In France when a grocer is con-  
victed of selling adulterated stuff,  
he is fined and compelled to post in  
two conspicuous places in his shop  
two large placards bearing the  
legend "I have been convicted of  
food adulteration."

Dr. Leyds, the Transvaal com-  
missioner in Europe, says the Boers  
have plenty of supplies, and that the  
war will last for six months. Unless  
the British make more progress than  
they have made it will last forever  
if the Britons don't crawl out.

The grip is sweeping through Ger-  
many and counting its victims by  
the thousand. Every hospital in  
Berlin and every bed is full and there  
are 60,000 cases in Munich. What  
becomes of the London doctor's  
theory that the Boer war was respon-  
sible for the visitation of the grip  
in England?

Ex-Congressman Bynum believes  
the Democratic gold men should  
keep up their organization but  
should not nominate Presidential  
candidates next time, which means  
that they should vote the Republican  
ticket. Bynum is trying to return  
a *quid pro quo* for that appoint-  
ment McKinley gave him.

The late John Ruskin's annual in-  
come from his writings was \$30,000.  
He gave away all but \$1,800 which  
he kept for living expenses. When  
remonstrated with by friends for his  
extraordinary liberality, and urged  
to retain more for himself he said  
that any bachelor who couldn't live  
comfortably on \$1,800 a year had no  
business living.

A Russian military expert is  
quoted as saying that in a country  
like the Transvaal section of the  
British must have, to make suc-  
cessful attacks on the entrenched  
positions, seven men to one of the  
Boers; that they can never reach  
Pretoria, and that if the war,  
which may last several years with-  
out definite results, lasts one year  
it will cost England from 80,000 to  
100,000 men.

While it is not the policy of the  
Star to advocate the nomination of  
particular candidates for office, it  
feels justified in saying that the  
names of Mr. D. H. McLean, for Sec-  
retary of State, and Captain Henry  
A. London, for State Treasurer,  
have been most favorably received  
in the Cape Fear section. They are  
both men of marked ability; they  
are fine speakers; and they belong  
to that class of Democrats who are  
always on "the firing line" in every  
campaign.

VOL. LXV.—NO. 120. WILMINGTON, N. C., SUNDAY, FEBRUARY 11, 1900. WHOLE NO. 10,136

## LOCAL DOTS.

During the past week marriage  
licenses were issued to two white  
couples and four negroes.  
The February german of  
L'Arroso German Club is announced  
for Wednesday night, February 21st.  
A "Valentine Favor" german  
will be given Miss Lord's day class in  
dancing Thursday afternoon from 4 to  
6 o'clock.  
The STAR is pleased to an-  
nounce that the condition of Captain  
John Cowan was somewhat improved  
yesterday and last night.  
The steamer *Seabright* is de-  
tained at Southport on her trip to  
Little River, S. C., on account of dense  
fog and rough weather.  
A mule attached to one of  
Springer's coal carts got a "cold wave"  
move on him yesterday afternoon, and  
ran down Princess street to Water and  
thence to the coal yard.  
Bear in mind that Wilmington  
must have more cotton factories. They  
will pay the stockholders handsomely,  
increase our white population, and  
build up our retail trade.  
Mr. A. D. Wessell, agent for the  
North German Lloyd Steamship Com-  
pany, sailing from New York, adver-  
tises rates to the Paris Exposition and  
European points. Diagram of berths  
may be seen at his office.  
The schooner *Oliver Scofield*,  
337 tons, Capt. Bragg, arrived yester-  
day from Lewes, Delaware, with a  
cargo of fish scrap for the Virginia-  
Carolina Chemical Company. She is  
consigned to Messrs. George Har-  
ris, Son & Co.  
Isaac Simons, a Syrian from  
Rockingham, N. C., is the latest rein-  
forcement to the contingent of itiner-  
ant merchants in the city. The colony  
in Wilmington, which cannot be said  
to be a desirable one, is constantly re-  
ceiving recruits.  
It is hardly necessary to make  
the observation that it rained in Wil-  
mington all day yesterday. It was a  
cold "drizzle-druzzle" part of the time,  
but there were hard showers in the  
afternoon. Heavy rains are reported  
along the railroads.  
Capt. Edgar D. Williams, whose  
serious accident by falling from a  
ladder about a week ago is well re-  
membered by STAR readers, is now  
considered out of danger and his hosts  
of friends are glad to know that he is  
on the road to a rapid recovery.  
In the absence of Mr. E. H.  
Munson, director of the Musical Asso-  
ciation, Mrs. Waddell will conduct the  
rehearsal to-morrow night at the Y. M.  
C. A. parlors. A full attendance is  
desired, as a matter of individual con-  
sideration will be presented for consid-  
eration.

