6TH ANNUAL MEETING

The Associated Charities Met Yesterday Afternoon in the Y. M. C. A. Building.

MOST WORTHY INSTITUTION.

Reports of Officers and of Board of Directors Show a Successful Year's Work—Tribute to Valued Services of Rev. Dr. Strange.

The sixth annual meeting of the Associated Charities was held at three P. M. yesterday at the Y. M. C. A. Rev. C. S. Blackwell, D. D., the president, was in the chair; the secretary, Miss Carrie Price, was also present. The report of the directors was read by Rev. A. D. McClure and it showed that the work of the past year has been very satisfactory in every particular. The report details the work of the Board at its quarterly meetings held during the year; the announcement of the death of the vice president, Col. Roger Moore, at the April meeting and the election of Mr. F. Pearsall to succeed him in that office and Mr. James F. Post to succeed him as a member of the Board of Directors; the announcement of the meeting in July, of the death of Mrs. R. N. Sweet, one of the Society's most efficient superintendents, and at the suggestion of the officers of the First Presbyterian church the election of Mrs. William Warlock to fill the vacancy, and the purpose of the Board to henceforth hold its quarterly meetings on the second Thursdays of January, April, July and October of each year. The decline of pauperism, increased efficiency in dealing with street beggars and tramps and a good financial condition are shown from the secretary's report and that official is highly complimented for her painstaking, faithful and efficient work during the year, together with superintendents and other officers. The loss by the removal of Dr. Strange to another city is deplored and merited praise of his great service is noted. The president, Rev. C. S. Blackwell, D. D., made his annual report as follows:

Yeke Fellows in Labors of Love.

Another, the sixth year of our organization, has added confirmation to the public conviction that the poor of Wilmington are well provided for, and at the least possible expense. None have starved, and an equal disbursement of funds has been made after personal and painstaking investigation in each case. Let people forget, we reiterate here the chief characteristics of our work as set forth by Dr. Strange in the third annual report:

First.—We frown down and discourage in every way possible begging at the door, at the store, or on the street. Begging degrades the beggar, it weakens character, and breeds disease. We send every one to the central office. If they say they are here and the association will not help, that is sufficient reason why you should not help. If you fear you may be turning off a worthy person in distress, thinking possibly the Associated Charities may not be able to assist, send a note with the beggar to the central office, authorizing the secretary to help, if worthy, and arrange to do so.

Second.—We make thorough investigations. We make visits to the homes. We ask the police for information. And we find out where the money goes. We ask you to stand by our investigations. If we investigate and then think it best not to help, you support us and do not use it. If a family drops in on us from the country to swell our already large pauper list, leaving better homes in the country, we tell them we cannot help them here, but will help them in getting back home, you support us in the policy we have fully necessary.

Let the public be fully assured that no one is ever permitted to suffer in this city if the case is made known to us. Be equally certain that frauds will be diligently sought out and refused.

The Board of Directors at the last meeting very appropriately directed that this report should bear special testimony to the work of Rev. Dr. Strange, D. D., in behalf of this association. The only regret of our President is that a reasonable limit of this report forbids full justice to the subject. As the hundreds of prominent charity rests heavily upon the time and strength of the ministers, it was but natural that three clergymen of Wilmington, Rev. W. C. Norman, D. D., Rev. P. H. Hooge, D. D., and Rev. Robert Strange, D. D., should originate the present wise and equitable system of Associated Charities, and it is no disparagement to others to say, in most respects, it is very like the finely poised personality of Dr. Strange himself. It is, therefore, proper that we should express here our highest esteem of the man who did such a good work for the people and the poor, and left such an enduring monument of his unselfish Christian manhood in the origin and organization of the Associated Charities of Wilmington.

Respectfully,
CALVIN S. BLACKWELL, President.

The secretary, Miss Carrie L. Price, then made her report, which shows the following interesting facts: Number of superintendents, 15; number of visitors, 30; number of beneficiaries who have been and are still receiving aid monthly, 89; number who received aid, but are no longer assisted, 60 (of

this number, 26 were assisted only once); number receiving aid intermittently, 26; number receiving wood only, 14. Total, 189.

Number of wood tickets issued, 677; number of children receiving aid, both parents living, 49; widows, 104; deserted or separated wives, 12; widowers, 6; single men, 3; single women, 13; children, 2.

