The remarkable announcement is made that Senator Hanna will conduet the next McKinley campaign. It may be incidentally remarked that the earth will be warmed up hert year by the same old Sol that is warming it up now.

Col. Albert Pope, president of the Columbia Bicycle Company, has a practical eye. He saw the bicycle, one of the French exhibits at the Philadelphia Centennial Exposition in 1500, concluded that there was something more than a toy in it, Went to work and proved it, and became rich out of it. _

The convicts in Sing Sing Prison, N. Y., publish a paper. It is edited and printed by them. They are hustlers too, and don't want to be left when it comes to dishing up the turn on the 6 o'clock train in the evennews. Up to date the superintendent has received applications from about sixty who want to go to New York to write up the Dewey reception.

The late lynching of Italians at Tallulah, La., has revived the question as to when a foreigner becomes an American citizen. As we see it he does not become a full fledged sovereign American until he receives his full naturalization papers, but he ceases to be a foreign subject when he make his declaration of intention to become a citizen for by that act he voluntarily abjures his allegiance to the country he came from and surrenders all claim upon its protection.

WILMINGTON'S QUARANTINE.

Officers On Watch for Suspects, But Al

is Smooth Sailing. The three quarantine officers guarding the trains into Wilmington to prevent a possible introduction of the yellow fever into Wilmington from the infected districts in Virginia, report that they are exercising a strict look out for all passengers from that sec-

tion and that the quarantine is being

managed very smoothly. Capt. Robert Green, chief officer, received a telegram yesterday from Policeman Woebse stationed at Rocky Mount, and a letter from Capt. Wiggins at Newbern, setting forth the facts as stated. Capt. Wiggins said in his letter that Newbern had established a semi-official quarantine against about the same points as Wilmington, but no alarm was felt there.

No additional quarantines were established by Wilmington's Board of Health yesterday, but the office of the Superintendent was besieged with applicants for health certificates, who wanted them more as a matter of convenience than of real need.

Inspection of the Beach.

Superintendent of Health McMillan and Inspector Kirschbaum went down to Wrightsville Beach yesterday morning to make a sanitary inspection of the cottages, hotels and other premises thereabouts. WAS A GREAT GAME.

Wilmington Athletic Association Team and Tarboro Play Before 600 People.

TARBORO WON—SCORE 5 TO 3 Game Was by Far the Best Seen Here in Several Seasons-Both Teams Did Good Work - The Con-

test To-day.

The largest crowd of spectators that has assembled to witness a game of base ball this season was at the Hilton Park diamond vesterday afternoon and saw Tarboro vanquish the Wilmington Athletic Association team by a score of 5 to 3. Not before this season has there been such superb ball as that played yesterday and the 600 and more people who watched the game gave vent to their intense interest by outbursts of uproarious enthusiasm at frequent intervals. The game was especially remarkable not so much for exceptionally brilliant plays as for general good all round work by both teams. It was exceedingly hard for either team to score, as is evidenced by the score by inninings, in that Wilmington made her three runs in the second inning and Tarboro in the

fifth, seventh and eighth. Wilmington's runs were by Person, Brinig and Zellers. In the fifth inning Withers and Norment made the two first scores for Tarboro. Fenner and Withers added a score each in the seventh inning, and Fenner made the fifth and last score in the eighth

inning. The strength of the Tarboro team vesterday was largely in their pitcher. Kenna, who scored fourteen strike outs. Indeed, it is doubful if the Wilmington diamond has been visited by so strong a pitcher in several seasons. The favorite player on the Wilmington team seemed to be Jack Johnston, who played second base and played it well. However, where all the team played such all-round good ball, it is hard to single out individual players, for with scarcely a single exception there was good ball playing all along the line. The same applies to the Tarboro team, which is certainly very strong. The score of yesterday's game by

innings was as follows: 1234567890 0 0 0 2 0 2 1 0-5

Umpires-Chas. E. Taylor and Mc-Kenzie. Time of game-2.10. Ushers E. A. Metts and Benjamin Bell, Jr. To-day's Game.

It is confidently expected that the game this afternoon will attract an even larger crowd than did yesterday's, the initial game of the series. Sanders, Wilmington's crack pitcher, will be in the box and the team's line-up will be the very strongest that it can possibly be made for the reason that in order to have a show for winning the best two games out of the series of three Wilmington must have to day's game, and should the score be evened up tomorrow's game will indeed be a "hard faught battle." The people were treated to great ball yesterday and the feast promises to be "according to the Queen's taste" before the series of games is cocluded.

Will Open September First.

