

THE MORNING STAR.

VOL. LXVII.—NO. 131.

WILMINGTON, N. C., SUNDAY, FEBRUARY 24, 1901.

WHOLE NO. 10,458

LOCAL DOTS.

—There will be no services at St. Paul's Episcopal Church to-day on account of the bad weather.

—The amount of drunkenness on the streets yesterday and last night during the snow storm was the occasion of frequent remark. Many people took the day as a holiday and judging from appearances they all had a good time.

—The Norwegian barque *Bertha* was cleared yesterday by Messrs. Heide & Co., for Stettin, Germany, with a cargo of rosin consigned by the S. P. Shafter Company. The British schooner *Helen Shaffer* was cleared with lumber for Marcoria, San Domingo.

—“Rally Day” at the First Baptist Church which was to have been held to-day will be postponed one week because of the snow. Parents' Day in the Sunday school has also been postponed on account of the inclement weather.

—Mr. Adolph Wittmann, of Boston, publisher of the *Albany* and *Wilmington* papers, is in the city securing photographs of interesting scenes in and about Wilmington for photogravures which he will bring out in the future. The Chamber of Commerce will be asked to assist in the publication of the book of views.

One Committed; Another Released.

The young white men named Fowler, whose arrest on the charge of larceny of money was noted in the *STAR* yesterday, were arraigned in the municipal court yesterday morning, but the case was transferred to Dr. W. W. Harris, justice of the peace, and the younger, Robert Fowler, was committed to jail in default of \$75 bond for the Criminal Court. His elder brother, Claude Fowler, upon the charge of receiving the stolen property, was released, it having appeared to the court that the money in his possession was in payment of a debt by his brother.

Mr. Swann to Atlanta.

Mr. James Swann, of New York, who has been the distinguished guest of Col. K. M. Murchison, at Orton plantation for some time, was summoned yesterday afternoon on a business mission to Atlanta, Ga., he having left on the afternoon S. A. L. train. Mr. Swann has nothing but words of praise for Orton plantation and environment and promised Col. Murchison before leaving that he would return in about ten days. Col. Murchison came up the river yesterday evening to spend Sunday in the city.

Sunday School Conference.

The Interdenominational Sunday School Conference will meet at 8 o'clock Tuesday night in the Y. M. C. auditorium. An excellent programme has been arranged and it will be published in Tuesday's issue of the *STAR*. Every Sunday school superintendent and teacher and all others interested in Sabbath school work are expected to be present. The conference will no doubt be the best ever held in Wilmington and much good will result from the meeting.

City Executive Committee.

A meeting of the City Democratic Executive Committee will be held on tomorrow or Tuesday night to make arrangements for the registration, calling of the primaries, etc., for the coming city election, which will be held on Thursday, March 28th. The committee will also organize at this meeting by the election of a chairman and secretary and treasurer.

NEW ADVERTISEMENTS.

W. B. Cooper—Sleigh rides.
S. J. Davis—Pure blooded eggs.
Geo. W. Larkins—Legal notices.
Geo. O. Gaylord—Big Racket store.
W. E. Worth—Carolina Ice Co. under reorganization.

BUSINESS LOCALS.

P. H. Hayden—Buggies, harness.
Wil. Gas Light Co.—Try a range.

Manager Bryas, of Tarboro.
Manager H. T. Bryan, of Tarboro's winning baseball team in the State league last year, wants to come to Wilmington and manage their team this season. He writes to a friend here that he wants to see Wilmington have a winning team and can sign one that “can do up the whole push.”

The Reverse Bill.
A meeting of the Wilmington Chamber of Commerce will be held to-morrow to protest against certain features of objection to business men in the new revenue bill now before the Legislature, a synopsis of which is published in the Raleigh telegram of the *STAR* to-day.

