

LOCAL DOITS.

The steamer Hurt cleared yesterday at 11 A. M. for Fayetteville. The meeting of Carolina Central stockholders is postponed until April 17th. Rev. Dr. J. M. Wells will be the speaker at the Y. M. C. A. afternoon service Sunday. The Young People's Organ Fund Society will meet in the lecture room of Grace M. E. Church to-night. The schooner Montana, which arrived yesterday from New York, brought 3,800 rolls of cotton bawking as part cargo, for interior points. The Primary Union will hold its regular weekly meeting at the Y. M. C. A. this afternoon at 4 o'clock and will be addressed by the Rev. Dr. Calvin S. Blackwell. The Dolgado Baptist Church has been regularly organized with Rev. L. B. Boney as pastor and Messrs. L. B. Brady and L. L. Hudson as deacons. It has twenty-seven members. The Charleston Evening Post says that Guy Woodward, a favorite actor with Wilmington people, will leave the Crescent Stock Company in a short time and will engage in vaudeville work. The time for submitting sealed proposals for certain supplies for the city for the fiscal year beginning April 1st, expired yesterday at noon. All the bids were turned over to the Mayor by the City Clerk and Treasurer. The alarm of fire at 12:35 o'clock yesterday afternoon brought the department to the plant of the Chadbourne Lumber Company, where a spark from the furnace had started a small blaze. It was extinguished with little loss, notwithstanding the very high wind at the time. Rev. Frederick H. T. Horsfield, of Cambridge, N. Y., who has been supplying the parish of St. James, this city, for several months past, expects to leave the latter part of this week for Burlington, N. C., where he has another temporary charge.

QUARTERLY MEETING

Merchants' Association Held Enthusiastic Session Yesterday at 3:30 O'clock P. M. SEVERAL MEMBERS RECEIVED Street Paving, Payment of City Bills and a Number of Other Matters Were Considered—The Question of a Public Park Brought Up. Very few matters of general public interest came up at yesterday afternoon's regular quarterly meeting of the Wilmington Merchants' Association, which was held at 3:30 o'clock in its rooms in the Seaboard Air Line building. Col. W. A. Johnson presided at the meeting and the Secretary, Mr. P. Heinberger was at his post as usual. The committee recently appointed to solicit new members, composed of Messrs. B. Solomon, C. W. Worth, D. C. Love, W. E. Worth and Sol Bear, made a verbal report through Mr. Solomon. It was shown that through the efforts of the committee three new members had been secured and several others reinstated. The committee was continued and requested to further prosecute the canvass. The new members were received into membership as follows: Pansill Paint and Solder Mfg. Co., Kercher and Harris and Dan Benton. The Association now has 115 members and is upon a very sound financial basis but to increase its usefulness and branch out into other lines a very systematic effort is being made to bring as large a percentage of the business men in touch with the purposes of the organization as possible. At the request of many citizens Secretary Heinberger brought to the attention of the body the matter of paving Chesnut and Grace streets between Front and Second with vitrified brick. He asked the chairman to have a committee appointed to properly present the question to the Board of Aldermen now that the budget of expenses for the fiscal year is being made up, but no action was taken and the request was laid upon the table for action at a subsequent meeting. A communication from Mr. Wm. Niesle, the druggist, was read and the secretary instructed to write Mr. Niesle that the matter inquired into is not in the province of the Association for formal action. Secretary Heinberger also brought to the attention of the meeting the desirability of a change in the custom with merchants and business men of paying bills on the 1st of each month after presentation of bills on the first of each month. Secretary Heinberger urged the desirability of changing the date of payment to the fifth of each month but no action was had in the premises. A letter was read from Mr. T. J. Whitted, a member of the firm of D. H. Ray & Co., wholesale and retail dealers in groceries, Fayetteville, N. C., in which he asked for information regarding the Merchants' Association with a view to the establishment of a similar organization in his town. The secretary stated that he had already forwarded the information desired by Mr. Whitted and called the attention of the members present to the fact that during the last twelve months two other cities had been influenced by the Wilmington Association to form organizations of a similar character for themselves. The cities are Raleigh and Wilson. The question of the establishment of a public park was considered at some length upon introduction of the subject by Mr. M. W. Jacobi but no definite action was taken members having been requested to think over the matter so as intelligently consider the practicability of the scheme at a later date. FIRE AT TOMAHAWK, N. C. Dwelling and All Out Houses On Widow's Farm Destroyed Yesterday. Mr. Dickson MacRae, who arrived in the city last evening from a trip up the A. & W. railroad, brought news of a severe loss by fire sustained by Mrs. Haywood Boykin, a widow living near Tomahawk, in Sampson county, yesterday about noon. During the morning, when the wind was blowing a March gale, fire broke out in the forests about the farm which Mrs. Boykin conducts since the death of her husband, and the flames were communicated to the residence and all outbuildings, including smoke house, stables, etc., which, with entire contents, were burned to the ground. The damage to buildings alone is estimated at \$1,500, with not a cent of insurance. Most of the fences about the farm were also burned, leaving the planted crops at the mercy of the stock running at large. The loss is extremely heavy upon Mrs. Boykin and the sympathy of the community goes out to her in the misfortune. A Severe Wound. Henry Holly, a negro boy, was sent to the Hospital yesterday afternoon from the effects of a very severe gash inflicted just below the left knee by falling on a broken beer bottle. The accident occurred in an alley between Second and Third and Dock and Orange streets. City Subscribers. City subscribers are earnestly requested to report promptly at the STAR office every failure of the carriers to deliver their papers. In all such cases steps will be taken to insure prompt and regular delivery.

