Whether trade follows the flag or not, tariffs seem to go that way.

A Wilkesbarre, Pa., woman proposes to do her divorce business in job lot style. She wants a divorce from three husbands all at once.

California is getting to be a great kerosene oil producer. The monthly output is now about 160,000 barrels, with a prospective increase.

England had better keep on good terms with this country, for we ship her annually about \$269,233,832 worth of stuff, most of it something to eat.

The Maryland Legislature, which has just adjourned, cost \$136,000, which, according to the Baltimore Herald, was about \$135,998.64 more than it was worth.

It is said that the Navy Department in Washington is considering a plan of a boat to be run by electricity, which will split water at the rate of fifty miles an hour, with bunker capacity to run her 4,000 miles.

The people of New York have become so accustomed to bogus gold bars that they wouldn't pick up a gold bar if they saw it on the sidewalk. A fellow who dropped a genuine one a few days ago got it back in a little while.

Taking advantage of the free advertising he has had, Rev. Mr. Sheldon, who for a week ran that Topeka paper as he said Christ would, is going on the lecture platform. Some men have no consideration for the public.

The general impression was that Idaho is a pretty good country for a large part of the year, but, according to its Governor, there is a part of it in the Cour d'Alene mining section which is very warm. He says it has been "a hell on earth for ten years."

There are now in Pennsylvania silk mills in forty-two towns, all established since 1897. There are sixty-six mills in the State. Many of these are in sections where formerly iron-making was the great and about the only manufacturing industry.

It is said that Arginaldo comes to Manila in disguise and attends balls whenever he feels like it. All he has to do to disguise himself is to put on some other fellows clothes, and then he looks like the other fellow. All those coons look alike to the Yankee eye.

—Mr. W. G. Harris, of Birmingham, Ala., is here visiting his venerable mother, who is very sick at the home of her daughter, Mrs. G. M. Altamir.
—Mrs. Ernest Holt, after several days very pleasantly spent in the city, the guest of Mrs. E. C. Holt, on Market street, returned yesterday to her home at Greensboro.
—The numerous friends of Mr. James W. Monroe will learn with pleasure that he is steadily improving. He has not yet recovered the power of speech, but gives evidence daily of returning vitality.
—Major General Brooks and Capt. Dean, of the United States Army, arrived in the city yesterday morning and went down to Fort Caswell in the afternoon aboard the U. S. Engineer's yacht *Mary Lilly*.

Stricken with Paralysis.

Mrs. M. E. Gill, of this city, received a telegram yesterday morning conveying the sad intelligence that her brother, Mr. Ben. Marsh, of Salisbury, N. C., had been stricken with paralysis, which it was feared would prove fatal. Mr. Marsh was a former resident of Wilmington.

RIVER IMPROVEMENT

Chamber of Commerce Endorses Efforts Towards Opening of Shelter River.

EX-SHERIFF POWERS HERE.

He Presented Claims of Pender Citizens at Mass Meeting at Maple Hill—A Resolution Offered by Capt. T. D. Meares.

The Wilmington Chamber of Commerce, at its regular monthly meeting held yesterday afternoon, decided to endorse the action of the citizens' meeting at Maple Hill, Pender county, some time ago, relative to the improvement of Shelter river, in that county, and it also agreed to use its best efforts in common with the citizens interested in urging Congress to make a substantial appropriation for the contemplated improvement at the next session, when the river and harbor bill will be made up.

Upon the occasion of the meeting of Pender citizens at Maple Hill, the STAR published in its correspondence the proceedings of the meeting and referred to the inestimable benefit that would accrue from an opening of this stream to navigation by small steam boats. Yesterday the attention of the Chamber was formally called to the movement by ex-Sheriff K. F. Powers of Maple Hill, who was in the city and present at the meeting, by appointment of the Pender meeting to request the Wilmington Chamber of Commerce to join hands with them in their efforts in this direction.

The meeting yesterday afternoon was called to order by Mr. Marcus W. Jacobs, first vice president, and after the disposition of the usual routine business, Mr. Powers, by request, explained the object of his visit. He said that with confidence inspired by the earnest efforts of Wilmington business men for the best interests of their own people and those who contribute to their prosperity, he was present to ask them to join in a petition to Congress for the improvement referred to. He said that with the expenditure by the government of a nominal amount on Shelter river, steamboat transportation could be had into one of the most fertile sections of Southeastern North Carolina, from which center under existing conditions it is necessary to carry the products of the soil in cars and wagons at a great expense, thus retarding any great production of crops and barring others that would give employment to many people.