Left for Baltimore.
Dr. J. N. Johnson, of the firm of Baldwin & Johnson, surgeon dentists, left last evening for Baltimore, where he goes to purchase improved dental equipments for the firm's already handsomely equipped parlors on Front street. Dr. Johnson expects to return about the middle of this week.

—Rev. C. S. Blackwell, D. D., and Mr. F. Heinberger have returned from High Point where they attended the State Sunday School Convention.

SEVERE SNOW STORM

Greatest Fall in Wilmington Yesterday Since February Five Years Ago.

HOLIDAY FOR MANY PEOPLE.

Weather Bureau Shows a Record of Nine Inches—Traffic Was Not Seriously Interfered With and No Accidents of Consequence.

A majority of Wilmington's inhabitants awoke yesterday morning in the midst of the severest snow storm the city has experienced since February 17th, 1896, the nearest approach to it in the interim having been the storm of February, two years ago, which was postponed on account of the inclement weather.

The first flakes of what is commonly known as “hominy” snow began to fall at three minutes to four o'clock yesterday morning and this species of the Arctic visitor kept up intermittently until about 6:30 o'clock, when the downfall opened up in dead earnest and continued almost unceasingly until about 6 o'clock yesterday afternoon, after which it wound up about as it commenced and the mercury in the thermometers began to incline toward zero at an unpleasant rate, which is attested by the condition, far from comfortable this morning. The official record of the depth of the snow taken by Observer Felger at the Weather Bureau at 8 o'clock last night is 9 inches, though many contend that in sections of the city it was as much as a foot. The temperature during the day, however, was not so unpleasant and the only seriously objectionable feature of the storm was the blinding snow flakes and perchance a solidly compacted snow ball thrown by some exuberant youth or jovially inclined elder person. The minimum temperature was 26 degrees and was reached at 8 o'clock last night. Once in December this winter the mercury has been down as low as 23 degrees. Early last night the snow began to thaw in some places and to freeze over which made it disagreeable to pedestrians and hazardous to life and limb, but though many sharp cracks with pavements were reported as incidents of the day, there were few, if any accidents.

Mr. Eugene Smith, one of the clever traveling representatives of Corbett & Co., while walking by the grocery store of Capt. J. B. Higgins yesterday morning lost his foot hold and in clutching for some object by which to steady himself, thrust his hand through one of the panes of the window glass of the store but a glove protected him from injury.

Railroad traffic was not interfered with and trains came in as usual, a few short delays having been on account of connections from the North. Street car traffic, while exceeding difficult was kept up remarkably well and an indulgent public has “no kick coming.”

Mr. Nicholas Schneck in talking with a reporter yesterday of notable snow storms in the past spoke interestingly of the phenomenal snow storm of April 15, 1849. He said there must have been a fall of 12 or 15 inches; fruit was killed and all vegetation was cut off. Roses were in bloom at the time and a severe freeze followed, peaches on the trees were the size of a walnut and the people regarded it nothing less than a public calamity.

The whole face of the earth from New Orleans to Maine was covered with snow and business was suspended. Another severe storm came in Jan. 1877 and a severe cold snap, which froze everything. Mr. Schneck says that during this period he saw more than 800 skaters and spectators on Eden's (now Greenfield) pond. The skating continued for several days and the sleigh bells were heard upon every hand.

The worst snow storm in more recent years according to the Weather Bureau records extending back as far as 1885 was in Feb. '96 when a fall of 12.1 inches was recorded. Through the kindness of Mr. Arthur D. Kinsman, the clever Assistant Observer at the Bureau, the *STAR* is able to furnish the following additional records of snow fall: Feb. 1889, 3.5 inches; March 1889, .03 inches; Dec. 1892, 3; Dec. 1894, 1.5 inches; Feb. 1899, .5; Jan. 1899, .3; Jan. 1900, .1.

