**KEER OUT OF POLITICS** 

Is the Advice of Arie Bryant, the Exile, to Fellow Negroes.

TALKED FREELY ON TRAIN.

Tells of His Saturday Night Experience. Thinks There Are Blood-Thirsty People in Wilmington-Negro Exodus Continues.

Arie Bryant, the returned exile negro who so narrowly escaped a severe thrashing with a cat-o nine tails at the hands of a company of indignant citizens Saturday night, has certainly left Wilmington and declares that he cannot be induced to venture back here

The STAR on Saturday-morning told the vicinity of Bryant's home Saturday night determined to administer im a severe thrashing for having dared to come back here after the positive instructions given him last November never to show his face in the city again; how they failed to find their man, and it was believed that he had been forewarned of the movement and fled from the city.

Bryant Heard From. Yesterday's developments in the Bryant case were quite interesting. It was learned that he had been seen at Scott's Hill, where he bought a ticket to Norfolk, declaring that it was his purpose to continue his journey to Philadelphia, where he will go into business. This report was confirmed by people on the Newbern train arriving here early in the afternoon, Captain Crepon and a number of the passengers, saying that they passed Bryant at Verona and that he was travelling on the freight train 6.45 A. M. every other day.

The Exile Talked Freely. Capt. W. A. Johnson, roadmaster of the W. and N. road told a member of the STAR staff last night that he travelled in the same car with Bryant rom Scotts hill to Verona, a distance of 35 miles, on the frieght train yesterday and during that time he (Bryant) talked quite freely much of the conversation being addressed to negroes in the car and merely over-

heard by Capt. Johnson. Saw the Posse of Citizens.

In speaking of how he evaded the citizens who were searching for him Saturday night, Bryant said that he was concealed in the house of Andrew J. Walker, colored, across the street from his (Bryant's) residence Saturday night and saw more than a hundred men, armed with guns and revolvers, break open the door and search the house. He said several shots were fired and that one of the members of the party was accidentally shot through the foot.

Continuing, Bryant said that he came back to Wilmington last Thurs day. And, learning that there was a sentiment against allowing him to remain he went to Mayor Wad dell and asked for protection. Col. Waddell, he said, replied that he could protect him during the day but could not assure him protection at night. This, Bryant said, was a very unsatisfactory answer. After that he was afraid to sleep at home and that accounts for his not having been there when the citizens made their call. Bryant said that he is convinced that there are many blood-thirsty people in Wilmington and he therefore lost no time in getting out of the city.

On the Stool of Repentance. During his discourse to the negroes in the car Bryant said that the negroes of Wilmington made a great mistake in ever going into politics. By so do ing they, he said, only elevated Dan Russell, G. Z. French and other white Republicans to power, while the negroes bore the blame of their maladministration. As for himself he announced his intention to never have

anything more to do with politics. A negro Republican, conspicuous in Pender county politics, took Bryant to task for his views and insisted that it was a right that the negro should and must exercise. However, it was evident that the weight of influence was with Bryant's views among the negroes on the train.

A Star for Tom Miller.

During the ride to Verona Bryant took a copy of Sunday's MORNING STAR from his pocket and said that he was carrying it to Norfolk, where he would see T. C. Miller and several other negroes who were exiled last November, so that they could read for themselves and see just how they come back to Wilmington.

Negro Exodus Continues. Arie Bryant is not the only negro who has left Wilmington within the last day or two for good. The outgoing W. & N. train yesterday afternoon carried at least ten, who purchased tickets for various points north with the avowed purpose of never returning. There were probably 150 other negroes at the depot to see them off, and many of them said that they would leave just as soon as they can

make the arrangements. The Newbern route is the most popular one among the negroes for going north, and Captain Crepon told progress there during the present a Star reporter yesterday that regularly on Mondays, Wednesdays and Saturdays, when connection is made with the boat north, large parties of never less than ten or twelve, and much oftener as many as forty or ment-R. RAILROADS IN ROBESON.

Three New Railroads in Course of Construction—Extensive Telephone Connections.

A. W. McLean, Esq. and Mr. Geo. G. French, of Lumberton, spent Sundny and yesterday in the city and on Wrightsville Beach. Both these gentlemen are full of enthusiasm for the rapid progress which their town and county (Robeson) are making in industrial development. To a STAR representative Mr. Mc-

Lean said yesterday that three new railroads are in process of construction. One is from Ashpole to Hub, a distance of 12 miles, being an extension as the Southeastern of the A C. L. system; another is an extension of the Carolina and Northern from Lumberton to Marion, S. C., a distance of 50 miles; and the third is an extension of "Blue's" railroad so that of how more than a hundred armed it will extend from Aberdeen through and determined citizens assembled in the upper part of Robeson county to Hope Mill via Roiford.

