After an Affray With Two Young White Men-The Coroner's Inquest. An Autopsy Held.

Coroner Price was called upon yes terday afternoon to hold an inquest over the body of Robert Howe, a middle aged colored man, who dropped dead in the city prison about 3.30

bers of the Atlantic Yacht Club will o'clock yesterday afternoon. The circumstances of his commit ment to the guard house and subse-

quent death are about as follows: Yesterday afternoon about 3 o'clock, Howe, with another negro, whose identity is unknown to the coroner's - License was issued yesterday jury, became involved in a quarrel for the marriage of Miss Jennie Walton near the corner of Front and Nur and Mr. P. S. Murray, of Cape Fear streets, with two young white men, John McEntee and Henry Barr.

> After the affray Howe, fearing arrest by the police, ran down Nun to Second street and thence down Second until he was halted and arrested by Policeman Winner, who is the officer on guard at the quarantined residence of Mr. W. S. Warrock. Policeman Winner then turned Howe over to Mr. W. H. Kerman, with instructions to carry him to the City Hall, while he (Winner) went in search of the other participants in the fight. The prisoner according to instructions was delivered to Janitor Benson at police headquarters, who placed him in the corridor of the cell department of the city-prison While turning away, just after lock ing the door, Benson heard the negro fall and turning saw him lying on his back on the floor of the prison. He re opened the door and upon reaching the negro's side found that Howe was scarcely breathing. Mr. Benson with all the haste possible, notified Dr. McMillan, city physician, of the occurrence, and the latter arrived just

and other services. The choirs of the as the negro breathed his last. Dr. Price, the Coroner, summoned the following jury of inquest, which and rare musical treats are in store for convened at 4:30 o'clock, about an hour after the death: Harry Hill (fore-- Lieutenant of Police Skipper man) C. D. Jacobs, E. G. Yopp, J. W. performed his first official duties as, Price, J. M. Chesnut and R. Shaw.

In view of the very sudden death of the negro, the officers of the force and a number of privates immediately instituted a search for the two young white men, which was rewarded with the arrest of McEntee. Barr, the other white combatant, could not be found, although diligent search was made; but about 8 o'clock last night he gave himself up to Sheriff MacRae and was placed in the county jail. McEntee is confined in the city

of the kitchen and caught from a spark After viewing the body of the de from the chimney. The damage was ceased in the guard house, the corovery slight, covered by insurance with ner's jury assembled in the grand jury room of the Court House and the testi mony of a number of witnesses was heard.

> Janitor R. A. Benson, who locked the negro up, testified to the facts of the commitment, as already stated When placed in the guard house the negro was apparently sober, appeared not to be suffering, but was somewhat excited; said he had been "fighting a little;" the customary search of his pockets revealed a pocket-knife and something over a dollar in silver coin; there were no noticeable marks of violence on his body; the floor of the prison upon which he fell was of

Mr. J. C. Meier, the next witness, saw the fight at a distance of about a block and a half; saw the negro arrested by Mr. Kerman and carried down street; he was walking with no difficulty and did not appear to be in-

W. H. Kerman, who made the arrest, saw the deceased, whom he viewed in the city prison, and Jno. McEntee and Henry Barr fighting at the corner of Front and Nun streets: saw McEntee strike several times at deceased but did not see any weapon; negro also struck at McEntee; negro ran and he gave chase; Policeman Winner made the arrest and he (Kerman) carried Howeto the City Hall. Deceased complained of his head hurting him, but was apparently not injured severely; deceased told him McEntee struck him with a stone in the face, also said McEntee threw a rock at him and struck Barr; saw him when he fell on the city prison floor but did not know that his head struck.