THE STATE CONVENTION.

Col. W. J. Woodward Has Named the Fifteen Delegates from New Hanover. Alternates Also Selected.

Col. W. J. Woodward, Chairman of the Democratic County Convention, to whom was delegated the power to name delegates to the State and Senatorial Conventions, has made the following announcements as to the State meeting, which will be held at Raleigh next Wednesday:
Delegates—Dunaway, McEachern, J. Allen Taylor, Wm. Gilchrist, C. W. Worth, B. F. King, E. K. Bryan, M. J. Heyer, L. B. Basser, W. R. Kean, J. W. Jackson, Marsden Bellamy, W. A. Johnson, James I. Metts, W. E. Worth and S. P. McNair.
Alternates—W. H. Sprunt, J. C. Stevenson, G. H. Smith, J. H. Waters, Roger Moore, W. B. Cooper, L. Blumenthal, Clayton Giles, B. F. Hall, W. H. Bernard, F. E. Ashagan, R. W. Hicks and G. J. Boney.

It will be seen that New Hanover is entitled to fifteen votes in the State Convention.
Delegates to the Tenth Senatorial district convention will be appointed later. The date for the Senatorial convention will be named later by the executive committee of New Hanover and Brunswick counties, which comprise the district.

Organ Fund Society.

The Young People's Organ Fund Society of Grace M. E. Church met in regular monthly session in the lecture room last evening. The business was principally routine and several reports were heard, the most interesting and gratifying of which was that of the treasurer, which showed the amount collected for the new organ fund during the past month to be \$72.70. Since the work of raising a fund for the purchase of a new instrument was inaugurated \$1,666.51, all told, has been collected. The society will meet on the first Thursday evening after Easter in VanLaer's music hall to arrange for the next entertainment.

Bevy Tender Whistlers.

The United States buoy tender *Wisconsin* arrived in port yesterday from Charleston on one of her regular inspection trips and tied up at the Clyde steamship wharf until about 3:30 o'clock in the afternoon when she proceeded down the river. She came in at Southport Monday evening for the purpose of visiting the light ship but on account of strong head winds, she decided to come up to this port and postpone the regular visit until today.

Another Damage Suit.

It is understood that William J. Bellamy, Esq., attorney for Dr. J. H. Mask, the colored physician, will today bring suit in the Superior Court in behalf of Dr. Mask's mother, whom it will be alleged was thrown from a buggy by reason of certain excavations that were said to be negligently left without safeguards by the city in the vicinity of Seventh and Brunswick streets. It is reported that \$10,000 will be asked for.

FIREMEN'S TOURNAMENT

Wilmington Street Railway Contributed \$100—The Advertising Committee Active in Its Efforts.

Capt. W. P. Monroe and the members of the Hook and Ladder Company were very busy yesterday stamping envelopes, advertising the Firemen's Tournament and the work will continue from day to day. They had envelopes to stamp yesterday for the following firms: West & Co., R. U. DeRosset, H. J. Gerken, W. E. Springer, Chesnut & Barentine, H. E. Munson, A. Shrier, I. M. Bear & Co., George R. French & Son, N. B. Rankin, The Orion, Seaboard Air Line, Hall & Pearsall, Vollers & Hasaghen, Corbett & Co., Cooper & Cooper, G. J. Boney, J. D. Nutt, J. H. Clinks, Bunting, J. G. L. Gieschen and R. F. Hamme.

In this way the advertising committee is doing some good work. It was remarked yesterday that the Chamber of Commerce of Charlotte had contributed \$1,000 toward the Twentieth of May celebration, and it was suggested that it would be a graceful thing for the Wilmington Chamber to make some recognition of the coming event, which augurs so much for the advancement of the city's interest. A contribution was made for the entertainment of the officers of the Raleigh upon the occasion of her visit to Southport and it was cited that the tournament here will be of vastly more importance to the commercial welfare of Wilmington.

The Wilmington Street Railway heads the list of subscriptions this morning with \$100, and the finance committee is waiting for all others who may wish to come forward with any amount from a dime to five hundred dollars.
The papers of the State have been very friendly to the cause since the announcement of the tournament here and it only remains for Wilmington's public spirited citizens to lend a helping hand with liberal subscriptions.

Yesterday's Asheville Citizen says: "Hook and Ladder Company No. 1 will attend the firemen's tournament to be held in Wilmington July 10 to 13. The company will be the guests of the Wilmington Fire Department, Teams from Virginia, Georgia and South Carolina, as well as from various cities in the State, will attend, and a large number of prizes will be awarded.
"The boys expect to run an excursion train from here to Wilmington."

