# WON ALL THE GAMES

Tarboro Victors in Each of the Series With Athletic Association Team.

SCORE YESTERDAY 14 TO 6.

The First Two or Three Innings of Yesterday's Game Especially Interesting. During Last lanings Wilmington's Team Went to Pieces.

The series of three games of base ball between the Tarboro and the Wilmington Athletic Association teams has been played, the last being on the Hilton Park diamond yesterday afternoon, and Tarboro is the victor in the entire series, Wilmington not having won either of the three games. The Wilmington team and the association by whom they are backed have the gratification however of knowing that during the series of games they have made it possible for admirers of good ball to see some of the very best playing witnessed here in years.

Of the three games with Tarboro the score yesterday shows by far the biggest odds against Wilmington, being 14 to 6. The scores in the other two games were, Thursday, 5 to 3, and Friday 6 to 1.

The crowd yesterday afternoon, while it was very good, was not so large as on the two first afternoons and is to be accounted for most probably by the fact that Tarboro, having already won the best two out of three games, the people suspected that there would be much less inspiration for either side to play good ball. Nevertheless, while the big odds in the score would indicate a tame game, it was certainly not so slow as some might suspect, there having been a number of brilliant plays on both

The game was called promptly at 4.30 o'clock with Wilmington at the bat and Mr. W. F. Robertson

umpire. It was during the first two innings that Wilmington scored her rune making three in each, the grand stand spectators the while rending the air with uproarious cheers and giving vent to their enthusiasm in well nigh the wildest enthusiasm imaginable.

Person was first to the bat. He knocked a ball into left field and made second base. Bernig followed to the bat and sent the ball double quick over center field, reaching third base and scoring Person. Brunson came to the bat and sent a ball over third base. He ran to second base and scored Bernig. Taylor batted to short stop, who fumbled, allowing Brunson to score and Taylor to reach second base. The two remaining batters for Wilmington fanned out, and Tarboro went to the bat. Glaven was struck out. Meade knocked a ball over center field and made second base. Luskey knocked a ball to short stop, Brinig, who made a pretty catch and put out Luskey on first. Phillips hit to Johnson at second and was put out on

The second inning was even more interesting than the first. Levy was the first of the Wilmington team to the bat. He knocked the ball to the left field and made first base. Alston batted to the right field, where Fenner fumbled, allowing Alston to make first base. Person knocked the ball over center field, Alston and Levy advancing one bag each. Brinig came to the bat, knocked a left fielder, scoring Levy and Alston and making second Johnson, J., batted left field and by slide made second and scored Brinig. Brunson batted to the left field, where Spencer fumbled the ball, allowing Johnson to make third base and Brunson to make second. Johnson was put out in attempting to make the home plate, thus closing Wilmington's half of the second inning.

the last in which they made a score. Throughout the remainder of the game Tarboro seemed to gain strength and the Wilmington go to pieces rapidly. Kenna, Tarboro's pitcher, began to twirl such puzzlers that the Wilmington batters could not find but very few, and when they attempted to make rups the fates were against them, every man dying on base. On the other hand the Tarboro boys batted several beautiful two and three baggers and even made two home runs, both the latter by Meade, who, by the way, played the best base ball yesterday that has been seen here during the whole series.

In the third inning Meade and Glavin scored runs for Tarboro. Neither team scored in the fourth, but in the fifth there were five runs for Tarboro. They were made by Glavin. Meade, Luskey, Kenna and Spencer. The last-named also scored in the sixth inning. There was no score in the seventh inning, but in the eighth and last inning Tarboro piled up eight runs, greatly to the disgust of the spectators who felt chagrined at the way in which the Wilmington team went | ings bid fair to spring into popular fato pieces after making such a brilliant

start in the two first innings. In the sixth inning Sweeney succeeded Person in the box for Wilmington, Person going on the right field and Sanders retiring from the game. The score by innings, the line-up and summary were as follows:

YESTERDAY MORNING.

Mis Darby Received News of Her Appointment From Washington - Mr. Struthers May be Assistant.

Miss Mary C. Darby, the new appointee to the Wilmington postmastership, received official notification of her appointment to the position yes terday morning together with a bond week. Negotiations are pending with in the sum of \$50,000 which she is instructed to execute and send to the lepartment as early as possible.

