ly paid. H. H. BRIMLEY, Curator,
State Museum, Raleigh, N. C.

J. F. POST, SR., DEAD.

He Designed Many of the Most
Beautiful Buildings in the
City of Wilmington.

WAS 81 YEARS OF AGE.

Had Resided Here a Half Century—His
Most Notable Work—Was a Confed-
erate Veteran—Died Yesterday.

It is with especial regret that the
STAR chronicles the death of another
of Wilmington's most venerable and
highly respected citizens in the person
of Mr. J. F. Post, Sr., who during his
residence of about a half century in
this city has in the exercise of his
profession—that of architecture—in
addition to extensive and creditable
work in other cities, both prior to and
since locating here, designed and
supervised the construction of many
of the most beautiful and substantial
buildings, business and residence, of
which the city can boast.

Mr. Post died at 2 o'clock yesterday
afternoon at the residence of his son,
Mr. James F. Post, Jr., after a serious
illness of only two days, he having
been on the streets greeting his friends
Thursday. He suffered an at-
tack of acute indigestion on Thursday
night, from which he never rallied,
he was, however, perfectly conscious
and rational until within less than
two hours of his death.

The deceased was born near Cald-
well, New Jersey, September 24, 1818,
and was therefore in the 82nd year of
his age.

While yet a mere youth he located
in New York city and took a five-
years' course in architecture. In 1841
he moved to Petersburg, Va., remain-
ing eight years and coming from there
to this city in 1849. He would have
been a resident of this city just a half-
century had he lived until November.

It was while a resident of Petersburg
that Mr. Post was united in marriage
to Miss Mary A. Russell, who survives
her husband. There were four chil-
dren. Two preceded their father to the
grave, and two sons, both well known
business men of this city, survive him.
Mr. Jas. F. Post, Jr., the eldest son,
being treasurer for the Atlantic Coast
Line system, and prominently con-
nected with the public school interests
of Wilmington as chairman of the
school committee, while his brother, Mr.
Thos. R. Post fills with credit the re-
sponsible position of cashier of the
freight department of the Atlantic
Coast Line.

There is scarcely a street in Wil-
mington which is not adorned by some
building designed by the deceased,
and it is believed that he has during
his career given employment to more
carpenters and laborers than any
other man conducting a similar busi-
ness.

Among the most notable buildings
in this city designed and erected by
him are the City Hall and Opera
House, the splendid Bellamy resi-
dence, corner Market and Fifth streets;
the W. A. Wright residence, corner
Sixth and Market, recently purchased
by Hon. Jno. D. Bellamy; all the
public school buildings, St. John's
Episcopal, the First Presbyterian and
other churches. He supervised the
construction of the new court house
and was the first supervisor of the
new postoffice building. The ad-
mirably arranged and tastefully de-
signed lodge at Oakdale cemetery is a
splendid monument to his architectur-
al ability.

It will be of interest to note also
that Mr. Post drafted the plans and
was contractor and builder for the
first residence erected by the late
John Jacob Astor in New York in
1840.

Mr. Post was a Confederate veteran
having, although a Northern man
volunteered in the Confederate
army at the beginning of the civil
war. He served as Lieutenant in
Bunting's and other artillery com-
panies. During the last two years of
the war he was in charge of the con-
struction of various fortifications, not-
ably Fort Fisher and Fort Anderson,
guarding the mouth of the Cape Fear
river.

The deceased was a man of positive
character, strong convictions and was
in every way true to his friends. He
was a Mason and an Odd Fellow. His
grandfather was one of the first
Dutch settlers and the grant made to
his great-grandfather by Queen-Eliz-
abeth is still in possession of the family.
The Posts are noted as a family of
architects, the family not having been
without a member in this profession
for more than 300 years. The most
distinguished at the present time
being Geo. B. Post of New York, de-
signer of the World building and the
Produce Exchange.

The hour for the funeral has not
been announced but will be sometime
Monday, definite announcement being
made at the various churches to-day.
The delay is on account of the absence
of Mrs. Jas. F. Post, Jr., who is visit-
ing in Elliott City, Md., and has been
summoned by telegraph. The interment
will be in Oakdale cemetery.

The funeral will be conducted from
the residence, No. 102 North Seventh
street by Rev. A. P. Tyler of Grace M.
E. Church, assisted by Rev. A. D.
McClure, of St. Andrew's Presbyterian
Church.

WILMINGTON AND THE TOURNAMENT FOR 1900.

