SUMTER HOTEL, SUMTER, S. C.

Announcement.

To our friends, enemies and strangers: On the morning of the 15th we are going to do exactly what you want us to do—throw open the doors of our new Hotel Sumter. This isn't the biggest Hotel in the world. It isn't the best, but there is nothing better in South Carolina. The building is new and so are the furnishings—every stick, also brass and iron beds with felt mattresses. A number of rooms with private baths. The best lighted dining room in the State, and light isn't the only thing that gets on the tables. The lobby and reading room are both good looking and they will suit your taste. But what we want to open on the 15th, (Monday) but the job is too big to be performed by a couple of proprietors. We want a lot of travelling men to help us. We are going to furnish you with a first rate supper and a brand of music to help worry it down; there will be other acceptable things too—ice water—and feel and hear for yourself. Remember it's next Monday, April the fifteenth.

Yours to tell the truth for what there is in it.

The County Commissioners will hold a special meeting for the consideration of important matters to-morrow afternoon at 2:30 o'clock.

A license for the marriage of Mr. John A. Yopp, of this city, and Miss Katie A. Jones, of Cape Fear Township, was issued yesterday.

About five hundred packages of lettuce were shipped North by express yesterday. It was probably the largest shipment for any one day this season.

The hammer shaft of the big fire alarm bell was broken while striking the alarm from box 53 Saturday night. Electrician Yates says it will be repaired to-morrow.

The election of policemen and firemen by the Board of Aldermen will likely not take place before the first Monday in May. It is said that the policy will be to make very few changes.

The Wilmington Cotton Mill is now running only four days in the week, owing to the depression in the market for most all cotton mill products. Friday and Saturday are the days on which the mill is shut down.

The schooner *Moose*, Capt. Strout, which arrived yesterday from New York, made an especially quick trip, having consumed less than four and a half days in the passage downward. She brought a cargo of coal for J. H. Taylor.

The steamer *Wilmington* will leave her wharf, foot of Market street, this morning at 10 o'clock for a trip to Southport and out to sea. The fare for the round trip is fifty cents and the steamer will return so as to arrive in the city about 7 P. M.

FIRST STRAWBERRY SHIPMENT.

Went Forward Yesterday From Warsaw to New York Commission House.

A correspondent of the STAR writing from Warsaw, N. C., says that Mr. J. W. Stokes, of that town, yesterday made a shipment of strawberries to R. L. Brown & Co., a produce commission firm of New York City.

The STAR's correspondent says that this is believed to be the first shipment from the entire State.

Steamboat Inspectors Here.

Capt. John T. Borden and Capt. F. B. Rice, United States steamboat boiler and hull inspectors, respectively, on yesterday and the day before made an inspection of the tugs *Marion*, *Blanche* and *Nagsess* and the new freight steamer *Charles M. Whitlock*, recently built by Capt. Ellis Sherman for the Long and Town Creek trade. The inspectors will return on Wednesday to inspect the steamer *Driver*, which is now in port here.

Two deeds were filed for record at the court house yesterday, as follows: James F. Post and wife to James Smith, a two story residence and lot on the western side of Seventh street, between Dock and Market; consideration, \$1,000.

Andrew Smith and wife to E. P. H. Strunk, property 66x122 feet on Wooster street, between Fifth and Sixth; consideration, \$250.

The Strawberry Crop.

The effect of the continued cool weather is to still further delay the strawberry crop to such an extent that it is said to be provoking serious comment upon the part of the truckers. Conservative growers say that the season now can't possibly open before the first of May, and it is likely that no shipments of consequence can be made even so early as that date.

The News From Fort Caswell.

It is expected that the extensive building improvements at Fort Caswell will be completed this week. A report is also current to the effect that in accordance with the policy of the late Congress to strengthen all the army posts along the coast that another company will be assigned to Caswell soon.

Mr. Barnes and Bride Arrived.

Mr. D. F. Barnes and bride arrived yesterday from Savannah, Ga., and will be at home on North Fourth street. Mr. and Mrs. Barnes upon their return to the city from Savannah stopped in Charleston for a few days where they visited Mrs. Barnes' sister, Mrs. Dawson Cunningham.

Very Complete Programme Is Being Arranged by Odd Fellows Committee.

ANNIVERSARY CELEBRATION.

