WHOLESALE ROBBERY.

Store of Mr. J. H. Thomas Broken Into Sunday Night and a Quantity of Groceries Stolen.

Jno. Stewart and Philander Hill. two colored youths, were arrested by the police yesterday soon after noon for the robbery of the grocery store of Mr. J. H. Thomas, corner Fourth and Campbell streets. The robbery was investigated by Mayor Waddell at a special session of the Police Court yesterday afternoon and both prisoners admitted their guilt, telling substantially the same story, except in the more minute details, the Hill boy testifying that he stood watch while Stewart wentin, and Steuart testifying that he kept an eye on the police while Hill broke into the store and brought out the goods.

Policeman Chadwick was on duty in that part of the city on Sunday night, when the robbery was com mitted. Passing Mr. Thomas' store about 1 o'clock yesterday morning he discovered that a window in the rear of the store had been broken open and an entrance effected by some one. He promptly notified Mr. Sumlin, who clerks for Mr. Thomas, of the robbery and also reported the matter to Sergeant Williams and Chief Parmele

Chief Parmele and City Detective Capt. Robert Green, assisted by Capt. Furlong, Lieut. Skipper, Sergeant Davis and Policemen Wood, Guy, Smaw and others, at once went to work on the case and soon after noon had both guilty parties in jail and most of the goods, which consisted of tobacco, snuff, cigars, hams and other groceries to the amount of about \$25. were recovered.

The Stewart negro was found in a house occupied by himself and Lou Davis, at the intersection of Strauss' alley with Second street. He was generally regarded as a thief, and upon entering the house with a search warrant and finding the goods, the negro jumped from a window and ran. He was pursued by Chief Parmele in a buggy and by several policemen, and was at length brought to bay by Sergeant Davis. A confession followed with an implication of the Hill negro, who was subsequently arrested by Captain Furlong near Front street market. His share of the booty was found in the house of Satira Bunting, in "Racket Store" alley, but the evidence was not sufficient to hold her

for receiving stolen property. Both negroes were committed in default of \$100 bond each for their appearance at next term of the Circuit Criminal Court. ".

THE MUNICIPAL COURT BOCKET. .

Large Number of Offenders Before Mayor Waddell Yesterday at Noon. The usual complement of Saturday

Jeff Farrow and Albert Simmons, both colored, for drunkenness and disorderly conduct, were foundiguilty. The former was fined \$5 and the other was sent to work on the streets for twenty days.

Thos. Eliott, for disorderly conduct, was let off with costs.

John Larsen, a sailor, who was drunk and disorderly in the vicinity of the New Market house Saturday night, was let off with the costs in view of the fact that in arresting him the police found it necessary to club him severely into submission.

Henry Tindell, a young white man, who explained to Policeman Wood when arrested that he was drunk and down "to spite his parents," was let off with the costs, with the admonition by Mayor Waddell that if he was brought up again a more severe punshment would be imposed. Several other cases of little impor-

ance were dismissed.

An order was passed by the Board providing that a general meeting of the Association be called for the first Wednesday in April and that similar meetings be held every three months thereafter.

BEST OF THE SEASON.

'The Highwayman" by Miss D'Arville at the Opera House Last Night.

The guarantee made by the Opera House management that "The Highwayman," as interpreted by Miss Camille D'Arville, supported by the Broadway Theatre Opera Company. would be the most perfect and brilliantly rendered comic opera yet presented in Wilmington this season, was abundantly fulfilled last night, the general verdict of the large and representative audience by whom the performance was witnessed being that no attraction brought here this season equals "The "Highwayman."

Miss Camille D'Arville, Lady Constance, and Mr. Reginald Roberts, as Dick Fitzgerald, were the leading roles; and better interpretation of the characters could not be desired, and the other members of the company did their parts with equal merit. Mr. Schloss announces that the next

attraction at the Opera House will be Sousa's famous opera, "El Capitan," on the 28th inst.

BESSEMER TO LINCOLNTON

To be Controlled by the Seaboard Air Line System - A Direct Line from This City to the Most Southern Deposit of - the Best Steaming Coal.

[Special Star Correspondence.] RALEIGH, N. C., March 20.

It is learned from an official of the Seaboard Air Line that the East Tennessee and Western North Carolina Railroad, from Bessemer to Lincoln ton-for which Gen. Hoke obtained a charter from the last Legislaturewill certainly be built. Two plans are proposed, and one of them will be adopted: The Seaboard to purchase the charter and build the road, or Gen. Hoke to build and lease it to the Seaboard. In any event it will be controlled by the Seaboard system and its con-struction will result in putting the Carolina Central, from Hamlet to Lincolnton, on the main line. The road from Johnson City, Tenn., to Bessemer, of which the new road will be an extension, is now a narrow gauge track. It will be made standard

gauge.

The building of this road will mean much to Wilmington, opening up the coal fields of the Virginias and turning to it, as the nearest seaport, all the products of mines and factories of this great Western section. It will not only give Wilmington a direct line to the nearest great coal deposit—that at Big Stone Gap—but will make it a coaling station, much nearer our new possessions, and at which ships can coal without passing Hatteras. The Big Stone coal is the most Southern deposit of the best steaming coal.
There is now a road from Cranberry to
the Big Stone Gap Mines.

Smallpox Scare. There was a renewal of the smallpox scare here yesterday by the re-port that five new cases had been discovered on Cabarrus street. The report proved untrue, though there is one negro there sick. One doctor says he has smallpox, but others say it is lot smallpox. So far there have been nine cases in this city—all negroes. All, except the Cabarrus street negro,

have about recovered and will be out this week. A site for a pest house was chosen to-day and work will begin on it to-Durham is now having a smallpox

scare. There are no cases as yet in the town, but how to prevent there being any is the subject agitating them. The roposition to quarantine against Burington and other towns where the lisease is now prevalent is being seriusly considered.
Judge T. A. McNeill is holding Burke Superior Court this week. There are over a hundred cases on the civil docket for trial.

Death of Mrs. Winston. Mrs. Martha Elizabeth Winston died suddenly at Windsor, Bertie county, Sunday morning. She had been ill for several weeks, but had apparently recovered. She passed away suddenly and without pain, during a thunder storm, from heart failure. She was the mother of ten children, only five of whom are living-George President of the University of Texas; Henry, Attorney General of Washington; Francis, attorney at Windsor; Robert, attorney at Durham, and Mrs. F. S. Spruill, of Franklinton. Mrs. Winston was 74 years old on March 16th. Her maiden name was

Mr. Thos. A. Edison, the great inrentor, is expected to honor Wilmington with a visit on the occasion of the National Convention of Railway Telegraph Superintendents to meet here in May. Mr. T. D. Small Fire Yesterday. Yesterday morning about 10.50 clock, a two-story frame building used as servants' living apartments at the residence of Mrs. E.
