Mr. Lease is going to quit the  
field, stay at home, and put  
his spare time practicing on the  
map.  
The New York bank de-  
fendant, was basely slandered. He  
accused of embezzling \$700,000,  
when he got away with only  
\$10,000.  
Citizens of Atlanta have sub-  
scribed \$8,400 towards the \$10,000  
needed to make up the \$45,000 sum  
the Technological School. They  
are the value of the school.

The entomologist of Georgia says  
by March 1 there will be planted  
that State 2,000,000 fruit trees,  
new varieties. It looks as if Geor-  
gia might overdo that business.  
John Hill, of Oklahoma, wants to  
go to Congress when his Territory  
comes a State. If there is anything  
name John will make it hot for  
fellow who runs against him.

Joseph R. Barton, who will be  
new U. S. Senator from Kan-  
sas is another of the self-made fel-  
low. He started out on his own  
as a farm hand, and worked  
his way up.

With eatable beef at 20 cents a  
pound in Chicago, and the unal-  
tered proportion, the average burger  
that town manages to find if he  
some substitute. But horses  
gone up and he can't full back  
horse meat.  
There is one part of the world  
where they do not throw hoodlums  
out. This is in Northwest Can-  
ada where the rats have become so  
numerous and audacious that noth-  
ing is safe from them. There is an  
admirable and a standing welcome  
at whatever quarter they  
come without letters of recom-  
mendation.  
Tom Watson, of Georgia, is  
lively. He isn't in politics now,  
is working at his profession,  
things, and looking after his  
farm, of which he owns half a  
million or more, containing in all  
over eleven thousand acres, out of  
which he makes \$10,000 a year.  
Aristable man to get out of Pop. poli-  
tics.

PECTORANT.

Franklin McNeill.  
The following marriage licenses  
were issued yesterday: Benjamin B.  
Trask, of Masonboro Sound, to wed

township; George Vernon to marry

mington.  
The Opera House will be dark  
all this week. Beginning next Mon-  
day night the Crescent Stock Com-  
pany, now rehearsing here will play  
a week's engagement. It is not likely  
that the "Bostonians" will receive the  
guarantee sufficient for its coming.  
Hose reel wagon No. 3, ran  
into a tree while responding to an  
alarm yesterday afternoon as a result  
of which the tongue was broken.  
Foreman Louis Friemuth, however,  
soon had things ship shape again after  
a visit to a carriage shop.  
Delegates going from South  
Atlantic to Gulf ports to the National  
Maritime Congress at Brunswick, Ga.,  
January 30th, are requested to fur-  
nish data showing possible advantage

Raball, bound from that city to Balti-  
more. The *Ahas* waited for the barge  
at Southport while she was towed up  
to the city to discharge a cargo by one  
of the local tugs.  
Barge *Captain Stabbed*  
Capt. Mart Jones, formerly master  
of the Virginia-Carolina Chemical  
Company's barge *Carrie L. Tyler*,  
plying between this port and Charlot-  
te, was stabbed last night in a street  
altercation with Walter Way, with  
whom he had a difficulty about time  
before. The trouble occurred about 11  
o'clock on Front near Market street,  
and both men were arrested by Police-  
man J. J. Moore and carried to the  
City Hall, where Jones was sent to the  
hospital and Way was recognized for  
his appearance at the municipal court  
to day. Jones was stabbed just un-  
der the left shoulder, presumably  
with an ordinary pocket-knife, as the  
wound was not deep and the blade was  
deflected from its course by a rib. Way  
disclaims having stabbed the man and  
says he was followed up by Jones,  
who appeared eager for a difficulty.  
Mr. Gwathmey's Horses.  
The STAR has several times had oc-  
casion to refer to the achievements of  
the New York race track of "Louise  
Mac," the splendid trotter owned by  
Mr. A. B. Gwathmey, president of the  
New York Cotton Exchange, and well  
and favorably known to many people  
in this section. Louise Mac's latest  
record is 2:09 1/2, in which the little  
chestnut twice defeated several other  
of the fast steppers on the metropolitan  
speedway. Mr. Gwathmey has recently  
re-purchased the beautiful bay  
mare "Salient," by Wickliffe, which  
he took from Virginia a few years ago  
and exchanged her later for "Louise  
Mac." The New York *Herald* says  
she is one of the handsomest and  
most perfectly mannered road mares  
in New York.

