Tournament and Ball in Honor of Completion of Whiteville Warehouse.

QUEEN OF LOVE AND BEAUTY

And Three Maids of Honor Crowned by Successful Knights Thursday Evening-J. B. Schulken and Wade Wishart, Esqs., the Orators.

The tournament and ball at Whiteville Thursday, in celebration of the opening of the spacious new Farmer's warehouse for the sale of leaf tobacco, was an event long to be remembered by the people of that section of country. It is estimated that fully 2,500 people participated in the festivities. They came from every town ship in Columbus and adjoining coun-

There were a dozen or more knights who, mounted upon flery and richly caparisoned steeds and attired cap-apie in knightly apparel, strove gallantly for tournament honors and the privilege of crowning their respective ladies Queen of Love and Beauty.

Mr. H. E. Frazier (Knight of Spain) won first honors and growned Miss Blanche Smith Queen of Love and

The second honors were borne off by Mr. E. S. Lewis (Knight of the Red. White and Blue), who bestowed the crown of First Maid of Honor upon Miss Mary Richardson.

Mr. A. Baldwin, (Knight of No Hope) despite the hopelessness of his name won the honor of chosing the second Maid of Honor and crowned Miss Belle Jolley for this coveted The third maid of Honor was Miss

Fannie Dickson, having been choosen and crowned as such by Mr. Jas. Elkins, who entered the lists as the "Knight of the Twentieth." Among the other knights who en tered the lists were Mr. Bruce Howell,

Mr. Manley Toon and Dr. C.E. Hawes. The charge to the knights was eloquently delivered by J. B. Schulken, Esq., and Wade Wishart, Esq., pre sented the crowns to the successful knights.

The crowning of the queen and maids of honor was a feature of the brilliant ball held at night in the new warehouse. The music for the occasion was by the Francisco Italian band of this city.

The delightful tournament and bail Thursday were only a superficial capstone of pleasure set upon a deep set purpose on the part of the business men of Whiteville and the planters of that section of the country to establish the tobacco industry and make their town and section a chief tobacco centre of Eastern Carolina. The crop this year is large and promises excellent quality. Many of the planters are now curing their crops and are, the STAR is glad to note succeeding will, the plants having good body and satisfactory results in color being ob tained

While the new warehouse is now ready for business, it is not expected that the first sales of leaf tobacco will be held until late in July or early in August. The STAR trusts that the highest degree of success may attend this venture in the tobacco industry, netting handsome returns for planters and warehousemen.

FOUR EXCURSIONS YESTERDAY.

point of the compass. The first arrived on the steamer Hurt yesterday morning and returned yesterday evening. In the party were about fifty persons from Fayetteville. Red Springs and points up the Cape

An excursion from Marion, S. C., and stations along the line of the W., C. & A. railroad, also arrived vesterday morning at 11 o'clock. The train was made up of six coaches and had on board about three hundred persons. WILMINGTON VS. ABERDEEN.

Game Was Slow and Declared for Wil-

mington in a Score of 9 to 0. The game of base ball at Hilton Park yesterday afternoon between the Wilmington nine and a team composed of Wilmington and Aberdeen players, as on the occasion of the Wile mington-Aberdeen game Thursday afternoon, was slow and uninteresting. Sweeney, who has on more than one occasion contributed greatly to Wilmington's success on the diamond, was in the box for the visitors and was at his best yesterday afternoon. He played the game for Aberdeen and though his support was weak, when the game was called during the last half of the ninth inning, the score stood 3 to 3.

For the home team Wood and Mohr composed the battery and did some fine playing. Sinclair's work on first base was also a feature of the game

"put up" by the home tossers. In the last half of the ninth inning dispute arose as to some trivial breach of the rules, and the visitors refused to conclude the game. The umpire promptly announced the result 9 to 0 in favor of Wilmington.

The Orphan's Coming. Marie Peschau, as captain of the Committees from the different odges of Odd Fellows in the city have united in extending an invitation to the orphans of the Odd Fellows' Home at Goldsboro to visit Wilmington and the seashore on August 22nd. A letter to this effect has been mailed to the superintendent of the Home and an acceptance is expected at once. For five years past similar invitations have been given to and accepted by the orphans and their visit to the city and seaside has been great sport for the children and a source of much gratification to the members of the order of Odd Fellows in the city, than whom there

is none mere enthusiastic. Another

R. Walker to await trial at the October term of Brunswick Circuit Court. While it was evident to the jury, the gentleman said, that the killing was justified, these composing it did not consider it within their province to pass upon the guilt or innocenc of Burton and he was turned over to a Justice of the Pence, who committed him in default

The pall bearers from the residence to the train yesterday were Messrs. Neill McLaurin, H. R. Moore, Edward Morse, Joe Westbrook, Eugene Fillyaw and Lloyd Moore.

From Kerrs, Sampson County.

A correspondent of the STAR, writing from Kerrs, Sampson county, say that Miss Laura Herring, daughter of Mrs. M. Herring, died at Raleigh and was interred near that place yesterday, Rev. P. C. Morton, of Wilmington, officiating.

Crops, the STAR'S correspondent says, are growing nicely and farmers have no reason to complain. A stock company is being organized

there and at the surrounding points for the building of a new boat for the Black river trade.

Rev. P. C. Morton is conducting a series of revival meetings, preaching night and day.

Divided Among Banks.

Raleigh News and Observer: The directors of the North Carolina railroad at their recent meeting changed the method of depositing the State's money from the road by returning to the old Democratic plan of distributing it around among a number of banks. The Fusionists, when they came into power, changed this by putting all their eggs into one basket. When the directors met last week a fight was made by the directors for the private stockholders against such a foolish policy, with the result that it was ordered that the money be equally deposited with four banks—National Bank of Raleigh, Fidelity Bank of Durham, First National Bank of Charlotte and National Bank of Wilmington.

Maximum Temperature. For the twenty-four hours ending at eight o'clock yesterday morning, the records in the office of the Weather Bureau show the following registrations of maximum temperature at the points indicated: Wilmington, 86 Charlotte, 90; Cheraw, 97; Florence, 93; Goldsboro, 93; Greensboro, 90; Lumberton, 90; Newbern, 92; Raleigh, 92; Weldon, 90.
