## TO SET HIMSELF ARIGHT.

Andrew Walker Wants His Connection With Arie Bryant Properly Understood by White Citizens.

Andrew J. Walker in whose house the negro Arie Bryant, twice exiled from Wilmington on account of his obnoxious character, is said to have taken refuge during the demonstration Saturday night was an early caller at the STAR office yesterday morning after the publication of Bryant's version of the affair.

He came, he said, to make a statement of his connection with the affair and this is his story:

"It is untrue that I harbored Arie Bryant while he was here. I told him when he came to the city that he had best return as his presence here would only serve to disturb the peace of the colored citizens in this community. Arie told me Friday morning that he was afraid to stay at home and that in view of the fact that his wife was sick and frightened by me if he would be great lodging for me until Saturday morning he would leave. I furnished myself and wife with room in one of my houses, occupied by my grandfather and not in my own dwelling house. I haven't seen him since Saturday at noon. I didn't know that anybody was after him, but did know that he annoyed our colored citizens in our section of town and therefore insisted that he leave the city, which I thought my duty as a peaceful colored citizen, to prevent any further disturbance.

Speaking of his own return to the city, Walker says that he has tried to conduct himself in an unassuming manner since he came back and that he finds in turn that the white citizens are generally willing to treat him with all due courtesy."

## Back From Goldsboro.

Mr. J. H. W. Bonitz, of the Bonitz House, returned yesterday afternoon from a business trip to Goldsboro. While there he learned that John E. Mellon is now store-keeper at the Hood distillery near Seven Springs, Wayne county. Mr. Bonitz says that the up land rice crop about Goldsboro is being very seriously damaged by "bill" bugs.

## BOARD OF ALDERMEN.

Many Matters Considered at the Special Session Held Yesterday Afternoon.

## PROTEST FROM MERCHANTS.

Claim That Privilege Tax is Excessive. Granting of Liquor Licenses—City Prison Improvement—Member Board of Health Elected.

The passing upon applications for liquor licenses and the consideration of a petition from citizens protesting against alleged excessive privilege tax assessments, was the principal business which engaged the special session of the Board of Aldermen, held in the Mayor's office yesterday afternoon at 3:30 o'clock. All members except Alderman Montgomery were present; also City Clerk and Treasurer King, and City Attorney Meares.

After reading the minutes of the preceding meeting, Mayor Waddell, who presided, called for reports of committees.

The Finance Committee reported that a communication from the Board of Audit and Finance had been received stating that the monthly appropriation for pay of police was insufficient to meet the pay roll by \$47.25. Mayor Waddell stated that this was on account of the employment of special policemen for Market street duty to look after the fast drivers and that the fines accruing from this branch of the police work was more than sufficient to meet the expense.

Upon motion, the Board of Audit and Finance was requested to continue the payment of the excess and Chief Parnelle was instructed in making out the police pay roll to specify that these special policemen are to be paid from the contingent police fund of \$500, set aside at the beginning of the fiscal year in case of such emergencies. When this is exhausted it is understood that a further appropriation for emergency duty will be made.

Alderman MacRae of the Sanitary Committee stated that the sewerage improvement near corner Fifth and Castle streets had been discontinued as a precautionary health measure. He said that under direction of his committee, Superintendent of Streets Perry had sunk pits at different places along the sewer and it was ascertained that the work could be completed in ten days, but he did not think it advisable to begin the work even though it should consume no more time than the ten days.

He also stated that he was under the impression that the present disinfectants used by the Health Department were insufficient and that while he was unprepared to make a recommendation as to a better substitute, he would be glad to have the Board recommend a conference of the Sanitary Committee with the Board of Health, to consider the matter, which was done.

Upon motion of Alderman Springer, Alderman MacRae, of the Streets and Wharves Committee, was instructed to dispose of two inefficient horses and one mule belonging to the city and if it was thought necessary, to purchase others in their stead.

An amount not exceeding \$150 was allowed the Sanitary Committee for the purpose of experimenting with a furnace for the burning of garbage, thus saving its removal at a great expense outside the city.

Upon recommendation of the Fire Committee, \$100 additional was appropriated for the purchase of two horse wagons for the Fire Department. Alderman Hanby stated that the committee had received bids and the lowest of these was from the Wilmington Iron Works, which submitted a bid of \$700—one hundred dollars more than the original appropriation for this purpose.

Alderman Taylor also reported from this committee that the contract for the firemen's uniform had been awarded to Messrs. A. David & Co., who received the contract for the police uniforms.

