THE CITY CHARTER.

Lively Discussion Again Last Night.

THE BOARD OF ALDERMEN

Decided to Reinstate the Provisions Allowing the Municipal Ownership of Lighting and Water Plants-Other Matters Considered.

Except for revival of the new city charter discussion which was taken up for about an hour just before adjournment, the regular monthly meeting of the Board of Aldermen, which lasted from 8 to 11 o'clock last night, would have been a very tame affair indeed. As it was, the session was full of sensation in its closing hours, having been made so by reason of a spirited debate, in which some personalities were indulged in between two fac tions, which sprung into existence over a proposition by Mr. Taylor to restore the sections in the re draft, which confer on the municipality the right to establish and maintain a city lighting plant and system of water works in the event exigencies arise which may make it necessary or advisable. The outcome of the debate was a reinstatement of the paragraphs referred to, and an instruction to City Attorney Meares to forward the document as finally amended to the Legislature for its enactment into law. Mayor Waddell presided at the meet

ing and every member of the Board was in attendance upon the same. A discussion arose over the city's right in the matter of the removal from the sidewalk of a certain yard fence enclosing the residence of Mr. W. H. Sprunt, corner Third and

Grace streets, and litigation over the question was suggested and discussed at some length, but no retraction was had '-om the former action of the Board in instructing the Chief of relative to its removal.

Several tenants in Front street market were abated one month's rent by reason of claims for damage to stock

incident to the recent repairs there. In connection with the report of the Public Building Committee, Alderman Hanby chairman, Mayor Waddell suggested the desirability of converting the present practice room of the Second Regiment Band in the basement of the City Hall building into police headquarters instead of the City Court room, which is now occupied by that branch of the government, Alderman Hanby left the impression that there was just now not enough of the committee's appropriation unexpended to make the necessary alterations, and no action was had upon the subject. Alderman MacRae, chairman of the Streets and Whaves Committee, reported that, owing to the lack of available funds, mentioned in this connection in the proceedings of the last meeting, the force at the road quarry had been cut down about one-half and the average expenses in his department as a whole, reduced about 50 per cent. The cost of quarrying with a full force had been about 45 cents per ton but with the reduced number of laborers, the material is now costing about 65 cents. Still he thought the work was being done as economically as possible and he suggested that there was a prospect of selling to the county a quantity of material for the extension of Market

The matter of the removal of certain dwellings on Fifth between Dock and Orange streets from the line of sidewalk was also brought up by Alderman MacRae, who stated that the owners of the Gilbert and Rowell dwellings had consented to a removal of the same at the city's expense and he had procured bids as follows: Frank Thomas, \$750 for both buildings; F. A. Applegate, \$198 for Rowell residence and \$298 for Gilbert dwelling; W. H. Sharp, \$280 for Gilbert residence and \$185 for Rowell dwelling; D. J. Batson, \$140 for Rowell dwelling and \$185 for Gilbert residence, the total of each contractor's bid being, Thomas, \$750; Applegate. \$496; Sharp, \$465, and Batson, \$325. Alderman Springer objected to any expenditure for this purpose unless all the dwellings were to be removed, as the street with some removed and others not removed would appear even more unsightly and would incur unnecessary expense in the construction of temporary retaining walls, etc. A motion at length prevailed that the contract be awarded to D. J. Batson, and by amendment by Alderman Worth, the contractor is required to execute a good and sufficient bond for the proper discharge of his obligations. A further motion by Alderman Mac-Rae was passed appropriating an extra amount, not exceeding \$400, for this rence of the Audit and Finance Board. Both motions prevailed in a vote of to 2, Aldermen Springer and Spencer voting nay.

Upon the reading of an application from Frank B. Brown for liquor license at No. 513 Campbell street, a discussion arose, during the progress of which Alderman Taylor took occasion to say that he had received a threatening letter, presumably from some of the illegitimate dealers in liquor, and that the attempt at blackmail in which the writers of the epistle threatened to do violence to him unless he desisted from his utterances on the ferreted out and justice meted to the responsible parties. He moved that the license then before the board be rejected, and further discussion was had during which Mr. Brown himself

DR. WILLIAM W. LANE.

Well Known Wilmington Physician and Superintendent of the City Hospital Passed Away Yesterday.

Dr. William W. Lane, one of Wilmington's best known physicians and or many years and at the time of his death the capable superintendent of the City Hospital, died yesterday morning at 5 o'clock at the institution, to the upbuilding of which he has contributed so largely in the past.

Dr. Lane had been ill since the Saturday before Christmas, with a complication of diseases the most important of which was scirrhosis of the liver, but on last Monday it was thought he was much better and hopes were entertained of his recovery. He grew gradually worse, however, and passed peacefully away yesterday morning.

Deceased was born August 12th, 1831, at Wrightsville Sound, the Summer home of his parents, the late Levin and Margaret Moore Lane, who resided tuen at Rocky Point. He graduated at the University of North Carolina when only 21 years of age and later pursued his medical studies in New York and Paris, spending two years in the latter city. Returning to this country, he lived for five or six years at Vicksburg, Miss., in the practice of his profession and in agricultural pursuits. Later he served in the Confederate army as assistant surgeon and surgeon, and after the cessation of hostilities, he returned to the family nomestead at Rocky Point, practicing his profession and farming. In 1870 he came to Wilmington and began his career as a physician, and was soon made surgeon of the Marine Hospital here, retaining a large private practice. Later, Dr. Lane established a private sanitarium of his own and ater this became the City Hospital by joint purchase and maintenance by the county and municipality. With the exception of a year or two he has been at the head of the institution ever, since serving with marked ability and winning the plaudits of both the public and managers of the insti-

Only a few years ago he married Miss Ellen Green, of this city, who was then matron of the hospital. The wife with one sister, Mrs. Margaret Walker, of Washington, D. C., are the only surviving members of the immediate family, deceased having been the last but one of ten brothers and sisters. Mr. J. H. Hardin and Capt. J. M. Walker, of this city, are nephews of his and among others at a distance are Capt. H. B. Lane, of Newbern, Dr. A. H. Goelet, of New York, and Dr. Edward Goelet, who lives in Western North Carolina. The funeral will take place this morning at 11 o'clock from St. James' Church.