About the Pilotage Matter.
A *STAR* representative was shown yesterday afternoon a very strongly signed petition circulated by the Cape Fear Pilots' Association against the proposed abolition by the Legislature of the compulsory features of the bill now governing the practice at Wilmington. The instrument is signed by all the ship brokers, ship chandlers, port officers and many of those interested directly or indirectly in shipping from this port, including the firms of Messrs. Alexander Sprunt & Son, Acme Tea Chest Company and others.

The Rev. Edgar Carpenter.
Norfolk Landmark: “The Rev. Edgar Carpenter, having declined calls from St. Paul's Church, Wilmington, N. C., as well as from a church in Washington, D. C., the congregation of All Saints Church, Park View, has taken the initiative step toward establishing All Saints as an independent church, separate from Trinity Church, from which it started. This matter will, it is said, be considered by the council of the Diocese of Southern Virginia at its meeting in May next.”

Presented With Storm Caps.
The motormen and conductors of the Wilmington Street Rail Company are very much indebted to the Fishbait Clothing Company for splendid storm fur caps presented to each member of the force yesterday. The cold car employes suffer much from street weather and such kindnesses are highly appreciated.

For Whooping Cough
USE O'BENNY'S EX-PECTORANT.

NEW BOTTLING ESTABLISHMENT.

Contract Let Yesterday for the Building to Be Completed by April 1st.

Contractor W. E. Glenn, of Charlotte, was yesterday awarded the contract for the erection of a building for the new bottling works soon to be established here by the Joseph Schlitz Brewing Company, of Milwaukee, Wis., mention of which was made in these columns a few days ago. The building will be of brick, three stories in height and will cost about \$2,000. It is estimated that the machinery, which will arrive in about three weeks, will cost about \$4,000, and the size of the building will be 263 by 40 feet in size. The location, as previously stated in these columns, will be back of the office of W. A. Whitehead & Son, between Water street and the river, on the property of the Atlantic Coast Line.

Contractor Glenn will begin work on the building to-morrow, and has obligated himself to have it completed by April 1st. The Wilmington agents of the company will be Messrs. W. H. Pyke & Co., the firm being composed of Mr. W. H. Pyke, a well-known business man of Southport, and a gentleman in Wilmington, whose name the *STAR* is not at liberty to disclose.

Wm. J. Bellamy, Esq., has been retained as attorney for the corporation. Mr. A. M. Hoffstadt, special agent of the company, who has been here looking after the establishment of the plant, left yesterday afternoon for Columbia to look after sales to the South Carolina dispensary.

DEATH OF MRS. REBECCA A. GORE.
Died Yesterday Afternoon of Pneumonia at Home of Her Son in Wilmington.

The *STAR* chronicles with regret this morning the death of Mrs. Rebecca A. Gore, which occurred yesterday afternoon about 5 o'clock at the residence of her son, Mr. Thos. J. Gore, Second street between Church and Castle, after an illness of three weeks with pneumonia. Mrs. Gore was a native of Brunswick county but had resided for the past ten years or more with her children in this city. She was 69 years and one week of age and was beloved by all who knew her for her kind ways and amiable disposition.

The surviving members of the family, who have the sincerest sympathy of friends, are Messrs. Thos. J. Gore, C. D. Gore, and Mrs. Amanda D. Dags, all of Wilmington.

The funeral and interment will take place to-morrow afternoon at 3 o'clock at the family burying ground in Brunswick county.

Rev. Dr. Wells and Family Here.
The Rev. J. M. Wells, Ph.D., the new pastor of the First Presbyterian church, accompanied by Mrs. Wells and three little sons, Masters John, Calvin and Thomas, arrived yesterday afternoon via the Seaboard Air Line and are comfortably fixed at the Orton, where the family will remain for some time until arrangements can be made for their housekeeping.

Dr. Wells will occupy the pulpit of the First church at both services to-day. The new pastor and family were met at the station upon their arrival by Messrs. W. M. Cumming, W. A. Riach, R. W. Hicks, W. E. Worth, Rev. J. W. Paxton, A. J. Howell, Jr., and Col. Walker Taylor. They were hospitably received at the hotel by a committee of ladies from the church, who made it as pleasant for the family as possible.