From best information obtainable yesterday it was learned that Miss Darby would easily find surety among her friends in the city to the amount required and that it is very probable that Postmaster Chadbourn will retire as early as to-morrow week and Miss Darby immediately assume con-

The postmastership under a second class rating has been paying Postmas ter Chadbourne \$2,900 per annum, but beginning August 1, the office was ad vanced to first class and so long as the receipts will justify the same it will remain first class with the salary of the postmaster \$3,000 per year-only \$100 more than under the second rating.

was in the city for several hours yes-Local Republicans do not appear jubilant over the appointment. While they do not base their objections to have returned from a trip to Cleveland Miss Darby personally, there appears to be an undercurrent of sentiment favoring the appointment of men only to positions of this character. They easily concede her competency but it is obvious that they want the office as a reward for some political service

during the campaign. Miss Darby says she has nothing to say yet as to whom she will name for Assistant Postmaster, but it is generaly believed that Mr. Wm. Struthers will be the appointee. Mr. Wallace, the present incumbent, will succeed Mr. F. B. Rice at the Custom House about September 1st, if the latter decides to accept permanently the hull inspectorship for the Charleston district, a contest over which he has just ended with Capt. Gannon.

Who will be the new money order clerk is as yet a matter of speculation

### ONE HUNDRED EXTRA LABORERS.

Wanted by City to Do Drainage Work On South Sixth Street.

The Board of Health held a special meeting yesterday afternoon to consider the matter of relieving the un-Wake Forest, Siler City, Carthage and sanitary condition of a pond of surface water, which has accumulated by reason of excessive rains near the Second Advent Church on South Sixth street.

At the meeting were present Mayor A. M. Waddell, chairman, Capt. W. R. Kenan, Dr. F. H. Russell, Acting City Engineer W. F. Robertson, Dr. W.D. McMillan, Superintendent of Health, and Alderman Taylor of the Streets and Wharves Committee.

Upon motion of Capt. Kenan it was decided that the Superintendent of Streets be instructed to employ a force of hands sufficient to open the culvert which is intended to convey the water which has collected in the vicinity named.

Acting under these instructions Mayor Waddell and Alderman Taylor have advertised for one hundred able bodied laborers and six good brickmasons to report at the City Hall to the Superintendent of Streets at noon to-day, in order that the work may begin promptly on to-morrow morning.

### ARRESTED FOR LARCENY.

Becky Claridy, Colored, Charged With

Stealing \$6 From a White Man. C. S. Riggs, an East Wilmington man, last night at police headquarters preferred charges of larceny against Becky Claridy, a well known colored habitue of Racket Store alley.

The prosecutor says that about 11 clock last night the woman asked him to change some money for her, which he was doing by the light of the oil lamp in the alley, when a crowd came up and the Claridy woman snatched the money he had in his hand, amounting to about six dollars n silver coin, and ran off with it.

Officer J. M. King was called upon and the woman was found and carried to the city prison. In the hat which she was wearing when locked up an amount of money was found, which corresponds with that lost by Riggs. The case will be investigated by Mayor Waddell to-morrow morning.

Dougald A. Lamont.

News was received in the city yesterday of the death of Mr. Dougald A. Lamont, an old Wilmington resident who has spent his declining years near Marlville, in Bladen county, His death occurred Friday night, of dropsy, at his home, near Marlville. He was 88 years of age, and will be buried at the family burying ground to day.

About thirty years ago he was in the mercantile business here, and is well remembered by the older residents. He leaves a wife, who has the sympathy of friends in the loss she has suffered.

### R. OSCAR GRANT, Supt. To the Public.

The J. L. Hill Printing Co. announces that the canvass for names of the residence districts for their forthcoming City Directory of Wilmington will soon be completed. Their solicitors will shortly begin their canvass in the business part of the city. The work will be carefully and conscientiously done by men of many years experience, and the public are assured of a most worthy and useful publication. In view of this fact and that it has the substantial endorsement of many leading citizens, they respectfully ask the support of the merchants and professional men generally.

The public are also earnestly requested to notify us if any contemplated changes of residence, dissolution of firms or any other information in our line, which they desire should be properly presented, by sending same to our Wilmington manager, General Delivery.

Respectfully, Phinting Co. Respectfully,
J. L. HILL PRINTING CO.
A. J. BRAUNE,
Manager Wilmington Branch