Effort Renewed To-morrow to Assure Com-
ing of North Carolina Firemen to
This City Next Year.

In a letter to Captain W. P. Monroe,
Assistant Chief of the Wilmington
Fire Department, received from Dr. J.
W. Griffith, of Greensboro, secretary
of the North Carolina Fireman's Asso-
ciation, yesterday, the statement was
made "that there is no reason why
Wilmington could not get the 1900
tournament provided the prize list was
guaranteed at the convention to be
held at Greensboro, August 1st to 4th."

That is, the businessmen of Wil-
mington must pledge themselves now to raise
sufficient amount of money, about
\$1,200 to provide prizes for the 1900
tournament if held here. It will also
require subscriptions of from \$300 to
\$500 in addition to this to pro-
vide certain features of entertainment
which it will be necessary to have.
It is said that Greensboro subscribed
\$1,500 to the prize and general fund
for the tournament to be held there in
August.

Capt. Monroe said last night
that he will start out again to-morrow
(Monday) morning and make a
thorough canvass of the business men
of the city with the view of securing
the subscriptions. Many people in
Wilmington are very anxious to se-
cure the tournament for this city. It
will certainly prove a very valuable
advertisement for the city and attract
thousands of people here during its
session. The Mayor and Board of Al-
dermen have already extended the
tournament an invitation.

AT HILTON PARK.

Cyrene Vaudeville Company Begins a
Week's Engagement There To-
morrow Night.

The STAR mentioned several days
ago that Manager Skelving, who is
ever on the alert to provide the patrons
of the Street Railway Company not
only with the best of car service, but
with first class seasonable attractions
at Hilton Park, had made arrange-
ments for the appearance of the Cyrene
Vaudeville Company for one solid
week. It is now definitely decided
that the opening engagement will
be at the park to-morrow night.

The company has just closed a very
successful week at Raleigh and the
patrons of that city speak very com-
plimentarily of the entertainment af-
forded. The *Morning Post* of a recent
date, in speaking of the show, says:
"During the evening—on 8 to 11
o'clock—about one thousand people
visited Pullen Park last night to wit-
ness the performance of the Cyrene
Vaudeville company. The show was
people being at the park at one time.
Among the visitors were large num-
bers of the best people in Raleigh, in-
cluding the heads of such families,
their wives and daughters. Quite a
number of these were asked how they
enjoyed the evening, and without ex-
ception, all of them expressed them-
selves as highly pleased, and espe-
cially congratulated themselves and
their neighbors that such a source of
recreation for the long and warm sum-
mer evenings had been provided in
Raleigh."

The show is absolutely free to all
street car patrons, and tickets for re-
served seats will be furnished on the
cars en route.

Tournament at Whiteville.

Whiteville people are making elab-
orate preparations for a gala day
in their town on Thursday, July 20th.
A correspondent of the STAR, writing
under date of yesterday, says that a
reduction of one-third from the regu-
lar fare has been made for the occa-
sion by the Atlantic Coast Line, and
a tremendous crowd is expected. In
addition to the tournament and public
dinner, music will be furnished dur-
ing the day by the Chaddburn Cornet
Band, and for the reception at night
by Francisco's Italian Band of Wil-
mington. In the afternoon a match
game of base ball between the White-
ville and Fair Bluff teams will be
the attraction. The STAR is under obli-
gations to Wade Wisbart, Esq., of the
Whiteville bar, for an invitation to be
present on this occasion.

Unsanitary Streets.

Chief of Police Carmele has insti-
tuted a crusade against the indiscrimi-
nate piling of goods boxes on the
sidewalks in front of their stores by
certain wholesale and retail mer-
chants of the city. While this might
be tolerated to a limited extent on
week days, Chief Carmele says there
is no excuse for allowing them to re-
main over Sunday, to be remarked
about by the large number of visitors
to the city who come to Wilmington
and the seashore on Saturdays, re-
maining over until Monday. A num-
ber of the street carts were out last
night gathering them up and remov-
ing them to the lot at the back of the
city hall.

Tax Valuations.

Yesterday afternoon the Board of
County Commissioners completed the
work of equalizing as far as possible
about by the large number of visitors
to the city who come to Wilmington
and the seashore on Saturdays, re-
maining over until Monday. A num-
ber of the street carts were out last
night gathering them up and remov-
ing them to the lot at the back of the
city hall.

hundred bags of Spanish peanuts
were sold at \$1.05 per bushel. This is
the highest price that has been ob-
tained for these nuts there since the
year 1891.

