or that was equal to Lieut. Godfrey's Band."

On Friday night of this week probably the best team in the line of Irish comedy on the American stage, the famous original Irish comedians, Murray and Mack, in their successful comedy, "Finnigan's Ball," will be at the Opera House. Their comedy is bright, brilliant and dashing, their dancing is a revelation of grotesque fun, while their specialties are unique and startling. The "Ball" is a well written and highly entertaining skit much to the order of Hoyt's "Stranger in New York." The plot is not intricate, but the fun comes fast.

Advance sale of seats will commence at Gerhan's to-morrow morning.

INTERESTING BASKET BALL GAME.

"Juniors" Vanquished the "Seniors" in Y. M. C. A. Gymnasium Last Night.

The score at the close of the first half of the game was 5 to 3 in favor of the seniors, the juniors having played with special success during the last half of the game.

Secretary Caldwell was umpire and the players were in excellent trim and well practiced. The players for the respective teams are as follows: Seniors—Gordon (captain), Boney (manager), Hopkins, Doshier, W. and Irving.

Juniors—Davis (captain), VanLae (manager), McLaurin, Doshier, R. and Smallbones.

Baldwin, who died Sunday night at his home in that town. The deceased was a well known and highly esteemed citizen of Columbus county and died in the 60th year of his age. He was captain of a company in the 18th regiment North Carolina State Troops and rendered valiant service during the war between the States. The funeral will be conducted this afternoon.

Back From the Convention.
Delegates who represented the Wilmington Association of the Y. M. C. A. Convention at Durham last week returned yesterday. They report a delightful trip. A most impressive farewell service was held Sunday night in Trinity church. The delegates who returned yesterday were Secretary Caldwell, President John Frank, Mr. James Cozzett and Rev. B. B. Colbrety. Mr. E. A. Nelson is still in Durham.

The regular, bona fide circulation of THE MORNING STAR is much larger than that of any other daily newspaper published in Wilmington.
