The paramount issue with Mark
Hanna is to hold his grip by "perpetu-
ating" McKinley's administration.
Mr. Roosevelt evidently didn't
care to tackle the New York Ice
Trust at short range when he went
away off to the foot hills of the
Rocky Mountains to make remarks
on it.

It has been discovered that the
saw palmetto, which has been looked
upon as worthless, has some valu-
able uses and unsuspected prop-
erties, among them being a cure for
kidney and other troubles.

It is said that the island of Gal-
veston was not so very many years
ago well above water, but is gradu-
ally sinking, so that it is only a
question of time when it will be un-
der the waters of the Gulf.

Some of the Pennsylvania papers
are warning the mine owners against
importing negroes to take the places
of the striking miners. They do
not think a race racket would be a
good way to end the strike racket.

The terror of Chicago women is
another woman who meanders the
fashionable thoroughfares, snatches
hats from women's heads and
smashes them so their next door
neighbor couldn't recognize them.

One of the reasons, perhaps, why
our soldiers in the Philippines do
such dare-devil attacking and fight-
ing is that they would rather take
the chances of being killed in battle
than die lingering deaths from
disease.

The microbe's vindication is com-
ing. Several English doctors say
they have been cruelly slandered,
and that instead of being the inno-
cent causes of disease, and enemies
of mankind they are really our
friends.

It is said that Li Hung Chang is
aging very rapidly. For an old
chap past 80 he has managed the
aging business pretty well, but a fe-
low whose wife totters around, 4,000
dresses with her couldn't be ex-
pected to preserve perpetual youth.

A Chicago professor has proved to
his own satisfaction that the
stalactite formation found in some
caves in Indiana must be ten mil-
lions years old, and as the remains of
animals have been found in them
these animals prowled around about
that time too. They haven't found
the remains of any people with the
animals, although in Long Island
they have dug up implements which
they say were used by men and
women who must have lived 40,000
years ago.

Campaign Buttons.

The STAR has received a handsome
collection of campaign buttons and
emblems from the Baltimore Badge
and Novelty Company, No. 22 Balti-
more street, Baltimore, Md. They are
of many catchy designs and are
especially adapted to the use of clubs
and organizations of a political char-
acter. The prices are reasonable and
clubs desiring to wear evidences of
their political faith would do well to
correspond with the company.

Mr. Wallace Chairman.

At a meeting of the County Board
of Elections held Monday, at which
all the members were present, Mr. C.
W. Worth tendered his resignation as
chairman and member of the board,
and Mr. R. W. Wallace was elected in
his stead. At the meeting polling
places and other matters pertaining
to the election in November were
considered and notice of the same is
given in the advertising columns of
the STAR to-day.

issued from Washington recently are
the following: Second Lieutenant O.

THE FISHBLATE CASE

Jury Had Not Reached a Verdict at an Early Hour This Morning.

A NIGHT'S DELIBERATION.

Testimony Was Read, Concluding Ar-
gument by Counsel and the Charge by
Judge Took Up All of Yester-
day's Session of Court.

The damage suit of Fishblate against
Wallstein Klee & Co., in which the
plaintiff asks \$10,000 actual and \$10,
000 punitive damage for the alleged
wrongful suing out of a writ of at-
tachment upon the stock of the plain-
tiff, resulting, it is claimed, in his as-
signment and commercial injury, took
up another entire day in the Superior
Court yesterday, it not having reached
the jury until 7 o'clock in the evening.

At an early hour this morning the
jury still had the case in consideration
and no verdict had been agreed upon.
Court convened at 8:30 o'clock yester-
day morning in an hour earlier than
usual, so as to afford A. G. Ricard,
Esq., an opportunity of concluding his
argument and of leaving on the
9:40 o'clock train for Durham to be
with his father, who is critically ill.
After concluding the argument the
evidence in the case as taken by Miss
Stella Shrier, stenographer of the court,
was read to the jury and this consumed
the entire time of the court until shortly
before six o'clock, when the issues were
presented to the jury and the charge
was given by Judge Moore.