Mr. J. E. Benton, of Birmingham, Ala., arrived here yesterday to accep position with Mr. A. Shrier. He comes highly recommended as a gentleman and an experienced salesman.

To a member of the STAR staff Mr. Shrier said yesterday that he expects to move into his handsome new store corner Front and Princess streets about September 1st, when he will have a complete and thoroughly new stock of gentleman's furnishing and clothing. The STAR congratulates Mr. Shrier upon having secured this admirable location and upon the material enlargement of his business.

Dr. C. M. Payne, Rev. C. M. Payne, D. D., of Washington, N. C., former pastor of St. Andrew's Presbyterian church, this city, and greatly beloved by a host | has lived in Fernandina for the past of friends in Wilmington, arrived Wednesday in time to conduct the prayer meeting service at St. Andrew's on the following night in the absence of the pastor, Rev. A. D. McClure. Dr. Payne is the guest of Mr. W. H. Sprunt, on Third and Grace streets, for several days and will conduct the services morning and evening at St. Andrew's church next Sabbath.

Small Fire.

The department was summoned at 9:27 o'clock this morning to a fire at 919 Chesnut street, a small house owned by Mr. R. M. McIntyre and occupied by Alice Sneed, colored. The fire was from a spark from the chimney, which caught on the roof and damaged the building about \$2.00.

GARDEN ON WHEELS.

Four Car S. A. L. Paint Train Covered With Vines and Filled With Potted Plants.

BEAUTIFUL FLOWER

A Seaboard Air Line painter's train of five cars arrived here yesterday morning, with Mr. J. W. Elliott, general foreman of the paint department, in charge They come to re-paint the S. A. L. passenger depot, the freight depot, and do considerable work on the S. A. L building on Front street.

They will be here several weeks. Mr. Elliott has four of his cars, ordinary shanty cars, transformed into veritable flower gardens on wheels. He has boxes fastened on the outside of the cars, in which vines are growing and trailing along the sides of the cars, forming a beautiful network of green. On top of the cars, arranged in a very unique manner, are pots of luxurious foliage and blooming On the interior of these cars there is

also a profusion of potted plants. The interior of the car occupied by Mr. Elliott for office and living purposes has many especially rare plants, arranged with especial taste.

These cars have been thus adorned with plants and vines all the .season, and have travelled throughout the entire S. A. L. system. They are now side-tracked at the S. A. L. passenger depot, where they attract a good deal of attention and are much admired by many people.

TO SOLICIT NEW MEMBERS.

Special Y. M. C. A. Committee Met Last Night-Will Have Friendly Rivalry. Complimentary Tickets.

The special committee recently appointed to solicit new members for the Young Men's Christian Association held a meeting last night. It was decided to divide the committee into two companies, the company which secures the most new members during the given time to be tendered a royal entertainment by the company securing the lesser number of members. Mr. P. Heinsberger, Sr., and Mr. Jas. G. Cotchett are the leaders of the "Busy Bee" company, and Mr. Paul M. Taylor and Mr. William Herring of the "Hustlers."

STAR readers will remember that at the active members' meeting a few evenings ago the initiation fee of \$2.00 was suspended for seventy-five days, so that members can join during that time by simply paying the yearly dues, \$5.00.

It is under the auspices of this committee, also, that the complimentary tickets, entitling holders to all the privileges of the Association during August, will be issued, and they can be secured by applying to any member of the committee.

BEFORE THE MAYOR.

Cases That Came Up in the Municipal Court Yesterday Morning.

John Bishop, the young colored boy who was jailed Wednesday morning charged with the larceny of lumber from the A. C. L. yards, was tried in the municipal court yesterday morning. The prosecuting witnesss failed to make out a case of larceny against the boy and the warrant was amended, charging him with disorderly conduct, of which he was found guilty. He was taxed with the costs. Wm. Tate, the colored driver of the Robert Portner Brewing Company's delivery wagon, was up for fast driving, but the case was continued until to-day.

Alice Hennegan, a colored offender well known to the police, was given wenty days in prison for disorderly conduct. She with five other colored female offenders were employed yesterday in scouring the floors of the City Hall.

Dr. Wertenbaker Quarantined.

A Newport News special in the Richmond Dispatch of Thursday says: Surgeon C. P. Wertenbaker, who was sent here by the Washington authorities for the purpose of handling

the train service at this city, had to report to Dr. White, in Hampton, on his arrival last night and now he will have to remain outside of the lines. He tried to get in to-night but the local quarantine chief would not permit him to enter, and are determined to maintain their shotgun quarantine against Hampton. An Old Wilmington Boy.