L'ARISO GERMAN CLUB.

Gave a Most Delightful Dance Last Night in the Masonic Temple in Honor of Lieut. and Mrs. Chiswell. The German given last evening by L'Ariso German Club was one of the most pleasant social events of the season and will long be remembered as one of the most pleasant dances ever given in the city. Mr. Clayton Giles, Jr., led the German and introduced several new and most graceful figures. The attendants of the Bellamy-Chiswell wedding were present, in whose honor the dance was given. Hollowbush's superb orchestra, of Raleigh, discoursed the music for the occasion. Among those present were the following: Miss Kate Hawley, Fayetteville; Mr. J. T. Munda, Mr. and Mrs. C. W. Bidgood; Mr. and Mrs. W. S. Johnson; Miss Webber, Lieut. Crozier; Miss Tallulah DeRosier, Mr. E. M. Beery; Mr. and Mrs. Wallace Car michael; Mr. and Mrs. C. E. Taylor, Jr.; Lieut. and Mrs. J. E. Reinberg; Miss Annie Kidder, Mr. Geo. Crow; Miss Hough, of Baltimore, Mr. J. Van B. Metts; Miss Keely, of Baltimore; Mr. F. N. De Rosset; Miss Mary Calder, Mr. W. J. Bellamy; Miss Eliza Bellamy, Mr. T. B. Willard; Miss Leonora Cantwell, Mr. Geo. Chadbourne; Miss Abbie Chadbourne, Dr. C. P. Bolles; Miss Sue McQueen; Mr. F. W. Dick; Miss Emma West, Mr. Richard Bradley; Miss Anna Peck, Mr. Tom Davis; Miss Elizabeth Payne, Mr. H. M. Chase; Mr. and Mrs. Donald MacRae; Miss Neta LeGrand, Mr. S. M. Boatwright; Miss Cammie Lord, Mr. S. M. Vick; Miss Katherine Harris, Lieutenant Haney, Miss Marie Marchison, Mr. J. Blair; Miss Jenkins, of Richmond; Capt. A. P. Adrian; Miss Jeanie Peck; Mr. J. M. Stevenson; Miss Randolph; Mr. B. Mason; Miss Lucas, Lieut. Bishop, U. S. A.; Miss Mary Chiswell; Mr. Jack Bellamy; Miss Marie Baldwin, Mr. H. B. Peschau; Miss Eliza Bellamy, Mr. E. L. Chiswell; Capt. and Mrs. Lucas. HIS MANAGER DISAPPEARED. Mr. W. J. Reaves Unable to Account for Continued Absence of Young Clarence Montgomery. Mr. J. E. Smith, of this city, has been placed in charge of the branch store of Mr. W. J. Reaves at Southport in place of Mr. C. A. Montgomery, who rather mysteriously disappeared from the place of business at Southport Sunday night and has not been seen since by either Mr. Reaves, his other employees at Southport, or any other of his acquaintances. Mr. Reaves is not prepared to say that young Montgomery, who is a native of this city and a son of Mr. J. Montgomery, has dealt dishonestly with him as the combination of the safe in the store has been changed and he has not been able to open it and count the cash that should ordinarily have been taken in during about the seven weeks since he had a settlement with Mr. Montgomery. Mr. Reaves went down to the store Tuesday in response to a telegram from young Montgomery's wife, but he was unable to fathom the mystery of his disappearance. A note written by Montgomery to a boy who worked in the store, said: "Ben, here is the store key. Give it to some of them to morrow, good-bye. Clarence." Mr. Reaves has unbounded confidence in Montgomery and it is hoped and believed that the matter will yet be cleared up and Montgomery exonerated. HEARING WAS POSTPONED. Case of Mr. Shrier Against Mr. Sternberger and Others Will Be Heard Monday Morning. The charges of injury to personal property preferred by Mr. I. Shrier against Mr. Julius Sternberger, Contractor B. H. Brady and a colored laborer, growing out of the incident relative to the partition wall between the stores of Messrs. Sternberger and Shrier, mention of which was made in yesterday's STAR, did not come up in the municipal court yesterday morning, but upon motion of counsel for defendant, was continued until Monday morning at 10:30 o'clock. Attorneys appearing in the case were Messrs. Junius Davis and Herbert McClammy for the prosecutor and Messrs. A. J. Marshall and Bellamy & Bellamy for the defendant. The motion for continuance was made on account of the absence from the city of Mr. I. J. Sternberger, whom counsel stated was owner of the Sternberger building and a material witness for the defence. The prosecution consented to the continuance with the proviso that the defendant would allow the walls to remain just as they are until the matter is finally adjudicated. The charge against the defendants as entered upon the police docket is "Unlawfully and wilfully entering upon the lands of Mr. I. Shrier."