The issues submitted to the jury in
this case are as follows:
1. Was the warrant of attachment in
the case of Wallstein & Klee vs. S.
H. Fishblate wrongfully sued out?
2. Was the warrant of attachment in
the case of Wallstein & Klee vs. S.
H. Fishblate sued out maliciously and
without probable cause?
3. What actual damage, if any, has
the plaintiff sustained by reason of the
wrongful issuing of the said warrant
of attachment?
4. What punitive damage, if any, is
plaintiff entitled to recover?
Did the sheriff make his levy be-
fore the filing of the deed of assign-
ment to A. G. Ricard, trustee, for re-
stitution?

LETTER OF ACKNOWLEDGEMENT.

ceipt of your letter of the 30th instant,

being a donation from the musical
people and ladies of your city, for the
benefit of the storm sufferers on the
Texas coast and request you to extend
to the liberal contributors of this sum
his sincerest thanks and most grateful

important meeting Thursday evening
at 8:15 o'clock at the office of Mr.
Frank H. Stedman in the Seaboard
Air Line building. Matters of impor-
tance are to be presented for consider-
ation and it is earnestly desired that
there shall be a full attendance of
the members.

MRS. EMMA D. NORMENT

Died Monday Evening at Her Home in Lumberton—Has Many Relatives in This City.

Members of the family in Wilming-
ton early yesterday morning received
telegraphic news of the death at Lum-
berton, N. C., on Monday night at
7:30 o'clock of Mrs. Emma D. Norment,
daughter of the late Dr.
Wm. J. and Mrs. Mary P. Harris, of
this city, and wife of Capt. W. S. Norment
of Lumberton.
Mrs. Norment was also a sister of
Dr. W. W. Harris, Mrs. Eliza M. Bel-
lamy, Mrs. A. J. Howell and Miss
Mary Harris, of Wilmington, the last
named having been at her bedside at
the time of her death. Mrs. Howell,
Mrs. Bellamy and daughter, Miss Eliza
Bellamy, left yesterday via the Sea-
board Air Line to attend the funeral.

The deceased lady was 62 years of
age on the day of her death and was
universally loved by all who knew
her. In December, 1864, she was
married to Capt. Norment and seven
children were the result of the union,
four of whom survive here—Mr. Dou-
glas Norment, Miss Nellie, Emma
and Laura Norment, all of Lum-
berton.

In its account of the death of Lum-
berton Argus of yesterday says:
"Mrs. Norment united with the
church when young, and was a loyal
Christian until her death. She was
devoted to the Presbyterian faith, and
dearly loved the house of God. She
was a devoted wife, a loving mother,
an affectionate sister and sincere
friend. She was a great sufferer for
several months, but bore it with sub-
mission and patience. To her dying
was going 'home.' Our hearts go
out in tenderest sympathy to her four
children, all of whom have met with
an irreparable loss, for the mother's
place can never be filled. We com-
mend them to the Saviour whom she
so tenderly loved.
"The funeral services will be con-
ducted by Rev. J. S. Black."

PALACE BAKERY SOLD.

Andrew Mavronichols Purchaser of Val-
uable Market Street Business—Mr.
Farriss Retired for Present.

Announcement was made yester-
day of the sale of the Palace Bakery,
which has been conducted in an up-
to date manner on Market street by
Mr. W. A. Farriss for a number of
years, to Andrew Mavronichols, the
well known Greek fruit dealer and
confectioner, who has managed with
great success a similar business on
Fourth street, across the bridge. The
new purchaser will open with a new
stock on Saturday and will conduct
the bakery business as well as the
confectionery department. The store
and fixtures are as handsome as there
are in the city and the STAR predicts
for the new proprietor an abundant
success. He will continue to conduct
the store across Fourth street bridge.
Mr. Farriss, the retiring proprietor,
was compelled to abandon the busi-
ness temporarily on account of the
illness of Mrs. Farriss, who has been
at Asheville, N. C., for some time re-
cuperating. He will engage in the
same business elsewhere or there is a
probability that he will return to
Wilmington to engage in business.
Mr. Farriss during his residence here
made the Palace Bakery one of the
most up to date concerns of its kind in
the State. The plant and fixtures are
second to none and were provided at a
great cost in 1898. The friends of Mr.
Farriss will regret that the illness of
his wife prevented his continuing and
enlarging the business as he had con-
templated.