Clarence H. Bonham, a city cart driver, testified that he saw Barr, the deceased, another white man and a negro whom he did not know, fighting at the place specified; Barr and deceased were scuffling, the second negro interfered and McEntee took the part of Barr. Barr and deceased were hit in the head about the same time; saw blood running from a gash in Barr's head; saw deceased hit Barr with a brick but did not see Barr with any brick; Barr retired from the fight and asked witness to tie up his head; after retirement of Barr, deceased and Mc-Entee exchanged several blows; they t length parted and McEntee said he would give deceased just three minutes to get away; the negro started off and McEntee attempted to snatch a paling from the fence but did not sucseed; Kerman came up and ordered deceased to halt; both ran down Nun street and soon Kerman returned with

deceased under arrest; he was apparently uninjured. J. R., J. W. and J. T. Matthews. other city cart drivers, corroborated Bonham's testimony.

The coroner's jury, after a session of about two hours, then adjourned, af ter ordering an autopsy to be performed, which order was fulfilled by Drs. McMillan, Burbank and Price last night about 10.30 o'clock.

McEntee's statement of the affair is that he engaged in a fight with the deceased, but that he used no deadly

weapon. To corroborate McEntee's GERMANS AND OTHER testimony, no mark, save a small contusion at the back of the head and a

slight scar near the right eye, is visible on the body. Howe is a brick mason and has been in Wilmington for a number of years. He was considered an impudent negro, and it is said the fight in question was caused by the negro's attempting to

push the young men from the sidewalk. The autopsy was concluded this morning about 1 o'clock. The report will be made upon the reassembling of the coroner's jury to-morrow morning at 11 o'clock.

The body of the deceased was turned over to the colored undertaker Evans for preparation for burial, upon conclusion of the autopsy.

DIED AT MARINE HOSPITAL.

William Wallace's Remains Buried by S George and St. Andrew's Society.

There died at the U.S. Marine Hos pital yesterday a young Australian named William Wallace, who was a seaman on the Clyde Line steamer from Savannah for a time, and who had served in other American vessels until brought low by consumption, which terminated his life. All that kind and skillful treatment could do to alleviate his suffering was done by the surgeon in charge, Dr. Wertenbaker. The poor man was also comforted by the ministrations of Rev. Dr. James Carmichael, rector of St John's Episcopal Church, and by James Sprunt, Esq., the British vice consul, who especially relieved his mind with a promise of Christian burial by the St. George and St. Andrews' Society, of which Mr. Sprunt is president. The burial service will be read at Oakdale cemetery at 3 P. M. to-day by Dr. Carmichael, the chaplain of the society, and members who can conveniently do so are requested to attend. AFTER EASTER EVENTS.

L'Arioso, L'Agile and Miss Lord's Germans This Week-Opera House Attraction-Other Festivities.

This, the first week after Easter, has in store an unusual round of gaieties for Wilmington's social circles, notably three germans and a number of entertainments, which give promise of much pleasureableness.

To-morrow night Miss Cammie Lord's dancing pupils will be tendered an elegant german by their accomplished instructor. About fifteen of the young men will lead figures during the German and a handsome prize is to be awarded the gentleman who leads the prettiest figure. The judges will be Mr. and Mrs. W. A. Dick, Miss Lola Martin, Mr. Warren Johnson, leader of L'Arioso German Club, and Mr. Jas, H. Cowan, leader of L'Agile Cotillon Club.

On Wednesday night L'Arioso German Club will give their grand Easter German led by Mr. Warren Johnson, arrangements have been made for excellent music by the Italian Band.

The Easter German of the L'Agile Cotillon Club will be held on Friday night. Mr. James H. Cowan, the regular club leader, will direct the figures. Excellent music and a brilliant assemblage of dancers will combine to make the germans of the week among the most delightful ever held in Wilmington. Germania Hall will be the scene of all three germans -Miss Lord's, that by L'Arioso and the one by L'Agile club.

There are a number of charming young ladies from neighboring eities, visiting in Wilmington, some of whom will participate in the Easter germans and all of whom will share the pleasures of many of the after Easter festivities. Among the most recent arrivals are Miss Margaret Hoyt, the guest of Miss Mary Jennings Bellamy; Miss Hodges, of Wilson, the guest of Miss Della Clark; Miss Clark, of Tarboro, the guest of Miss Eliza Bellamy; Miss Nash, of Portsmouth, the guest of Miss Della Clark, and Miss Lucy Boney, of Warsaw, the guest of the Misses Sloan.