A bill of \$5 from Dr. F. H. Russell for professional services upon the occasion of the attempted suicide of ex-Policeman Jones was approved.

The special fire regulations, which have been under consideration for some time, were offered by Alderman Worth, of the Ordinance Committee, and adopted.

Re-Modelling of Guard House.

The session was not without a discussion of the guard house problem, which has been under consideration for some time.

In this connection Alderman Taylor called the attention of the board to the fact that the confinement of white and colored prisoners in the same prison apartments was manifestly not in accordance with the policy of the administration which was elected, as it were upon a white supremacy platform.

Alderman Hanby, who has been especially active in attempting to secure appropriation for better prison accommodations, stated that plans had already been drawn by Architect Post and that a conservative estimate of the cost of remodeling and enlarging the city prison so as to furnish separate apartments for the races would cost about \$3,800, but the Board was also in granting his committee the necessary appropriation.

Mayor Waddell reiterated the great necessity for better accommodations in view of the approach of the Summer season, declaring that in its present condition the city prison is a menace to the health of those confined therein, and that in case a death should occur traceable to this

## YESTERDAY'S SESSION OF WILMINGTON PRESBYTERY.

Dr. Hoge's Pastoral Relations With the First Church Dissolved—Routine Work of Presbytery Taken Up.

The Wilmington Presbytery convened with the church at Wallace yesterday at 11 A. M., Rev. R. N. Lancaster presiding as moderator.

The most interesting feature of the business was the dissolution of the pastoral relations of Rev. P. H. Hoge, D. D., with the First Presbyterian church of this city. Dr. Hoge offered his resignation to the Presbytery in person, asking for his dismissal to join the Louisville, Ky., Presbytery and assume the pastorate of the Warren Memorial church of that city.

Col. John D. Taylor, on behalf of the First Church, read the sorrowful acceptance on the part of the church. It was the same as that adopted by the congregation on June 15th, and published on the following Tuesday in the STAR. It will be remembered by STAR readers as an able and tender tribute to the work of Dr. Hoge during his faithful and wonderfully successful pastorate of fourteen years.

Following the reading of the acceptance on the part of the church there were feeling and appropriate remarks by Rev. P. H. Hoge, Rev. P. C. Morton, Rev. G. W. McMillan, Rev. A. McFadyen and others. They testified to Dr. Hoge's invaluable work in the Presbytery.

Dr. Hoge made an eloquent and feeling response to these deserved tributes. He referred pleasantly to his ministry here and the regret which he felt in leaving for a new field of labor. He reviewed the work and the present organization of the Presbytery. The churches, he said, are now all well grouped and supplied.

Other Business Transacted.

After the formal dissolution of Dr. Hoge's pastoral relations the Presbytery formally installed Licentiate R. M. Williams as pastor of the Wallace group of churches, embracing Warsaw, Rockfish and Mt. Zion churches. His first sermon was heard and followed by his ordination to the ministry.

The Presbytery also took up the matter of the ordination of Rev. D. P. McGeachy and his installation as pastor of the Burgaw group of churches. He was examined and his trial sermon heard and approved during the afternoon session, and last night, at 8 o'clock, he was formally ordained, Dr. P. H. Hoge preaching the ordination sermon.

Attending the Presbytery.

There are large congregations in attendance upon the sessions of the Presbytery. The following official members answered to the roll call yesterday morning:

Revs. A. McFadyen, G. W. McMillan, P. H. Hoge, D. D., P. C. Morton, A. D. McClure, J. Stanley Thomas, P. McIntyre, Licentiates Robt. Williams and D. P. McGeachy; Ruling Elders J. H. Moore, Burgaw; W. J. Boney, Wallace; J. O. Carr, Rockfish; C. S. Carr, Mt. Zion; Col. J. D. Taylor, First church, Wilmington; D. J. Williams, Chincopin; W. I. Hall, Oakplains.

## THOSE "JACOBS" CIGARS.

Probable That Wilmington Dealers Will Receive Back Their Goods Very Soon—Revenue Licenses.

Mr. C. M. Babbitt, deputy collector in the United States revenue service, arrived in the city yesterday. His special mission here is to look after the matter of the renewal of licenses of wholesale and retail liquor dealers, brokers, bankers and others. He says it is necessary for these licenses to be renewed during July.

