There is business in the Dewey business in New York. The burghers are counting on scooping in about \$30,000,000 from it.

Sugar-cane growing is done to such an extent in some Georgia counties that efforts are being made to have refineries established.

The New York papers are warning people not to leave their homes unprotected while they are taking in the Dewey performance, lest thieves go in and take out their valuables.

A Berlin correspondent of the London Daily Mail makes the statement that that city imports weekly \$22,000 worth of American-made iron tools, and that several American iren men are establishing plants there.

Admiral Dewey isn't taking much stock in the New York World's scheme to boost him for the Presidency. He says he doesn't know anything more about politics than his Chinese dog. This shows his modesty and blunt candor. There are a good many self-constituted statesmen in this country who resemble that dog but lack the sense to see it or the candor to own it.

An Irish resident of New Jersey, returning from a visit to the "old country," bought a hat in Dublin as a present for a friend. The hat was presented in good shape, accepted likewise with several "smiles," but when the sweat band was turned down, lo and behold that hat was manufactured in Newark, N. It hadn't been in Ireland long enough to become acclimated.

Mr. Baldwin, who was with the Wellman excursion up in the Arctic region has returned chock full of new ideas. He has been doing some experimenting with the Aurora Borealis, and finds it useful as well as ornamental. He contends that the electrical energy so long wasted in producing those things will be harnessed and used for generating heat, steam, motive power, &c., but electricians haven't become excited over this yet.

Wilmington Presbytery.

Rev. A. D. McClure and Elder J. B. Hand, of St. Andrew's Presbyterian church, left last evening for Burgaw, where they go to attend an adjourned meeting of Wilmington Presbytery. The chief matters of interest to be considered at this meeting are the ordination and installation of Rev. D. P. McGeachy as pastor of the Burgaw group of Presbyterian churches, and the consideration of a petition from Rev. John Stanly Thomas asking for a dismissal to the Norfolk Presbytery made necessary by reason of his acceptance of the call to the pastorate of the Suffolk church, reference to which was made in the STAR this

NEW HANOVER COURT

Harbor Master's Case Against A. D. Wessell Quashed Yesterday.

SHOULD BE CIVIL PROCEEDING

All Criminal Appeal Cases Disposed Of. Civil Calendar Being Disposed Of in Regular Order - Civil Cases Tried Yesterday.

Yesterday's was another uninteresting session of New Hanover Superior Court, barring possibly one or two

The one of most general interest was that against Mr. Charles Wessell, instituted by Capt. Edgar D. Williams, as harbor master, for alleged violation of the harbor master's rules by obstructing the wharves with an old hulk and throwing trash into the river. The prosecution was conducted by Solicitor Rodolph Duffy and City Attorney Iredell Meares and the defendant by Geo. Rountree, Esq., and Herbert McClammy, Esq.

It was a criminal action and came up on appeal from a justice's court. Judge Bryan allowed a motion defendant's counsel to quash the case on the ground that there had been no violation of statute, and if any suit at all could be properly and successfully instituted against Wessell it would be a civil suit for the payment of a penalty for violation of Harbor Master's rules.

Civil cases disposed of on the regular court calendar were as follows: S. Blossom vs. W. R. Chadwick; verdict for the plaintiff in the sum of

Dr. W. J. H. Bellamy against W. R. Barksdale; referred to E. K. Bryan, Jas. D. Dry vs. T. C. Miller; judg-

ment for the plaintiff. A divorce was granted Mary E. Taylor from Martin Taylor. The calendar for to day is as follows: B. F. Keith Co. vs. the Willard Bag

Manufacturing Co.; Dr. D. W. Bulluck vs. A. David; Edward Wooten, In speaking of the probable length

of the present term of the court, Judge Bryan said last night that sessions will most probably be held every day next week. The calendar will extend as far as Thursday, and then the motion and summons dockets are to be disposed of before the work of the court will be finished

Judge Bryan is scheduled to convene the Sampson county court Monday, October 8th.

Tax Collection.