Hon. John D. Bellamy Will Introduce Speaker of Evening—Presiding Officers and Musical Selections Announced for the Event.

The joint committee of arrangements from the four lodges of Odd Fellows in the city will meet Thursday evening with Wilmington Lodge No. 139, for the purpose of arranging the final details of the eighty-second anniversary celebration to be given in the Opera House on the evening of April 26th.

The members of the committee have been at work like beavers for the past several weeks in making the arrangements for the event and enough is known now to say that the celebration this year will eclipse by far all former efforts in this direction. Hon. Jno. D. Bellamy, member of Congress from this district, has been invited and has accepted the invitation to introduce Col. Jno. F. Bruton, a distinguished Odd Fellow and speaker, of Wilson, who will deliver the annual address. Grand Master M. W. Jacobi will be in attendance upon the ceremonies and the following officers have been selected to preside at the meeting:

R. S. S.—C. F. Williams.
L. S. S.—D. F. Barnes.
Chaplain—Rev. A. D. McClure.
Marshal—L. D. Brown.

Not the least important feature of the celebration will be an excellent programme of music, which detail of the ceremony Mr. J. W. Fleet, of the joint committee, was assigned to arrange. He has secured some of the best talent in the city and the programme of vocal selections, with Prof. A. H. Yopp as piano accompanist, is as follows:

Male quartette: "Two Roses," (Werner), C. H. Cooper, first tenor; R. C. Banks, second tenor; James S. Williams, first bass; A. S. Holden, second bass.

Mixed Quartette: "Hunting Song," (From Lily of Killarney), Mrs. W. L. Latta, soprano; Mrs. James D. Smith, alto; R. C. Banks, tenor; James S. Williams, bass.

Duet: "Gently Flows the River," (Joan of Arc, by Gaul), R. C. Banks and A. S. Holden.

Male Quartette: "The Bridge," (Lindsay), C. H. Cooper, first tenor; R. C. Banks, second tenor; James S. Williams, first bass; A. S. Holden, second bass.

Mixed Quartette: "Come Where My Love Lies Dreaming," (Foster), Miss Carrie White, soprano; Mrs. F. A. Muse, alto; C. H. Cooper, tenor; A. S. Holden, bass.

Full Chorus: "Oh! Italia, Italia! Beloved," (Donizetti), Mrs. W. L. Latta, Miss Carrie S. White, soprano; Mrs. James D. Smith, Mrs. F. A. Muse, alto; Messrs. C. H. Cooper, R. C. Banks, tenors; Messrs. Jas. S. Williams, A. S. Holden, basses.

The committee of arrangements is as follows: W. L. Smith (chairman), J. A. Orrell, secretary, J. W. Fleet, D. E. LeGwin, H. O. Craig, B. R. Penny, J. J. Hopkins, B. J. Jacobs, W. C. Smith, Ed. N. Penny, Jno. E. Wood, E. F. Johnson.

Rev. Mr. Hogue Here.

Rev. Richard W. Hogue and wife arrived yesterday afternoon via the Seaboard Air Line, and are being entertained at the home of Capt. T. D. Meares on Market street. Rev. Mr. Hogue will conduct the services at St. James' to day, and will preach at the Chapel of the Good Shepherd at 7:45 o'clock this evening. He is expected here for several days. It is expected that very soon he will give the vestry an announcement as to his intention as to the acceptance of the call to the parish. Rev. Mr. Hogue and wife were accompanied by Capt. Meares from Atlanta, and were met at the station by a number of the members of St. James' vestry.

May be Victim of Larceny.

Silas Washington and James Floyd, the negroes who were exposing for sale a set of pony harness Friday afternoon, and who were arrested shortly afterwards on suspicion of larceny, were examined at the City Hall yesterday and Washington was released from custody as there was no evidence against him. The other negro is still detained in the guard house pending further developments. He claims to have gotten the harness from his father whom, he says, lives at Olio, B. C.

Appetit Got Her Into Trouble.

Anna Pollock, colored, was arrested yesterday on the charge of stealing a ham from one of her neighbors. She was tried before Justice Fowler and bound over to the Criminal Court. In default of bond in the sum of \$50 she was committed to jail.

RANGE LIGHTS FOR CAPE FEAR.

Wilmington Is Interested in Improving Navigable to Navigation to the River.

