

Large seizures of cigars bearing counterfeit stamps have been made in Jacksonville, Fla. — Filipinos are making overtures for peace; the truce breakers asked a cessation of hostilities by request of Aguinaldo, to allow time for the Filipino Congress to convene and decide whether the people wanted peace; the proposition was not accepted by Gen. Otis, who told them that if Aguinaldo could make war without the congress he could stop it without reference to that body. — It is thought in Washington that peace will result from the negotiations now pending. — President McKinley made an official visit to the cruiser Raleigh, and gave hearty welcome to the heroes of Manila. — Thirty dead and more than seventy injured persons recovered from the ruins of the tornado at Kirtlandville, Mo.; at Newton, fifteen dead and over thirty injured. — Mrs. George on trial at Canton, Ohio, for the murder of George Saxton, was acquitted. — A verdict of not guilty was rendered in the Tolbert case at Greenville, S. REV. JOHN STANLY THOMAS.

Installed Pastor of Topsis Presbyterian Church Thursday Night.
Rev. John Stanly Thomas on Thursday night was installed as pastor of Topsis Church by Revs. A. McFadyen and A. D. McClure, a committee appointed by Wilmington presbytery for this purpose. Rev. Mr. Thomas has recently organized a flourishing Sunday school at that church, which now has about seventy members. The people seem to be much interested in the work there, and the prospects are very encouraging.
The acceptance of the pastorate of this church will in no way interfere with Mr. Thomas' duties as missionary of St. Andrew's Church, of which he engages only three-fourths of his time and in which he has thus far been eminently successful.
Services are conducted as often as is possible at the State convict farm, at the County Home, and in addition to this, he has appointments at Jacksonville, Onslow county, and at Verona. He has recently organized a very promising Sunday school at the latter place.
Mr. Thomas will occupy the pulpit at St. Andrew's Church to-morrow night and the public is cordially invited to hear him.

Free Demonstration.

The Armour Packing Company's demonstrator, Miss Whitaker, will give a free demonstration of the canned products of the company at the Parlor Market to-day and on Monday and Tuesday of next week. On Wednesday, Thursday and Friday a similar demonstration will be made by Miss Whitaker at the store of Mr. N. B. Rankin, on Front street, to which also everybody is invited.

Closed Rather Abruptly.

Camp Kershaw Sons of Confederate Veterans of Camden, S. C., has appointed Miss Susie L. Haile, niece of Mrs. W. H. Sprunt, to represent the camp at the reunion at Charleston as sponsor. Miss Haile has been spending some time in this city, is most favorably known, and the honor is most worthily bestowed.

TWO CORNER-STONES

Will be Deposited in the Corner-Stone of the New Masonic Temple.

BOTH OF HISTORIC INTEREST.

One From First Masonic Building in Wilmington Laid in 1803—The Other From the Present Temple—Laid in 1841.

Among the most interesting articles to be deposited in the corner stone of the new Masonic Temple when it is laid on May 18th will be the corner-stones of the two other buildings erected by the Masons in this city during the past century. One will be the corner-stone of the building now occupied as a residence by Mrs. Mary Brown, widow of the late Thos. W. Brown on Orange street between Front and Second, and the other is that of the old Masonic temple on Market street between Front and Second.
The first named building was erected in 1803, the corner stone being laid June 12th of that year. This building was used as a rendezvous for the Masons of Wilmington until 1825 when it was sold to the late Thos. W. Brown by whose heirs it is now owned. Mr. J. T. Munda has just secured, through correspondence, the consent of all the heirs for the corner stone to be removed, provided the Masons thoroughly repair the end which the removal of the stone will cause. This they obligate themselves to do.
When this first Masonic building was abandoned in 1825 the Masons purchased a building on the block bounded by Front, Red Cross, Walnut and Second streets. Of this building no relic is in existence, it having been destroyed by fire in the memorable conflagration which swept over that section of the city a number of years ago.
However, some years prior to the destruction of this building the Masons sold it, and erected the present Temple, on Market street between Front and Second, which they will abandon this Fall for the magnificent new Temple now in course of construction. It is the corner-stone of the present Market street Temple, laid in 1841, which will be corner stone No. 2, deposited in the corner-stone of the new Temple, to be laid on May 18th next.
The two old corner-stones referred to will be removed from the positions they have for so long occupied in the two now historic Masonic buildings and prepared for their new depository next week.
Preparations for the corner-stone laying ceremonies are being pushed apace so that a public demonstration of the highest credit alike to the city and the noble Masonic fraternity will certainly be held. There was an important meeting of the joint committee on arrangements last night.
There is no doubt that special rates to Wilmington for the occasion will be secured on all the railroads and hundreds of visitors will attend. As previously reported the exercises will be held at 4 o'clock in the afternoon. Col. Julian S. Carr will be the orator of the occasion and the ceremonies will be under the auspices of the Grand Lodge of North Carolina.

A COMING MARRIAGE.