## THE SEABOARD AIR LINE.

Ryan's Case Decided in Seaboard's Favor.  
Richmond and Washington Line.  
The following message was received  
here last night by Mr. Thos. D. Meares,  
general agent of the Seaboard Air  
Line, from Mr. E. St. John, vice presi-  
dent and general manager:  
"For the eighteenth time the de-  
cision in the case of Thos. F. Ryan  
versus the Seaboard Air Line is in the  
Seaboard's favor, the judge declining  
to grant the injunction asked for. The  
vote of the Senate committee upon the  
new railroad between Richmond and  
Washington was eleven to four in  
favor of the proposition of the Sea-  
board Air Line, which indicates with-  
out question that the charter will be  
granted and that the road will be  
built, thus furnishing to the people of  
the South additional connections and  
more facilities for their growing busi-  
ness."  
It is understood that the building of  
the Seaboard Air Line's new road be-  
tween Washington and Richmond will  
not only give another through line  
between North Carolina to Florida  
and other points South, but Wilming-  
ton will ultimately come in for her  
benefit, as it will open the way for  
better passenger and mail service on  
the Carolina Central and will also  
necessitate better freight service.

## Orders For Delgado Manufacturers.

A number of Wilmington merchants  
have already placed orders for the out-  
ing cloths and other manufactures of  
the Delgado Mill which has just been  
started up in this city. These goods  
are secured through the Philadelphia  
agent of the Delgado company.

## The Greater Seaboard Air Line.

To-morrow at 11 A. M. is the time  
set for the adjourned meeting of the  
stockholders of the Carolina Central  
railroad, to take action on the matter  
of consolidating the various branches

## SCHOONER LABELLED FOR SALVAGE CLAIM.

Captain Harper Instituted Proceedings  
Against the Penobscot for a Bill  
Amounting to \$2,000.  
Capt. J. W. Harper, owner of the  
steamer *Wilmington*, yesterday insti-  
tuted in the United States District  
Court libel proceedings against the  
American schooner *Penobscot* upon  
the reputation by her owners of a  
bill of \$2,000 alleged to have been  
contracted by them in favor of the  
steamer *Wilmington* in a salvage  
claim incident to the going ashore of  
the schooner on the Cape Fear bar  
yesterday morning a week ago.  
The *Penobscot* is of 348 tons reg-  
ister, and is in charge of Captain Fel-  
low. She is owned by Pendleton  
Bros., of New York, and her value  
has been placed by Mr. W. N. Har-  
ris, port warden, at \$2,750, while that  
of her cargo is estimated at \$3,300.  
At the time of her going ashore she  
was in distress, laden with rough  
lumber from Jacksonville to New  
York, and was attempting to put in  
at Southport. On the Sunday pre-  
ceding her mishap she encountered  
very rough weather about 145 miles  
east of Frying Pan shoals, lost part  
of her deck load and was reported  
leaking. She went aground about  
6 o'clock in the morning, the  
*Wilmington* was signalled and the  
owner contented that with the use of  
their own hawsers she was pulled off  
on a rising tide by 8 o'clock and was  
towed into port by 1 o'clock in the  
afternoon. It is understood that they  
offered only \$300 for this service.  
Mr. F. S. Pendleton, of the firm of  
Pendleton Bros., has been here for  
the past two days looking out for the  
interests of his firm, and Capt. E. H.  
Weaver, a prominent insurance man  
of New Haven, Conn., who is inter-  
ested in the cargo, is here to guard  
the interests of his company. Ar-  
rangements have been made to give  
bond on Tuesday next and the Charles-  
ton tug *Waban* has been engaged to  
tow the *Penobscot* to New York.

## CAR LOAD OF CONVICTS.

Forty More Came Down Last Evening to  
Work in the Phosphate Mines at  
Castle Hayes.  
The passenger train which came in  
last evening at 6 o'clock on the At-  
lantic Coast Line with Capt. H. O.  
McArthur as conductor, brought forty  
convicts and six guards as far as Castle  
Hayes. The convicts came from the  
State farm at Tilley, and will work in  
the phosphate mines of the Hanover  
Laud and Improvement Company, at  
Castle Hayes.  
With the other convicts which  
arrived a couple of weeks ago, the  
company will have fifty able bodied  
men for the operations at the  
mines. They will now operate the  
phosphate mines and rock quarry on  
an extensive scale.