ELEGANT WEDDING.

Miss Mary Jennings Bellamy and Lieutenant B. M. Chiswell Happily Married. DECORATIONS WERE IN PINK. Bride and Groom Two of the Most Popular Young People in Wilmington Society—Many Beautiful Presents Were Received. The wedding of Miss Mary Jennings Bellamy and Lieut. Benj. M. Chiswell, of the U. S. revenue cutter service, celebrated yesterday afternoon, at 5:30 o'clock, at the residence of the bride's parents, Dr. and Mrs. W. J. H. Bellamy, was one of the prettiest events of its kind witnessed in the city of Wilmington and it will be remembered as one of the most important social functions ever known here. The house was lavishly decorated in pinks, ferns and other tropical plants and was indeed a scene of rarest beauty. The entire lower floor presented a tropical scene so profusely decorated in plants and flowers as to beggar description. At the appointed hour the bridal party entered the front drawing room. The ushers were Messrs. Clayton Giles, Jr., and Champ McD. Davis and Jack and W. J. Bellamy, brothers of the bride. They were followed by the ribbon children, Master Hargrove and little Miss Mary Bellamy, nephew and niece, respectively, of the bride. Next came Miss Mary Chiswell, sister of the groom, and she was followed by the maid of honor, Miss Lilla Bellamy, a sister of the bride. The bride, accompanied by her father, Dr. Bellamy, met the groom and his brother, Mr. E. L. Chiswell, of Washington, D. C., who was his best man, at the altar. The ceremony was most impressively performed by Rev. James Carmichael, D. D., of St. John's Episcopal church. After the impressive ceremony, Hollowbush's orchestra, of Raleigh, played several beautiful selections. The bride was attired in a very heavy iron satin with trimmings of pointe duchesse with long point medallions. She wore diamond ornaments, gifts of the groom, and carried a bouquet of lilies of the valley and bride's roses. Miss Bellamy, the maid of honor, was gowned in a white accordion tulle, with lace trimmings and carried white carnations. Miss Chiswell wore a pink net and silk and carried pink roses. The ushers wore bantons of white carnations. The groom was married in his regulation full dress uniform. The residence was profusely decorated in pinks, ferns, and flowers and presented one of the most beautiful scenes ever presented in Wilmington. Besides the many young society people who were present, the commissioned officers of the Algonquin were in full uniform, which added much to the scene. Mr. and Mrs. Chiswell left at 7 o'clock P. M. on the A. C. L. north-bound train for Washington. From thence they will visit the groom's home in Maryland, and other cities North. The bride is one of Wilmington's most beautiful and popular young ladies, and a great favorite among her friends. The groom is a regular officer in the U. S. revenue cutter service. Lieutenant and Mrs. Chiswell have the very best wishes of a host of friends. Among those present from a distance were Dr. and Mrs. Russell Bellamy and Miss Helene Trenchholm, of New York; Miss Mary Chiswell, of Maryland, and Mr. E. L. Chiswell, of Washington, D. C. REMAINS OF JAS. DAGGETT. Arrived Yesterday Evening From Bluefield, W. Va.—Funeral To-day. The remains of the late James Daggett, accompanied by Mr. W. W. Daggett, of Palaski City, Va., brother of the deceased, arrived yesterday evening from Bluefield, W. Va., and the funeral will take place from the lodge at Oakdale cemetery this morning at 10:30 o'clock, Rev. F. H. T. Horsfield officiating. The pall bearers at the station yesterday were Messrs. C. G. Southerland, Jr., James Cotchett, Junius Davis, Jr., W. H. Stone, Jr., Ed. Dudley, Oscar Peck, G. W. Chadbourne and Dr. R. E. Zachary. Mrs. J. E. Norwood, a sister of the deceased, arrived yesterday from her home at Newberry, S. C., to attend the funeral. Dr. Russell Bellamy. Dr. Russell Bellamy, of New York, arrived in the city yesterday morning to attend the marriage of his sister, Miss Mary Jennings Bellamy, to Lieut. B. M. Chiswell. Dr. Bellamy has risen to distinction in New York where he practices his profession. He and Mrs. Bellamy will leave on April 28th for Europe, where Dr. Bellamy will make a practical investigation preparatory to supervising the erection in New York of one of the finest hospitals ever founded in the United States. Basket Ball To-night. The Naval Reserves and the Boys' Brigade basket ball teams will play a match game at the City Hall to-night, at the conclusion of which, the Weisal and Turner Juniors will try conclusions.

