and Fruit Growers' Association.

WAS IN SESSION YESTERDAY.

Preight Rates, Fruit Train Schedules and Refrigerator Car Service Most Important Matters Considered-Will Report to Stockholders.

The executive committee of the Eastern Carolina Truck and Fruit Growers' Association was in session yesterday afternoon from 2.30 until 5.30 o'clock. As previously announced, the purpose of the meeting was to discuss the freight rate situation, consider refrigerator car service proposals and act upon various other matters relative to the trucking interests, the fostering of which is the chief purpose of the Truckers' Asso-

The association has decided upon a policy to withhold the proceedings of their meetings from publication until such time as they deem it expedient for publication to be made.

The special work of the most importance yesterday was that of freight rates to points East and West, yesterday being the time set for an an nouncement from the railroad authorities as to rates on berries for the 1900 season. As yet however no satisfactory agreement has been made between the railroads and the association officials. The truckers, they say, merely demand a rate and a train schedule which will be fairly competitive with the truckers of other sections of the country and declare that before they will accept terms and service such as was given last year they will go out of the business alto-

gether. The stockholders of the association will hold a session to-day, probably at noon. A feature of this meeting will be a report from the executive committee gvining probably in detail the result of their conference to-day.

Among those who were here yesterday and participated in the meeting of the Board of Directors were the

A large number of truckers, stockholders in the Eastern Carolina Truck and Fruit Growers' Association, are expected to arrive on various incoming trains this morning. They come to attend the meeting to day, which it is expected will be one of the most important in the history of the Association.

MANY EXCURSIONISTS.

Probably 700 People On Clinton Excursion-250 On "Conscience Special." Train From Aberdeen To-day.

There was an unusually large number of excursionists in the city yesterday, fully 700 having arrived from Clinton and intermediate points on the A. C. L. at 10.50 o'clock yesterday morning, and probably 250 more on 'conscience special" from Charlotte and Chester, S. C., over the S. A. L. at 4.25 P. M.

The Clinton excursionists were carried through to Wrightsville Beach yesterday morning and came up to the city during the afternoon for a trip down the river on the steamer Wilmington, the train leaving for the return trip to Clinton about 8 o'clock last night. The "conscience special" excursionists will remain here until tomorrow afternoon at 2.30 o'clock, dividing their time between Wrightsville and Carolina beaches and visiting places of interest about the city.

This afternoon an excursion will arrive from Aberdeen and intermediate points, and the steamer Wilming ton will carry them to sea to-morrow.

Mr. J. W. Plummer, Jr., proprietor of Plummer's Confectionery and Fruit Store, near corner Second and Princess streets, has an interesting announcement to the trade in to-day's STAR. THE PLEASURE SEEKER.

Mr. Clarence D. Maffitt and His Staunch Boat Among the Only "Pebbles On the Beach."

The STAR's good friend, Mr. Clarence Maffitt, is contributing much to the pleasure of a host of his friends on Wrightsville Beach by giving numerous sailing parties on his staunch boat, the Pleasure Seeker. Last night he carried out a party, consisting of Miss Snow, of Raleigh; Miss Nan Clark, of Tarboro; Miss Eliza Bellamy, Mr. Jno. D. Bellamy, Jr. 2d, Mr. Geo. Peschau and Mr. Cam Buxton, the last named

from Winston. It was a combination sail and rowing party, they having rowed two miles and sailed two. During the trip up and down Banks channel the attention of the residents of the Beach was especially attracted to the merry party by the blowing of a powerful Cyrene whistle operated by compressed air. Its capacity for discordant and far reaching whistles is in no way inferior to that of the one on the tug Marion, so familiar to the people of Wilmington.

Mr. Maffitt also engaged the string band to provide music during the sail. Later in the evening refreshments were served at the cottage of Hon. Jno. D. Bellamy under the direction of his charming daughter, Miss Eliza.

PLANNING A BIG TIME.

Howard Relief Fire Engine Company to Run An Excursion Next Week. The Committee.

The Howard Relief Fire Engine Company has appointed a committee to arrange for the annual excursion of the company to Carolina Beach, and it has been definitely decided that the excursion will be run some time next week, the exact date not having been yet decided upon. The committee to whom the arrangements have been delegated consists of Chief Charles Schibbin, of the Fire Department Messrs. J. W. Duls, (chairman), P. N. Fick, G. W. Tiencken, E. P. H. Strunck and H. Burfiendt. These gentlemen expect to arrange for a day and an evening of thorough enjoyment for members of the company and patrons of the excursion. Hanover Seaside Club will be headquarters and during the afternoon there will a serries of contests, such as running races bowling and tenpin contest etc.

The excursion will doubtless attract arge crowds, the great success in former years serving as a strong drawing cord.

GRAND CONCERT AND DANCE.

Second Regiment Band at Sashore Hotel Last Night-Week-End Ball Saturday Night.

Last night an elegant mid-week lance, preceded by a grand concert by the Second Regiment Band, was given at Seashore Hotel, on Wrightsville Beach, and despite the fact that there was no late train a large number of Wilmington people participated, combining with the numerous guests at the hotel in making a large and espe-

cially merry company of dancers. The concert by the Second Regiment Band began about 8:30 o'clock, continuing until a little past 9, when the dining room (was cleared and dancing began to music by the well known Baltimore Italian Band, which is employed by the enterprising hotel management for the season. The concert by the Second Regiment

Band was greatly complimented. Manager Crawford of the Seashore will give the usual week-end dance on Saturday night. These occasions have come to be especially favorite attractions.

DASTARDLY ATTACK

UPON MR. W. A. LINEKER

Assaulted With Intent to Rob Near Dock and Third Streets-No Cine to the Assailants.

Mr. W. A. Lineker, of this city, was assaulted with intent to rob Tues day night near the corner of Dock and Third streets. His assailants failed to get his money, except a small amount of silver; but in their efforts to overpower him they dealt Mr. Lineker several severe blows, inflicting wounds which while not serious are still very painful. Friends found him in an almost unconcsious condition soon after the assault and carried him to The Orton where Dr. Harper was summoned and dressed his wounds. He remained at the hotel until yesterday evening when he was sufficiently recovered to be removed to his boarding house on

Fourth street near Market. It seems that Mr. Lineker was passing the corner of Dock and Third streets en route home, when some one, apparently a negro, stepped out from underneath the porch of Mr. J. H. Boatwright's residence, which is much higher than the sidewalk, followed behind him a short distance to a densely shaded place and dealt him a heavy blow on the side of the face, the implement used striking him just over and under the left eye. Mr. Lineker thinks the man must have used a brick or other heavy substance tied up in a sack of some kind.

As soon as the blow was struck, although thoroughly dazed, Mr. Lineker turned upon his assailant and dealt with him as best he could. He struck him several blows with his fists and was giving the would-be assassin all and more than he wanted, when a second man, evidently a "pal," came up and struck Mr. Lineker several times with a stick inflicting painful bruises on the muscle of his arm and on his side and back. Seeing that he could not possibly cope with his assailants Mr. Lineker began calling for help thereby frightening the men away. Just before running, however, one of them thrust his hand in one of Mr. Lineker's pockets, one in which there were a few loose silver coins which were the only booty obtained. A purse containing a quantity of banknotes was in a pocket too difficult of access for the robbers to take time to find.

After the assault although dazed and bleeding profusely Mr. Lineker managed to get as far as Dock and Fourth streets where he was found by friends and carried as previously stated, to the hotel. There is no clue to the would be as