Death of Dr. J. M. Worth.

The STAR sincerely regrets to learn of the death of Dr. John M. Worth, at his home in Asheboro, Randolph county, yesterday. Dr. Worth was about 87 years old and had been for some time in declining health, but until quite recently took an active interest in progressive movements in his county, and always an active interest in public affairs. As a true, sterling man, citizen and Democrat, he commanded universal confidence, and as State Treasurer for years, he did more than any other man in it to rehabilitate the State financially and establish her credit. His administration was such a success, and so closely did he guard the State's revenues and see that they were properly disbursed, that he became commonly known as "Honest John Worth." In addition to being a man of unquestionable integrity, of unwavering devotion to the principles he believed in, and of great executive and financial ability, his character was plain, honest dealing, and contempt for pretenses and schemes of all kinds. In his death the State loses a devoted and honest son, in whose long career there is no blemish.

Dr. Worth was a brother of the late Governor Worth and of Mr. B. G. Worth of this city. The latter lived here several days ago to be with his brother in his last illness. The funeral is announced to take place in Asheboro to-day.

The Elk's Home.

Mr. Frank Sawyer, of the firm of Hook & Sawyer, architects, arrived in the city yesterday at noon from Charlotte to confer with the building committee of Elks relative to the new Elks Home, which it is proposed by the Wilmington lodge to erect on North Front street and for the construction of which a corporation of Elks has already been formed. Messrs. Hook & Sawyer's sometimes ago submitted plans for the new building and reference to the same has already been made in these columns. The building committee with which Mr. Sawyer was here to confer, met last night in the Seaboard Air Line building and discussed the matter over in detail. There was, however, nothing from the conference for publication.

NEW BUSINESS HOUSE.

North Front Street Will Very Soon Be Graced by Another Handsome New Store Building.

Front street is soon to have another handsome new brick building and the date of its completion and occupancy is probably not far in the distance. The site is to be on the grounds of the old Merchant's Association park nearly opposite the Seaboard Air Line building and Mr. George O. Gaylord will occupy the building with his big Racket Store, which is now located opposite The Orion House. It is hoped to have the building completed and ready for occupancy by October 1st, although the final details of the movement to build have not yet been arranged. It is learned that Mr. D. L. Gore will own the building and lease the property to Mr. Gaylord. It will be 100 feet long and will probably be from forty-five to fifty feet in width. Mr. H. E. Bonitz, Wilmington's enterprising architect and builder, has submitted plans, which will in all probability be accepted and the contract let in a short time. It is said that the new structure will be one of the handsomest of Front street business houses.
The building which Mr. Gaylord now occupies will be turned over to Oregon 1st, to Messrs. Morris Bear & Bros., from whom he has leased for the past five years.

MR. JOHN E. NELMS.

Passed Away at His Home in This City Very Early Yesterday Morning.

Friends in this city will mourn the loss of Mr. John E. Nelms, one of the foremen in the Atlantic Coast Line car building department, whose death occurred yesterday morning at 2:10 o'clock at his late residence, No. 710 North Fourth street, this city.
Mr. Nelms was 53 years of age and had for only a few days been ill, his death being attributed to acute Bright's disease. He was a native of Nash county and has been continuously in the employ of the Atlantic Coast Line for fourteen years. He came to Wilmington twelve years ago and first took work in the road way department. Two years later he entered the car building department, and was employed there at the time he was taken sick. He was a quiet, unassuming man and was faithful to every duty, discharging each task with that precision and determination which marked his course through life and won for him many close friends.

Deceased was twice married, and one daughter of the first wife's children survives him. She is Mrs. C. L. Ottoway, of Brunswick county, who arrived yesterday morning at 10 o'clock with the grief-stricken family. His second marriage was with Miss Kate D. Swift, who, with four sons—Messrs. S. O., Alex., Carl and Norman—also survive him, and have the sympathy of numerous friends.

The funeral will be from the late residence this morning at 10 o'clock by Rev. J. P. Porter, and the interment will be in Bellevue cemetery.

Mr. Nelms was a member of the local lodge of Hephlopians, and was also a member of the A. C. L. Relief Department.

HIBERNIAN SOCIETY.

Installed Annual Officers at a Well Attended Meeting Last Night.

ORATION BY MR. JOHN DYER.

Society Presented With Handsome Picture of Col. Jas. L. Cantwell, a Distinguished Member—Refreshments Were Served.