Transportation has been furnished 22 persons, the railroad companies kindly giving charity rates. The Association has assisted in two burials. The chief causes of need are from sickness, no male support, large families, and lack of uncertainty of work. Groceries, wood, shoes and clothing are given as supplies. The office has been open every week day, except about three weeks in September, when a vacation was given the secretary, she having made arrangements for regular applicants before leaving the city.

The statement of the penny savings bank is as follows: Balance January 1, 1900, \$16.63; deposits from January 1, 1900, to January 1, 1901, \$9.56. Total, \$26.19. Amount withdrawn, \$4.64. Balance January 1, 1901, \$21.55.

Mr. J. H. Boatwright, the treasurer, submitted the following report: Balance in the bank January 1, 1900, \$759.06. Amount spent during the year, \$2,038.84. Total, \$2,797.90. Amount paid out, \$3,198.88. Balance in the bank January 1, 1901, \$599.04.

The term of office of the following directors expired January 1st, 1901, and they were all unanimously re-elected, with the exception of Rev. Robt. Strange, D. D., who has removed from the city: Rev. Dr. C. S. Blackwell, Rev. Robt. Strange, D. D., Rev. J. H. Hall, Rev. Dr. S. Mendelsohn, Dr. D. W. Bulluck, Mr. J. C. Stevenson and Mr. P. Pearsall. The vacancy created by the removal of Dr. Strange will be filled at the meeting of the Board of Directors, which will be held Tuesday morning at 11 o'clock. At that meeting the officers will be elected for the ensuing year.

AUDIT AND FINANCE BOARD.

Regular Semi-Monthly Meeting Last Night. Many Minor Matters Considered and Bills Audited and Approved.

Principally routine matters engaged the attention of the Board of Audit and Finance at its regular semi-monthly meeting last night at the City Hall. Chairman McQueen presided and members in attendance were Messrs. C. W. Gates, Jesse Wilder and W. A. Risch.

Bills for current expenses were audited and approved, and the usual reports made and ordered on file.

The Street Railway Company was ordered paid \$90 for hauling sand on its cars for the market and Princess street paving. A bill in favor of the same company for requiring a re-grading of a portion of Orange street traversed by its track and which was first done in conformity to plans of the authorities in the street improvement department, and afterwards changed by that authority, was left open for further information absent the subject.

Action was deferred in the matter of concurring in the extra appropriation for the removal of certain houses on Fifth between Dock and Orange streets. The board wished more information as to the condition the street would be left in: any possible extra cost, etc.

The matter of allowing the rebates, amounting to about \$4,000, received from citizens in payment of pro rata assessments for the improvement of streets bounding their property and for sand furnished certain individuals, was reconsidered, and this amount was allowed to revert to the appropriation for streets and wharves, from whence it came. This action was taken in view of a later estimate of the City Clerk and Treasurer of the revenue to be derived by the city for the balance of the fiscal year. The Clerk and Treasurer now estimates that he will collect \$8,000 or \$10,000 more than he thought when his former statement was submitted.

FAYETTEVILLE'S SMALLPOX.

Dr. McGowan, County Superintendent of Health, at Fayetteville, yesterday at noon issued an official bulletin stating that one case of varioloid in the mildest form, was discovered in the morning. The patient is a negro named A. J. Johnson, living on Hay street. He is already convalescing, but was sent to the hospital as a matter of precaution. This is the first case reported in a week. The *Observer* says that Col. Cook and family have returned to the city from their week's temporary isolation at the Fuller place on Harrington Hill, and that smallpox failed to make its appearance in the family as was anticipated.

WILL GIVE BENEFIT ENTERTAINMENT.

Mr. and Mrs. M. G. Tiencken will give an entertainment to friends at their home, 404 Castle street, this afternoon and evening for the benefit of the improvement fund of St. Paul's Evangelical Lutheran church. All their friends and especially members of the congregation, are cordially invited to be present and enjoy themselves.

PURCHASED INTEREST IN BUSINESS.

The STAR learns that Mr. Norwood H. Lockhard, who for several years has been bartender at the Atlantic Inn, corner Front and Red Cross streets, has purchased an interest in the liquor business of Mr. W. Van Hardin, on Princess street, and will in the future be found at the new location. His friends wish for him much success in his new business venture.

CITY HOSPITAL MANAGERS.

Regular Monthly Meeting Yesterday—Dr. A. H. Harris Named as Temporary Successor to Dr. Lane.