## COTTON MILL BUILDING.

Thirty New Factories Projected in North  
Carolina for This Year.  
Mr. Thos. S. Bowles of the firm of  
Bowles & Warwick, Richmond, Va.,  
who are largely engaged in supplying  
machinery to cotton mills in the  
South, yesterday told a STAR repre-  
sentative that thirty cotton mills are pro-  
jected for this year in North Carolina.  
He thinks that the year will be built,  
and says that the capital is already in  
hand to build seventeen of them.  
Besides the mills projected, the re-  
port of the commissioner of labor  
statistics a few days ago stated that  
twenty-five mills are now under  
construction.

## BEFORE U. S. COMMISSIONER.

Gilbert Hollins, Colored, Brunswick Co.,  
Charged With Illicit Retailing.  
Gilbert Hollins, a well known col-  
ored man, who is managing a rice  
farm near Town Creek, in Brunswick  
county, was before U. S. Commis-  
sioner S. P. Collier yesterday morn-  
ing, charged with illicit retailing of  
superior wine. He was bound  
over to the May term of the U. S. Dis-  
trict Court in the sum of \$100, just-  
ice which he gave without difficulty.  
Hollins, it appeared from the evi-  
dence, bought a quantity of wine for  
his own use and dispensed it to sev-  
eral neighbors, contrary to the law.

## Howard Relief Anniversary.

Among the events of next week will  
be the anniversary ball of the How-  
ard Relief Company which has been  
appointed for Wednesday night, Feb-  
ruary 21st. The arrangements are in  
the hands of a committee consisting  
of Messrs. Martin Schinben, W. H.  
Coleman, E. B. Haar, George Thienken  
and J. H. Mohr.  
The anniversary balls of the Howard  
Relief are always exceedingly enjoy-  
able affairs and the one this season is  
being anticipated with more than usual  
pleasure.

## Valentine Party Postponed.

The M. T. S. Society, composed of  
girls who have organized this year for  
mission work under the auspices of the  
Episcopal Church, was to have given  
a Valentine party at Capt. T. D.  
Meares' residence yesterday afternoon,  
but on account of the rain the enter-  
tainment was abandoned. If the weather  
is favorable the party will be given to-  
morrow afternoon at 3:30 o'clock.  
Seasonable refreshments will be served  
and there will be on sale a lot of pretty  
valentines.

## Confident of Success.

A Charlotte News special from  
Washington relative to the postpone-  
ment of the Bellamy-Doekery case says  
that Mr. Bellamy is confident of suc-  
cess and that there seems to be good  
grounds for this feeling of security, as  
he is very popular and one knock-out  
in North Carolina seems to fully satisfy  
the Republicans.

## NEW Y. M. C. A. SECRETARY.

Mr. W. W. Turner, of Chattanooga, Has  
Announced Acceptance of Proposition  
to Come to Wilmington.  
A telegram yesterday morning to  
President W. A. Latta, of the Young  
Men's Christian Association, from Mr.  
W. W. Turner, of Chattanooga, Tenn.,  
announced his acceptance of the call,  
which was tendered him over a month  
ago to the general secretaryship of the  
Y. M. C. A. in this city.  
Mr. Turner is a man of experience in  
the work, at present being engaged as  
secretary of the Chattanooga Associa-  
tion, and the announcement of his ac-  
ceptance will be hailed with delight by  
Y. M. C. A. members and the Wil-  
mington public generally.  
It was with difficulty that the ser-  
vices of Mr. Turner were secured, but it  
is now definitely settled that he will  
arrive soon to assume charge of the  
work here. He is a young man of  
from twenty-eight to thirty years of  
age, and has been actively engaged in  
Y. M. C. A. work for quite a while at  
Richmond, Cincinnati, Chattanooga  
and other cities.

## THEATRE DARK THIS WEEK.

Hoyt's "A Texas Steer" Will Be Seen To-  
morrow Night Week.  
There will be no offerings at the  
Wilmington Opera House next week  
but on to-morrow night week, the  
19th inst., Manager Schloss has ar-  
ranged for another of Hoyt's famous  
comedies entitled "A Texas Steer,"  
with that charming and entertaining  
little actress, Miss Katie Putnam, as  
the star. Wilmington theatre-goers  
always have a warm welcome and a  
big audience to greet any of Mr. Hoyt's  
companies, "A Milk White Flag" and  
"A Stranger in New York"—both  
productions of his—being most pleas-  
antly remembered here.  
On Wednesday night of next week,  
31st inst., comes Morrison's great  
production of "Faust." This attraction  
owned and directed by Mr. Morrison,  
and while he is not in the company he  
assures the public, through Mr.  
Schloss, that both the production and  
cast are equal to any ever seen in this  
city. Mr. Morrison adds that he has  
never yet broken faith with the public  
and is too old to commence now.

