regard the Porto Rico tariff bill as a most serious departure from right principles." He said this when that bill was under discussion in Con- gress, and thinks so yet, but he will yote for the party that is responsible because he lacks the nerve to vote against the party. The dog owners of the town of Rochelle, N. Y., would give seventy- five cents to run up with the fellow who sneaked around with a bag of poisoned food and got away with \$10,000 worth of dogs in that burg. He passed the common cur with contempt and gave attention only to aristocratic dogs of high degree. Up to the time of McKinley we had acquired by purchase, annexa- tion and treaty 3,692,126 square miles of territory, since then 138,399 square miles of insular possessions, the biggest part of which we are still fighting for. There has been more fuss, money spent and bloodshed over McKinley's 138,399 miles than over all the rest put together.	 Fayetteville, arrived yesterday to represent his client, J. L. York, in the Federal Court this week. Capts. F. B. Rice and J. T. Borden, steamboat hull and boiler inspectors, are here on their way to Georgetown, S. C., on official business. Miss Cammie Lord is thinking of opening a dancing school at Newbern beginning about the middle of November and continuing until after Christmas. Dr. Robert Strange and fanily returned yesterday from Lawrenceville, Va.