Recruits for U. S. Army.
First Lieutenant John E. Cusack, Fifth Cavalry, U. S. A., in charge of the recruiting station at Goldsboro, arrived in this city yesterday morning in company with Dr. Thomas Hill, medical examiner for the station, and examined the nine applicants for positions in the army recently secured by Corporal Ricks in Wilmington. Out of eight applicants examined yesterday, only one, W. B. Ennett, came up to all the requirements, but others may have an additional examination at Goldsboro later, if they so desire. Lieut. Cusack and Dr. Hill left last night, returning to Goldsboro.

Towed to Fayetteville.
The steamer *A. P. Hurt*, which cleared in the snow storm yesterday afternoon for the return trip to Fayetteville, had in tow the disabled steamer *E. A. House*, which sunk at her wharf here several weeks ago. She was towed to Fayetteville for repairs, the company having decided that it was cheapest to have the work done there.

Confirmed a Class.
Bishop Leo Haid, assisted by Rev. Fathers Marion, George and Dennen, yesterday morning at St. Thomas' Pro Cathedral, confirmed a class of 21 girls, 14 boys, one man and one woman. High Mass will be celebrated at St. Thomas' to-day and there will be a sermon by the Bishop. The forty hour's devotion will end tonight when Bishop Haid will preach again.

Messages of Condolence.
Mr. W. F. Robertson, Keeper of Records and Seals of Clarendon Lodge, No. 2, K. of P., of this city, and Supreme Master of Exchequer T. D. Meares, of Wilmington, yesterday telegraphed messages of condolences to Mr. John Wood, of Raleigh, Grand Secretary of the Grand Lodge, K. of P. of the State, upon the announcement of the drowning of his brother, Capt. William Ward, master of the steamer *Rio de Janeiro*, which went down Friday while entering the “Golden Gate” at San Francisco, particulars of which were printed in the telegraphic columns of the *STAR* yesterday.

Death of an Infant.
Mr. and Mrs. Jno. T. Ebert have the sympathy of many friends in the death of their seven-months-old son, John S., who died of pneumonia yesterday morning at the family residence, 612 South Seventh street. The funeral will be held at 3 o'clock this afternoon from the residence with interment at Bellevue.

GENERAL ASSEMBLY.

Articles of Impeachment Presented by the House to the Senate.

COURT TO ORGANIZE MONDAY

Proceedings in the Two Houses—Bills Introduced and Bills That Passed Final Reading—E. K. Bryan Appointed Criminal Judge

RALEIGH, N. C., Feb. 23.—Specific articles of impeachment against Chief Justice Furches and Associate Justice Douglas were adopted by the House to-day and conveyed to the Senate by the whole body of Representatives at 2:15 o'clock. The Senate received the House standing, Judge Allen, spokesman of the Representatives, addressed the Senate. He said:

“The House of Representatives has adopted articles of impeachment against David M. Furches, now Chief Justice of the Supreme Court, and Robert M. Douglas, Associate Justice. We now present to the Senate articles of impeachment and ask the Senate to take action thereon.”

The Sergeant-at-Arms formally, and after the manner of a courtier, called for silence to hear the articles read by the clerk. There are five articles, constituting fifteen pages of typewritten matter. Upon conclusion of the reading the president of the Senate said:

“Mr. Speaker, Managers and Gentlemen of the House of Representatives: The Senate will take proper action on the articles of impeachment as required by law, of which due notice will be given the House of Representatives.”

Judge Allen replied that the managers for the House would await the action of the Senate, and thereupon the Representatives retired.

The Senate adopted a resolution by Mr. London that the Senate organize as a court of impeachment at 12:30 P. M. Monday, receive the articles of impeachment, and thereafter summons be served on the accused judges to answer at the bar of the court at some date then specified. The rules for impeachment were presented by Mr. Arrington, and action was deferred to Monday. A joint resolution to employ a court stenographer was introduced by Mr. Arrington.