**Young Women Badly Burned.**  
While kindling a fire very early  
yesterday morning at the residence of  
Mr. Joe Roderick, No. 707 Wooster  
street, where she resides, Mrs. Annie  
Kane, a young white woman, was  
killed, and with an epileptic fit fell  
into the flames which she had just  
started. Her clothing quickly ignit-  
ed and she was badly burned about  
her face, neck, back and on her body  
about the arms. Her hair was partly  
burned off and her suffering was in-  
tense. Mrs. Roderick rescued her  
from the flames and dashed a bucket  
of water upon her. Dr. C. T. Harper  
was called and gave her all the atten-  
tion possible. It is believed that the  
injuries will not be fatal.

**The Fire Yesterday Afternoon.**  
The alarm of fire from box 53 at  
4:06 o'clock yesterday afternoon was  
on account of the burning of a wood  
house at No. 808 Chesnut street,  
owned by Mrs. H. McDonald. It was  
caused by children playing with a fire  
in the yard. The building adjoining,  
occupied by G. W. Suggs, was dam-  
aged to the extent of about \$10. The  
loss in the burning of the wood house  
was about \$15.

**Fort Caswell Soldier Disappeared.**  
Saturday afternoon Private E. A.  
North, the post tailor for battery C,  
left Fort Caswell in a small yawl boat  
to visit some fishing grounds on the  
rocks off Bald Head and he had not re-  
turned up to yesterday morning. It is  
feared that he was either drowned or  
drowned to death. When Private North  
failed to return to the Fort Satur-  
day night much anxiety was felt for  
his safety and several searching parties  
went out to look for him, but they  
could neither find traces of him nor  
his boat. Private North was very  
popular in the Battery.

Marshall and W. A. Roumy.

### MARTIN-GORE WEDDING.

Was Impressively Celebrated Yesterday  
Evening at Residence of the Bride  
by Rev. Dr. Carmichael.  
The wedding of Mrs. Bessie Elma  
Gore and Mr. Outhbert Martin was  
solemnized yesterday evening at 6  
o'clock at the bride's residence, No. 430  
South Front street, in the presence of a  
number of relatives and friends of the  
contracting parties.  
The entire lower floor of the resi-  
dence was handsomely decorated and  
the parlor, in which the ceremony was  
performed, was beautifully decorated  
with palms, ferns, bamboo and other  
greens.  
At the appointed hour, the groom,  
accompanied by Rev. James Car-  
michael, D.D., who performed the  
ceremony, entered first. Then came  
the little Miss Thurba and Master  
Milton Gore, daughter and son of the  
bride, and they were followed by Miss  
Bessie Gore and Master Will Gore,  
also children of the bride. The bride  
entered with her cousin, John H.  
Gore, Esq., who gave her away.  
The bride wore a becoming dress of  
pearl grey tulle, trimmed in  
point lace and tan velvet, and wore  
diamond ornaments of white and pink  
gemstones. Her traveling costume  
was of brown broadcloth.  
Many beautiful bridal presents were  
received, which bore testimony of the  
extreme popularity of the bride and  
groom.  
Mr. and Mrs. Martin left at 7 o'clock  
on the A. C. L. for Hertford, N. C.,  
where they will attend the marriage  
of Mr. Martin's sister, Miss Mabel Mar-  
tin, which occurs to-morrow.  
After their return to Wilmington  
they will be at home at No. 430 South  
Front street.

**REVISE U. S. JURY LIST.**  
Lists Have Been Received From Counties  
For This Purpose.  
Lists for the revision of the jury  
box for the United States District and  
Circuit Courts embracing this terri-  
tory, have been received at the office of  
Deputy Clerk W. H. Shaw, in this  
city, and Jury Commissioner Wash-  
ington Callett, in accordance with an  
order by Judge Parnell at the last  
term of the court here, will in a few  
days make the revision required. The  
list has not been revised in a number  
of years and there has heretofore  
been trouble in securing a comple-  
ment of jurors as summoned on ac-  
count of the death of many of the  
persons whose names were on the list.  
The list is secured by addressing  
prominent members of both the  
Democratic and Republican parties in  
each county and asking each for a list  
of fifty good men. These are trans-  
mitted to the judge presiding and  
turned over by him to the jury com-  
missioner, who deposits the names in the  
jury box from whence the re-  
quired number of names is drawn for  
each term.

