THE SUPERIOR COURT

Very Little Progress Made and an Early Adjournment Had for the Day.

NO MOTIONS IN PENNY CASE.

Northrop Versus Sedgley Hall Club Will be Heard by Referee - Damage Suit Continued and Motion for Party Defendant Allowed in Another.

There was little done in the Superior Court yesterday; in fact there was little on the calendar of cases upon which to work, and at 1 o'clock in the afternoon a recess was taken until 3 P. M., and at that hour an adjournment was taken for the day.

The case of Dortch against Banner man, which was begun Tuesday, took up practically all the morning session, but there came a balk in the matter of procuring witnesses and upon cousent of both sides a mistrial was had. It was ordered by Judge Hoke that the defendant, upon whose request the mistrial was made, should pay the cost of this term. The points of law and facts in the case were referred to at some length in yesterday morning's

It was expected yesterday that some notion or appeal would be taken in the case of Penny against the railroad, in which the jury awarded the plaintiff \$6,000 damages, but this was not done. It is learned from attorneys interested in the case, however, that some action along this line will be taken before final adjournment for the term.

An order was made for a referee in the case of S. and W. H. Northrop against the Sedgeley Hall Club, and the case was continued until the next

The case of the National Cash Reister Company against Lucy J. Farriss for the recovery of a small amount was set for the fast case today. It is learned that by some agreement of attorneys a judgment will be obtained.

The damage suit of George Graham, colored, against Messrs. Alexander Sprunt & Son was called up from the motion docket and by agreement of attorneys, the Champion Compress and Warehouse Company was made party defendant. Graham was a stevedore for Messrs. Sprunt & Son and was injured in some way while loading cotton last Fall. -Messrs. Stevens, Beasley & Weeks and L. V. Grady appear for the plaintiff and Iredell Meares, Esq., for the defendants. Summons is to issue in the

The damage suit of Emeline Mask against the city, set for to-day, has been continued. An unimportant damage suit, in which Charles Carter, colored, sues the Cape Fear Lumber Company for damages, will likely be heard to-day. Barring this case, there are few others of interest on the docket for the remainder of the week.

Returned From Fayetteville.

Capt. Robt. Green, quarantine offi cer, returned last night from Fayette ville, where he went to inquire into the smallpox situation and the escape of the negro Smith from the pest house. Dr. McGougan, superintendent of health, said he was satisfied Smith was not far from his mother's home in the vicinity of Fayetteville, and was not likely to go to Wilmington. There was no sign of any other case, either at the jail or elsewhere in Fayetteville.

In the matter of Federal prisoners in jail at Fayetteville, to be brought to Wilmington for trial at the approaching term of the U. S. Court, Dr. McGougan said it would be left to the authorities in Wilmington to determine the matter.

James Spruat Institute.

The Ray, J. M. Wells, Ph. D., returned yesterday morning from Kenansville, N. C., where on Tuesday evening, he delivered the annual ad dress at the commencement exercises of the James Sprunt Institute. This institution under the presidency of the Rev. W. M. Shaw, so favorably known by many Wilmington people, has just closed one of the most successful years in its history, both in point of attendance and the instruction of fered. So popular has the school grown that the trustees at a recent meeting at Warsaw decided to make great improvements and enlargements to the building for the coming term. The address of Rev. Mr. Wells is spoken of in the highest terms and is said to have been the very best ever delivered upon a similar occasion.

Veterans' Crosses of Honor.

The STAR is requested to say that all veterans who desire certificates of eligibility for Crosses of Honor to be presented by the Daughters of the Confederacy on Memorial Day, May 10th, should apply to Capt. James I. Metts for the same before Monday, as no certificates will be issued after that date.

Lieut, Bradley J. Wootten.

Rev. Edward Wootten has received news that his son, Lieutenant Bradley J. Wootten, will not arrive home this week as expected. He will be detained at San Francisco until May 6th, when his regiment will be mustered out. Friends of Lieut. Wootten await with pleasure his home coming.

Address of Welcome by William J. Bellamy, Esq. -- Phenomenal Growth for Two Years of Jeff Davis Council. Arrangement Committee.

Jeff Davis Council, Junior Order of United American Mechanics last night in Germacia Hall celebrated in fitting and characteristic style the second anniversary of its founding in this city.

The hall was crowded with enthus iastic Juniors and their friends, and it was near the midnight hour when the festivities incident to the occasion were ended. The gathering was welcomed in words of eloqueuce and good fellowship by City Attorney William J. Bellamy, who is himself an ardent member of the order and thoroughly in accord with its benevolent and fraternal purposes. He felicitated the council upon reaching the second mile post in its existence and referred to the exalted pinnacle to which it has arisen in the lodge world of the city, since its establishment two years ago. The work of the past twelve months Wilmington...0 3 1 0 1 2 0 3 0-10 was reviewed and enthusiastic reference was made to the meeting of the Summary-Earned runs, Wilming-Grand Council here next year.

After Mr. Bellamy's speech, which was punctuated with warm applause, members present and their guests were invited to partake of a splendid collation furnished under the direction of the committee of arrangements. in death claims. The committee of arrangements for the affair last night was composed of Messrs. William J. Bellamy, Jno. E. Wood, J. T. Burke, G. C. Simmons and A. J. Hanby. These did their duty well and received many compliments upon the success of the occasion.