The collection of county taxes is progressing very satisfactorily by Sheriff MacRae and his accommodating deputy clerk, Mr. Owen Fennell. While there has been no "mad rush" on the part of payers to square themselves with their government and the collections have not been so heavy that the services of an extra clerk were needed, the amount received this year indicates much better progress than was made up to a corresponding day last year. Collections thus far in 1899 have been \$4,635, while up to September 29th last year only \$2,475 was received.

With the Churches.

Rev. Watson Smith, who has been chosen as a supply for the pulpit of the First Presbyterian church pending the calling of a regular pastor and his acceptance of the same, arrived last night and will preach at the First church to-morrow morning and evening. Mr. Smith is a native of North Carolina, but has been spending some time in Georgia.

Rev. E. E. Lane. the new pastor of Immanuel Presbyterian church, has also arrived from Lexington, Va., and will preach his first sermons to-morrow. Rev. Mr. Lane and family will occupy the residence No. 319 South Third street, formerly occupied by Mr. Charles E. Borden.

Condition Very Serious.

Col. Wm. A. Johnson returned yesterday morning from Clinton, Sampson county, where he spent the past four days at the bedside of his aged mother, who recently sustained a stroke of paralysis. Col. Johnson's wife is still in Clinton with his mother, whose condition the STAR regrets to learn, is very precarious.

Persons wishing to locate in the truck region of North Carolina should correspond with the East Carolina Real Estate Agency, Burgaw, N. C. Read advertisement in the STAR.

GREAT WALLACE SHOWS.

They Gave Splendid Parade and Superb Circus Performance at Kinston.

The papers of Newbern, Goldsboro, Raleigh, Richmond and everywhere Wallace Shows have been, all join in pronouncing it the best circus, menagerie and museum that has been through the country in many years. As announced time and again this great American enterprise with its acres of tents will be in Wilmington next Wednesday, October 4th, and will give one of their superbexhibitions day and night without the omission of a single number on the pro-

The Kinston Free Press in speaking of the show yesterday, said:

"The highest class circus in the world-the Great Wallace Shows-is in town. The claims of the management seem to be fully sustained. Two long trains closely packed with a splendid menagerie, circus and mu-seum, arrived early this morning; and as early began to arrive the crowds from all the surrounding country, from miles around in every direction The parade began about 10:30 o'clock and was by far the longest and finest ever seen in Kinston.

An Interesting Service.

Arrangements are being made for an especially interesting service at the First Baptist Church to-morrow evenng. There will be a special choir of sixteen voices by whom anthems and hymns will be rendered. Among other selections, "Onward Christian Soldiers," set to music by Mr. Ed. H. Munson will be rendered. Mr. William Gow, the popular baritone singer, nere as assistant engineer on the British steamship Roxby, will participate as soloist. Rev. C. S. Blackwell, D. D., the pastor, will deliver a sermon, the subject of which will be 'The Quck and the Dead."

Final Dividend.

Homer J. Clark, Esq., receiver of the old First National Bank of Wilmington, has mailed a circular letter to creditors in this city, giving notice of a final dividend of one per cent., making in all 61 per cent, which has been paid on the liabilities of the defunct institution. Checks in payment of the final dividend have been drawn upon the Assistant Treasurer of the United States at Philadelphia and are now in the hands of the receiver. The letter concludes:

You will please mail to me at my ddress, Pontiac, Ill., your receiver's certificate of proof of claim (enclosing wo cent stamp for reply); also return with same the enclosed receipt, properly signed and dated, and upon re ceipt of same I will send you by mail a check on the Assistant Treasurer for an amount of one per cent. of your claim, as your final dividend.

Completely Cured.

A telegram was received yesterday by Mr. Preston G. White from his brother, Mr. Robert W. White, stating that the younger brother, Mr. George W. White, had been completely cured of the acute nervous attack for which he was sent about a week ago to Baltimore for treatment and that they both would leave for Wilmington tomorrow, reaching here probably Monday. The telegram brings glad news to many of young Mr. White's friends who were anxious for his recovery.

The New Hose Wagons. The running gear for the two new hose wagons which the Wilmington Iron Works is building for the Wilmington Fire Department, arrived last night and no time will now be lost in the work of mounting and equipping them for service. STAR readers will remember that they are to take the place of two worn-out reels, one at the station corner Fourth and Princess streets and the other at the station corner Sixth and Castle streets.