### THE INAUGURATION.

Wilmington Light Infantry, the  
Naval Reserves and Citizens  
Leave This Morning  
ON A SPECIAL A. C. L. TRAIN.  
No City or Section Will Contribute More  
Largely to the Celebration at Ra-  
leigh To-day Than the Metro-  
politan of North Carolina.

Wilmington will be well and credit-  
ably represented at Raleigh to-day  
upon the occasion of the inauguration  
of Governor Charles B. Aycock, the  
matchless exponent of "White Su-  
preMACY," which first received an im-  
petus in this city in the campaign of  
1888.  
Both her military organizations, be-  
longing to the State Guard, with full  
ranks and doubtless a large delega-  
tion of citizens will leave this morning  
for the State Capitol on a special train  
over the Atlantic Coast Line, which will  
leave the Front street station at 6  
o'clock. And the STAR ventures the  
assertion that no more enthusiastic or  
loyal band of "sailors or soldiers" will  
make the welkin ring more cheerily or  
contribute more to the appearance of  
the military parade than the boys who  
make up the roster to-day of the Wil-  
mington Light Infantry and Wilming-  
ton Division, Naval Reserves. Both  
companies had special drills last night  
and the showing made by the men was  
very agreeable to their respective com-  
manding officers. There will be sepa-  
rate coaches for each company and  
each of them will be well filled.  
WILMINGTON LIGHT INFANTRY.  
Members of the Wilmington Light  
Infantry, who will take the train, are  
commanded by Capt. Adrian assem-  
ble at the armory at 5 o'clock this  
morning where sandwiches and hot  
coffee will be served. The company  
will fall in ranks at 5:30 o'clock and  
march to the station, leaving at 6  
A. M.  
Following is a roster of the company  
which will appear in the parade to-day:  
Captain—A. P. Adrian.  
First Lieutenant—J. V. B. Metts.  
Second Lieutenant—N. E. Gilligan.  
First Sergeant—R. S. Collins.  
Quartermaster—Sergeant—J. P.  
Quelch.  
Second Sergeant—Frank Pinner.  
Third Sergeant—E. A. Metts.  
First Corporal—H. G. Smallbones, Jr.  
Second Corporal—C. G. McMillan.  
Third Corporal—H. A. Huggins.  
Fourth Corporal—James O. Bellity.  
Privates—E. B. Burkhalter, J. S.  
Davis, George Davis, N. Gile, J. S.  
Hooper, J. W. Jackson, Jr., Carl  
Kuhle, Ed. Moore, Roger Moore, W. L.  
Moore, W. P. Monroe, H. S. Mc  
Girt, James A. Northam, O. P. Peck,  
James Jones, C. F. W. Redder, W. S.  
Register, Tom Rose, P. R. Smith, F.  
P. Tarrentine, Marion Woodward.  
Drum Corps—E. H. Munson, W. L.  
Burkheimer, Robert Morris, J. W.  
Yates.

**WILMINGTON DIVISION, NAVAL RESERVES.**  
Those of the Naval Reserves who  
did not spend the night in the armory  
will observe about the same hours as  
to assembling and will be com-  
manded by Lieutenant A. B. Skel-  
ding, with forty men in ranks. They  
will carry with them their rapid fire  
gun, the "C. B. Aycock," gaily de-  
corated in bunting and flags, and upon  
the breech of the gun a huge game  
cock, especially trained as to his duties  
on this occasion. Not the least of the  
other original ideas displayed by  
members of the division will be their  
mascot, a huge "billy goat," who will  
march in the parade blanketed with  
the insignia of the Royal Grand  
Bouncers, the social organization of  
the division. Besides the skull and  
cross bones the "billy" will be pla-  
carded in blue and white—the colors  
of the division—as follows: "Royal  
Grand Bouncers. Wilmington Dun-  
geon, No. 1."  
The officers and men as they will  
participate, are as follows:  
Lieutenant Commanding—A. B.  
Skelding.  
Lieutenant Junior Grade—H. M.  
Chase.  
Ensign—C. W. Bigdoo.