No action was taken at the regular monthly meeting of the board of managers of the City Hospital yesterday afternoon relative to the election of a permanent successor to the late Dr. W. W. Lane, but Chairman D. McEachern stated that Dr. A. H. Harris had consented to visit the hospital, and with the capable assistance of the subordinate officials there, he would act as temporary superintendent until permanent arrangements could be made.

The meeting was held at 2:30 o'clock P. M., Chairman McEachern presiding, and others in attendance being Commissioners Holmes and Montgomery and Aldermen Springer and Spencer.

The death of Dr. Lane was formally announced at the meeting and Messrs. Springer and Montgomery were named as a committee to draft resolutions expressive of the feeling of the board at the demise of the late superintendent. A report will be made at a subsequent meeting.

The report of the conduct of the hospital was made by the interne, Mr. James M. Hall, and shows the following facts: There were treated in the hospital during January 65 patients, of which 37 were from the city, 12 from the county and 16 pay patients. Of this number 90 were white males, 16 white females, 19 colored males and 10 colored females.

There were 25 patients remaining in the hospital Dec. 31st, and 40 were admitted during the month, 37 were discharged, two died and 26 were left for treatment Jan. 31st. Rations were furnished 161 days to pay patients, 697 days to charity patients and 459 days to employes, making a total of 1,317. The average cost per capita per day was 15 cents.

The financial part of the report shows that there was expended for subsistence, \$201.65; general expenses, \$26.18, and salaries, \$303, making the total disbursements \$930.83. The receipts were: From pay patients, \$247.15; prescriptions, \$42.90; city appropriation, \$168.66; county appropriation, \$350.00. Total receipts, \$708.71. The report was ordered on file.

CHARGED WITH LARCENY.

Negro Woman and Man Arrested Yesterday for Stealing Money and Silk.

Martha Price, colored, was arrested yesterday by Officer C. E. Wood on a warrant charging her with stealing \$26 in cash from Amos Biggs, also colored, on November 24th. She had been dodging the police very successfully but is at last landed in the look-up. Her case will be heard by the mayor this morning.

Another case of larceny will be heard in the municipal court this morning. It is against Wm. Robeson, colored, who attempted to get off with about 20 yards of silk from the store of J. H. Redder & Co. yesterday afternoon, but two of the clerks, Messrs. B. T. Powers and Claud Morse, were notified of the theft and the negro hadn't got ten out of the store before they were after him. The race was close and exciting. The negro took down the railroad track with his feet-footed pursuers close behind him and they succeeded in running him down at the end of the A. C. L. passenger shed. The silk was taken from him and he was turned over to Officers E. Piner and John A. Martin, who escorted him to the guard house.

REMAINS LAID TO REST.

Funeral of the Late Dr. W. W. Lane Held Yesterday Morning.

From St. James' Episcopal Church yesterday morning at 11 o'clock, Rev. Frederick H. T. Horsfield, the rector, assisted by Rev. James Carmichael, pastor of St. John's parish, impressive ly conducted the funeral of the lamented Dr. W. W. Lane, whose death was announced in these columns yesterday. Many friends and acquaintances, among them being some of his comrades in war, were present and were visibly affected by the solemn funeral rites—the last solemn act in the drama of his life. At Oakdale cemetery, where the remains were tenderly laid to rest, there was also a large gathering and several beautiful floral tributes were laid upon the grave.

The pall bearers on the sad occasion were: Honorary, Dr. W. W. Harris, Mr. B. G. Worth and Mr. Wm. Waters; active, Dr. T. S. Burbank, Dr. A. H. Harris, Dr. W. J. Love, Dr. W. J. H. Bellamy, Mr. George Kidder and Mr. James M. Hall.

COL. MURCHISON'S GUEST.

Mr. James Swann, of the wealthy firm of Inman, Swann & Co., of New York, arrived yesterday and will be the guest for several days of Col. K. M. Murchison at Orion plantation. Mr. Swann and Col. Murchison will spend much of the time at hunting. On Monday there arrived by express from one of Mr. Swann's hunting preserves in Tennessee four very fine deer hounds and they were sent down the river for the week's chase.

PRODUCE EXCHANGE COMMITTEES.

At the regular monthly meeting of the Board of Managers of the Produce Exchange held yesterday morning, the following committees were named on quotations:

Cotton—Messrs. P. Pearsall, S. P. McNeill, D. L. Gore and Wm. Calder.

Naval Stores—Messrs. H. K. Nash, C. H. Robinson, Matt. J. Heyer and Jno. T. Rankin.

GENERAL ASSEMBLY.