Commander Jno. A. Rodgers, of the Sixth Lighthouse District, Charleston, S. C., has been petitioned by practically every man interested in the shipping at the port of Wilmington for additional range lights to serve as an aid to navigation by night in the Cape Fear.

A liberally signed document setting forth the number and location of the lights desired and the reasons for the request was forwarded a few days ago to Commander Rodgers and it is believed that the desires of the shippers here will be complied with.

One of the lights is wanted at the mouth of Alligator creek and three are wanted for a range from Bald Head buoy up and down the river and still another is wanted on Battery Island point, where the light was discontinued three or four years ago.

SECOND ANNIVERSARY CELEBRATION.

Junior Order of American Mechanics Arranging for a Festive Occasion.

The Junior Order of United American Mechanics is nothing if not progressive. A little less than two years ago, Jeff Davis Council No. 63 was formed in this city and since that time the local branch of the order has grown not only in numbers but in influence.

On April 24th the council has arranged to celebrate its second anniversary in the characteristic style of the Juniors. There will be speeches by prominent members of the order and an elaborate programme of music, etc. Refreshments will be served and a most enjoyable event is assured.

The committee of arrangements consists of Messrs. W. J. Bellamy, Jno. E. Wood, J. T. Burke, A. J. Hanby and G. C. Simmons.

WILL BE KNOWN THIS MORNING.

Dr. Blackwell Will Likely Announce Decision About Newport News Call.

It is expected that at the morning service at the First Baptist church to day Rev. Dr. Calvin S. Blackwell will announce his decision in the matter of acceptance or refusal of the call recently extended him by the Newport News Baptist church. The congregation is fearful that the answer will be in the affirmative.

There is no let up in the very great effort upon the part of his Wilmington congregation to keep him here and resolutions embracing a very strong endorsement of Dr. Blackwell have been unanimously signed by every member of the church to whom it has been presented.

THE WILMINGTON PRESBYTERY.

Mr. C. H. Robinson and Rev. R. M. Williams Delegates to General Assembly.

Rev. E. E. Lane, of Immanuel Presbyterian church, and Rev. D. P. McGeachy, of Burgaw, arrived last night from Clinton, where they attended the spring session of the Wilmington Presbytery. The presbytery adjourned Friday night and Clarkston was decided upon as the place for holding the Fall session, which will convene October 10th.

Mr. C. H. Robinson, of Wilmington, and Rev. R. M. Williams, of Wallace, were selected as delegates to the General Assembly of the Presbyterian church, which will convene this year at Little Rock, Ark., in May.

Rev. A. D. McClure remained over in Clinton and his pulpit at St. Andrew's will be filled to day by Rev. Mr. McGeachy.

Chicken Thief's Dash For Freedom.

Silas Crawford, a chicken thief, yesterday morning proved himself as clever on his feet as he was in lifting fowls from a roost. The negro sent a coop of chickens to Mr. C. E. Collins, who runs a store on Market street between Second and Third, shortly after daylight yesterday. Soon after he left a woman came in and identified some of the fowls as belonging to her.

When Crawford returned later for his money Mr. Collins arrested him and telephoned to the City Hall for an officer. Officer Bardeen was sent after him and the thief walked along peacefully with the policeman until he arrived in front of the City Hall. There he made another break and several policemen took after him but he proved too fleet footed for them and made his escape.

The Pine Fibre Plant.

Vice President H. E. Fanshawe, of the American Consolidated Pine Fibre Company, came down yesterday from the plant at Cronly and left last night for New York. The plant at Cronly has been running since Monday but not with its enlarged capacity. Work, however, is being pushed on the extension of the plant and it is expected to have the enlarged plant in full operation within a month or six weeks. Miss Stella Shirer, who went to Cronly, to do shorthand and typewriting for Mr. Fanshawe, also arrived yesterday from Cronly, returning home.

Interest in the "Old Maid" to be seen at the Opera House, April 19th, is running high. The rehearsal promise it will be the funniest thing that ever happened in Wilmington. There will also be a packed house. Out of twenty dates for Miss Duke's conventions there have been twelve where standing room was at a premium and always a full house. It is a Daughters of the Confederacy benefit and as such will draw a house. Then it will give you the most pleasing, funniest evening of your life.

Don't fail to visit Behder's this week.

THE FIRE YESTERDAY

Early Morning Blaze Very Destructive But Controlled Well By the Fire Department.