Yates, J. P. McMillan, Ellis E. Ful-  
cher, J. L. King, W. S. Morris, J. P.  
Brewer, R. J. Sellers, T. B. Litgen,  
Jas. K. Forshee, C. E. Fisher, Bert  
Kelly, J. S. Lane, L. O. Corbett, Daw-  
son Barnes, Albert M. Savage, W. F.  
Brittain, M. L. Skipper, A. K. Powers,  
Jno. W. Batson, Geo. F. Dukes, J. C.  
Kelly, W. B. Savage, W. H. McCarty,  
L. D. Barber, W. L. Hahn, A. L.  
Fried, A. F. Gibson, J. T. Cowan  
and P. G. Whitson.

Both companies will return to-  
morrow morning.  
Fort Caswell Soldier Disappeared.  
Saturday afternoon Private E. A.  
North, the post tailor for battery C,  
left Fort Caswell in a small yawl boat  
to visit some fishing grounds on the  
rocks off Bald Head and he had not re-  
turned up to yesterday morning. It is  
feared that he was either drowned or  
drowned to death. When Private North  
failed to return to the Fort Satur-  
day night much anxiety was felt for  
his safety and several searching parties  
went out to look for him, but they  
could neither find traces of him nor  
his boat. Private North was very  
popular in the Battery.

**Esterned Bridal Party.**  
Misses Lillie and Hattie Taylor  
obsequiously entertained at their home  
on Dock near Fifth street, last even-  
ing, the ladies and gentlemen who  
will take part in the Jacob-David  
wedding at the Temple of Israel, Jan-  
uary 24th, at 4:30 o'clock. The resi-  
dence was handsomely arranged for the  
reception and an evening of splendid  
enjoyment was experienced by all  
those who attended.

**"The Bostonians" Won't Come.**  
"The Bostonians," the famous light  
opera company, will not appear here  
on January 30th as there was not a  
sufficient subscription for seats. Man-  
ager Schloss was very anxious to  
bring the opera to Wilmington, but  
he would have had to guarantee the  
company \$700 and only \$75 worth of  
tickets was subscribed, hence the  
offer had to be abandoned.

**Scout Over to Court.**  
Oscar Joseph and Arthur Taylor,  
both colored, were sent over to the  
Criminal Court yesterday by Mayor  
Waddell, the former for larceny and  
the latter for carrying a concealed  
weapon. A number of cases of minor  
consequence were also disposed of.

### REV. DR. JNO. M. WELLS.

Preached Two Very Strong Sermons to  
Congregation Which Has Recently  
Called Him to the Pastorate.  
The Rev. Jno. M. Wells, Ph. D.,  
whose call to the pastorate of the First  
Presbyterian Church in this city has  
several times been noted in these  
columns, preached two splendid ser-  
mons to large congregations Sunday  
morning and evening from the pulpit  
which it is hoped he will soon decide  
to accept permanently.

Rev. Dr. Wells at once impresses  
one with his earnestness, his fluency  
of speech, his very expressive lan-  
guage and engaging manner. He at  
once gets the undivided attention of  
his congregation and holds it in a  
marked degree to the end of the ser-  
vice. The congregation was highly  
pleased with his sermons Sunday and  
very strong pressure will be brought  
to bear upon him to accept the call re-  
cently extended.

Sunday evening the subject of his  
discourse was the Crucifixion, his re-  
marks having been based upon the  
scriptural text embraced in the thirty-  
third verse of the twenty third chap-  
ter of St. Luke: "And when they  
had come to the place, which is called  
Calvary, there they crucified him,  
and the malefactors, one on the right  
hand and the other on the left."  
His word picture of the scene at  
Calvary fully equalled that of the  
artist, whom the speaker declared was  
at his best when portraying that in-  
cident in Biblical history, so sacred to  
the heart of every Christian. Besides  
being beautifully descriptive, the ser-  
mon contained many lessons of value  
and consolation admirably brought out  
and presented in a clear, concise man-  
ner.

The morning service was equally as  
impressive and just as favorable an im-  
pression was made by Dr. Wells as  
upon the occasion of the evening ser-  
mon. It is not known when he will  
announce his decision as to accepting  
the call, but it is hoped that it will  
be in the affirmative.

