INDICTMENTS OF YESTERDAY.

The Criminal Court had another long Session—Cases Were of Little General Interest—Judgment in the Sheridan Case.

The grand jury of the present term of the Criminal Court threw a bomb shell into the business world of the city yesterday morning when about 17 of the most prominent commercial and professional men were served with subpoenas, instant, summoning them to appear in court to answer charges of failure to pay Schedule B tax, which is due and payable the first ten days of June. Those who were summoned took the earliest way out of the difficulty and paid up all arrears and the cost, which amounted to something over \$8 in each case. Many of them, too, expressed great indignation that they should be hauled up before the court and made to pay costs, which in some instances amounted to more than the amount due. Several claimed that they had no notice of the tax due, and while they could not expect, strictly speaking, for the authorities to notify them, a precedent established led them to believe that they would be notified before radical steps were taken. They also say that notices through the press were very unsatisfactory in that, for the sake of brevity, they did not enter into details and no self application could be made.

The authorities, however, claim that delinquents were notified in person from one to half a dozen times and that at the beginning of the court the papers, by request, stated that the solicitor would enter a vigorous prosecution in such cases. They further also very properly say that they were not obliged to make any notification whatever; that the authorities regretted to take such a step, but that "patience had ceased to be a virtue."

There are about twenty bills returned in such cases, but only thirteen have thus far been executed. Others will likely follow to-day.

The court proper yesterday held another long session and an adjournment for the night was not taken until 7 o'clock. None of the cases was, however, of much general interest. Judgment was entered in the case of Mamie Sheridan for keeping a disorderly house. She was required to pay a fine of \$100 and costs amounting to about the same as the fine.

The case against young Riley Smith for stabbing Lonnie Gurganus came up and Smith was fined \$25. Gurganus was fined \$10 for assault and battery with a deadly weapon.

The following is the docket of the cases disposed:

Mamie Sheridan, disorderly house; \$100 fine and cost; cost to be paid cash and capias to issue if fine is not paid on Monday or capias to issue.

B. A. Carter, assault and battery with a deadly weapon, not guilty.

Riley Smith, submitted to assault and battery with a deadly weapon on Lonnie Gurganus; fined \$25 and cost.

Lonnie Gurganus, assault and battery with a deadly weapon on Riley Smith; fined \$10 and cost, same to be paid Monday or capias to issue.

Isiah West, assault and battery with a deadly weapon, not guilty.

Henry Little, assault and battery; judgment suspended on payment of costs.

Josh Simons, larceny of money; guilty; judgment reserved.

The following talemans are summoned for duty to-day: J. T. Harper, L. L. Eritchard, R. E. Fowler, Josh McIntire, Charles W. Worth, A. H. Evans, B. H. Marshall, W. D. Huhn, James E. Bunting, W. Vann, G. A. Bishop, T. J. Pratt, C. E. Smith, L. W. Baggett, John G. Kuhlken.

A Game of Base Ball.
An interesting game of base ball between the "Brooklynites," captained by Jimmie Register, and the "Wilmington Juniors," captained by E. M. Wilson, was played yesterday afternoon at 4:30 o'clock on the O. A. N. grounds. The Juniors were victorious in a score of 9 to 13 after a hotly contested game. The batteries were Jacobs and Chadwick for the Juniors and Lietzen and Register for the opposing team. The umpire was Ed Bremer.

Players Homeward Bound.

Willa, Rea and Collier, three of the most skillful and popular players on Wilmington's base ball team, left yesterday morning for their respective homes at Charlottesville, Va., Crozet, Va., and Memphis, Tenn. They all want to come back to Wilmington next season if a team is put in the field, and their record this year will ensure for them a royal welcome, whether they come this way again as players or visitors.

Died at Florence.
Mr. W. J. Kirkham received a telegram yesterday afternoon announcing the death of his brother, Mr. C. Kirkham, at 12:40 o'clock at Florence, S. C. Deceased was a well known engineer of the Atlantic Coast Line and had numerous friends here. He leaves to mourn their loss two sons and one daughter, all of whom are grown. The interment will probably take place at Lynchburg, Va., Mr. Kirkham's former home.

WANTS FACTORY LOCATION.

Chamber of Commerce Will Try to Induce Manufacturer of Tanks, Etc., to Locate Here.

The meeting of the Chamber of Commerce was not held yesterday afternoon for the lack of a quorum but a number of matters pertaining to Wilmington's commercial advancement and withal the assembling of the few present, despite the very hot weather, and the enthusiasm shown, is indicative of a spirit which is commendable in Wilmington's business men.

One of the most important matters that came up was the notification of the Chamber by President Jacobi of the fact that a gentleman in Florida is casting about for the location of a manufactory of tanks, woodenware, etc. One of the essentials to the establishment of this enterprise and one which Wilmington possesses, is a bountiful supply of cypress timber. The gentleman in question also desires five acres of land upon which to establish his plant. He states that his factory will employ about forty men at the start and that the number will be increased as the enterprise succeeds.

President Jacobi referred the letter to the Committee on Information and Statistics, which is composed of Messrs. C. C. Covington, J. B. Mercer and J. G. L. Gieschen.

The Secretary was instructed to notify other committees to which a number of matters have been referred, that early reports on same are earnestly desired.

THE WEATHER YESTERDAY.

Thermometer Easily Duplicated Figures Shown on Day Previous.

The weather again yesterday was extremely warm and the record of the day before was duplicated, much to the discomfort of those not blessed with the virtue of patience in an abundant measure.

