Negro Charged With Poisoning Releases from Custody-Docket Cleared With Only a Few Continuances-A Number of Sentences.

The March term of the Eastern District Criminal Court adjourned yesterday afternoon at 6 o'clock after a prac tical disposition of all the cases on the docket. Solicitor Duffy left in the afternoon for his home and the prosecutions after his departure were look-

ed after by Marsden Bellamy, Esq. Judge Bryan will leave to-morrow for Jackson, Northampton county, to hold the Criminal Court there. H next and last term at Wilmington, begins June 2ad. He has made a decidedly favorable impression during the term just ended, not only with the bar but with the people at large. His judicial bearing has been remarked upon and his ability to dispatch business is attested by the fact that dur ing the week sixty odd cases have been called, tried and cleared from the docket.

Possibly the most unusual proceeding during yesterday's session was the presentment by the grand jury of Dr. W. F. Stokes, the county coroner, and the service upon him of a writ to show cause why he should not be held in contempt of of court. This action by the grand jury grew out of his appearance on last Tuesday before the grand jury to testify to certain facts with reference to the alleged poisoning of the colored woman, Minnie Aiken, regarding the death of whom he held an inquest a week or two ago. It was alleged by Foreman Schulken and one or two of the members who were in troduced as witnesses, that Dr. Stokes objected at first to a number of ques tions put to him and acted in other respects in an unbecoming manner. Dr. Stokes conducted his own case in court and subjected each witness to a rigid cross examination to controvert the facts as set forth. He most earnestly denied any intent of putting himself in contempt and he was discharged after a reprimand by Judge

Finished Work of Crimical Court Yesterday and Discharged With Thanks by Judge Bryan.

The grand jury for the term of the Eastern District Criminal Court for New Hanover county, just ended, finished its work at 6 o'clock yesterday evening and were discharged with thanks by Judge Bryan, who took occasion to compliment the foreman and members for their painstaking and thorough work and conscientious action upon a number of important matters, already referred to, that came under observation. We recommend that one of the inmates, Esther Arthur, be given sufficient clothing and that the roof of the porch be repaired and that the proper repairs should be made to the stables, also that better bedding be furnished

Shaft to His Memory Should Be Erected

In view of the very great phllan-thropy with which Mr. James Walker has blessed the city, county and state in theerection of the spleadid new hospital at Wilmington and its grainitous gift to the people of this section, the STAR would suggest that it is entirely appropriate and de serving that the people of Wilmington in popular accord should resort to some measure of enduring recognition of his great benefaction and that no better method could be adopted than the eraction of a monument su tably inscribed to the memory of Mr. Walker, who departed this life on Friday and whose remains were laid to rest in Oakdale Cemetery yesterday.

Counsel for the Prosecution An-Their Case.

WITNESSES FOR THE STATE. Col. Kenap, Clerk of the Supreme Court, State Auditor Dixon and Treasurer Lacy-The Defence Will Begin Presentation Monday.

[Special Star Telegram.]

RALEIGH, N. C., March 16 .-Counsel for the prosecution in the impeachment trial of Chief Justice Furches and Associate Justice Douglas, before the State Senate, announced at 6 o'clock this evening that they rested their case.

Ex Governor Jarvis, for the defence, stated that if the case were pending before an ordinary jury, they (thindsfence) would also rest and introduce no evidence, on the ground that no case was made out against their clients; but inasmuch as the prosecutor is the House of Representative, in the name of the people of North Carolina, they proposed to proceed with the presenta tion of their evidence, beginning Monday morning, by placing Chief Justice Furches and Associate Justice Douglas on the stand, and subject them to the most rigid cross examination that the ingenuity of the able counsel of the prosecution can devise.

The principal witness examined today was Col. Kenan, clerk of the Supreme Court. He was on the stand the entire morning session. He testified to his having declined to issue a mandamus on the auditor and treasurer, except in compliance with an order from the Supreme Court; of the issuance of such an order and his compliance; of the refusal of the majority of the court to allow Judge Cla k's dissenting opinion to be filed. During his examination the original records in office holding cases, here tofore ruled on by the Supreme Court, were introduced.