The musical programme was greatly  
enhanced at the evening service by a  
voluntary entitled "Softly Now the  
Light of Day," rendered with splendid  
effect by the choir, consisting of Mrs.  
W. L. Latta, Mr. C. V. Motte, Mr. H.  
K. Holden and Miss Anna Sprunt, organist.

**BASKET BALL LEAGUE**  
Will Be Organized at an Early Date—Ex-  
hibition Game January 25th.  
A meeting of those interested in  
basket ball, for the purpose of organi-  
zing a league, was held at the Y. M.  
C. A. last night and the prospects are  
very encouraging. There are already  
several strong Y. M. C. A. teams and  
a committee was appointed to confer  
with the W. L. I., Naval Reserves  
and A. C. L. in regard to organizing  
teams and coming into the league.  
As soon as the committee makes a  
report, a series of games will be ar-  
ranged. Messrs. Victor Zoeller &  
Company have very kindly offered a  
cup to the team winning the greatest  
number of games in the series. Doubt-  
less much interest will be taken in the  
league.

The Business Men's and Young  
Men's gymnasium classes will play an  
exhibition game at the City Hall Fri-  
day night, January 25th, for the  
benefit of the Y. M. C. A. gymnasium  
fund. The admission will be fifteen  
cents.

**Advice to Colored Immigrants.**  
Rev. S. P. W. Drew, colored, pastor  
of St. Stephen's Baptist Church, New  
York city, and president of the Lin-  
coln National Employment Bureau,  
75 Fleet Place, Brooklyn, N. Y., ar-  
rived in the city yesterday and is en-  
gaged in interesting the pastors of all  
the Wilmington congregations, both  
white and colored, in a general meet-  
ing which will be held either at St.  
Luke's or St. Stephen's colored church  
in this city on Tuesday night, January  
22d, in the interest of colored people  
contemplating removal to the North  
in general and New York city in par-  
ticular. Rev. Drew sees an impending  
danger to the race in wholesale  
immigration of his people to the larger  
cities and will lecture upon his non-  
advisability. He has enlisted the sym-  
pathy of a number of the white mis-  
sionaries of the city and they are expected  
to be present and make a few remarks  
on the subject in hand.

**OAKDALE CEMETERY CO.**  
Annual Meeting of Lot Owners Held Last  
Night—Reports Read and Election  
of Officers Held.  
The annual meeting of the lot own-  
ers in Oakdale cemetery was held last  
night at the office of the company, No.  
305 1/2 Princess street, beginning at 8  
o'clock.  
Mr. James H. Chadbourne presided at  
the meeting and Mr. Richard J. Jones,  
the efficient secretary and treasurer,  
was at his post, as usual.  
The annual reports of officers were  
read, approved and ordered on file.  
All showed that the past year had been  
a very successful one and many im-  
provements were noted.  
The old board of directors was re-  
elected, as follows: Messrs. James C.  
Stevenson, J. H. Chadbourne, W. W.  
Yopp, Owen Fennell, Hugh MacRae,  
W. H. Northrop and Col. John L.  
Cantwell.  
After the annual meeting the direc-  
tors met and re-elected Mr. Stevenson,  
president; Mr. Jones, secretary and  
treasurer, and Mr. Timothy Donlan,  
superintendent. Mr. Donlan, as well  
as the other officers, has served the  
company well and the neat and beau-  
tiful appearance of the grounds is an  
excellent testimonial of his efficiency.  
His re-election was deserved and will  
meet with the approbation of every-  
one interested in the cemetery.

**The Need of a Reformatory.**  
Rev. Dr. Calvin S. Blackwell, the  
pastor, preached a sermon at the First  
Baptist Church Sunday night with  
special reference to the proposed re-  
formatory for youthful criminals in the  
State. It was a logical presentation of  
the subject and showed a deep study  
of the conditions which have impelled  
leading men all over the State to en-  
list themselves in its advocacy. Dr.  
Blackwell's discourse along this line  
was greatly enjoyed by members of  
the congregation and will no doubt in-  
crease the strong moral sentiment al-  
ready existing in Wilmington in favor  
of the movement, which will without
