BOARD HOSPITAL MANAGERS.

Meeting for July Held Yesterday Afternoon-Dr. Bolles' Report for the Month-Resolution Adopted.

Only routine matters engaged the Board of Managers of the City Hospital at their regular meeting for July which was held yesterday afternoon. Col. Roger Moore, the chairman, presided and present were: Capt. John Barry, Alderman W. E. Springer, Mr. Gabriel Holmes and Dr. C. P. Bolles, the Superintendent .

The visiting committee composed of Commissioner Holmes and Alderman Springer reported that they had made an examination of the buildings and grounds of the Hospital and found them in excellent condition. Alderman Springer and Col. Moore in this connection spoke very complimentarily of the management of the institution by Dr. Bolles.

Col. Moore, who had in charge the matter of repairing one of the old buildings in the outer yard now unfit for use on account of fire some time ago, stated that ample repairs could be made to the house for from \$115. to \$125. The matter was deferred until a subsequent meeting. The following resolution, which

was not recorded on the minutes of the last meeting, was read again and ordered to be added to the record of the meeting yesterday: Resolved, That Dr. C. P. Bolles be instructed to convey to the Hospital Circle of the King's Daughters the

thanks of the Board for the interest they have manifested in the affairs of the Hospital and to confer with them in regard to matters of interest connected with the same. The report of Dr. C. P. Bolles, the

superintendent, for the month of June, shows that 30 patients have received treatment, 16 of the number being white persons and 14 colored. There were remaining at the hospital June 1st, 15 patients, and 15 were admitted during the month, 10 of which were pay patients. Of the remaining 20 charity patients, 16 were from the city and 4 from the county. Twentyone of those under treatment were discharged during the month and two have died. Seven were remaining at the hospital July 1st. The total number of days pay patients were treated was 129; charity patients 159, making the total number of days patients of all classes were treated, 288.

The average cost per capita per day for board was twenty cents. On the Visiting Committee, which is appointed each month, Capt. John Barry and Alderman W. E. Springer were placed for the month of July.

The pay of the Hospital Interne was increased to \$15 per month.

THE LATE CHARLES W. DAVIS.

Funeral by Rev. A. P. Tyer Yesterday Afternoon From the Residence.

From his late residence No. 416 Red Cross street, yesterday afternoon at 3:30 o'clock, the funeral of Mr. Charles W. Davis was impressively conducted by Rev. Andrew P. Tyer, pastor of Grace M. E. Church. There was a large crowd of friends and relatives of the deceased and family in attendance upon the services as a last mark of respect to one whom they held in highest esteem. After the funeral rites at the residence, the remains were taken to Oakdale cemetery, where also in the presence of a large concourse of friends the interment was made.

The pall bearers, who served on the sad occasion were: Messrs. J. H. Hand, W. R. Bate, B. F. Murphy, E. B. King, Virginius Hall and R. B.

Mr. J. C. Davis, of Rockingham, a brother of the deceased, arrived yesterday to attend the obsequies and will remain several days in the city, the guest of his brother, Mr. T. E. Davis.

SUCCESSFUL MEETINGS AT SOUTHSIDE CHURCH.

Rev. B. Lacy Hoge, and Mrs. Hoge Are Doing An Effective Work-The Services Last Night.

The meetings being conducted at Southside Baptist Church are attracting large crowds and although the service last night was the second of the series there is every assurance of excellent success. According to announcement a wo

man's prayer meeting was held at 7.45 o'clock under the leadership of Mrs. Hoge, followed by the regular preaching service at 8.15 o'clock, during which Rev. B. Lacy Hoge delivered the sermon. There were more than a half hundred ladies in attendance upon the woman's meeting and deep interest prevailed. The subsequent sermon by Rev. Mr. Hoge was quite forceable and was heard with deep interest by a very large crowd, the seating capacity of the church being well taxed. "Who is on the Lord's Side?" was the text from which Rev. Mr. Hoge drew a forceable lesson sustaining every position with pertinent

Bible quotations. No invitation to new converts was offered but several "backsliders" went forward in response to invitation, thus declaring their intention to live more circumspectly.

There will be services as usual at 3, 4.45 and 8.15 P. M. to-day. Pastor Farrington and Rev. Mr. Hoge especially ask that those who attend the 7.45 and 8.15 services bring their Bibles.

THE ENCAMPMENT NEXT WEEK.

Employers Are Asked to Voluntarily Grant

Members Privilege of Attending. Capt. Charles H. White, of the Wilmington Light Infantry, is making all arrangements for his company to go into camp at Morehead City next week. He says that he is especially desirous that every member of the camp shall go, as the encampment this year promises to be one of the most pleasurable since the custom of annual encampments of the State Guard was inaugurated.

The attention of employers of members of the Light Infantry is called to the fact that it would be a very graceful act on their part to inform their employes, without waiting for a request, that they are at liberty to be off duty during the days of the encampment, thereby eliminating the measure of embarrassment incident to an asking for leave of absence during this period.

It is argued that the W. L. I. is a necessary organization to the community, and from the fact that an attendance upon the encampment en masse is the only safe guard against a possible disbandment of the company. every Wilmingtonian should remove all obstacles in the way of the "boys"

going into camp. Quartermaster Sergeant J. S. Hoop er is making the necessary arrangement already for provisions for the company and Capt. White vesterday employed the well known colored cook, John Bradley, as chief of the culinary department, during the infantry's stay at Morehead.

The company will be out for drill Tuesday, Wednesday and Thursday nights of next week and unless the present plans are changed the start for camp will be made next Friday.

WORK WAS FINISHED YESTERDAY.

On the Experimental Furnace for Burning Garbage From the Streets.

Superintendent of Streets J. A. Perry yesterday finished the work of building the experimental furnace for the burning of garbage from the streets. which was recently begun at the suggestion and under the supervision of the Sanitary Committee, of which Furniture and Furniture Novelties, Alderman MacRae is chairman.

The furnace is located on the city's property at corner Eleventh and Mulperry streets and was fired yesterday afternoon for the first time to dry out the walls, which are of brick and nortar. It will be again fired this norning and a practical test of the experiment made, though Superinten. lent Perry says that there is no doubt of its being an assured success. The walls are six feet long, six feet wide and the height of the furnace is thirtysix inches. It is fitted with a brick chimney fifteen feet high, and after the garbage is deposited the top of the furnace is covered with a sheet iron

When it is fully demonstrated that the experiment is a success beyond the shadow of a doubt, it is highly probable that the Board of Aldermen will be asked to make another appropriation for the building of one or more of these furnace; of much greater capacity, as a great saving will be made thereby in disposing of the street cleanings, which now have to be carried a great distance at a heavy expense to some point outside the city.