On the Lumberton Marion extension of the Carolina and Northern the track has been graded more than five miles and the rails, etc., have been shipped so that the work of laying the track will commence within 60 days. A road is also surveyed from Lumberton to the Cape Fear river toward Goldsboro.

Mr. McLean is president of the telephone stock company which has communication with almost every town in the county is well as all the leading country merchants. The system Mr. McLean says is paying a good dividend on the money invested.

HUGH C. HAMILTON, ESQ., DEAD.

Departed This Life Saturday in Hickory-Was Mrs. W. H. Sprunt's Pather.

There died at Hickory, N. C. on Saturday night last, the venerable and beloved Christian gentleman, Hugh C. Hamilton, Esq., at the advanced age of 85 years. He was the father of urday in response to a talegram announcing his serious illness. She reached there too late to see her father alive, but in time to attend the funeral yesterday.

Of superior intellectual attainments and unblemished integrity, dignified, benevolent and of never failing courtesy, Mr. Hamilton exemplified in his long eventful life the pleasing traits of the old time Southern gentleman. He was one of the earliest and most devoted friends of Stonewall Jackson. and his interesting reminiscences of notable men and affairs were a source of constant pleasure to those who were favored by his friendship.

Excursion and Picnic. St. Andrew's Presbyterian Sunday School announces their annual excursion to Lake Waccamaw on Thursday of this week. The train will leave the A. C. L. depot at 9 A. M., leaving the lake on the return trip at 5 P. M. Many people have come to look forward to these annual excursions to this beautiful picnic ground with assurances of very great pleasure, and no doubt an especially large excursion train will be required to accommodate the patrons of Thursday's excursion.

Local Shipping. There were arrivals of three schooners at the port of Wilmington yestermight expect to fare if they dared to day-the Wm. F. Green, Capt. Jonssen; the B. I. Hazard, Capt. - WILMINGTON, N. C., TUESDAY, JUNE 20, 1899. AT ST. ANDREW'S CHURCH.

> Twenty-three Names Announced for Membership Sunday Morning-Contribution Doubled.

Sunday was a day of especial interst for the congregation of St. Anrew's Presbyterian Church. It was the regular day for the holy communion, which was administered at the 11 o'clock service and twentyhree names were announced for nembership in the church. Of that number six are to be baptized. Seventeen of these were in attendance Sunday morning. These acquisitions are partial result of the excellent work done here by Rev. William Black. Synodical evangelist, and his assistant, Rev. A. K. Poole.

Two new members were also reseived after the service Sunday. This ingathering of members is the largest that has been made at a single service at St. Andrew's Church since the great Pearson meetings ten years

It will be of interest to note in this connection that since the meetings by Rev. Messrs. Black and Poole St. Andrew's Church has doubled its annual contribution to the great work to which these faithful ministers are devoting their talents-that of Synodcal evangelization.

Pastor McClure and his congregaion may well be proud of the work being accomplished by St. Andrew's Church.

APPLICATIONS FOR LIQUOR LICENSES.

Will be Examined by Board of Aldermen at Special Meeting To-day.

This afternoon at 3.30 o'clock special meeting of the Board of Aldermen will be held for the purpose of examining applications for liquor icense, which the law requires shall be procured by retail dealers on or before July 1st. The special session is made necessary from the fact that the regular meeting for July will not be Mrs. W. H. Sprunt, who left here Sat- held until the first Monday in the month-two days after the time required by law for the issuance of the licenses.

It will probably be interesting in this connection to note that the Finance Committee of the Board of Aldermen in revising the general city tax ordinance at the beginning of the fiscal year increased the privilege tax on dealers in spirituous liquors from \$11 per month to \$22 per month and inserted the words "may grant" upon the filing of application, etc., in place of "shall grant," etc., as appeared in the old ordinance.

Many of the dealers yesterday were busy filling in their applications and securing the necessary endorsements preparatory to the meeting of the board

ANNUAL STOCKHOLDERS' MEETING.

East Carolina Truck and Pruit Growers Association Wednesday.

Interest among truckers is now centering on the annual meeting of the stockholders of the Eastern Carolina Truck and Fruit Growers' Association to be held in this city on Wednesday of this week. It is expected that the meeting will be one of the most largely attended in the history of the Association. As usual, the matter of refrigerator car service for shipping berries and other produce and the question of freight rates will be among the principal matters before the meeting.