LETTER FROM CHAPEL HILL.

Progress at the University—Dr. Venable Notice of Miss Annie Moore's Scientific Researches. [Special Star Correspondence.] CHAPEL HILL, N. C., April 10.—Your correspondent here has a pleasant task, knowing that any news from Chapel Hill will always interest a large number of your readers. A gentleman who has travelled extensively said to me recently, speaking of the Alumni building, now nearing completion, "That is one of the most attractive buildings I have ever seen—it is beautiful." In a recent talk before the students the president stated that nearly two hundred thousand dollars had been spent in improvements on the University in the last two years, and of this amount the State had given a comparatively small part. To see the two new dormitories at the Alumni building and the other improvements will richly repay a visit, not to speak of the other attractions which Commencement will offer. The Faculty. In the promotion of Dr. Venable to the presidency, the University and the State have not only gained a good president, but also a most valuable man in the chair of chemistry in his successor, Dr. Charles Baskerville. A thorough preparation in this country and in Europe together with studious tastes and great energy, and a charming personality make him an ideal teacher. It is pleasant to note the fact that among the names in the faculty in the new catalogue are to be found the good North Carolina names, Graham, Mangum, Henderson and Ruffin, the two last being grandsons of the Chief Justice. The schools of Medicine and Pharmacy and the department of English will be improved and enlarged by the addition of more professors who will be elected by the trustees at their meeting here in June. Miss Annie Moore. A recent number of the American Journal of Physiology, one of the leading biological journals of the world, has as its author Miss Annie Moore, giving an account of some interesting researches carried on by her in the Hull Physiological Laboratory of the University of Chicago. Miss Moore's researches are along the line of investigation which has become so popular and fruitful in the present day, namely, the investigation of the effects produced by chemical and physical agents upon the metabolism. The special problem attacked in Miss Moore's paper, which is entitled, "Further Evidence of the Poisonous Effects of a pure Na. Cl Solution," is whether sodium chloride as a general poison, and whether calcium counteracts its ill effects. Both questions are answered in the affirmative. Miss Moore is of a well known Wilmington family and has a large number of friends who she made while teaching at St. Mary's, and who feel proud of her honors. It is greatly to be hoped that the arrangements will be made for the meeting of the teachers to be held in Wilmington. This desire seems to be unanimous. LIST OF LETTERS. SUMTER HOTEL, SUMTER, S. C. Announcement.

To our friends, enemies and strangers: On the morning of the 15th we are going to do exactly what you want us to do—throw open the doors of our new Hotel Sumter. This is the biggest Hotel in the world. It isn't the best, but there is nothing better in South Carolina. The building is new, and so are the furnishings—every stick, glass and brass and iron bed with felt mattresses. A number of rooms with private baths. The best lighted dining room in the State, and light up the only thing that gets on the tables. The lobby and reading room are both good looking and they will suit your taste. But what we want to say is this: As above hinted we will open on the 15th, (Monday), but the job is too big to be performed by a couple of proprietors. We want a lot of travelling men to help us. We are going to furnish you with a first rate supper and a hand of music to help worry it down; that will be other acceptable things too—ice water—and—but you want to come and see and feel and hear for yourself. Remember it's next Monday, April the fifteenth. Yours (to tell the truth) for what there is in it, PATRICK & SOLOMONS. apr 11 1/2
