MOUTH OF TOWN CREEK.

Steamboat Men Complain of Damage by Storm and Want Improvement.

Steamboat men are complaining of what the recent storm has done for the mouth of Town Creek, up which course there is considerable shipping traffic in rice and naval stores.

They say that in the first place all the mud, logs, etc., dredged from the bottom by the government just prior to the storm have been washed back into the channel and the stream is now even less navigable by boats of any considerable draught than before the work was done. Then, again, they say that the ranges have been destroyed by the storm and it is with the greatest difficulty and danger that vessels can go up the stream without probability of being "stuck" or of suffering damage to machinery by obstructions under

They will urge, it is learned, that the government appropriation for the improvement of the mouth of Town Creek be used at once, so as not to interfere with the movement of the rice erop, which is a large one, over 10,000 bushels having been already brought from the plantations in this vicinity.

At low water there is said to be only about three feet in the mouth and the ordinary harbor vessels sometimes have to wait for flood tide to pass in and out

FUNERAL OF MR. W. H SHOLAR.

Held Frem Fifth Street Methodist Church Yesterday Afternoon at 3.30 O'clock.

A large number of friends gathered vesterday afternoon at 3.30 o'clock at Fifth Street Methodist Church to attend the funeral of the late William Henry Sholar, whose death at 7.45 o'clock Wednesday morning was announced in yesterday's STAR.

Rev. Jno. H. Hall, the pastor, conducted the funeral service, which was both solemn and impressive. The interment was at Bellevue cemetery, and a number of beautiful floral offerings were laid upon the grave by sorrowing friends and relatives.

The pall bearers were: Honorary, Dr. Joseph C. Shepard and Mr. Benjamin Bell; active, Mesars. Jno. J. Fowler, W. K. Bell, Robert Montgomery, M. Marshburn, F. A. Montgomery and T. T. Seeders.

Daughters of the Confederacy.

Cape Fear Chapter, Daughters of the Confederacy, will meet this morning at 11 o'clock at the W. L. I. armory. A full attendance is desired, as the Chapter's representative to the general convention of Daughters recently held at Richmond, Va., will

make their report. As usual the museum of Confederate relics maintained by the Daugh ters at the armory, will be opened this afternoon at 4 30 o'clock for the reception of relics and the inspection of the public.

Adjutant Bradley Wootten.

Rev. Edward Wootten yesterday received a letter from his son, Adjutant Bradley J. Wootten, of the first battalion, Twenty eighth regiment, U. S. v , dated Honolulu, November 6th. Associated Press dispatches have announced the arrival of the Twenty eighth regiment

THOUSANDS ATTENDING

THE MASONIC FAIR.

The Temple Crowded With People Again Last Night-To-night is Commandery Night-Lot to be Sold at Auction.

Yesterday was the fourth day of the Masonic fair. In the afternoon there was a good attendance, and at night the people attended in surprising numbers. The number of tickets taken in at the door yesterday and last night

Last night was "Concord Chapter

Night," and consequently the ladies at that booth did a splendid business. The country store continued to be the drawing card. The customers stood around it in great crowds and kept the ladies busy. Mrs. M. S. Willard, the chairman of the committee in charge of the store, says her young lady assistants work very hard and are valuable to her. The country store affords a great deal of amusement and the crowd enjoys the novel ty of seeing the odd things the patrons purchase. A lady is as liable to buy a plug of tobacco as anything else. It is a common sight to see a lady dressed in silk lugging away a

coffee pot. The flower booth vies with the others in popularity. The patronage is excellent and Mrs. Fishblate and her assistants are working with great energy. Last night a handsome palm fell to the share of Mrs. Sternberger, and also one to Mr. E. P. Willard. The ladies request that their thanks be extended to the Palace Bakery for a basket of fruit valued at \$5 and a handsome wedding cake val-

ued at \$10. The ladies in charge of St. John's Lodge booth are very active and are doing a good business. They wish to remind the voters of that lodge that they would like to look them in the face if they expect to get that solid silver square and compass. At this booth last night the handsome sofa pillow made by Miss Alice V. Storm feltz, of Harrisburg, Pa, was disposed of. Mrs. William Gilchrist got it.

At the country store a forty-pound cheese fell to the share of Mrs. John J Fowler and a pair of pigeons to Mr. Rob. Davis.

The ladies of Wilmington Lodge booth are enthusiastic workers. They are determined that the voting contest on the silver square and compass shall be carried by that lodge. Last night this booth disposed of the Confederate military cuff button donated by Col. John L. Cantwell. It fell to the share of Mr. J. W. Williams, 104 Red Cross street. Through the good luck of Mrs. Bessie Gore, the share of Dr. J. C. Shepard carried off a fifteen-pound turkey. To-night a beautiful renais-

sance centre-piece will be disposed of. The voting contest for the silver square and compass last night stood as follows: Orient Lodge 208, Wilmingon Lodge 162, St. John's Lodge 40. The dance hall is getting more popuar every night. Last night about 40 couples were waltzing at one time. The large hall is always crowded with

spectators, too. Among the new attractions at the fair last night was a handsome new No. 3 Mathushek piano, a magnificent instrument, which Mr. N. L. Smith, the Wilmington agent, will keep at the fair till it closes. Mr. Bernard Williamson skillfully played numerous selections last night, and will do

so every night. On Wednesday night, Capt. W. P. Monroe, of Hook and Ladder Company No. 1, entertained the members of his company and of Chemical Company No. 1 at supper. The party enjoyed the feast immensely and had a

splendid time. To-night will be "Commandery Booth Night," and the Knights are expected to rally in great force.