Indications are that at least three companies will be in the field, striving for the patronage. Mr. W. W. Taberner, of Chicago, representing the Amour Refrigerating Company, arrived here yesterday. Mr. A. Mainard, of the C. F. X. Company, has been here for several days, and as heretofore the interests of the "C. F. T." Company will be represented by Mr. Charles W. Woodward, of

The participants in the melee at Carolina Beach several days ago in will convene with Cumberland Lodge, which H. L. Peterson and Ed Capps were very seriously wounded, were to have been given a hearing before Justice J. M. McGowan yesterday morning, but on account of Fireman Peterson's condition the investigation was postponed until Saturday. Joe Day and Emanuel Fulcher, two of the defendants in the case, are still in jail. Both the injured men were out vesterday, but were too weak to withstand the excitement of a trial. A VIGOROUS PROTEST

By Many Business Men Against the City License or Privilege Tax,

PETITION HAS 107 SIGNERS.

Board of Aldermen to be Asked to Reduce the Tax Which the Petition Characterizes As "Burdensome and Unwise."

A number of the merchants and other business men of the city are very much stirred up-about the city license or privilige tax which it is understood is to be rigidly enforced this year. A petition to the Board of Aldermen, protesting against the tax as "burdensome and unwise" was circulated among the business men yester day and up to the close of business hours had been signed by 107 mer chants and other business men, includ ing a large number of the leading merchants of the city.

The petition will be presented to the Board of Aldermen at their next meet ing. It is as follows:

WILMINGTON, N. C., June 19, 1899 .-To the Mayor and Board of Alder-men—An Earnest Protest from the Merchants and Business Men of

Wilmington: The recent action of our Board of idermen in enforcing a license or privilege tax on the volume of business done, of two dollars and forty cents a year or twenty cents a month on every one hundred dollars, besides one dollar per month extra, stamps their action burdensome and unwise, but favors a system which contravenes

every principle of government.

The revenues of our city government, if, as heretofore, economically administered, have been enough to defray its expenses. Even if additional revenues are needed the legiti-mate method would be by general tax. Such methods tend to drive cap-ital and business from the city, already here, and would be a positive embargo on capital and enterprise coming here.

A moderate volume of business of only \$1,000 a day means yearly a tax of \$624; plus the \$12 extra, makes a total tax of \$636 a year; to say nothng about our State, county, city and We, the undersigned, protest against this action on the part of our city, and request that the same be modified at the next meeting of the board.

WILMINGTON PRESBYTERY.

WHOLE NO. 9,935

Will Meet at Wallace To-day-Dr. Hoge's Pastoral Relations With the First Church to be Dissolved.

The Wilmington Presbytery meets with the Presbyterian Church at Wallace to-day. As previously announced in the STAR the most notable business to engage their attention will be the consideration of the resignation of Rev. P. H. Hoge, D. D., as pastor of the First Presbyterian Church of, this city. It is conceded that the pastoral relations will be dissolved to take effect July 31st. STAR readers are aware that the resignation is made necessary by Dr. Hoge's having accepted a call to the pastorate of Warren Memorial Presbyterian Church, Louisville, Ky. Other business of special importance vill be the ordination and installation of Rev. R. W. Williams as pastor of

the Warsaw-Wallace group of

churches, and the licensing and ordi-

is to be placed in charge of the Bur-

Patally Injured. Stephen Howe, a 17-year old negro boy, the son of Elijah Howe, received fatal injuries last night while jumping off a train in front of the Robert Portner Brewing Company's works. He stole a ride on the 7 P. M. A. C. L. train from the Fourth street bridge to the bottling works, where, in jumping off, he fell and struck his head against the switch post, cutting a gash about five inches long across his forehead and breaking out a piece of the skull one and a half inches wide by three inches long. He was found by Lieut. Skipper and sent to the hospital, where at a late hour this morning he was still alive, but sinking rapidly.

Owners of dogs are reminded that to-day is the last opportunity for "tagging" their canine pets as required by the city tax ordinance without the trouble of going to the City Hall and identifying their property among the thousands and one other dogs that Superintendent of Streets Perry hopes to have safely lodged at police headquarters during the visit of his special "dog cart" which goes out this morning for the purpose of bringing in all those animals not wearing the required evidence of tax paid to the city. It should be the pride of every North Carolinian that this splendid institution is enjoying the widest patronage and fullest equipment in its history. In efficiency, patronage and public favor it is now second to none in the South. Its requirements are exact, its standard rigid, its tone of life high and manly.