Martin-Wooten Wedding in Hickory May Ninth—Invitations Received Here.
The following invitations have been received by relatives and friends in this city, to-wit:
Mr. and Mrs. Nicholas Martin request your presence at the marriage of their daughter, Rosa Anna, to
Mr. George Rufin Wooten, on Tuesday afternoon, May the ninth, eighteen hundred and ninety-nine, at five o'clock, at the Episcopal Church, Hickory, N. C.
A card accompanying the invitation bears the announcement that the bride and groom will be at home after Thursday. Miss Martin is quite a cultured and popular young lady, and the groom is one of Hickory's prosperous young druggists.

AT ST. THOMAS' CHURCH.

St. Thomas' church will begin on Sunday, at 10.30 A. M., "The Devotion of Forty Hours," commemorating the period when our Lord's body lay in the tomb. This devotion will continue till Tuesday night. Rev. Leo Hald, Vicar Apostolic of North Carolina, will preside each evening at 7.45 o'clock. A special programme of music will be rendered and the public is cordially invited.

The Confederate Museum.

The Confederate museum of the Cape Fear Chapter, Daughters of the Confederacy, was open from 5 to 8.30 o'clock yesterday according to announcement. There were a number of visitors who examined with much interest the excellent collection of relics now on exhibition. No additional relics were received yesterday.
Sale of Cooperaage Plant.
By virtue of an order from Judge Purnell the plant and other property of the Carolina Cooperaage Company in this city, will be sold at public auction to-day at noon by Mr. C. L. Taylor, trustee. The sale takes place on the premises of the company and it is understood that stockholders of the bankrupt company will likely be the purchasers.

Will Meet in Asheville.

Indications are that the Wilmington lodges will be well represented in Asheville on June 13th, when the Grand Chapter Royal Arch Masons, the Grand Commandery Knights Templar and the Grand Council Royal and Select Masters convene in annual session. The sessions are already being freely discussed in local Masonic circles.
The regular, bona fide circulation of THE MORNING STAR is much larger than of any other daily newspaper published in Wilmington.

THE ENTERTAINMENT COMMITTEES AT WORK.

Meeting Held Yesterday—Telegrams Exchanged With Capt. Coghlan—Committee on Navigation Appointed.

There was a meeting of the committee of gentlemen having in charge the arrangements for entertaining the officers of the cruiser Raleigh yesterday afternoon. The situation was freely discussed. However, it was impossible to determine upon any definite plans owing to the fact that no advices had been received from the officials of the city of Raleigh regarding their wishes and purposes in the premises. The chairman of the committee appointed a special committee on navigation to arrange for picking the cruiser over the bar and up the Cape Fear to the city. Major E. W. Van Court Lucas, engineer in charge of the Wilmington Division United States Engineering Corps, Mr. James Sprunt and Capt. J. W. Craig constitute the committee.

President Worth of the Chamber of Commerce, yesterday telegraphed to Captain Coghlan of the cruiser Raleigh, asking him to fix a date for his arrival. The Captain replied that it is just now impossible to do so. He will telegraph at the earliest possible moment. Captain Coghlan was also asked in a subsequent telegram to specify whether the trophies are to be presented to the city of Raleigh or to the State of North Carolina, there being some difference of opinion regarding the matter. However, no response has yet been received. The committee is anxious for definite information regarding the matter so that they may the more appropriately plan for the ceremonies.

A telegram was received yesterday afternoon from Raleigh stating that the Board of Aldermen would meet last night to take action regarding the Raleigh's visit to Wilmington and the presentation of the trophies. It will be seen from the STAR's special telegram received from Raleigh last night that the Aldermen did meet, and appointed a special committee to come to Wilmington and participate in the ceremonies, especially to receive the war trophies.
There has been no meeting of the committee of ladies, of which Mrs. James Sprunt is the chairman, appointed to co-operate with the gentlemen's committee in arrangements for the reception. They are waiting to ascertain as nearly as possible the date and character of the presentation ceremonies and the plans of the regular committee. They are, however, freely discussing the matter and they will certainly arrange a creditable round of entertainment.

STRAWBERRY SHIPMENTS.

The Crop at Rocky Point Was Badly Damaged by the Hail Storm Wednesday.
The volume of strawberry shipments from Wilmington and points up the W. & W. railroad yesterday were much the same as the day previous. There were about 2,000 crates shipped by express and probably 1,800 by C. F. T. cars. The lesser shipments on the last days of the week, especially by the berries could reach so many points on Saturday night or Sunday, not allowing sufficient time for dealers to dispose of them while fresh.
The Southern Express Company and Manager Woodward, of the C. F. T. Co., are preparing to handle by far the largest shipments thus far this season on Monday, Tuesday and Wednesday of next week. An ample supply of refrigerator cars and extra express cars are at hand for the purpose and they are all "spick and span" ready for service.
STAR representatives were told yesterday by truckers from the Rocky Point section that right serious damage by the storm of Wednesday afternoon has developed. It is feared that the crop is damaged 80 or 25 per cent. Quantities of berries are badly bruised.

PENITENTIARY BOARD

Important Measures Decided Upon by New Directors of the Institution.