FAIRLY GOOD INSURANCE.

Was Carried by All Property Owners But Actual Damages Are Hard to Estimate—First Discovered by Street Railway Engineer.

There is very little to add this morning to the hurried account of the fire in the VonKampen block given in these columns yesterday just after the flames were gotten under control by the hard work and clever management upon the part of the department. The origin of the fire is still a mystery, but it has been settled that the explosion, which caused so much speculation at the time, occurred a few minutes after the fire had started. Assistant Engineer Fred Mintz at the power house, adjoining, was the first to discover the glare from over the car shed. He turned on a private hose and had the flames almost under control when the explosion occurred and shot the flames all over the rear of the stores in the VonKampen block. It is Mr. Mintz's opinion that the fire started in the back of Mr. Fuchs' store where whiskey was stored. About the time the explosion occurred, Police Sergeant O. S. Burnett and Mr. William Harker turned in an alarm from corner Front and Orange street and policeman M. Bowen, on that beat and Mr. Joe Warren set about to save persons sleeping up-stairs in the building among whom were Mrs. Joseph Register and family and Mrs. Oroom and family.

The department soon had six streams upon the fire and engine No. 1 at work on one of them. The damage to the Street Railway Company will probably not exceed \$750, fully covered by insurance on the entire plant, amounting to \$26,000, in companies represented by J. H. Boatwright & Son. This damage was to the water tank, in the rear of Hardin's Palace Pharmacy; three cars that were slightly soiled; car shed, tools, wagon, etc., that were in an improvised shed next to the rear of the stores.

The stock of groceries of Mr. J. W. H. Fuchs', one door removed from corner of Front and Orange streets, was very badly damaged, but the saloon, immediately on the corner, escaped such severe loss. Mr. Fuchs estimates his damage at about \$3,000 to both, with an insurance of \$3,975, divided among agents as follows: J. Van B. Metts, \$4,175; Walker Taylor, \$1,000; Joo. J. Fowler, \$800. The building in which these and another vacant store were situated belonged to Mr. C. F. VonKampen and was insured with J. Van B. Metts for \$1,500 and with Willard & Giles for \$1,000, and Mr. VonKampen says he is unable to estimate his loss on either this or the other building occupied in part by Hardin's pharmacy.

The stock of drugs of Mr. J. H. Hardin was insured for \$8,000, in the following agencies: J. H. Boatwright & Son, \$1,900; J. Van B. Metts, \$1,900; Willard & Giles, \$1,250; Walker Taylor, \$1,150. Mr. Hardin says it will take an inventory to determine the amount of his damage, but he fears that he is not fully protected by insurance. On that building Mr. VonKampen had \$5,000 insurance, with W. W. Hodges, \$1,000; J. H. Boatwright & Son, \$3,000; Walker Taylor, \$1,000; Willard & Giles, \$1,000.

The damage to the household goods of the persons living up-stairs over the Fuchs' store will likely approximate about \$800, with no insurance. Chief Schnibben, of the Fire Department, said last night after a more thorough investigation that he was inclined to the idea that the explosion was that of a tin keg partially filled with gun powder and stored in the rear of Mr. Fuchs' grocery store.

SUMMER EXCURSION FROM ATLANTA.

Delegation of Gate City Grocers May Come to Wrightsville in June.

Messrs. H. E. Maddox, J. H. Johnson and L. B. Morgan, prominent business men of Atlanta, composing a delegation from the Grocers' Association of that city, arrived in Wilmington yesterday at noon over the Seaboard Air Line railroad, and were accompanied by Mr. R. H. Tate, assistant general passenger agent of the S. A. L., and Capt. T. D. Meares, general agent of the system at Wilmington.

The delegation came to look over the propriety of the running of an excursion by business men and others to Wrightsville Beach about the middle of June and the gentlemen were taken down to the seashore yesterday. Members of the party expect to return to Atlanta this afternoon. If they decide to make Wrightsville the place of their annual outing this year, it will mean much for Wilmington, as the class of people who will visit the city upon this occasion will be among the very best and most influential men of the Gate City.

In Honor of Miss Sallie McRee.

Rayetteville Observer, 13th: "Miss Sallie Bloomer gave a most delightful luncheon yesterday in honor of Miss Sallie McRee, of Wilmington, and the Misses Cameron, of Lake Waccamaw. Mrs. Herbert Lutterloh is entertaining this afternoon in honor of her sister, Miss McRee."