The first meeting of the Hibernian Benevolent Society after the annual session on St. Patrick's Day is always interesting and last night it was made doubly so by the large number of interesting features that were introduced in addition to the regular routine of business. The society is social as well as benevolent and last night this branch of its work found a happy observation in several points on the informal programme.

First came the installation of officers for the ensuing year elected on St. Patrick's Day and these were inducted into office in their order as follows:
President—Mr. M. O'Brien.
Vice President—Mr. Wm. Sheehan, Jr.
Secretary—Mr. F. P. Donlan.
Asst. Secretary—Mr. D. M. Carroll.
Treasurer—Mr. James Allen.
Standard Bearer—Mr. Thomas Murrin.

Following the installation came the annual oration by Mr. John Dyer, delivered in his characteristic forceful and eloquent manner, which was teeming with patriotic sentiment and expression. He referred to the struggle in South Africa and highly exploited the indomitable courage and bravery of the Boer people.

Col. Jas. L. Cantwell followed in an address replete with splendid utterances and forceful argument. He referred in pleasing manner to the permission by the Queen to the Irish soldiers for the wearing of their national emblem and the participation in St. Patrick's Day festivities by English subjects.

It was announced that the annual ball by the society on Easter Monday night would be held this year as usual and the following committee was announced to arrange for the same: Messrs. M. O'Brien, chairman, Wm. Sheehan, Jr., T. Donlan, F. P. Donlan, James Madden, Thos. Torpy, J. H. Sweeney, D. M. Carroll, James Allen, P. H. Hayden, Wm. Sheehan, Sr., D. Quinnivan, Jno. W. Reilly.

After the transaction of the usual business, a delightful spread of seasonal refreshments was served by the newly elected officers complimentary to those in attendance and a royal time was probably one of the most interesting features of the evening was the presentation to the society by Mr. Timothy Donlan of a large and handsome portrait of Col. John L. Cantwell, one of the most active workers for the promotion of the objects of the society and a distinguished veteran of two wars. The portrait was received on behalf of the society in well arranged words by Mr. James Madden. The picture of Col. Cantwell is taken in the regulation Confederate gray uniform, and upon his breast is pinned a badge of honor awarded for efficient service and soldierly qualities displayed in the Mexican war.

THE FIRES YESTERDAY.

Cape Fear Lumber Company Sustained About \$500 Loss to the Dry Kiln. Four Other Alarms.

The firemen had a busy day of it yesterday and there was little time to talk "tournament."
At 10:40 o'clock yesterday morning an alarm of fire came in from box 124 and was caused by a fire in one of the large dry kilns in the yard of the Cape Fear Lumber Company, on Front near Davis street. The flames are supposed to have originated from spontaneous combustion and were not extinguished until a loss by fire and water was sustained which will probably amount to \$500. The loss is covered by insurance.

Another lot of those Nice Apples, Pears, Bananas, Oranges and Cocoanuts. Let me have your order. I can serve you with the Best.

Damaged by the Cold.

The continued cold weather and light frost during the early part of the week have without a doubt resulted disastrously to some extent to the growing truck crops in the Eastern Carolina belt. Growers who were here yesterday from various sections did not hesitate to say that besides being injured by the cold, the crop is retarded materially. The wind yesterday morning kept off the frost but the temperature, which was only two degrees above freezing, considerably worsened the young and tender plants of various varieties. Mr. W. J. Boney, of Wallace, who was here yesterday told of material damage to strawberry plants in low places and reported some loss. Mr. D. W. Wells, of Columbus county, also reported loss and spoke of damage to crops in his vicinity. East Wilmington truckers do not speak so discouragingly of the prospect but admit some damage to strawberries and the like. The moderation in the temperature, which came last night, was welcomed by the planters.

WHAT Happened to Jones?

We ask your investigation of our stock of goods usually carried in a large Grocery establishment. While we endeavor to secure and obtain the favor of purchase, we also strive to give our customers pleasure as well as a profitable transaction to us—and also to our finances are presupposed for the successful handling of business entrusted to us.

We sell Provisions, Corn and Oats, Meat, Hay, &c. We have a consignment of MULLETS which will be closed out low.

OLLERS & Hashagen,

Wholesale only.

Is It Satisfactory?

That's the question that goes with every purchase here. If it's not satisfactory, bring it back to-day. No money back, but we'll get your money. It is this absolute assurance of fair dealing that makes our customers say "It's no cry at all to trade the unwary into a trap." We have a lot of goods to avoid returning money on dis-claimed purchases. It's not our policy to avoid returning money on dis-claimed purchases.