ELECTION OF NEW OFFICERS.

Committee Appointed by the Board of Aldermen to Meet U. S. Cruiser on Arrival at Wilmington—Agricultural Board Sued Decision.

[Special Star Correspondence.]
RALIGH, N. C., April 28.
The first case argued in the Superior Court this morning was that of the new Board of Agriculture against the old Board, on agreed facts. It was to have been argued yesterday afternoon, but another case occupied the time of the court.
Mr. John A. Simms, chief clerk in the State Auditor's office, contemplated resigning to open an insurance office in Concord. In case he does so, Mr. R. C. Rivers, formerly manager of the *Caucasian*, will succeed him.
First Regiment Band.
The First North Carolina Regiment Band will give a concert here Saturday night. From here they will go to Fayetteville, Wilmington, Newbern and Goldsboro. Wherever they have gone so far they have been entertained by the citizens and ex-soldiers and have played to crowded houses.
A large cotton seed oil mill is to be built at Selma. The company was incorporated yesterday.
Architect's plans for the new Carr dormitory building at Chapel Hill have been accepted. They were drawn by Pearson & Ashie, of this city. Work will begin June 1.
The work of tearing down the old First Presbyterian church here began yesterday. It will be replaced by a fine new church building. The old church is one of the most historic buildings in Raleigh.

The Cruiser Raleigh.
If the cruiser Raleigh goes to Wilmington a full delegation will be sent from this city to receive the cannon and other trophies of the war that the officer and crew propose to present to the city. It is expected that the visit of the Raleigh the *Christian Advocate*, of this city, says:
"It seems now to be a settled fact that the State of North Carolina are to be honored with a visit from the great ship that bears the name of our capital city. This vessel composed a part of the fleet of Admiral Dewey, which won immortal fame in the great naval engagement in Manila harbor, and which added fresh glory to American valor. The Raleigh arrived in New York city on Monday, April 24th, and was received by an immense crowd with booming cannon and the greatest enthusiasm.
"It is now given out as official that this vessel is to be sent to Charleston, S. C., to take part in the exercises of the Confederate re-union in May, and thence be ordered to Wilmington, where the people of North Carolina can do her honor. We hope that nothing will occur to cause these plans to miscarry. Happily the chasm so long separating the North and the South has been bridged, and the more respect is shown by the administration at Washington for Southern valor and sentiment the more quickly and strongly will the union be cemented, and the rising generation will be one in all that makes a nation great.
"We suggest that if the Raleigh comes to Wilmington the occasion be made a memorable one in the history of our State. The people of Wilmington are intelligent, patriotic, and progressive, and they will move in the matter, we think the capital and other cities will join heartily with them."
In Favor of the New Board.
[Special Star Telegram.]
Judge Brown to-day decided the Agricultural Board suit in favor of the new board.
Penitentiary directors were in session all day completing their work and adjourning this afternoon. They decided to order an issue of bonds for the purchase of State farms as follows: Caledonia farm, 7,930 acres, for \$60,165; Anson farm, 2,211 acres, for \$64,888. Salaries of nearly all officers and employees were reduced about 25 per cent. The offices of assistant warden, keeper of shirt factory, cotton weigher on farms, corporal of guards on farms (except one) were abolished. A resolution was passed compelling the superintendent to make written report to the board once a month; this report to be printed. The executive board was given power to buy the shirt factory if they deem it advisable. Also, to manufacture mattresses, if it can be made profitable. The following officers were elected: E. C. Shearin, C. N. Christian, R. J. Rhem, and J. H. McIver, supervisors of farms; F. B. Arendell, manager of central prison; Dr. K. M. Ferguson, surgeon on Caledonia farm.
Committee to Meet the Raleigh.
The Board of Aldermen to-night appointed a committee to go to Wilmington to meet the cruiser Raleigh, and made an appropriation to present the cruiser with a handsome flag of this city. It will be red and white, Sir Walter Raleigh's colors, and also those of this city, with the State's coat of arms painted upon it.

THE LATE D. R. MURCHISON.

A handsome oil painting of the lamented Capt. David Reid Murchison has been presented to the Produce Exchange by Mrs. Clayton Gills. Capt. Murchison was one of the earlier and most influential members of the organization to which the portrait has been presented and it is especially fitting that his picture should occupy a place with those of other distinguished business men through whose efforts the Exchange, the foremost commercial body of the city was founded. The formal presentation of the portrait will take place soon.

NEW YORK TRUCK MARKET.

Strawberry Market Much Firmer—Shipments Advised Saturday and Monday. [Special Star Telegram.]
NEW YORK, April 28.—The market for strawberries is much firmer. Fair to good berries were sold to-day at from 15 to 18 cents per quart; fancy berries brought from 20 to 25 cents. We advise heavy shipments to the New York market by refrigerator car service Saturday or by express on Monday.
The market for green peas is strong at \$3.00 to \$3.50 per basket. The cabbage market is unchanged, but lettuce was a trifle firmer to-day.
