THE FATE OF KINSAULS.

Governor Russell Writes William J. Bel lamy, Esq., for More Letters and Arguments.

William J. Bellamy, Esq., wired Gov. Russell day before yesterday to find out what had been decided with regard to the petition for the commutation of the sentence of Archie Kinsauls. Yesterday he received a letter asking him to put his case in writing and promising to give it attention. Mr. Bellamy at once prepared a long document setting forth the reasons why he thought the sentence of Kinsauls should be commuted and sent it on. In the Governor's letter it was stated that he had expected to get to Wilmington this week but was unexpectedly detained in Raleigh. Mr. Bellamy is confident that he will hear the result of the petition by to morrow.

The date for the execution is September 7th. One week from to-day, therefore, unless Governor Russell will intervene Kinsauls will hang.

The Seashore Hotel. So successful has been the season at the Seashore Hotel under the excelas to necessitate material improvements before the opening of the season of 1901, chief among them being the addition of sixty rooms. Several times during the present season the accommodations proved insufficient for the rush of seaside visitors; but next year this trouble will not occur. Mr. Hinton's management has given universal satisfaction, and he will have a "full house" next season.

The Law Requiring Registration of All Stills and the Penalty for Pailure to Register.

The article which appeared in the STAR a few days since concerning the Federal law requiring the registration of turpentine stills and providing for a penalty of \$500 on each still not registered by September 1st, stirred up the turpentine operators throughout this section, not one of whom seems to have known of the existence of such a law. TAKEN TO WHITEVILLE.

Deputy Sheriff Carter Arrived Yesterday and Identified Henry Seals.

Deputy Sheriff L. W. Carter arrived resterday from Whiteville to identify the negro Henry Seals, who was arrested here Tuesday for stealing the horse of Mrs. F. W. Boege, of Whiteville. As soon as Mr. Carter saw Seals, he was able to positively identify the negro, for it was to Mr. Carter that Seals sold the stolen horse.

Mr. Carter said Seals had been going from place to place in Columbus county preaching and stirring up the negroes in general. He passed as an evangelist for quite a while. Mr. Carter left yesterday afternoon with his prisoner for Whiteville to place him in the Columbus county jail.

Returned from Germany. Messrs. Jno. H. Kuck and George Schnibben arrived last evening, after Favetteville to deliver an address bean absence of several months spent in the "old country." A BEAUTIFUL GERMAN

GIVEN LAST NIGHT.

Masonic Temple Bail Room Was the Scene of a Lovely Dance-Many Couples Participated--Notable Success.

A beautiful german was danced in the Masonic Temple ball room last night, and it was participated in by quite a number of couples, mostly of the "younger set" of society folk. It was the first german of the season and was a brilliant success.

The german was very gracefully led by Mr. Harry G. Smallbones, Jr., who introduced some new and very attractive figures, and acquitted himself admirably. The german was concluded in the early hours of this morning and was pronounced by all who were present to have been a delightful success. There were many spectators in the gallery. The chaperones were: Mrs. A.

Gore, Mrs. E. R. Daggett, Mrs. B. O. Stone, Mrs. Walker Taylor.

Following were the couples who participated: Miss Tallulah DeRosset with Alfred Jewett; Miss Amie Harlow with Benj. Bell, Jr.; Miss Hasell Love with Willie Bellamy; Miss Nessie Cotchett with Zack Bell; Miss Bessie Gore with Harry West; Miss Beth Daggett with Willie Watters: Miss Rena Johnson with Preston Cumming; Miss Mary Wiggins with Will Gordon; Miss Emma Northrop with S. Nash; Miss Bettie Johnson with Oscar Peck; Miss Norah Angel with Joe Watters; Miss Janie Williams with George Parsley; Miss Julia Parsley with Joe Armstrong; Miss Emma West with Thomas Pierce.

CONGRESSMAN JOHN D. BELLAMY.

He Will Make a Vigorous Campaign in the Sixth District.

Congressman Jno. D. Bellamy make a vigorous campaign, beginning Sept. 10th, the time fixed by the State Executive Committee for the national campaign in this State to open. He will not depend on the majority won in the previous congressional contest, but will go in to make it still larger. Of course he is confident of re election but prefers to be on the safe side and to avoid all possible danger arising from apathy or disaffection of any sort. Therefore he has made up his mind to go up and down the old Sixth from the tenth of September up to the sixth of November, not neglecting any section. He will make out his own itinerary and will have it prepared in the course of several days.

BEGUN SCHEDULES YESTERDAY.

The Two Boats of the Wilmington and Little River Transportation Co. The two boats of the Wilmington

and Little River Transportation Company began their new schedules yesterday, the Compton, Capt. W. A. Sanders, clearing for Little River and Calabash, and the Seabright, Capt. John L. Price, clearing for Shallotte. It was feared that the Seabright would not be able to reach her destination on account of the shoals in Shallotte river. Steamers have not been running up this river previously. All the transportation of freight has been by sail

Excursionists Coming and Going.

After two days of pleasure and sight seeing in and around the city, our friends from Salisbury and other points on the Southern Railway returned home last night, leaving at 8 o'clock. The beaches proved very popular for the visitors and all who went to sea on the Wilmington were delighted with the trip.

Hatch Brothers will bring down another big excursion from Spring Hope and intermediate points to-day. The train will run through to Wrightsville but will return to the city this afternoon about 5 o'clock.

Club Dance To-Night.

Every indication points to a brilliant frolic at the Carolina Club to-night. In view of the fact that it will be the last dance of the season by the club, the arrangement committee is doing all in its power to make the occasion one of rare enjoyment. All members of the Atlantic Yacht Club are extended a cordial invitation to be present and many will avail themselves of the pleasure. The best music available will be secured. A late train will be run to the city, leaving the beach at 11 o'clock.

Will Address the Teachers.

Prof. M. C. S. Noble, of the University of North Carolina, who has been here on a visit, will leave to-day for fore the Teachers' Institute of Cumberland county. He will speak on the "Relation of the Public Schools to the University."

Was Only a Rumor.

A rumor got out yesterday afternoon that two boys were drowned at the wharf of the Angola Lumber Company. It turned out to be false. The two boys were seen near Fourth street bridge and were very much surprised to hear that they had been reported as drowned.

Rev. William M. Shaw and family passed through the city yesterday on their way from Southport to Kenansville, where Rev. Mr. Shaw will take charge of the James Sprunt Institute, of which he was recently elected presi-

THREE DESERTERS ARRESTED

Carried Before the City Authorities and Ordered to Go Back Aboard Ship. Arrested by Officer Bryan.

After the schooner Charles H. Sprague had cast off her lines yester day at the wharves of the Cape Fear Lumber Company, ready to sail for New York, three of her seamen stepped ashore-deserters. The captain decided to proceed down the river in tow of the tug Blanche as the tug was all ready and waiting to proceed. The schooner was carried down the stream and anchored, and the captain came ashore to look after his refractory men. He communicated with Mr. W. N. Harriss, and the two called on the police for help. Mr. Harriss pointed out Bryan who arrested the one of the three who appeared to be the most obstinate. handcuffed him and carried him to the City Hall, the others following.