The thermometer dilly dallied along during the early afternoon, refusing to climb—probably on account of the indifference provoked by the weather to its high a notch as attained on the day before, but between 4 and 5 o'clock it could stand the pressure no longer and readily registered the maximum ninety-seven—the same as on the day previous. The minimum for the day was 74, reached early in the morning, probably about 5 o'clock when everybody wanted to sleep.

Private thermometers on a level with the streets did not hesitate to record 104 in some places and those to as high a notch as attained on the day before, by a less exacting public, who chose to make the worst of the condition.

Wilmington is, however, faring much better than her neighbors record from the coast. When it was 97 here Wednesday, the maximum at Cheraw was 103; at Florence, 100; at Lumberton, 99, and at Charleston, 98.

Observer Peiger last night said that the indications are for continued fair and warm weather.

DEATH OF MR. JAS. H. CARR.

Died at His Home in Duplin Yesterday Afternoon—The Funeral.

The STAR chronicles with regret the death of Mr. James H. Carr, father of J. Carr, Esq., a talented and popular member of the Wilmington bar, which occurred Wednesday afternoon at 1:30 o'clock at his late residence at Xenia, Duplin county, N. C. The STAR yesterday made reference to a telegram summoning Mr. J. O. Carr to his bedside and he left just in time to reach his home two hours before his father's death.

Deceased was about 65 years of age and was a prosperous farmer and one of the best known and most substantial citizens of his county. He was twice married; first to Miss Maggie Fisher and this union was blessed by one daughter who is now married. He was married the second time to Miss Susan Dickson and five children were the result of the union. They are: J. O. Carr, Esq., of Wilmington; Mr. R. D. Carr, a merchant at Xenia; Mr. Henley Carr and Misses Lucy and Mary Carr.

The funeral was held yesterday afternoon and the interment was in the family burying ground near Xenia. The bereaved members of the family have the sincere sympathy of a wide circle of friends.

Jr. O. U. A. M. Excursion.
About 800 people availed themselves during yesterday and last night of the opportunity afforded by the first annual excursion to Carolina Beach by the Junior Order of American Mechanics. The weather was just warm enough to drive people most anywhere outside of the city and the cooling breeze of a trip on the steamer was just what the people wanted. There was music and dancing at the beach and on the boat refreshments were served. The excursion was highly successful from every point of view, and Jeff Davis Council is to be complimented upon it.

Died in Germany.
Mrs. Anna Hashagen, relict of the late Henry G. Hashagen and well known by many friends in Wilmington, died at her home in Hanover, Germany, July 25th, at the age of sixty years. She is survived by two children, Mr. William Hashagen and Miss Anna Hashagen, both of Hanover. She was also the step mother of Mr. F. E. Hashagen, of Wilmington, and has visited here often.

COUNTY AFFAIRS.

Meetings of Board of Hospital Managers and the Finance Board Yesterday.

PRINCIPALLY ROUTINE WORK.

Reports of County Treasurer Green and Superintendent Lane—Compos Destroyed Which Had Been Paid. Other Matters of Interest.

There were meetings yesterday afternoon of the Board of Managers of the City Hospital and of the Finance Committee of the Board of County Commissioners, but business principally routine was discussed.

Upon the meeting of the Hospital Managers all members were present, including Chairman McEachern (presiding), Commissioners Montgomery and Holmes and Aldermen Springer and Spencer.

The report of Dr. W. W. Lane, the superintendent, which was read, shows the following statistics with reference to the work of the institution during the month: Patients treated, 24 city, 12 county and 10 pay. Total, 46. With respect to color, 10 were white males, 15 white females, 18 colored males and 5 colored females. Patients remain in the hospital June 30th, 13; admitted during July, 38. Patients discharged during month, 31; died, 4; remaining August 1st, 21. Pay patients treated, 143 days; charity patients, 405 days. The average cost per capita per day for subsistence was 16 cents. The total cost of sustenance was \$161.22 and that for general expenses \$163.94 which with the pay roll amounting to \$174.50, makes a total of \$499.66. The receipts were: From city \$166.66; county, \$250; pay patients, \$126; prescriptions, \$35.74. The receipts over expenditures were \$68.74.

Bills for current expenses were examined and approved. It was also reported that very good progress is being made on the James Walker Memorial Hospital and that the building will be one of the best in the city. Mr. Walker is superintending the work personally and this is sufficient guarantee that it will be a lasting testimonial not only to his commendable generosity and philanthropy but to his skill and judgment in superintending construction of this character.

The Finance Committee, of the Board of Commissioners was presided over by Chairman McEachern and Messrs. Holmes and Vickers were in attendance. Bills for current expenses were audited and approved and sixty-eight coupons amounting to \$450, which had been paid, were burned by the board.

The report of County Treasurer H. McE. Green was also audited and approved. From it appears the following statement of the county finances:

LOCAL DOGS.

The Clyde steamship Onaida passed up from Southport from her Georgetown trip at 9:30 o'clock yesterday afternoon.

The Atlantic Yacht Club will give a frolic at its club house to-night. Music will be furnished by Miller's orchestra and there will be a late train.

The schooner James H. Hoyt, 394 tons, sailed from New York for Wilmington Tuesday laden with fertilizer material for the Virginia Carolina Chemical Company.

Delia Davis, Frances Hunter, Lizzie Clowe and Henry Ferguson, defendants of Lattimer's alley, were before the Mayor yesterday charged with disorderly conduct. The case was continued until to-day.

Josh McGuire, the negro who was severely cut by Mary Brown a few days ago, and who had to be taken to the City Hospital, was unable to attend the hearing before Justice McGowan yesterday morning and the case was accordingly postponed.

A defective fue in the kitchen of the residence of Mr. E. J. Jordan, No. 116 Red Cross street, caused a slight blaze there yesterday afternoon