ONE OF BRIGHTEST IN STATE.

[Chadbourn Messenger.]
We congratulate the Wilmington
STAR upon the entry on its sixty-
seventh semi-annual volume. The
STAR is one of the brightest dailies in
the State and for a third of a century
it has labored for the upbuilding of
North Carolina and the success of the
Democratic party. May its rays be
shed for many years to come.

Valuable Place for Sale.

The farm and beach containing
about 600 acres known as the "Blacks
place" about two miles from Wright-
sville, is offered for sale, lease or rent
in the advertising columns of the
STAR this morning. The place is beautifully
situated, with residence looking toward
the ocean and is healthy. The land is
admirably adapted to trucking and
fishing and is near the Wilmington
and Newbern railroad.

Mr. Kyle Manager Again.

The STAR learns that Mr. James
Kyle has again become manager of
the Wilmington Tariff Association
and for the present will spend a part
of his time here directing the affairs
of this institution, which is com-
mercially so much value to Wilming-
ton. Later Mr. Kyle will move his
family to the city and spend his entire
time here. Mr. Kyle is a man of vast
experience in tariff matters and no
better selection could have been made.

Released on Bond.

Ed. Brewer, the young white man
who has been in the county jail for
several weeks, charged with highway
robbery, was released yesterday, hav-
ing put up \$25, the required bond, for
his appearance at court.

TAYLOR'S BOYS BRIGADE

Presented With New Guns—Contribution
to Garrison Sufferers.

At a meeting of Col. Walker Tay-
lor's Boys' Brigade Monday evening,
Col. Taylor presented the entire
brigade with new guns and accoutre-
ments. It is now well equipped.
A battalion drill has been ordered
for next Monday night at 8:30 o'clock
at the corner of Front and Market
streets. A large number of citizens
will no doubt view the parade.
In order to accommodate a few of
their friends who want to unite them-
selves with the company, the brigade
decided to suspend the initiation fee
for the next few weeks.
Each member of the brigade do-
nated a day's wages for the relief of
the suffering Texans. The sum raised
was \$25. The contribution was alto-
gether voluntary and therefore all the
more highly commendable.

PRESENTED WITH MEDAL.

Prof. Musto the Recipient of a Handsome Gold Medal from the Second Regi- ment Band.

The Second Regiment Band had a
festive celebration last night at the band
room, in honor of their esteemed
leader, Prof. F. Musto, who will sever
his connection with the band until
next Spring and return to his home in
Philadelphia. The occasion was in-
formal, but its pleasure will linger
long in the memories of those who were
present.

After the band had discussed a few
choice selections, Mr. Richard B.
Clowe, in behalf of the band, pre-
sented to Prof. Musto, in a few re-
marks, a handsome gold medal in the
form of a lyre, with a scroll above it.
On the scroll is engraved "Prof. F.
Musto," and the back of the medal
bears the inscription, "From the
Second Regiment Band, Wilmington,
N. C., 1900." He said it was presented
by the band to show its high appre-
ciation of Prof. Musto's services and
as a token of its esteem and good
wishes for his future success. Prof.
Musto was much affected by the man-
ifestation of the high regard in which
he is held by the band and responded
in a few feeling words.

Prof. Musto has been in the leader-
ship of the band since last April,
and under his directorship it has
made wonderfully rapid strides and
has attained a notable degree of ex-
cellence. It is almost certain that
Prof. Musto will return to the band
next year and resume its leadership.
The evening's festivities were con-
cluded with an elegant banquet. Sev-
eral very appropriate toasts were re-
sponded to in a happy manner. The
entire reception was gotten up under
the direction of Mr. Will Behder, who
deserves much credit for the deligh-
tful success of the occasion.