"WHITTLE-TIE CUT" WITH WILMINGTON AND WILSON.

Base Ball Game Yesterday at Hilton Park
Resulted in a Tie—Many Specta-
tors—Good Playing.

One of the most interesting base
ball games played on the Hilton Park
diamond thus far this season was the
one yesterday afternoon between the
Wilson and Wilmington team, the
contest having closed in a tie, the
score standing 6 to 6.

The crowd was one of the largest
that has attended any game of the
season and very much enthusiasm was
manifested during the progress of the
game. Until the eighth inning there
was every indication that Wilmington
would be victorious by two or three
points, the score standing at that time
five to three against Wilson.

Wilmington made four runs in the
first inning, one each by Zellers,
Schutte, Brunson and Watson.

The result of the second inning,
however, seemed to materially check
the enthusiasm and boastfulness of the
Wilmington team and their host of
admiring "fans" and "rooters." Wil-
son scoring three runs. They were
made by Pearson, Brake and Skinner.
Neither team scored in the third in-
ning. In the fourth B. Jones scored a
run, making Wilmington's score 5 to
Wilson 3.

The next scores were by Wilkins
and Pearson, of the Wilson team, one
each, in the eighth inning. These
brought the score to a tie, paving the
way for the ninth and last inning to
be one of intense excitement.

During the inning each team made
a run, for the Wilmington team and
Jordan for Wilson. The spectators
cried loudly for the game to continue
until the tie was broken, but the game
was called.

The official score by innings was as
follows:

Wilson	1	2	3	4	5	6	7	8	9
Wilson	0	3	0	0	0	0	2	1	6
Wilmington	4	0	1	0	0	0	0	1	6

The line-up was as follows:

SOUTHSIDE BAPTIST CHURCH.

Rev. B. Lacy Hoge, of Concord, Has Con-
cluded a Very Successful Meeting.

Rev. B. Lacy Hoge, Mrs. Hoge and
left daughter, Annie, left yesterday
morning for Selma, N. C. Mrs. Hoge
and daughter will remain at Selma on
a visit to friends and relatives for se-
veral days and Mr. Hoge will go to
Durham, near which place he has an
appointment to conduct a series of re-
vival services similar to those just con-
cluded at Southside Baptist Church.

The meetings at Southside were the
most successful held since the church
was organized. Friday night the ser-
mon of Mr. Hoge on "Baptism and
Confirmation" was said by competent
authorities to have been the best de-
livered during the week. After the
regular services on that night twenty
candidates were baptized and two ad-
mitted to church membership by letter.
Mr. Hoge was greatly assisted in the
work of the meeting by Mrs. Hoge,
who held nearly every evening a
prayer meeting of thirty minutes du-
ration for the ladies only.

Important Factors

In the most careful diagnosis of Visual defects are proper
surroundings, and necessary appliances, combined with
skill and judgment. The qualified Optician employs his resources not alone
to remedy existing defects of vision, but to arrest the evil in its progress. Our
tests, which reveal the nature of the imperfections, as well as their extent, en-
able us to prescribe glasses according to strictly scientific principles.
OUR LENSES are accurately ground, carefully polished, centered and focused, are
made from the finest materials, and are fitted to the eyes with care and precision.
We do not charge for examination. If glasses are needed, we supply them at
moderate prices.

SAILED AROUND TO WRIGHTSVILLE.

"Pleasure Seeker" With Party On Board
Arrived Safely Yesterday.

The tidings yesterday from Captain
Clarence Maffitt, who left Friday af-
ternoon on board his handsome ship's
yawl, the *Pleasure Seeker*, for a sail
around to Wrightsville Beach, were
that he with his guest, George H.
Howell, Esq., had reached their destina-
tion safely and were enjoying num-
erous sails around the beach immen-
sely.

Leaving Wilmington at 4 o'clock in
the afternoon the *Pleasure Seeker's*
"log" shows that Southport was reach-
ed as 10:30 o'clock Friday evening.
Early Saturday morning Captain
Maffitt set sail and passed over the bar
at 9 o'clock. He reached the beach
yesterday morning and "tied up" at
the Atlantic Yacht Club's pier.

It was an excellent trip, so they say,
and the *Pleasure Seeker* won for itself
the title of "Gem of the Lower Cape
Fear," having not even shipped one
teaspoonful of water on the entire
trip.