Bills passed final reading in the Senate: To incorporate the Eastern Insurance Company; to incorporate the Bank of Dunn; to protect trade and commerce from conspiracy of monopoly (known as the Ward anti-trust bill); substitute by committee adopted; to empower the Governor to appoint a board of internal improvement; resolution asking the board of agriculture to make exhibits at Buffalo, Charleston and St. Louis; to protect deer and fish in Bladen and Columbus counties; bill regulating pensions and providing pensions to soldiers who became disabled or diseased since the war—given \$75 to the first class, \$60 to the second, \$48 to the third, and \$30 to the fourth class pensioners; also provides the general State funds be drawn upon for \$200,000 to supplement the pension fund from a special levy if necessary.

Bills introduced: By McNeill, to repeal the Cumberland county dispensary law. By Travis, to authorize the Secretary of State to return insurance companies charters filed under the Oraig law.

In the House of Representatives nearly the entire session was spent in Committee of the Whole, considering articles of impeachment.

Bills passed: to incorporate the Atlantic and Western Railroad Co.; to put the office of insurance commissioner upon equal footing with other State officers and to increase the appropriation for clerical help from \$1,000 to \$1,500.

Bills introduced: By McCulloch, to appoint justices of the peace for Bladen county. By Hays, to allow Chatham county to levy a special tax. By Thompson, to appoint justices of the peace for Onslow county; to amend the oyster law relative to Onslow county. By Lawrence, to allow mayors of towns to perform marriage ceremonies.

The resignation of Augustus Moore, Judge of the Eastern District Criminal Court, was accepted by Governor Aycock to-day and E. K. Bryan, of Wilmington, was appointed in his stead. The term of office expires June 30th, 1901.

Messages of Condolence.
Mr. W. F. Robertson, Keeper of Records and Seals of Clarendon Lodge, No. 2, K. of P., of this city, and Supreme Master of Exchequer T. D. Meares, of Wilmington, yesterday telegraphed messages of condolences to Mr. John Wood, of Raleigh, Grand Secretary of the Grand Lodge, K. of P. of the State, upon the announcement of the drowning of his brother, Capt. William Ward, master of the steamer *Rio de Janeiro*, which went down Friday while entering the “Golden Gate” at San Francisco, particulars of which were printed in the telegraphic columns of the *STAR* yesterday.

Death of an Infant.
Mr. and Mrs. Jno. T. Ebert have the sympathy of many friends in the death of their seven-months-old son, John S., who died of pneumonia yesterday morning at the family residence, 612 South Seventh street. The funeral will be held at 3 o'clock this afternoon from the residence with interment at Bellevue.

WILMINGTON BURGLAR

ARRESTED IN NORFOLK.

Mysterious Robberies Solved by Negro's Arrest Yesterday—Capt. Green and Mr. Honnet Identify Him.

[Special *Star* Telegram.]
NORFOLK, Va., Feb. 23.—The arrest by Norfolk detectives of George Nash, alias Julius Calley, negro, has turned out to be the most important capture of the season. Nash, it appears, is a most notorious thief with a penchant for jewelry, and that he operated successfully at Wilmington, is shown by the recovery of a small stock found on the negro's person. Nash had not long been in Norfolk when he was arrested as a suspicious character. When searched at police headquarters he had concealed in various pockets thirty watches, besides numerous gold cuff buttons, lockets and other jewelry.

The local police communicated with various cities and learned that the stolen property belonged to Mr. Geo. Honnet, a jeweler, of No. 12 North Front street, Wilmington, whose establishment was recently burglarized. Mr. Honnet arrived here to-day accompanied by Capt. Robert Green, of the Wilmington detective department. Mr. Honnet identified the property found on the negro as his and also recognized in Nash the man who had acted suspiciously around his store before the robbery was committed.