Col. Noble F. Martin, manager of the fair, requests that notice be given that to-morrow night the lot donated by Mr. William Cumming will be sold at auction. The lot is on the east side of Fourteenth street between Wright and Dawson streets.

Next Tuesday night is "Shrine Night" and probably the largest attendance of the fair will be on hand to see the camel. Among the features of the night will be music by the Second Regiment Band, a banquet and genuine cake walk.

LIBERAL DONATION.

President Walters, of the Atlantic Coasa Line, Donates \$250 to the Building Fund of the Masonic Temple.

Mr. H Walters, President of the Atlantic Coast Line, has made the most magnificent donation yet received by the board of directors of the Masonic Temple Corporation. Mr. Wal ters recently enclosed to Mr. M. S. Willard, president of the corporation, his check for \$250, to be used in erecting the temple and as a contribution to the building fund.

It is understood that Mr. Walters is not a Mason and his donation is therefore so much the more appreciated. It also shows that Mr. Walters takes a deep interest in all public matters in Wilmington and is ready to help any enterprise which adds to Wilmington's importance and contributes to its development and pro-

The Masons all over North Carolina will deeply appreciate this gift from Mr. Walters.

F. Craig, Mr. George Harriss, Jr., was elected a member of the Board to succeed his father, the late George Harriss, who was so prominently and so long identified with Wilmington's marine interests.

At the meeting Mr W N Harriss. the surviving member of the firm of George Harriss, Son & Co., was also elected in his father's stead to the position of Port Warden. The office is a very important one in Wilmington shipping and the election a handsome testimony to Mr. Harriss' judgment in marine matters.

Miss Hewison To-night.

On Thursday night Miss Jean Howison, the Scottish lady reader, who is favoring Wilmington with a visit, gave a delightful "Evening With Robert Burns" at the Y. M. C. A. auditorium. To-night she will read selections from Ian McLaren's "Beside the Bonny Brier Bush.'

The compliment has been paid Miss Howison that she reads the Bonny Brier Bush better than the author of that delighful book himself. She has given deep study and made painstaking preparation for her readings, and this gifted and cultured lady should have a large audience to hear her tonight.

ANOTHER DULL DAY

IN CRIMINAL COURT.

Only a Pew Cases Were Heard at Yesterday's Session-Grand Jury Bill Against Tony Swain

Yesterday was another dull day in the Criminal Court, for the most part the day having been taken up' in the hearing of several tedious cases of little import.

Probably the most important of those disposed of were against Williams Blanks and Steve Moore, both colored, for the larceny of and rec-iv ing by Moore of a cow belonging to the dairy farm of Mrs. Annie Newburry in East Wilmington. They were defended by W. J. Bellamy and Herbert Mc-Clammy, Esqrs., but were found guilty and sentenced to twelve months each in the county jail with leave to the commissioners to work them on the public roads.

In the case of Tony Swain, for burglarizing the apartments of Mrs. O'Neill and children in the Ocean View Hotel last Summer, reference to which was made in yesterday's STAR, the grand jury returned a true bill for entering a dwelling house but no burglarious intent is charged.

The grand jury also yesterday returned a number of true bills for keeping gambling apartments and seiling | Staple and Fancy liquor to minors. The following is the docket of cases

heard yesterday: Celestia Boney, larceny; guilty. W. H. Blanks and Steve Moore, larseny; twelve months in jail for public

Frank Onslow, nuisance; guilty. Emma Thompson, Laura Taylor, larceny; not guilty.

Mag Baldwin, assault and battery with deadly weapon; submitted to verdict of guilty of simple assault; thirty lays in jail.

James King, burglary; case open.

M. Greenblot, assault and battery with deadly weapon; in hearing. The last named case which was brought by Hiram Moore, was being neard vesterday afternoon when an adjournment was taken until this morning at 9.30 o'clock. All the eyi dence is in and argument of counsel for the defence, Herbert McClammy, Esq , has been heard. W. J. Bellamy, Esq., is assisting the prosecution.

CATHARINE WHITING'S CARGO SAVED.

Will Probably be Brought to Wilmington and Re-Loaded for Shipment.

A STAR representative learned vesterday that Messrs. George E. Brooks & Co., of Little River, S. C., had succeeded in recovering all the lost cargo of lumber of the steamer Catharine Whiting, which went ashore near that point on the coast during the Caribbean storm. It was at first thought that there was little chance of saving any part of the cargo and Messrs Brooks & Co., were awarded the con tract for fifty per cent of the net proceeds. Singularly enough the entire cargo has floated ashore very little

broken and it has been saved. The Whiting carried about 350,000 feet, valued at \$4,500.00. On account of the shoals on that coast no seagoing vessels can get up to the water front where the lumber is deposited and the STAR is informed that it will be brought up to the city by small

boats and re-loaded. Only a few parts of the vessel have been saved and these are of very little value.

Front Street Property. A deed was yesterday filed for registration at the Court House conveying from J. F. Maunder and wife and George A. Croom and wife of Waycross Ga., to I. M. and H. C. Bear that valuable lot 33x100 feet at the southwest intersection of Front and Grace streets. The purchase price was \$3,250.00. The STAR has already noted the intention of Messrs Bear & Co., to erect a handsome store building on this site.

Burglary in Johnston. A correspondent of the STAR writing from Benson, Johnston county, N. C., November 23rd, says: "Burglars entered the residence of Mr. D. E. Edge last night and stole therefrom \$31 in cash. An entrance was effected through a back window. There is no clue to the identity of the robber or robbers. Two negro women were arrested on suspicion this morning but were subsequently released. Other arrests may follow."