In speaking of the situation in the matter of the disposition of the cigars recently seized here because they had "Jacobs" counterfeit stamps, Mr. Babbitt said that it was probable that the cigars will be restored to the parties from whom they were seized within the next few days. Several of the dealers here will pay the required \$4.60 per 1,000 to-day demanded by the government. These amounts will be forwarded to Raleigh and thence to Washington, with the recommendation that the goods be restored. The cigars are now looked up in Mr. Babbitt's office in this city.

District Conference.

The delegates from this city to the Wilmington District Conference which convenes at Southport this afternoon at 3 o'clock will leave on the 9:15 o'clock boat this morning. They are as follows:

Grace Church—W. B. Cooper, J. F. Garrett, J. H. Davis and C. C. Covington.

With Street Church—J. J. LeGwin, J. P. Garden, J. S. Furchess and Dr. J. D. Webster.

Bladen Street Church—J. M. Newton, D. J. Joyner, A. P. Merritt and W. D. Shaw.

Market Street Church—W. J. Penny, R. H. Beery, E. F. Johnson and Rufus Penny.

Rev. W. E. Hocutt and wife, arrived here yesterday. Mrs. Hocutt will be the guest of Mrs. Gacy while Rev. Mr. Hocutt attends the conference.

Rockingham's Water Works.

A special dispatch to the STAR last night says:

"The water works election to-day resulted: For, 175; against, 7 votes."

Persons wishing to locate in the truck region of North Carolina should correspond with the East Carolina Real Estate Agency, Burgaw, N. C. Read advertisement in the STAR.

## TO CONVENE TO-DAY.

Stockholders of the Eastern Carolina Truck and Fruit Growers' Association.

## MEETS IN ANNUAL SESSION.

In the Court House at Ten O'clock This Morning—A Meeting of Special Importance to Members—Features of Business.

At 10 o'clock this morning in the county court house the Eastern Carolina Truck and Fruit Growers' Association will convene in its third annual session and indications are that it will be by far the most largely attended and important meeting in the history of the association.

The Refrigerator Car Service.

As intimated in yesterday's STAR one of the most important matters which will be considered will be the selection of a refrigerator car system for the ensuing year, the contract of the C. F. T. Company having expired. It is not expected that definite action will be taken to-day, it being probable that a committee will be appointed to receive bids, say for 15 days, from those companies which desire to compete for the service, and then report back to a special meeting of the stockholders to be held for the purpose of receiving the report and awarding the contract.

Selection of Officers.

Another important matter will be the election of officers for the ensuing year. The present incumbents are as follows:

President—W. L. Hill, Warsaw.  
Vice President—J. S. Westbrook, Faison.  
Secretary—C. M. Steinmetz, Rose Hill.  
Treasurer—S. H. Strange, Fayetteville.

Executive Committee—W. L. Hill, Warsaw; J. A. Brown, Chadbourn; J. S. Westbrook, Faison; W. J. Boney and J. A. Westbrook, Wilmington.

Board of Directors: S. H. Strange, Fayetteville; Dr. G. F. Lucas, Currier; G. S. Reid and J. A. Brown, Chadbourn; G. W. Westbrook and G. Z. French, Wilmington; T. J. Armstrong and Dr. E. Porter, Rocky Point; J. H. Moore, Burgaw; W. J. Boney, Wallace; C. M. Steinmetz, Rose Hill; W. L. Hill, Warsaw; J. S. Westbrook, Faison; J. A. Westbrook and W. J. Oates, Mount Olive.

Wonderful Development.

When the East Carolina Truck and Fruit Growers' Association was organized in 1896 the total crop of berries shipped from all points within the territory of the Association was 113,000 crates. The increase of production has been wonderful, the crop amounting in 1897 to 165,000 crates; in 1898 to 265,000 crates, and in 1899 to more than 800,000 crates.

The association is incorporated with a capital stock of \$25,000 and the object of the corporation is to secure equitable freight rates for its members, improve the transportation service and secure a practicable distribution of the crop so as to maintain higher prices of products. The corporation disavows any purpose of fighting local agents, but insists upon a policy insuring the ultimate freedom of its members to ship to firms of their own selection.

The Matter of Freight Rates.

A prominent member of the association in speaking of the work before the meeting to-day said that the adjustment of freight rates was one of great importance. He said that through the co-operation of the local railroad authorities considerable reductions have already been secured, but Eastern Carolina truckers are still at a disadvantage as compared with those of East Tennessee, Louisiana, Kansas and other competitive sections.

With a view to accomplishing still further reductions a movement is on foot to organize a merchants association, having for members the merchants along the W. C. and A. W. and W. and A. W. railroads and join their strength, both, as to influence and finances with that of the Eastern Carolina Truck and Fruit Growers' Association and of the Wilmington Tariff Association, in an effort to secure a reduction of long distance freight rates.