Capt. Green took charge of the prisoner and to-morrow with Mr. Honnet will leave for Wilmington where the negro will have a hearing in the police court.

The Wilmington police say they have direct evidence against Nash and his conviction seems to be a foregone conclusion.

ELKS' COMMENDABLE WORK.
Through Their Exalted Ruler the Charity Characteristic of the Order is Being Appreciated by the Poor.

With a commendable spirit of sincere charity, characteristic of the order everywhere, but which for lack of opportunity has not heretofore shown itself in Wilmington upon so large a scale, perhaps as in other cities, the Wilmington Lodge of Elks early yesterday morning as soon as the flakes of snow began falling and it was seen that the city would soon be in the throes of a snow storm, began a work which should receive merited praise from every source.

The work of the Wilmington Lodge came through its energetic and high sympathetic Exalted Ruler, Mr. H. J. Gerken, and consisted of the raising of a charity fund from Elk members for the supply of fuel to indigent people, who would otherwise suffer from the cold. The result of Mr. Gerken's canvass among members is that there is now already purchased about 150 loads of splendid pine wood, which will be distributed to-day and as long as the bad weather exists, under the personal supervision of Elk members to a list of needy persons and families furnished by the Associated Charities and otherwise gathered by the beneficent Elks, headed by Exalted Ruler Gerken.

In the absence of Mayor Waddell, Mayor pro tem. Springer and Alderman Taylor, chairman of the Streets and Wharves Committee, have done the right thing in placing at the disposal of the Elks as many of the city carts as will be required to deliver the wood anywhere in the city it is needed.

The United International Order of Buffaloes, Ranch No. 999, of this city, has also raised \$5.00 in subscriptions of fifteen cents each from its members and the amount has been turned over to the Elks for distribution.

A LEGISLATIVE BLUNDER.
Bill Passed Both Branches of the Assembly Making North Carolina a Prohibition State.

[Special *Star* Telegram.]
RALEIGH, N. C., Feb. 23.—The discovery was made to-night that a bill has passed both branches of the General Assembly making North Carolina a Prohibition State, except that liquors can be manufactured and sold in incorporated towns in Buncombe county. A mistake in phraseology makes the law apply to the whole State, and grants the privilege to manufacture and sell only to towns in Buncombe. The discovery created a consternation among members and is the most talked of feature of the day. It is not effective within thirty days, and immediate steps will be taken to enact a bill correcting the law.

The Mutual Fidelity Company.
Messrs. George Harris and Thos. H. Wright left last night for Richmond in the interest of themselves and others in Wilmington who have invested in the “diamond contracts,” of the Mutual Fidelity Company, of Baltimore. They have gone to investigate a proposed transfer of the stock to a new company in Delaware and to make any other inquiries necessary to the welfare of the Wilmington stockholders.

To City Subscribers.
City subscribers are earnestly requested to report promptly at the *STAR* office every failure of the carriers to deliver their papers. In all such cases steps will be taken to insure prompt and regular delivery.

PERSONAL PARAGRAPHS.

—Dr. C. T. Hawes is visiting at Magnolia.
—Mrs. E. C. Craft has returned from Walter, N. C.
—Hon. Walter H. Neal, of Laurinburg, is in the city on a professional visit.

—Messrs. W. A. Shellenberger and M. A. Lyon, of Charlotte, were arrivals at the Orton yesterday.
—Messrs. E. T. Pullen, of Burgaw, and D. B. McLaurin, of Maxton, were arrivals in the city yesterday.

—At the home of her son, Thos. J. Gore, yesterday afternoon at 5 o'clock Mrs. R. E. Gore, 83 A. GORE, aged 69 years and one week.

—Federal and interment Monday afternoon at 3 o'clock, at the family burying ground in Brunswick county. Friends and acquaintances invited.

NEW ADVERTISEMENTS.