During the evening session of the court the principal witnesses were Dr. B. F. Dixon, State auditor, and State Treasurer B. R. Lacy. Toere were many clashes between counsel, the mington. the admission of records in the auditor's office connected with the payment of Toeophilus White's claim in compliance with the writ of mandamus. The defence objected on the ground that the judges were not responsible for the actions of the auditor. President Turner overruled the objection and the defence appealed; but the Senate sustained the ruling by a vote of 36

NOBLE DEED OF CHARITY.

Said That Mr. James Walker Left \$5,000 for Catharine Kennedy Home.

It is learned that the will of the late James Walker, which will likely be admitted to probate Monday, contains a provision in which he bequeaths to the Ladies' Benevolent Society of Wilmington, \$5,000 for the benefit of the Catherine Kennedy Home for old ladies.

It is also said that an amount was left to the Wilmington Young Men's Christian Association but that later this was changed when the deceased decided to found the new hospital which bears his name. However, nothing definite as to the disposition of his estate, variously estimated as worth from \$60,000 to \$150,000, will be known until the will is entered for probate.

HEARING IN CHAMBERS.

Judge Fred Moore Desied Petition for Transfer of an Important Case in Brunswick Superior Court.

Judge Fred Moore, of Asheville, last night heard in chambers at the office of Rountree & Carr in the Masonic Temple a motion by defendant to remove an interesting case entitled F. M. Moore vs. Navassa Guano Company to another county other than Brunswick at the Superior Court of which county the case is ap-

pointed to be heard this week.

Judge Moore decided not to remove the case as asked by defendant on the ground that the defendant did not show at the hearing last night by a preponderance of testimony that prejudies in Brunswick was of such a degree that a fair and impartial trial could not be had or that the ends of justice would be in any way pro moted by removing the cause to another county.

Judge Moore also heard the question of a a continuance of the case. This was granted on account of the inability of George Rountree, Esq. principal counsel for the defendant, to attend the trial on account of his necessary detention at Raleigh as a member of the Legislature appointed to prosecute the impeachment case.

Another question was also raised at the hearing as to whether the defendant should be required to pay all costs of the case at this term. Judge Moore reserved his decision in this particular for a further hearing at Southport this week.

The case in question is one brought by Mr. F. M. Moore, of Pocenix, for the recovery of \$20,000 alleged damage said to have been sustained by him by the destruction of his growing crops, forests, etc., due to gases escaping from the works of the defendant company at Meares' Bluff.

Counsel in the case are Messrs. Bellamy & Peschau, Iredell Meares and Robert Ruark for the plaintiff and Messrs. Marsden Bellamy, Roun tree & Carr and Bryan & McNeill for the defendant. The motion for transfer of the trial was recently set before Judge Brown at Fayetteville, but on account of Judge Brown's sickness it was referred to Judge Moore at Wil-

NEGRO'S DEAD BODY POUND.

Discovered in Sound Near Federal Point Probably That of a Sailor.

Coroner Stokes received a telephone message yesterday afternoon from Capps' store, about 12 miles from the city on the Federal Point road, stating that the body of a negro, apparently dead for several days, had been found in the sound about five miles below that place and that no one was able to identify the deceased or account for his presence in that vicinity. Dr. Stokes will go down this morning and, if possible, gather some particulars of the death and establish the identity of the negro.

The people in the Federal Point neighborhood think that in all probability the corpse is that of a colored man who fell from a phosphate barge off Wrightsville beach a week or two ago. At any rate the body of the negro, who was drowned from the barge, has never been recovered.

For once just consider what these four words mean for you. They mean that we have no losses from bad accounts; no high priced bookkeeper to pay, and no expense for collecting. This all means we do business with less expense than is possible with a credit business, and that we can and will save you from 20 to 30 per cent. on all Goods bought from us,

The Democratic voters of Wilmington will have an opportunity Monday to show their approval of good government. It is the duty of every voter to study the records, canacities and qualifications of the candidates for Mayor and vote for the man who in their opinion will make the best Mayor. The office of Mayor is most largely usefu in its relation to the execution of the law. Wilmington does not want a man for show, neither does it especially need a business man, since every one knows that the real power along business lines lies with the Board of Aldermen and not with the Mayor. It needs a man with a clean record, with a conscientious purpose, with an avowed determination to prevent the violation of the law and with a previous career that gives satisfactory assorance of future usefulness to his city and people. Such a man can be found in the person of John J.

For Alderman.

I beg to remind the Democratic voters of the Fourth Ward that I am a candidate for Alderman, and re-