THE STOCKHOLDERS' MEETING.

Annual Election of Directors and Officers of the A. & N. C. Railroad. Newbern Journal, 29th.

The stockholders of the A. & N. C. Railroad and the Board of Internal Improvement, the committee appoint. ed by the last Legislature, met at Morehead City yesterday at noon and elected the Directors for the A. & N. C. Railroad for the ensuing year.

The reports of the retiring officers were read, this being the first matter of business. The following eight Directors were lected on behalf of the State: James A. Bryan, Craven; Webb, Carteret; Louis G. Daniels,

Pamlico; J. A. Meadows, Craven; T. C. Whitaker, Jones; L. Harvey, Lenoir; S. E. Sugg, Greene; J. W. Westbrook, Wayne. The private stockholders elected four Directors as follows:

H. Weil, Goldsboro; C. E. Foy, Newbern; Dempsey Wood, Falling Creek; E. C. Duncan, Beaufort. After the election of directors, the newly elected board met and went nto an election of officers. Those elected were as follows: James Ar Bryan, president; Matt Manly, secretary and treasurer; C. L. Abernethy.

attorney. The agreement in regard to the election of State proxy was that the Governor should nominate one candidate and the private stockholders one, the person receiving a majority of the votes to be recognized. The Governor named George Green, of Newbern, and the stockholders W. T. Dortch. of Goldsboro. Mr. Dortch was elected by a large majority, about 5 to 1.

Appointed Chief Marshal.

Favetteville Observer: The Executive Committee of the Cumberland County Agricultural Fair Association met yesterday afternoon and decided to ask Mr. Albert Sidney Williams to be Chief Marshal of the coming Fair. It is an excellent selection, and we trust that Mr. Williams will accept.

Though Mr. Williams is now one of New York's rising young attorneys, Favetteville claims him as one of her sons, as much so as Wilmington, and his frequent visits here have made him the friend of every one. If he accepts, the success of the social feature of the Fair is assured in advance.

The Bird Law.

One of Wilmington's well known sportsmen requests the STAR to state that the general idea that the season drill of the new men will be on next for shooting partridges opens on October 1st is an erroneous one, as the law forbids it until October 15th, and then only in New Hanover county. The Gun Club, he says, will prosecute all violators of the law and see to it

Officers Elected at Annual Meeting Held Last Night-Large Attendance and Harmonious Meeting.

What is pronounced by the members a very much better code of bylaws than that in vogue during the past several seasons was adopted by L'Arioso German Club at their annual meeting held last night in the City Hall. One of the most notable changes provided in the new code is that chaperones will be required for each of the club germans. The election of officers resulted as

follows: President-Capt. Donald MacRae. Vice President-Mr. Jack Bellamy. Secretary and Treasurer-Mr. T. W. Davis.

Leader-Mr. Clayton Giles, Jr. Governing Board-Captain E. W. VanCourt Lucas, Mr. Jno. C. James, Mr. H. B. Peschau and Mr. E. Payson Willard.

The meeting last night was largely attended. The dates for the several germans which the club will give during the coming season have not yet been selected, but will be announced very soon by the governing board. No date is as yet announced for the annual meeting of L'Agile Cotillon

A BETTER PAPER THAN EVER.

[Lumber Bridge News.]

The Wilmington STAR has reached a sweet and mellow old age, as compared with the longevity of the newspapers of the State. It has been under its present management thirty-two years. It is a great pleasure to us to say that it has entered upon its next volume a better paper than ever, and more popular, too, in this section. Hale and good year to you, Bro.

Wilmington, N. O.

Wholesale Grocer,

The first of October one year age I commenced business, with the idea that Wilmington could support one first-class Furniture Store. I have sold since that time finer goods than were ever sold here before, and as fine as sold anywhere. I have sold fine goods at cheap goods prices because I had no reason to make allowance for losses in selling to unreliable parties I know where and how to buy, and my business and personal expenses are small. My success has been such that I number my satisfied customers by the score.