## WANTED AT SOUTHPORT.

Negro Who Stole \$32 Adroitly Cooped by  
the Police Yesterday Afternoon.  
Hall officer H. H. Woebse and  
Policeman I. F. Huggins yesterday  
arrested a young negro man named  
Robert Hankins, who came up in the  
afternoon on the steamer *Southport*,  
the charge being the larceny of \$32  
from some one in Southport.  
The arrest was made upon the authority  
of a telegram received by Chief Par-  
son, early in the afternoon from  
Deputy Sheriff J. L. Daniels, of  
Brunswick county. The negro was  
carefully searched at the station house  
but no trace of the stolen money was  
found.  
As the boat landed at the pier, how-  
ever, the officers detected the negro in  
hurried conversation with the fire-  
man on the steamer, and thinking a  
clue could be obtained from an ex-  
amination of this personage, they re-  
turned to the steamer and with the  
assistance of Captain Peter Jorgensen,  
they induced the fireman to tell of the  
interrupted remarks of their prisoner,  
which led to the recovery of \$31 of the  
money, which was found concealed in  
an out-of-the-way apartment on the  
boat.  
Reformatory Needed.  
Petty thievery by what appears to  
be an organized band of small color-  
ed boys is growing to alarming propor-  
tions in the city, judging from the  
number of arrests that have been in-  
tercepted and locked up by the police  
during the past week.  
Yesterday Andrew Bell and Harry  
Thomas, two colored boys, scarce over  
twelve years of age were, arrested by  
Policeman Woebse charged with steal-  
ing a pocket knife and a number of  
tobacco from the feed room of the  
stables of the Home Brewing Com-  
pany on Water street. On ac-  
count of their youth, it is diffi-  
cult to conceive how they may be  
punished for such offences, and the  
need of a reformatory for such a class  
of criminals is in this and similar in-  
stances strongly emphasized.

## The Elks' Building.

The STAR learns that there is little  
doubt that the plans of Wilming-  
ton Lodge, No. 532, Benevolent and  
Protective Order of Elks, will be car-  
ried out. It is proposed to erect a  
handsome \$12,000 building, and al-  
ready the subscriptions amount to  
several thousand dollars.  
The committee recently appointed  
by the lodge to further the scheme  
consists of Messrs. H. J. Gerken, F.  
H. Stedman, Wm. J. Bellamy, R. W.  
Wallace, C. C. Chadbourne, M. W.  
Divine and Sam Bear. It is under-  
stood that they are making arrange-  
ments to have the Elk Company  
chartered, as the first step towards  
carrying out the plans for a building.  
The STAR wishes the Elks com-  
pletely success in their enterprising  
undertaking.

## Passed Away at Nearly a Hundred.

There died in this city yesterday morn-  
ing at 3 o'clock Mrs. Eliza C. Smith,  
who passed away at the residence of  
her son-in-law, Mr. Joseph C. Jones,  
1514 Market street.  
Mrs. Smith was doubtless the oldest  
resident of Wilmington, as she  
was born August 7, 1807, and con-  
sequently was in the ninety-third year  
of her age. She was five years of age  
when the war of 1812 broke out be-  
tween the United States and Great  
Britain. Mrs. Smith's daughter, Mrs.  
Jones, died several months ago and  
since then her aged mother has been  
in failing health. For one of her ad-  
vanced age, however, she has been  
very active and up to about a week  
ago she had been able to go about the  
house unattended. She was the widow  
of the late Mr. Wm. H. Smith, who  
died of smallpox in Wilmington dur-  
ing the civil war. He was her third  
husband and they were married in  
Fayetteville.  
The funeral of the aged lady will  
not take place until relatives, who are  
expected from Florida, can get here to  
attend the obsequies.

## Steamer Richmond Delayed.

Some apprehension is felt here for  
the welfare of the Clyde steamer  
*Richmond*, which sailed from this port  
Tuesday last for Georgetown, S. C.,  
and has not since returned, though  
she is more than two days overdue.  
She was reported in Friday's *New  
York Herald* as having sailed for the  
return trip to Wilmington on Thurs-  
day, 8th, but up to early this morning  
she had not put in her appearance.  
Her sailing day from here to New  
York has been on Saturdays, but she  
will be considerably behind her  
schedule this trip. It is probable that  
after sailing from Georgetown she en-  
countered rough weather and put to  
sea and will come in soon.