City subscribers are earnestly requested to report promptly at the STAR office, every failure of the carriers to deliver their papers. In all such cases steps will be taken to insure prompt and regular delivery.

MARTIN'S DEFALCATION

MORE THAN EXPECTED.

Shortage in the Penitentiary Account \$16,832.61—Appointments by the Governor—Other Matters.

[Special Star Correspondence.]

RALEIGH, N. C., April 13.—Gov. Aycock, Col. P. M. Pearsall, private secretary, and Hon. Francis D. Winston will go to Pinehurst this afternoon to spend Sunday, the guest of Hon. Robt. N. Page, of Alabama.

The hotel at Pinehurst and neighboring resorts will close for the winter season about May 1st. The past season has been the most successful in the history of the resort. Several car loads of people, who have been spending the winter there, passed through Raleigh yesterday en route to their Northern homes.

A special committee on the part of the State Board of Education has decided to require bonds aggregating \$23,000 from bidders for the contract to supply the text books to public schools under the Aycock school law. The sub-committee reports very good progress in their work of examining the books offered by different publishers and say they will have their report ready by April 26th.

Capt. J. J. Bernard, of the Raleigh Light Infantry, has received a letter from the Wilson Light Infantry to the effect that they will send a detachment May 10th to compete for the prize for the best individual drill.

Grand Master M. W. Jacobi, of Wilmington, has been in the city for the past two days conferring with Grand Secretary Woodall with reference to the report to be submitted to the Grand Lodge of Odd Fellows when it convenes at Asheville May 14.

[Special Star Telegram.]

RALEIGH, N. C., April 13.—The legislative committee to examine the State treasury accounts and ascertain the shortage of Maj. Martin report the exact shortage of the penitentiary account \$16,832.61. I was told yesterday by members of the committee that it would not be over \$12,000. They had not then drawn a balance. The committee will continue the investigation until the accounts of all institutions are examined. Martin says the other accounts had been short, but he made them up out of the penitentiary account.

The Governor has appointed the following gentlemen delegates to the 28th national conference of Charities and Corrections to be held in Washington May 9th to 15th, inclusive: Dr. P. L. Murphy, Morganton; Hon. Thos. G. Skinner, Hertford; Rev. J. B. Boone, Thomasville; Dr. J. F. Miller, Goldsboro; George W. Watts, Durham; Hon. John E. Woodard, Wilson; Dr. John R. Polk, Dobson; J. G. Siler, Franklin; Parks Kilpatrick, Sandifer; Dr. Charles Duffy, Newberns; Capt. C. B. Denison, Dr. James McKee, Raleigh.

TEAM IS OFF TO RICHMOND.

Will Open the League Season There To-morrow—Manager Peschak is Confident of Resoundant Success.

The boys who will do the honors for Wilmington on the diamond at Richmond Monday will leave this morning via the Atlantic Coast Line, and will arrive at Virginia's capital at 7:22 o'clock this evening. The club will have headquarters at the Lexington Hotel, and will go twelve men strong. "I feel confident of success," Manager Peschak said last night, in speaking of the week's prospects. "We are reasonably certain of two of the three games with Richmond, and some of my men say they will not be satisfied with less than three."

The team will line up for Monday's game as follows: Thackara, catcher; Foreman, pitcher; Stafford, captain and first base; Crockett, second base; Warren, third base; Clayton, short stop; Hollywood, left field; McGinnis, center field; Cranston, right field. Reserves: Stewart, Allen and DeLaney.

For the second game with Richmond Allen will go in the box and Thackara will catch. Stewart, who was expected to last night's S. A. L. freight train from Monroe, will likely go in the box on the third day.

The team had gymnasium practice yesterday; the grounds were too wet for field practice.

League umpire J. R. Davis yesterday received orders from President Cunningham to proceed to Newport News and umpire the game there with Portsmouth Monday. The other opening league game will be Raleigh at Norfolk.

Easter Music at St. John's.

The Easter music at St. John's Episcopal church will be repeated at the service this morning. The programme of music rendered by the choir last Sunday was perfectly beautiful. Those who will assist the regular choir will be Miss Emma West, Miss Platt, Miss Fusk, Miss Barnes and Mrs. John Frank, whose sweet voices are too well known to be commented upon.