Call For a Convention.

The following is the text of the call for a convention of merchants to be held here July 10th, being presented to the merchants in the territory named, for signatures, to wit:

All the merchants and business men located along the line of the W. C. & A. W. & W. and A. W. railroads who are interested in the reduction of freight rates on truck and all other classes of merchandise are hereby requested to meet in Wilmington, N. C., on Monday, the 10th day of July, 1899, for the purpose of forming an association, the object of which will be to devise ways and means of securing a just and equitable freight rate.

Arrival of Tractors.

Quite a number of the members of the Truckers' Association arrived here yesterday and many others will come in on the morning trains to-day. A large party of those who came yesterday went down to Wrightsville Beach to spend the night. Among the arrivals are the following:

C. W. Steinmetz, Rose Hill; Henry Faison, Faison; Dr. E. Porter, Rocky Point; S. H. Strange, Fayetteville; J. A. Brown, R. E. L. Brown, G. S. Reid, W. F. Loughart, J. A. Thompson, Frank Westley, E. A. Shaver, Joe White, P. L. Struthers and James Moore, of Chadbourn.

Read the advertisement of the East Carolina Real Estate Agency in this issue of the STAR. It offers for sale some very valuable farms.

## A SAD DEATH.

Mrs. Chas. H. Westbrook, Daughter of Mr. R. M. McIntyre, Passed Away Early Yesterday—Funeral To-day.

It is with genuine regret that the STAR chronicles the death of Mrs. Mary McIntyre Westbrook, wife of Mr. Charles H. Westbrook, which occurred at the residence of her father, Mr. R. M. McIntyre, corner Ninth and Market streets, about 7 o'clock yesterday morning, after a brief illness.

Mrs. Westbrook was born on December 27th, 1878, and was therefore a little more than twenty years of age. She was happily married to Mr. Westbrook and a part of the time has been residing at Mount Olive, at which place Mr. Westbrook has a responsible clerkship with his brother.

Her death, which came unexpected, was a shock to the entire community, and loved ones who are saddened by her death have the sympathy of a very wide circle of friends, not only in Wilmington but elsewhere.

Early in life Mrs. Westbrook connected herself with the First Presbyterian Church of this city, and by her mild and affectionate disposition and noble Christian character, she had endeared herself to all with whom she came in contact. Her parents, five brothers, three sisters and the grief-stricken husband survive her.

The funeral will be from the First Presbyterian Church this afternoon at 6 o'clock, and the interment will be at Oakdale Cemetery. The services will be conducted by Rev. P. H. Hoge, D. D.

## Sunday School Excursion.

The excursion to Carolina Beach on the steamer Wilmington, given by the First Baptist Sunday School afforded a day of rare enjoyment for a very large number of patrons. There was a very gratifying attendance of Sunday School officers, teachers and pupils, and a large number of "outsiders" availed themselves of the opportunity of spending the day at the seashore under such pleasant and desirable auspices.

The largest crowd of excursionists went down on the 9:15 A. M. boat and came back on the 7:15 P. M. boat. Quite a number, however, stayed over until the last boat which came back to the city at 10 o'clock last night.

## Maxton Red Shirts.

Manager Jas. Sinclair, of the Wilmington base ball team, received a telegram from Manager A. J. McKinnon, of the Maxton Red Shirts, saying that his team will certainly be here Saturday of this week to measure strength with the Wilmington team. There is every indication that it will be one of the most interesting games of the season.

At a recent meeting of the A. C. L. team Norcom Sweeney was elected Captain and B. Jones Manager, to succeed Capt. Sanders and Manager Sinclair, resigned.

## A Monster Saw Fish.

The STAR is informed that Newton St. George, of Southport, very recently caught a monster saw fish at the mouth of Cape Creek near Southport. The fish was thirteen feet long, four feet between the fins; eighteen inches thick, and weighed about 350 pounds. Its saw was three feet long and it had fifty teeth.

## The Opening Ball.

The grand ball at Ocean View Hotel to-night in honor of the formal opening of this excellent new hotel will afford a splendid opportunity for the people of Wilmington, Wrightsville and on the Beach to spend a delightful evening. The last train will leave the Beach for the city at 10 o'clock.

## FUNERAL NOTICE.

The funeral of Mrs. MARY MCINTYRE WESTBROOK will take place from the First Presbyterian Church this afternoon at 6 o'clock. Friends and acquaintances invited.