The Craig Resolution to Impeach Chief Justice Furches and Justice Douglas.

CONSIDERED IN COMMITTEE.

No Conclusion Reached—Further Consideration Deferred Until Thursday Night—The Election Law—A Spirited Discussion.

[Special Star Correspondence.]

RALEIGH, N. C., February 5.—It was 11:30 o'clock last night when the Judiciary Committee of the House having under consideration the Craig resolution to impeach Judges Furches and Douglas, adjourned their executive session, and then it was to meet again at 8 o'clock to return the consideration of the report of the sub-committee.

The discussion in the executive session last night was a lively one, the voices of the speakers frequently penetrating the massive walls of the State library, where the executive session was held. Ex Judge Connor urged upon the committee that only a severe rebuke should be administered to the two judges. Among those who argued for impeachment proceedings were Craig, Graham and Spaulding. The report of the sub-committee consists of nine typewritten pages of legal cap, and in reciting the facts in the case as developed by their investigation, gives conclusions in law which are very favorable to impeachment.

The most significant sentences in the report is as follows:

"The manner in which this order was issued indicates to our minds that the judges who directed it to issue did not think that they had the power to issue the same, and that they were undertaking to shift the responsibility from themselves to the clerk of the Supreme Court."

Many are of the opinion that the foregoing report of the committee to the House will be unfavorable to impeachment and recommend a severe rebuke to the two judges as urged by Judge Connor. If this is not the case there is a strong probability that there will be majority and minority reports.

[Special Star Telegram.]

The second executive session of the House Judiciary Committee to consider the sub-committee's report on the Craig resolution to impeach Justices Furches and Douglas of the Supreme Court was held this afternoon. An adjournment was taken, however, after three hours session to Thursday night, without reaching an agreement. To quote a prominent committeeman, the "committee decided the matter was of grave importance, not to be entered upon without much deliberation and thorough discussion."

Petitions to Change Election Laws.

Petitions to change the election laws precipitated a spirited discussion to-day in the House. Mr. Zachary, speaking to a question of personal privilege, charged that a great majority of the petitions to change the election laws, presented, are prepared by a coterie of enemies, with Richmond Pearson the chief, for base political capital. Other Democrats charged that the names on many petitions being presented by Republican members are forged. The charges elicited a storm of indignation from Republican members.

Mr. Craig's substitute for Mr. Gaither's bill, repealing all divorce laws since '87, came up as the special order and shut off the strong debate on the election law petitions. The change was "the devil for a witch," as another long discussion followed. The speeches by Connor and Stewart resulted in the adoption of a motion by Craig that the bill be the special order Thursday, at eleven o'clock.

Bills passed final reading: To secure passage of fish in the Cape Fear and Northeast rivers; for relief of the clerk of the Superior Court of Robeson county.

Bills introduced: By Rountree, to incorporate the Duplin and Onslow Railroad Company; to protect owners of timbers, By Shannonhouse, to improve roads in Charlotte township. By Rountree, to enlarge the power of county boards of pensions.

THE TEXT BOOK BILL.

Aycock's text book bill was made the special order for 11 o'clock to day. In the Senate the bill to allow New Hanover Commissioners to appropriate \$500 each for the W. L. I. and Naval Reserves, passed final reading.

Other bills passed: To incorporate Washington substitute the State seal for the star and "N. C." on the State flag; to authorize Scotland county to purchase land for a court house, jail and home for aged infirm (second reading); to allow Wilson county to issue bonds (second reading); to appoint a committee to investigate charges of extravagance, fraud and corruption in the Blind Institute; resolution to investigate the running expenses of the steamer Lily.

Bills introduced: By London, to provide for the Soldiers' Home in accordance with resolution of the recent Confederate Veterans' Convention. By Buchanan, to prohibit the carrying of concealed weapons. By Arrington, to amend Congressional districts. By Smith, to require registration of architects. By McNeill, to abolish the office of standard keeper of Cumberland.

A message was received by both branches of the Assembly transmitting the report of the University, and urging a liberal appropriation for its support.

— Mr. W. R. Barksdale left last night for Baltimore.

DIED.

KELLEY—At the residence of her aunt, Mrs. Thomas Kelley, H. C. Kelley, aged 2 years, yesterday morning. MARGARET JOSEPH KELLEY, daughter of H. C. Kelley, as the age of 5 years.

Funeral upon arrival of train this (Wednesday) morning, thence to Oakdale cemetery. Friends and acquaintances invited.
