COTTON FROM GEORGETOWN, S. C.

Alexander Sprunt & Son Chartered Steamer for Cargo From a New Field.

The enterprising firm of Messrs. Alexander Sprunt & Son, whose business in cotton exporting has now attained to mammoth proportions, gave another evidence vesterday of its progressiveness in the matter of securing cotton for Wilmington from territory hitherto covered by cotton men at competitive ports.

The incident referred to was the arrival of the steamer Planter, 260 tons Capt. Fergurson, which came from Georgetown, S. C., with a cargo of 531 bales of cotton, which was being discharged yesterday at Messrs. Sprunt & Son's compress.

The Planter is on a regular run from Charleston to Georgetown, but she was chartered by Messrs. Sprunt & Son to make this trip, and it is probable that she will come again. She is a side wheeler of the old type, and her decks were piled with cotton, strongly resembling the Mississippi river steamboats, as she steamed up the river from Southport. The Planter will leave for the return trip to Georgetown to-day.

Encounter With Bad Negro.

Deputy Sheriff George Millis had an exciting experience last night with a negro desperado named, Tom Williamson, who was recently liberated from jail and who last night tried to make trouble at a negro's house in an alley between Fourth and Fifth and Church and Castle. Deputy Millis happened to be in the vicinity of the row in progress and went into the house to arrest the parties. Williamson resisted viciously, wresting a stick from the officer and attempting to deal him a blow on the head. Deputy Millis at length clubbed him with the butt of his pistol into submission and landed him in jail, for trial this morning before Justice Bornemann at 10 o'clock.

City Treasurer King is Preparing Comparative Statement of Municipal Revenues.

City Clerk and Treasurer B. F. King is preparing a comparative statement of the receipts and expenditures of the city since April 1st, 1899, with those of the same period last year. The report was recently asked for by the Board of Aldermen and it will be presented at the next regular meeting, which will be held Monday night.

From the report it is gleaned that the collection of real estate and personal property tax up to December 1st, is \$62,231.62 against \$39,888.60 for the same period last year. In the matter of back tax collections the difference is in favor of last year from the fact that the best of it was of course easily collectable last year. The figures for 1898 are \$8,361.54 against \$18,918.44

for 1899. From April 1st to Dec. 1st, 1899. Mr. King has collected \$12,741.03 in merchant's privilege tax, exclusive of whiskey licenses, while during the same period last year only \$8,624.79 was received from the same source.

An interesting feature of the report and one especially complimentary to Mayor Waddell and the police depart ment, is in the matter of fines and revenues from the municipal court. Mr. King has receipted this department since April 1st with \$1,362.70, whereas during the same time last year only \$51,31 was turned in and more than half this amount was derived from the court since the resignation of Mayor Wright, November 10th. The report will be finished up today, but the above are the most interesting figures in the summary.

GENUINE NEGRO MINSTRELS.

Richard & Pringle's Big Festival Next Tuesday Night at the Opera House.

Since the consolidation of Richards & Pringle's Famous Georgia Minstrels with Rusco & Holland's Operatic Minstrels, to make up the title of Big Minstrel Festival, it is said their business has been something phenominal and that it is right and proper that it should be so. They carry the largest minstrel show travelling, using their own train of cars, their own horses, scenery, etc. Two bands and Pickaninny drum corps in parade and the best colored talent ever brought together. This season they promise an entire new programme of novelties and should duplicate their former big business.

As customary for this performance the entire lower floor will be reserved for white people. Sale of seats opens this morning at Gerken's. Prices, reserve seats 75 cents; general admission

> THE SQUARE BALE. Charlotte Observer.

The Montgomery, Ala., Advertiser publishes a statement, subscribed and sworn to before a notary public, by a farmer of Montgomery county, to the effect that on the 15th inst. he marketed at the same place one square bale and two round bales of cotton of 1,500 pounds of seed cotton each, and that the difference was 38 cents in favor of the square bale. The general testimony seems to be against the innovation in cotton packing. We have heard through private sources that one of the round bale packing plants was on exhibition and in operation at the recent fair in Atlanta, and that the result of its operations met with small favor.

tensely interesting or cleaner game of foot ball is witnessed than that played on the Hilton gridiron Thursday afternoon between the Wilmington O. A. The game was witnessed by something over 600 persons and gave genuine pleasure to all save the few who were loyal to the visitors or had staked their money on the old gold and pur-

The first half was not so fast and snappy as one might expect, but in the second the ideal of the most ardent enthusiast was realized when McRae circled left end for 18 yards and Hatch advanced the ball 2 yards around right end, following in the wake of which Moore in a heavy plunge through the opening made by Watson scored a touch down.

Three attempts by Kenna over guard and tackle gained 11 yards and Shirley circled left end for 30. Turrentine lost 8 yards on double pass from Kenna, but Hill gained 3 on tackle. Kenna attempted drop kick from field, but failed. Hatch kicked to Oldham for 35 yards, Kenna returning on beautiful punt for 40 yards. Hatch received on fair catch, was interfered with and received 15 yards for foul. Hatch picked 30 to Shirley, who returned 5. Horner lost ball on fumble, and Moore and Hatch gained 7 yards. MacRae made beautiful dash around left for 18 vards and Hatch got 2 through centre. Watson made wide opening and Moore advanced ball 221/2 yards to Horner's 6 yard line. Moore failed on third down and ball wentover. Kenna and Shirley failed on third down and ball returned to Wilmington, who lost on McMillan's fumble. Shirley's effort around left end stopped by beautiful tackle by McMillan. Kenna punted 45 yards and Hatch with no interference made brilliant dash of 26 yards. Moore and MacRae advanced 11 yards around right end Sinclair lost 6 yards, Pinner gained 5 and MacRae 3. Ball went over. Kenna on double pass to Turrentine gained 21/2 yards but lost 6 on another attempt. Hatch on Kenna's punt se-

cured ball and punted 30 yards. Time called on Wilmington's 56 yard Second Half-Kenna kicked 45 vards and Hatch advanced 10. Sinclair lost 2 yards, Moore gained 1, and Hatch punted 20, Horner securing the ball out of bounds. Shirley skirted left end 25 yards and Kenna made 5 at centre. Kenna attempted drop pick from 17 yards line but failed, ball returning to Wilmington's 20 vards line. Hatch punted 30 yards, Hill returning 8. Kenna punted 18 yards; ball se-cured by Pinner. Watson made wide breach between left guard and tackle through which Moore in nine successive attempts made 63 yards to Horner's 25 yard line. MacRae circled left end for 18 yards and Hatch ad vanced 2. Moore by Watson made pretty touch down. Hatch kicked out and Wilmington failed to catch, leaving the score 5 to 0 in favor of Wilmington. During remainder of half

no score was made. Moore, MacRae, Hatch and Watson did the greatest work for Wilmington. Capt. McMillan, Hergenrother, Wenberg and Pinner, also deserve especial mention. Kenna and Shirley were best for the visitors with Turrentine and Latham close seconds.

Manager Metts and each officer won the admiration of the spectators for their capable conduct of the game.