## PERSONAL PARAGRAPHS.

Miss Mabel Powers left yester-  
day for Atlanta.  
Mr. J. P. Pittman, of Dunn,  
arrived in the city last evening.

Olive, was in the city yesterday.

boro, spent yesterday in the city.

Newton, is a guest of The Orton.

neapolis, is registered at the Orton.

made business calls here yesterday.

day morning for Marion, S. C., to  
visit relatives.

lotte, was among the arrivals in the  
city last night.  
Dr. W. B. Murphy, of Toma-  
hawk, was a welcome caller at the  
STAR sanctum yesterday.  
Messrs. James and George  
Singletary, of Bladen county, were in  
the city on business yesterday.  
Capt. W. H. Newell, master of  
trains of the Norfolk & Carolina rail-  
road, Norfolk, Va., spent yesterday in  
the city.  
Mr. Hugh O. Wallace and  
bride went yesterday to Kennan-  
ville, to visit Mr. Wallace's parents,  
Mr. and Mrs. E. Wallace.  
Mr. Walter D. Carstarphen, the  
well known travelling representative  
of Messrs. Austin, Nichols & Co., of  
New York, came in last night and is  
registered at The Orton.  
Capt. E. H. Weaver, a promi-  
nent insurance man of New Haven,  
Conn., and Mr. F. S. Pendleton, of  
the shipping firm of Pendleton Bros.,  
New York, both of whom have been  
in the city for several days on busi-  
ness connected with the libelled  
schooner *Penobscot*, left last evening  
for their homes.

## WILMINGTON'S CONTRIBUTION.

Has Already Given \$1,232 for Success of  
Constitutional Amendment.  
[Raleigh News & Observer, 10th.]  
The men who have organized to  
fight the Constitutional Amendment do  
not conceive the magnitude of the  
task they have undertaken. If they  
understood the determination—de-  
seated and not to be shaken—of the  
white people to be rid of the great  
mass of ignorant negro voters they  
would pause before trying to over-  
come a people who have sworn that  
the whites shall rule the land or  
die.  
As one indication of early activity,  
we may note that, through Mr. Wm.  
Gilchrist and Mr. Hugh MacKee,  
a number of ardent Democrats of Wil-  
mington yesterday sent the State  
chairman \$1,232 in cash to help cir-  
culate literature in the initial work of  
the campaign. They write that there  
are other contributions that will be  
sent later.  
When before in North Carolina did  
business men, six months before the  
election, contribute money to send out  
literature in inaugurating the cam-  
paign? They write that there are  
other cities, and the are resolved not  
to permit such a plight to befall their  
progressive city again if they can  
prevent it. They are Democrats and  
loyal citizens, and they write that their  
early contributions. It is in the  
nature of a thank offering for their  
deliverance through the white  
man's Legislature and a way of show-  
ing that they have enlisted for the full  
campaign until White Supremacy is  
made permanent.

## CRIMINAL COURT IN NASH.

Two Negroes to Hang March 15th—Other  
News from the County Seat.  
[Special Star Correspondence.]  
NASHVILLE, N. C., Feb. 10.  
This is the closing day of one of the  
largest criminal courts ever held in  
Nash county. There were five de-  
fendants to be tried for their lives.  
One of them, Giliee Allen, for arson,  
was acquitted because the State failed  
to make out a case. Two negro boys,  
John Taylor and Robert Fortune,  
were convicted of the murder of  
Robert Hester on December 21, 1899.  
It appeared that these young negroes  
lay in wait for Mr. Hester, who was  
on his way to Rocky Mount. They  
asked him for change and when he  
looked out his money to give them  
change they presented pistols and one  
shot twice and the other once. Mr.  
Hester died in four days. The boys,  
one of whom is about 21 years old  
and the other about 19, are to be  
hanged on the 15th of March next.  
This will be the first hanging in Nash  
county in two generations.  
People are selling the remainder of  
their cotton and seem pleased with  
the advance in price.  
The amendment is beginning to be  
discussed among the masses now and  
is growing in favor. Judge Connor,  
we learn, will make some amendment  
speeches for us soon.

## NEW ADVERTISEMENTS.

## EVERY YOUNG LADY SHOULD!

Have a nice Dress by buying one of our  
paying a small amount each week or month as  
you may prefer "Purses" or "Pins Money."  
You cannot commence too early to ingre-  
dient mathematical lessons into your boy's  
education by getting a nice neat desk and  
let him do his "family" school work. In ad-  
dition a desk will keep ink stains off the dining  
and study table—save the trouble of buying  
all over the house for stationery, and is the  
place to put the receipts which oftentimes  
lose you from paying a bill twice, and some-  
times thrice.