An Enjoyable Tea.

One of the most enjoyable social functions of the season was a delightful tea given last night by the Daughters of the Confederacy at the W. L. . armory, and the attendance was very large. Dainty refreshments were served to all present. During the evening Mrs. Gaston Meares, Mrs. J. W. Harriss and Miss Cole rendered delightful vocal selections. Miss Barton's recitations were also much enjoyed. The tea was quite a success. financially as well as socially, and the committee in charge is to be congratulated upon its happy culmination.

Club House to be Improved.

The club house of the Cape Fear Golf Club will be enlarged and remodeled. Architect Charles McMillen s now preparing plans for the proposed additions and work on them will be commenced in a few days. Two rooms to be used as ladies and gentlemen's dressing rooms will be built on the south side of the house. A chimney with a large open fireplace will be one of the most pleasing additions.
The golf course will also be slightly changed.

Legislature Will Be Asked to Exempt Certaln Portions of the County or Repeal the Law Entirely.

It developed from the meeting of the County Commissioners yesterday afternoon by the presentation petitions for endorsement, that all the opposition to the stock or "no fence" law has not yet been reconciled as was thought a short time after introduction of the law in New Hanover a little more than a year ago.

The petitions referred to were brought in by Mr. Thos J. Burnett, of Federal Point township, and the one most urgently pressed for approval asked for an exemption from the law of that portion of New Hanover which lies south of Greenfield mill pond as one point, and Hewlett's creek as another. The petition is signed by all the property owners in the section of territory embraced, who set forth that their possessions largely consist of salt marsnes and sand barrens, which are impossible to utilize except for grazing purposes, and that the cost of fencing any great portion of this area is higher than can be borne by any individual. The petitioners ask of the Legislature, to which it is addressed, that the exemption of this section be made valid after next October.

Members of the Board, notably Messrs. Montgomery and Alexander. expressed a willingness to endorse the application as individuals but it was the concesus of opinion that the Board of Commissioners, as a body, had no moral or legal right to approve or disaprove of the measure. Another petition was also being cir

culated by Mr. Burnett yesterday asking for repeal of the law as it applies to the entire county. It is signed by people from the country as follows: To the Honorable George L. Morton, George Rountree and Martin S. Willard, Members of the General

Assembly from the County of New The undersigned tax payers and voters of the county of New Hanover respectfully represent that the present "no fence" law in force in this county works great hardship and incon-

venience to owners of stock, and

ought to be repealed for the reasons following, viz: There is only a small part of this county, in the central part of it, that s good farming land, while along the sounds and water courses there are large bodies of marsh and cane lands fit only for pasturage. These marsh and cane lands have always been used for this purpose by the owners of cattle, which feed on them until driven in by the tide. If fenced in the cattle would be drowned at high tide, and therefore under the operation of the existing law the owners of cattle have been compelled to abandon the only pasturage land they have, and which is worthless for any other purpose, but which is valuable

for that purpose. We, therefore, earnestly ask you to have the law referred to repealed by the next Legislature. [Signed] Bruce Freeman, E. G. Freeman, Haywood Watson, Nelson

The following resolution by Lousiana Division, Camp No. 2, U. C. V. relative to the re union in Memphis, Tenn., this year, was endorsed:

"Resolved, That, looking forward to the success of the eleventh re-union of the United Confederate Veterans, to be held at Memphis, Tenn., next May; and anxious that nothing may mar the pleasure that attending Confeder-Veterans anticipate on that occasion; and that nothing may arise in the preliminary arrangements to create ukewarmness in the event, or to deter Confederates from attending this re union, that marks, with added pathos, another descending step in he revival of glories and sacred memories, and fraternal last greetings between old comrades of the heroic armies of the South; this association hereby expresses the hope that in the arrangements for the re-union the strictest adherence will be kept to the sole objects of the United Confederate Veterans' organization, as stated and enjoined in its constitution and by laws, 'in order that the re-union may result to more firmly establish the ties which already exist between them' (the constituted organizations

of Confederate Veterans). "J. A. CHALARON, Corresponding Secretary, Army of The following resolution was also

adopted: "Resolved. That this Camp has heard with great sorrow of the serious illness of Comrade W. C. Stronach, the faithful superintendent of the sincerely trust that our Heavenly Father will restore him to health and enable him to continue his good work.

The committee on the celebration of Gen. Lee's birthday made a report and the thanks of the Camp were extended to the Daughters of the Confederacy, Comrades Bishop Watson and Eugene S. Martin and Mrs. Gaston Meares. The meeting was then adjourned.

- Mrs. Mary H. O'Brien, who is visiting the family of Mr. J. A. Jones, on Red Cross, near Fourth street, is a cousin of the late Queen Victoria of England. She is from Knoxville, Tenn., and a late copy of an Atlanta paper presented an excellent portrait of her, with a history of her connec tion with the royal family.
